

な This ordinary everyday life...♥

A certain day's wandering

I'm about the age I start noticing the opposite sex after all.

Today's target is a man I don't know who I happened to ride the same train as...

トキ

Oop... I'll lose sight of him

トキ

Like I thought, this thrill won't go away, huh...

トキ

My name is Ishiguruma Noriko.

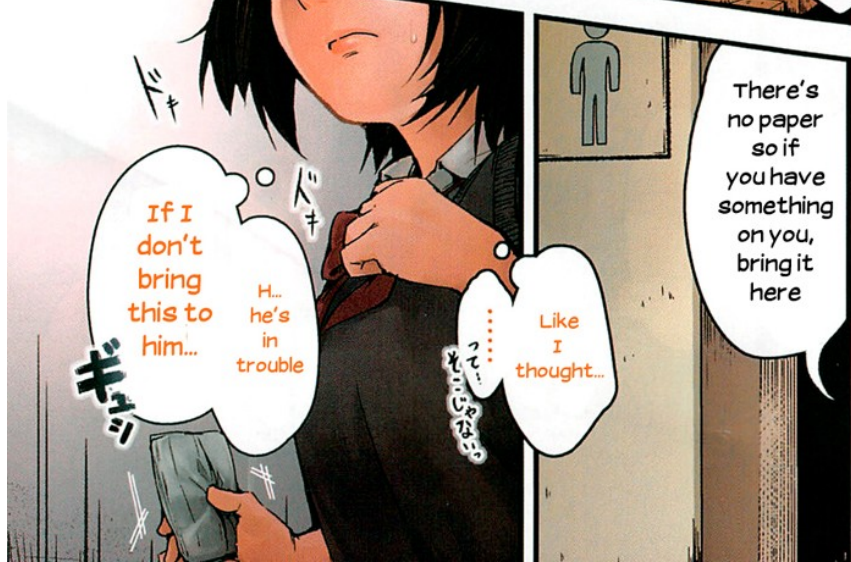

Right now, I, the wannabe detective, am in the middle of practicing tailing someone.
