

な This ordinary everyday life...♥

A certain day's wandering

I'm about the age I start noticing the opposite sex after all.

Today's target is a man I don't know who I happened to ride the same train as...

Oop... I'll lose sight of him

Like I thought, this thrill won't go away, huh...

My name is Ishiguruma Noriko.

Right now, I, the wannabe detective, am in the middle of practicing tailing someone. Today my disguise is a student.

Ah... he went to the bathroom.

A park...?

You've been following me from the station

Me... me-ow

Eh? No way... he noticed me...?!

You're there, aren't you

Oiiii!

I can't go inside... I wonder if it's big?

If I don't bring this to him...

H... he's in trouble

Like I thought...

There's no paper so if you have something on you, bring it here

おれは...
I can't hear the sound of the toilet flushing either...

I...I'm
sucking a
p*nis in
the mens'
bath-
room

Hm?

Could it be
that you
came here
hoping for
something
like this...?

It's so
stiff...
it tastes
like
sweat

I want
you...

to put it...
inside
of me

Eh?

...inside.

Hmm...
then,
what should
I do
after
this?

You wanted
my d*ck
so badly
you couldn't
take it?

Oh dear...
you've gone
and made a
complete
mess of
your
face

What is this...
my chest is
somehow
thumping--

Ah...
my head's
white...

Not really...

Or rather... I'm gonna cum soon so pipe down a bit

U... um
My legs...

How trouble-some...

Hup!

So intense!

I can't... control my voice...

What should I do... I'm too excited

The sound of the door... if someone comes again...

I'm coming inside!!
