I really love fucking your pussy, Hijiri!

It may just be flattery, but when they say things like that it makes me really happy.

But lately I think they feel a bit as though they're stuck in a rut.

Ah! Don't fuck me so hard!

I can feel your dick hitting inside me!

ガッ...

It's so deep inside me!

AH ♡

Hi, Nishiki.

I could hear you outside.

Yeah, sorry about that.

Keep it down, Hijirin!

Apathy is the greatest enemy!

And it shows in how used to having sex here you've all gotten!

...perhaps we all need some different excitement.

The bossy girl is the student president, Nishiki Toda.

I guess she picked up on how they're stuck in a rut too.

A little walk after school is nice sometimes, right?

Don't be stupid!

And it can be quite exciting.

y...yeah.

You've got to be kidding. You want me to suck those here?

And it looks like we're not the only ones getting turned on.

For the Newspaper Club only

Pussy for everyone

...no, it gives me the jitters wherever I do it.

It kind of gives you the jitters to suck a cock.

Even though there's no one around, when you're in front of your own classroom...

You don't?

Huh? You get the jitters even in the club room?

You're such a dirty slut.

...it's a bit late for me to try and deny it.

Ugh... you're disgusting.

How are you an honors student and student president?

3-C
TODA

Nishiki sat in the classroom and calmly ate it all... she totally beat me.

...well, I ended up eating it too.

And she put all that disgusting semen on top of our lunch.

They came inside her in the clubroom in the morning

She means...

But the younger boys said that we absolutely had to try it...

I'll head back now...

They all get so excited with it all. and I can't say I feel the same.

I have sex with them all And it makes me feel better, but...

Come on, let's go back to the club room.

To be honest... I was struggling to keep up with her.

Oh, right... some stupid game with the idiots to relieve their stress or something, wasn't it?

Whew, I'm exhausted. This is worse than studying for a test...

Hijirin, we have to drop by the club room today.

The dirty slut!

I bet all pretty they're happy about this too, right?

Oh, I see... and?

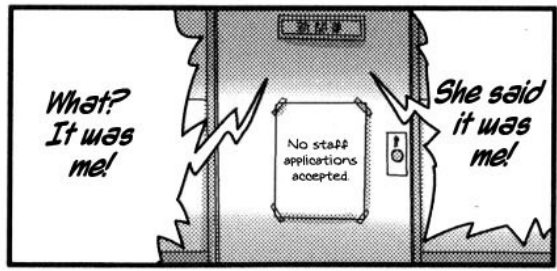

A game? I've been stressed because I have to look after the student council... so I want some sex.

This is unusual for them... Usually they're too busy doing nothing at all.

So, what's up?

I'm the student president, and even I can't fight at school.

What? It was me!

No staff applications accepted.

She said it was me!

Are they fighting?

Hm?

Let's stop messing around and get on with it.

So you've decided you want me?

Give me time to get myself mentally prepared!

Wait! That's too quick!

Damn you!

That's not the point!

Is your body ready?

Some of you pick Hijiri.

I said I would today!

Nishiki's always ready,
mind and body.

That's our
dirty little
student
president!

Yep! I spend
all day thinking
about your cocks.
I can't think
of anything else.

They've all...
changed so
much...

AH...
MNN...

But you're
just as sexy
as her, Hijiri...

Follow Nishiki's
example and
Fuck me
even harder!

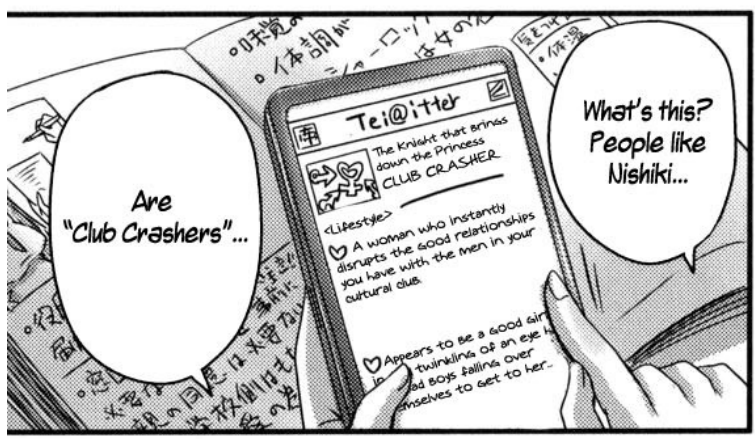

But when Nishiki started coming around that all changed.

