

Minami, what's wrong?

Papa...

キ...

我々の父性本能
くすりまくりの
ショート12P!!

My daughter Minami is a second grader in elementary school

Uu...

I had a nightmare...

The two of us live together as a single dad family

Presented By
Shōjī Agumu

Papa's Good Luck Charm!

I'm still scared...

There, there

No need to be afraid anymore

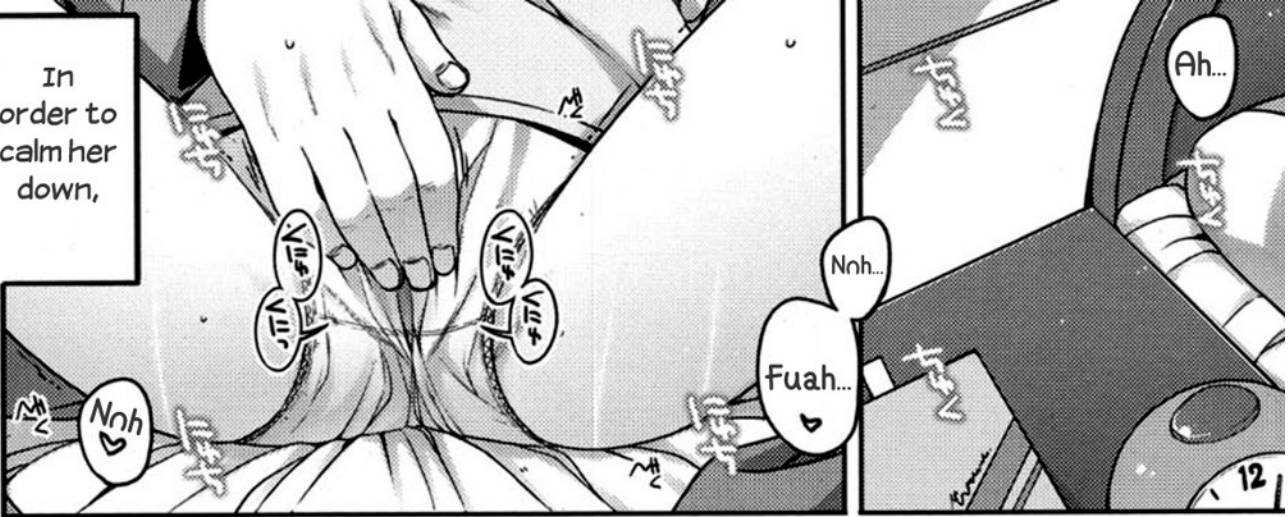

Despite her age, she's still childish

When she has nightmares, she comes to me

Papa... do that "good luck charm" again...

In order to calm her down,

I started fooling around with her in various ways and called it a "good luck charm"...

It seems she's gotten addicted to it...

Does it feel good, Minami?

There... wriggle around there...

Papa...

Nnh...
Ah...

Nhu...

Ah
Nnh

Before, I was into lolis a bit, but

Around here?

I never expected to get aroused by my daughter

Ah...
It feels good...

Fuah
Ah

Is it because of the way I've fooled around with her over and over again?

Touch me more...

It's reached the point that nowadays she can feel it when I play with her pussy

And her love juices have begun to come out as well

Papa...
More...

She seems to like having her clitoris stimulated

Minami, you seem to really like having this spot teased, huh?

There...
Papa... more...

Ah...

Ah
Nh

At first I would pet it gently

Nh...

Gradually, I came to rub it with my whole finger

Fuah...

Ah...

Now, she ends up cumming right away when I stimulate it a little more vigorously

There...

Nh

Ahh
Ah

N=D
N=D

Ah...

Up till now, she's been satisfied with this and would go to sleep, but

You came, didn't you?

Haa...
Ah...

Papa...

Lately, she isn't satisfied until we do lewd things

Then, then if we do it once, I'll go to sleep!

Okay? It's fine, isn't it~

I don't wanna!

You're not scared anymore, right? Go to bed now

Eh...
I want to do more~
...

You have school tomorrow, don't you? You'll end up going to bed late

At first I hadn't thought about entering such a tiny hole, but

Good grief... you're such a helpless daughter, aren't you...

Papa... hurry... put it in

Even though this is something for adults, I'm inside of her

So tight...

Ah...
Nnh

Raise your butt a bit more

She's plenty wet, so if I loosen her entrance a bit

Uwah...

Papa's... is inside...

Ah...

Ahh

Fuah

Ah...

Even though I've got a full erection, she's able to take it in all the way to the base

Even though your pussy's this tiny,

It can take an adult's penis to the base

Ahn
Papa

Ah
Nha

Her asshole too...

Ah...
Hyah...

Minami, your full-to-the-brim pussy's coiling itself around me

This tightness is good

When I touch her asshole, her pussy tightens up a bit and it feels good

Papa's... is inside me...

Nnh
Nnh

Nnh

Papa...

It looks like she likes it when I rub her entrance

Hup

Fuah...

Ah...

