

Cuteness is invincible.

Once again, a high level artist's strength has been recruited into LO for the war! The lines of their soft bodies, fluttering changing facial expressions, and translucent feeling to their art are, among other things, highlights, but, anyhow, it's a manga you can sum up in one word: "Cute!" Please enjoy this third grade girl with all your heart.

Oi

Bye-bye Bye!

Ichiha, are you done changing yet? Let's go practice

Ah!

Be a little more shy or something

A third grader in class four. She's my homeroom student

Maybe because of that, she's a bit bad at P.E.

Besides that, she doesn't really have any problems

Her body is small, so she's always been first from the front

アッ

Um.. I have a favor to ask of you... Sensei!

Hm?
What's up?

Her grades are normal, and even though she's a bit quiet, her relationships with her friends are good

I'm aiming for victory!

I'm gonna do my best!

Aren't you kinda bad at P.E., Ichina?

Tomorrow for sure~~~

100%...
