

Who would like to read theirs aloud?

Okay, everyone! Today is parent's day!

Now, your homework was to write an essay with the title "My mom/dad".

I know your moms and dads are here, but

don't be nervous, just behave as cheerfully as you always do.

Go ahead, Shiratori-san.

My dad always walks around the house completely stark naked.

"My dad"

And while he's naked he says to me...

Hoho ho!
FU fu fu...
My goodness!

Huh?

FU fu...
A...
A...
ha...

Hurry up and get naked too,
and hold dad's dick.

so whenever he says that to me, I always happily take off my clothes and then...
I love my dad very much,

I tickle it with the fingers in both my hands to hurriedly make it big.

I pick up dad's still limp penis and...

**Stop!
Stop!!!**

Stoop!!

and with my mouth, I...

Hold on!

I dribble some spit on his penis...

And once it becomes stiff...

Ho-!

Dad~!

I am Shiratori Asuka's father.

E-Excuse me...

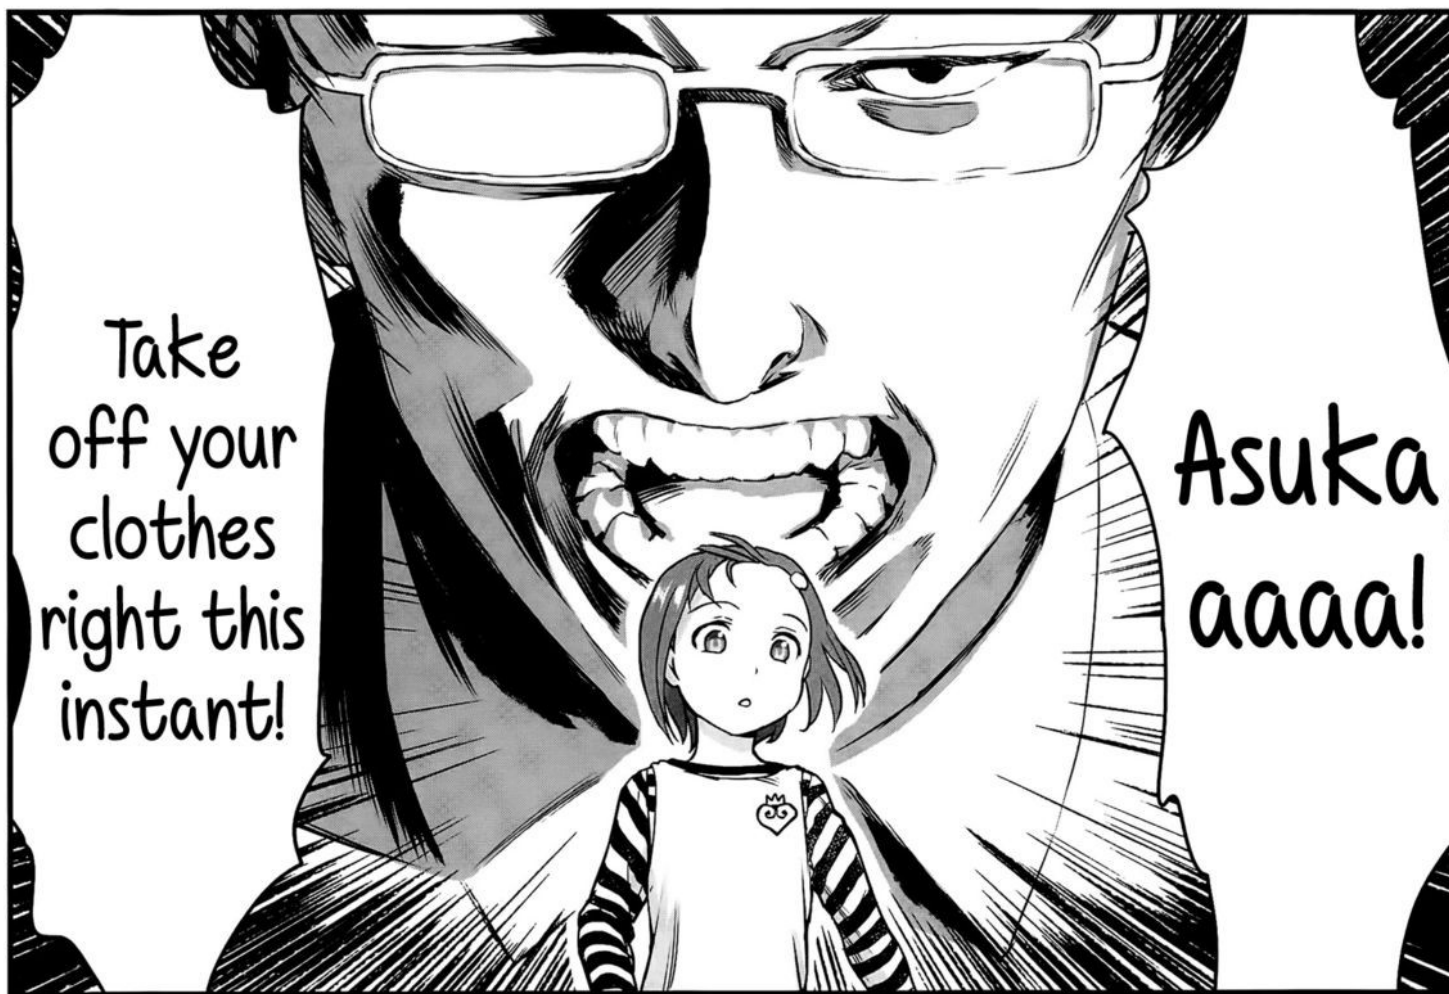

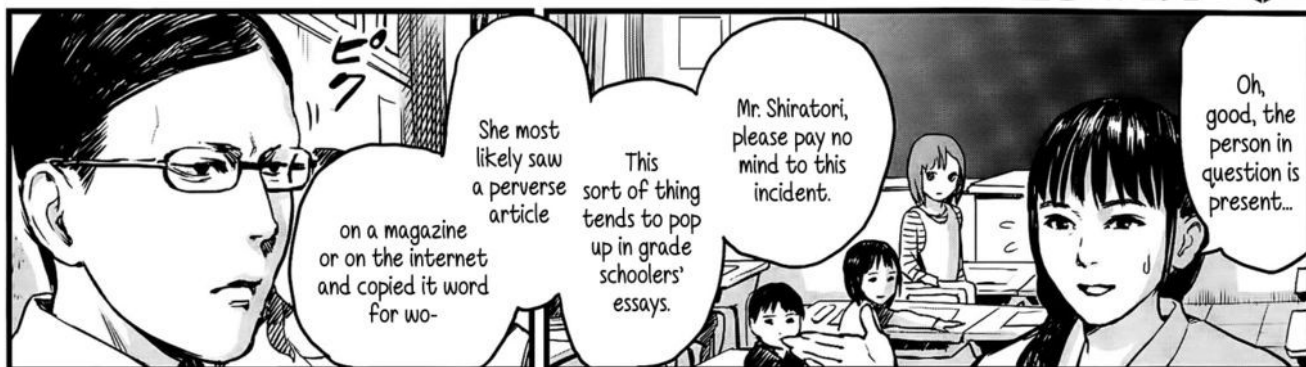

Could Shiratori's guardian please step forward?

But stop reading and wait, okay...?

I-I'm extremely sorry...

Yes.

immediately
raise your hand
to the sky,
please!!!

Together
with a clear
reason as to
why and your
own personal
opinion on the
subject,