Ah...

Hyaaaa

Don't
There-

Ah

No

Ah

Seems like it feels good, judging by how it twitches when I thrust here

Papa

Ahh

Hey, hey. Don't pull your hips away

Nuh

Minami, you really love when I rub here, huh

Not just... there...

Maybe it's because we've been doing it more frequently lately?

I'm cu...

Little by little, I came to know even the spots that made Minami feel good

Rubbing here was a bit too much for her, she's gotten so tight...

Did she cum?

Fuah... Ah...

Papa...

Papa...

Are we... going to do that...?

She always tightens up so lewdly

That's right

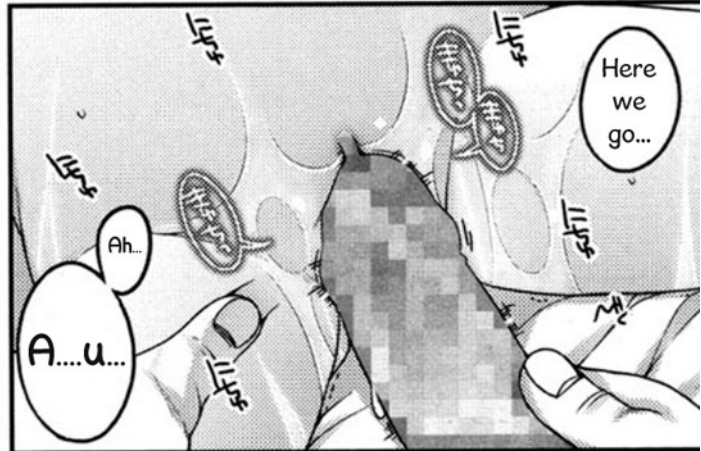

I'm going to pound the spots that feel good for you

Hey now, sit up a bit

Ah...

Are you still going to mo-hya...

Here we go...

A...u...

Papa...

Let's... take a quick break...

Nhaaaa

From below,
I can thrust
hard and
fast into
the
entrance
of her
womb

So
tight...

Every time
I thrust,
she
convulses.
She's clamping
down on me,
I'm reaching
my limit

I'll
cu-

Thas...
too
fast..

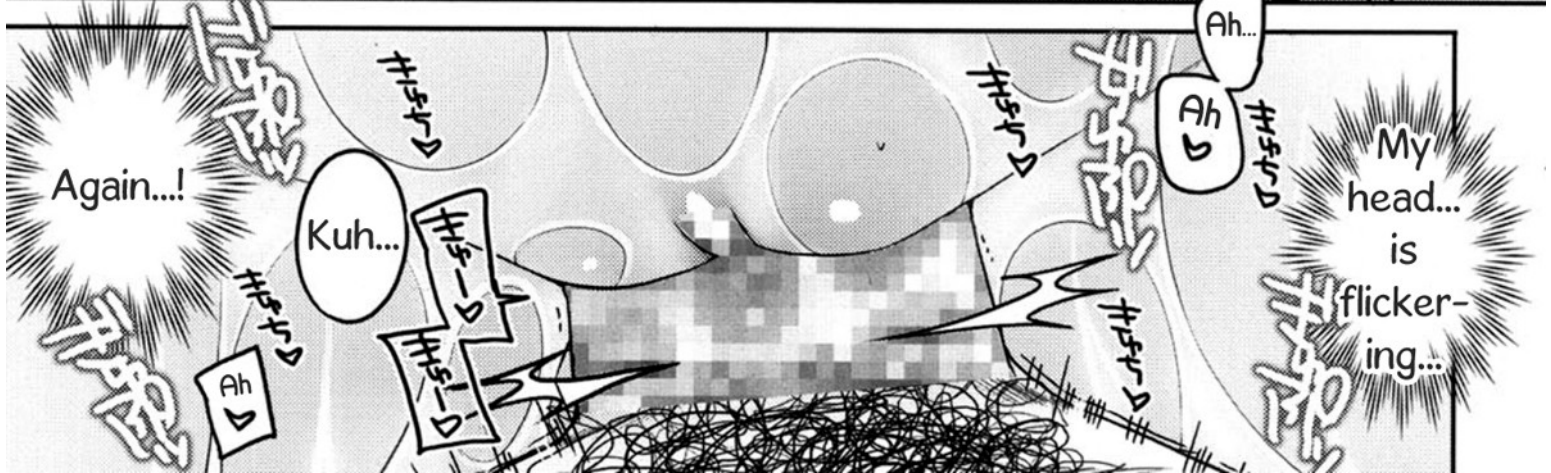

Minami,
you know
what
"pounding"
is?

Don't
pound
into
me

Don't

Papa

Fuah

My
head...
is
flicker-
ing...

Kuh...

Again...!

Ah...
Ah

Ah

Not even 10 seconds later, she ended up cumming right away

Well, it's fine...

Minami... are you oka...

--she's sleeping?! Again?!

I wonder what kind of "good luck charm" we'll be able to do tomorrow... I'm looking forward to it

End