Just because she said the club won't be shut down, she's still the Bad Guy. I'm the one who saved us!

So that's why the atmosphere in the room was always so nice.

Somehow I was the centre of their little world.

Are "Club Crashers"...

What's this? People like Nishiki...

I'll get you for this, Nishiki!

I'll drive you out of the club!

Don't call me Hijirin!

Aww... I thought you said you didn't mind today?

Geez... at least we could talk about it but noooo.

You're the one who was out there eavesdropping!

Why the hell would you do that!

Gah!? Nishiki!!

I was just waiting in the hallway like I usually do. It's not my fault that I could hear you!

I was not!

Nishiki... are you really happy with being here?

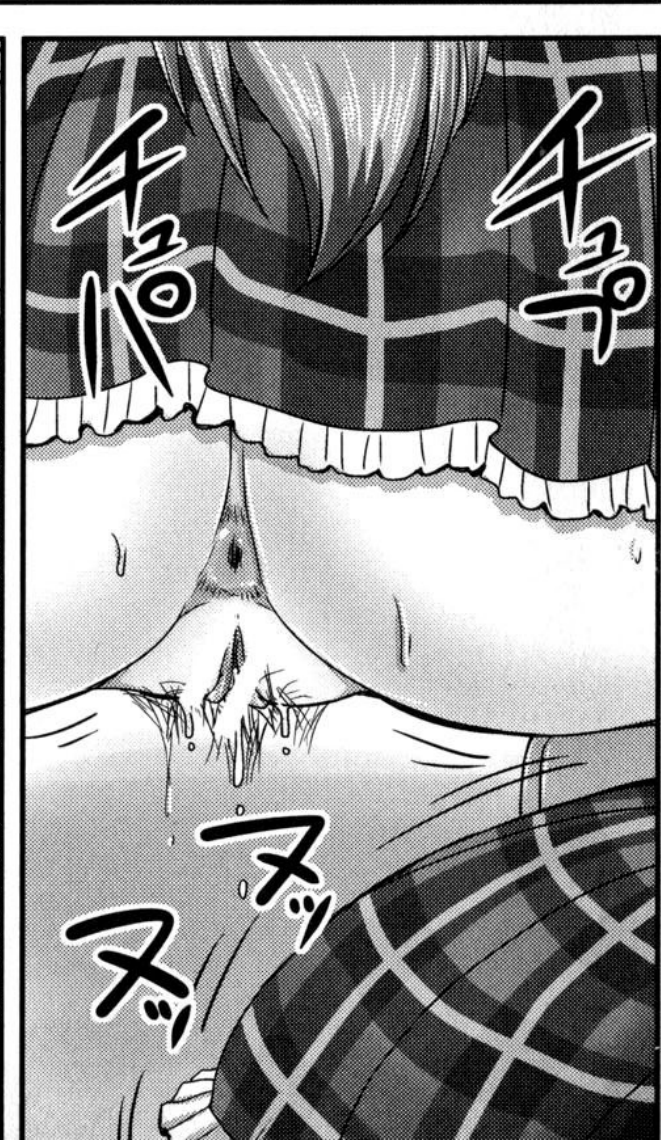

Huh? Mean what?

...about ...driving me out.

So... did you really mean it?

Then maybe you'd like to be fucked a bit harder?

YES!!

NNH!

She put in the good word for you.

And she doesn't have many friends, so she has lots of spare time.

She doesn't have any work at the student council apart from helping you take over.

H...Hijirin.

We were surprised at what a kind and friendly person the student president was!

Oh yeah!

She's always coming around to hang out with me. Isn't that right, everyone?