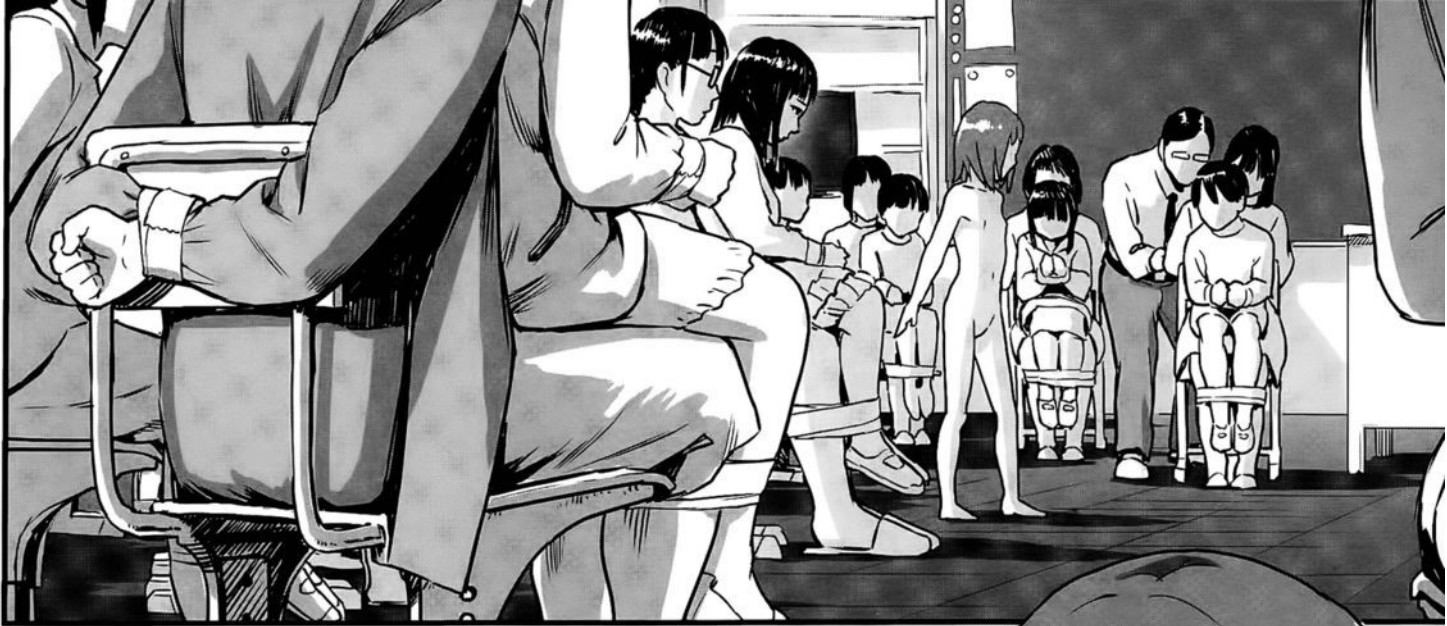

Those who
do not wish
to see our
father-
daughter
relationship,
raise your
hands!!

Okay!

If you
want to
get naked,
then get
naked.

Asuka,
I am not
coercing
you.

Think for
yourself, as
you always
do!

Kh

Even so, your best friend, Yui-chan is crying.

You see, they're not like us. They abhor this sort of behaviour.

Eh~?

Just imagine we're at home, Asuka.

I think it's fun to have everyone watch us!

Ehe!

let's start by letting everyone see you licking my penis and then ask them their oppinions.

o

草率

Asuka... How would you react if I told you that

after today, we would quit doing what we always do?

Eh?! Why?! I would hate that!

...I thought so. In that case...

Anyone would love it if they gave it a chance!

I mean, it's fun...

Asuka, do you like sucking on my penis?

Yeah!

Sometimes, you say some really good things, Asuka.

I see. You might have a point, there.

What?!

Yui-chan...

が
し

Let us test that out, then, shall we?!

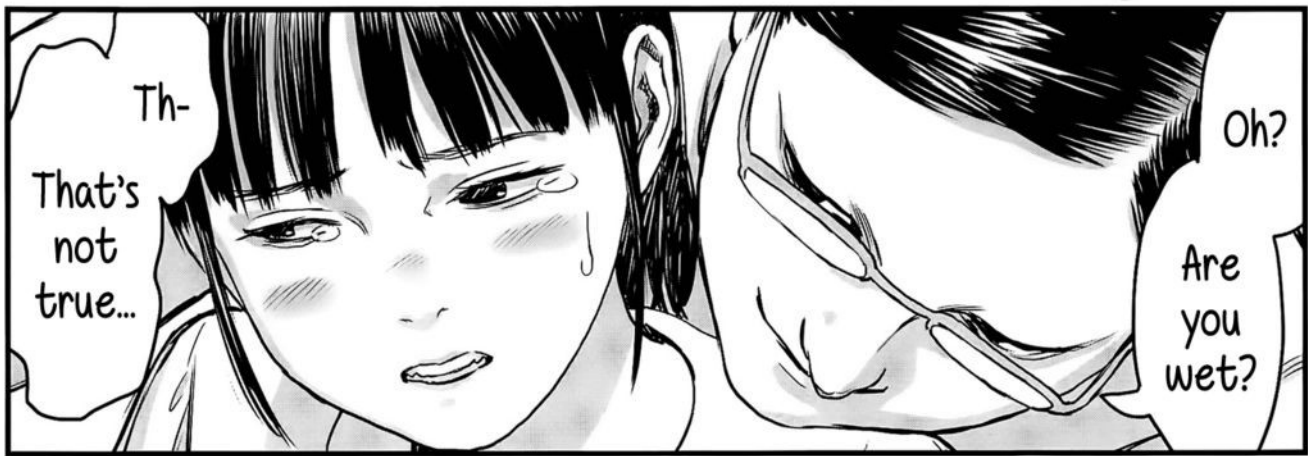

I believe friendly licking another's genitals or having them licked

makes for wonderful skinship, but what do you think, Yui-chan?

Ah!

S- Stop!

ちゅ

Th- That's not true...

Oh? Are you wet?

I'll make you even wetter, okay?

Noo~!

No, you are wet.

Asuka-chan...

The mom

S-Stop!
Asuka-
chan!

So, as you
can no doubt
attest to, she's
become quite
skilled at it.

She'll slide
her tongue on
anything and
everything...
Haha!

