Oh, right! Suguru-kun, isn't the girl you like also into science? Why don't you invite her into the club?

Here's some tea.

Now, if only we had more members who actually bother to come here, we'd have even more fun~

You think so?

Well, yeah.

This Science Club of yours is fun and all.

Perfectly fine with just me and you here, Chinami-senpai!

I'm...

THE GIRL I LIKE IS RIGHT HERE, YOU KNOW?!

SHE STILL DOESN'T GET IIIITTT!

You're right! You wouldn't be able to come to me for romantic advice otherwise!

Ah-No-This isn't-! I-!

WHA?! Wait, Chinami-senpai, what are you looking at-?!

I'm feeling dizzy all of a sudden...

Huh..?

...Eh?

And my body feels feve... rish...

That's exactly it!

Wait, don't tell me you used me as your guinea pig again!

Huh-Experiment?!

The experiment was a great success!

Wh-What the hell?!

That tea actually had this aphrodisiac mixed in it~!

...Listen...

You should make the girl you like drink this, Suguru-kun.

If you confess to her then... You'll definitely score with her.

Yeah!

So I should... Make the girl I like drink that?

..!

Suguru-kun, you're a nice guy, so it'll be fine even if you use a little overbearing tactic like this.

I...
Love you,
Chinami-
senpai!

Fueh..?
.....

I was talking about you, Senpai.
.....

...She's a year older than you, she loves experiments and she's a little weird, but she's really straightforward and her smiling face is cute...

Chinami-senpai, do you remember how I described the girl I like?

And you always tried to make me hang out with other girls...
W-Well...

Every time I invited you to the movies or out for a dinner, you always thought it was just practice for a real date...

I honestly didn't realize!

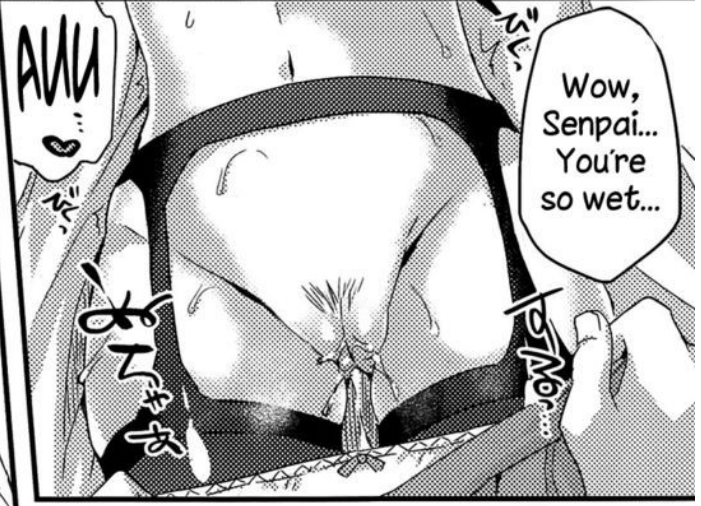

That was about me?!

Eh-Wai-Suguru-kun..!

The aphrodisiac was amazingly effective, huh.

Don't worry about it.

You must've been in pain all this time...

...I'm sorry I never noticed how you felt about me, Suguru-kun.

Today's experiment was a great success!

Super lewd!!

Thanks to you being dense, I got to see you being super lewd.

...Well, if you're okay with it, I guess it's alright.