Huh?

You're the president's best friend? You two are friends?

...you're the head of the newspaper club, right...?

I'm so sorry!

Don't you have any friends in the student council either?

Aww, Nishikin.

W... wait!

AHN

P... president?

Haha!

MNN...NGH

I've hardly ever spoken to president Toda privately...

Don't worry about it.

You and everyone else.

Maybe she'll notice, but this feels so good!

This is getting really good!

Oh, we're totally busted now...

...oh... I see...

President...

If you happen to have any spare time I'd appreciate it...

Well, I'll do the best that I can by myself...
Somehow or other.

Should the next student president be running in the halls?

Please excuse me. Thank you very much!

Well, then...

You all seem to be very busy...

...uh... sure...

Can we get you to concentrate on our boners?

Do you think she'll tell anyone?

Um.

Well, she's gone...

What?

She's my friend now?

Nah, she's just like me.

Besides, you dragged your friend into this...

Excuse me...

I'll get rid of her!

...but I can't bring myself to say it any more.

Nishiki always gets so carried away...

We can have sex in front of Tsunatori and the rest of them.

I'd have to be kicked out instead.

This is really the only place for me...

Ah... Nishiki's not that annoying.

But I don't want that!

It was the greatest crisis that the newspaper club ever faced!

...seriously, you guys.

Huh?
Why are you so happy?

All right!

We've been worried because the two of you haven't been getting along recently!

Great!

Then you're done being lethargic!

Finally, Hijiri has seen the light!

You guys were worried about us... I assumed all you thought about was fucking us. I'm so touched.

They're strangely caring in the oddest situations.

There's so much...

In another six months... the two of us will graduate.

That was great.

Probably.

You too, Hijirin?

Lots of fun still to have.

Dirty girls.

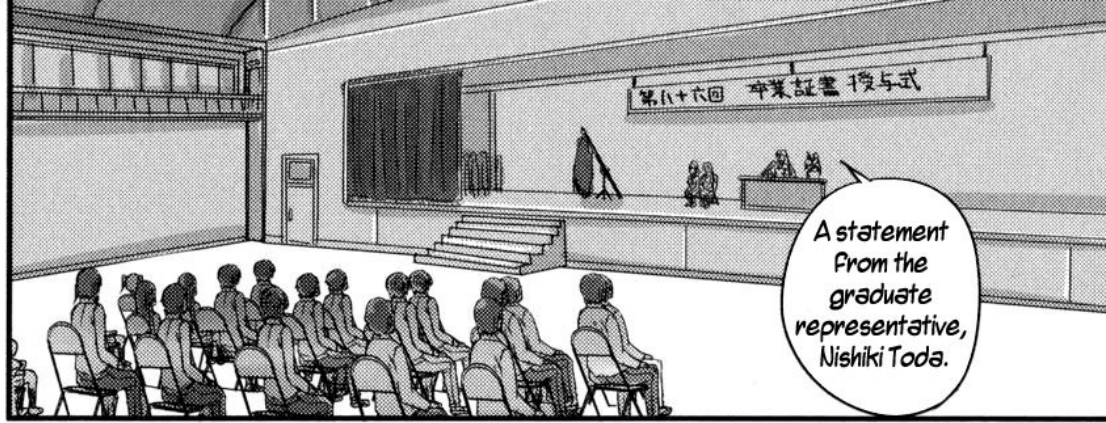

She wouldn't.

... I know how you feel, but...