Asuka has
been a big fan
of the act of
licking for
many years.

Yui-chan's
downstairs is
so pink and it's
twitching so
much!

That's
my...!

No...!

Stop...!

れろ
れろ

Yeah!

Asuka,
be sure to
peel back
the skin to
give her a
good lick.

Ah!

Yui-chan,
you're so
funny!

What the...
She went
psssh...!

Huh?!
Really?

Although
actually,
Asuka...
I've already
made you squirt
many times
before.

That's called
squirting.
It's proof
that you made
Yui-chan have
a very good
time.

Yes, but
you always end
up in a daze
so you never
notice.

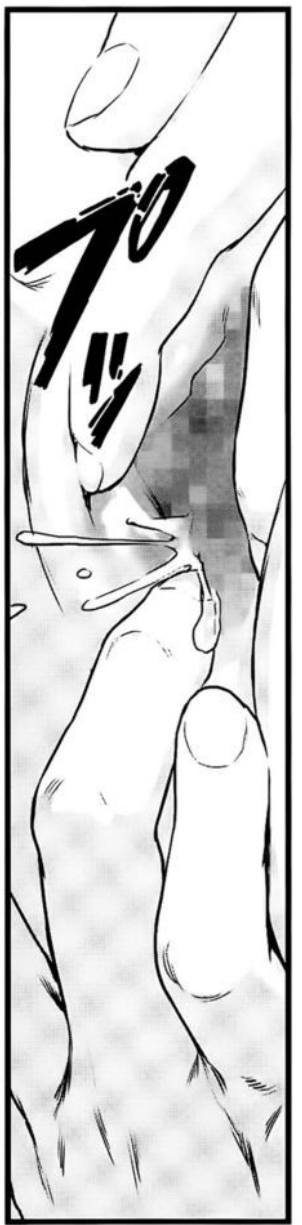

Ah
Eek

uh...
uh...

Dad!
I wanna go
psssh too!

Ooh!
Good idea!

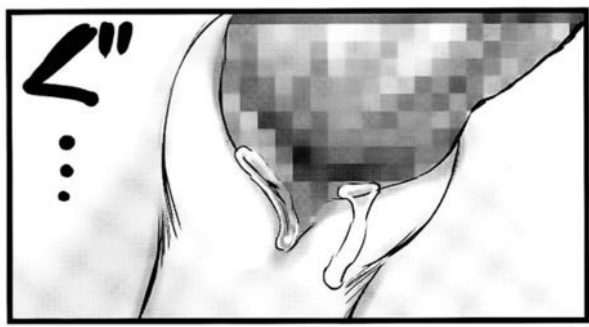

Hurry!

I'm not sure I can comply with your request in the face of how much my daughter yearns for it.

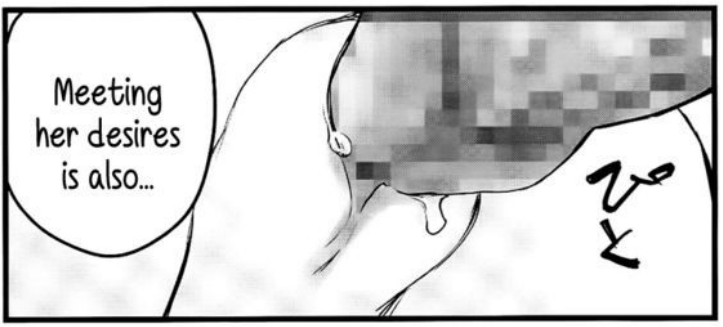

Mr. Shiratori, please don't go that far...

Don't!

Let's give your friends and their mothers a better look as well.

Ooh, I apologise for giving the teacher the house seat.

This is wrong.

It's madness.

Rino-chan and her mom are as elegant as advertised, aren't they?

It's Sae-chan and her mother.

Could I ask you to get along with my Asuka?

Kana-chan, you little rascal.

I hope you'll accompany Asuka to the pool again one of these days.

It's been too long, Mari-chan and mom.

And who might you be? Good day.

As you
can see
we're both
consenting
parties,

having
our fun
without
hurting
anyone!!

But out-
numbered
as we may
be!!

People like
us may well
be in the
minority!

But if you, in the majority,

then we, from our standpoint as the minority...

will do as you do, and convey our own values onto you!!

Open your shut eyes!

So we can build a society where we can coexist!

You, who are trapped by the narrow set of values you learned!

We won't turn a deaf ear to dissenting opinions!

We should talk it through sincerely right now.

I apologise for being personal, but... there's something that I must impart to the teachers and everyone else...

And...

Shiratori
Kenichirou,

I...

more than
anything in
the world,

love my
daughter
Asuka!!

Oh...

I love you too, dad!!