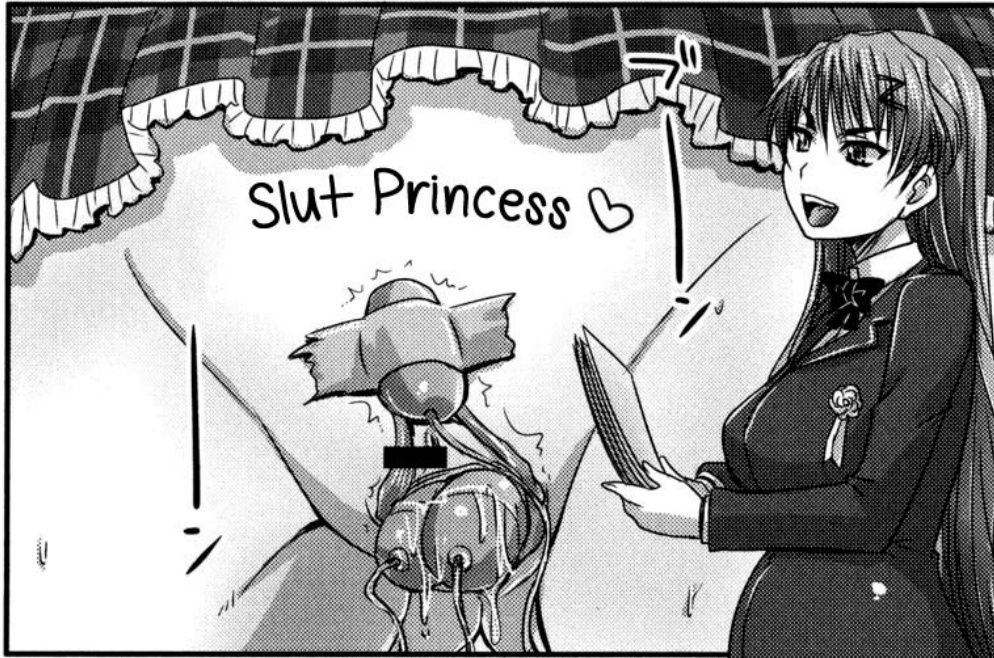

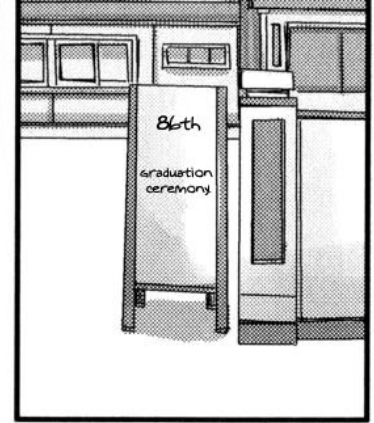

You want to be together... with all these guys... Forever, don't you...?

♡

A statement from the graduate representative, Nishiki Toda.

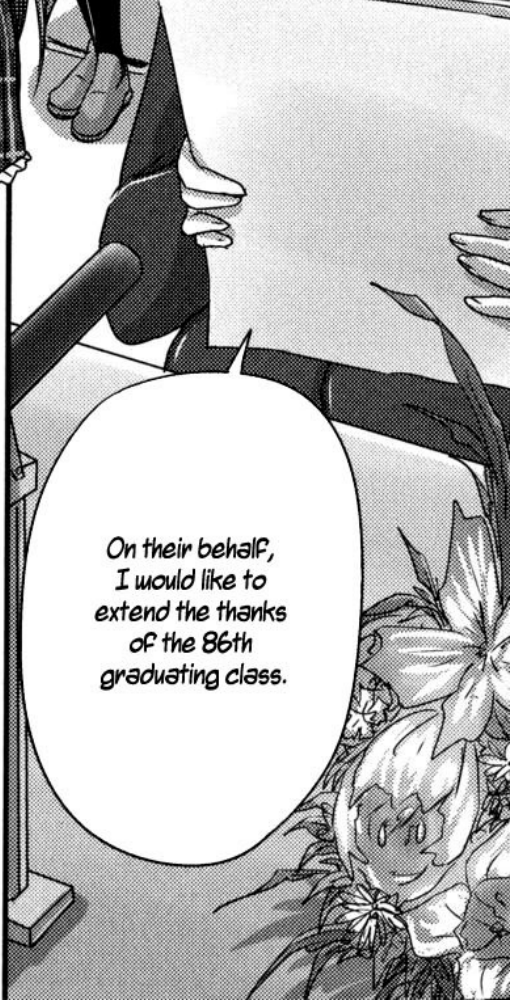

Today is an important day for all graduating students.

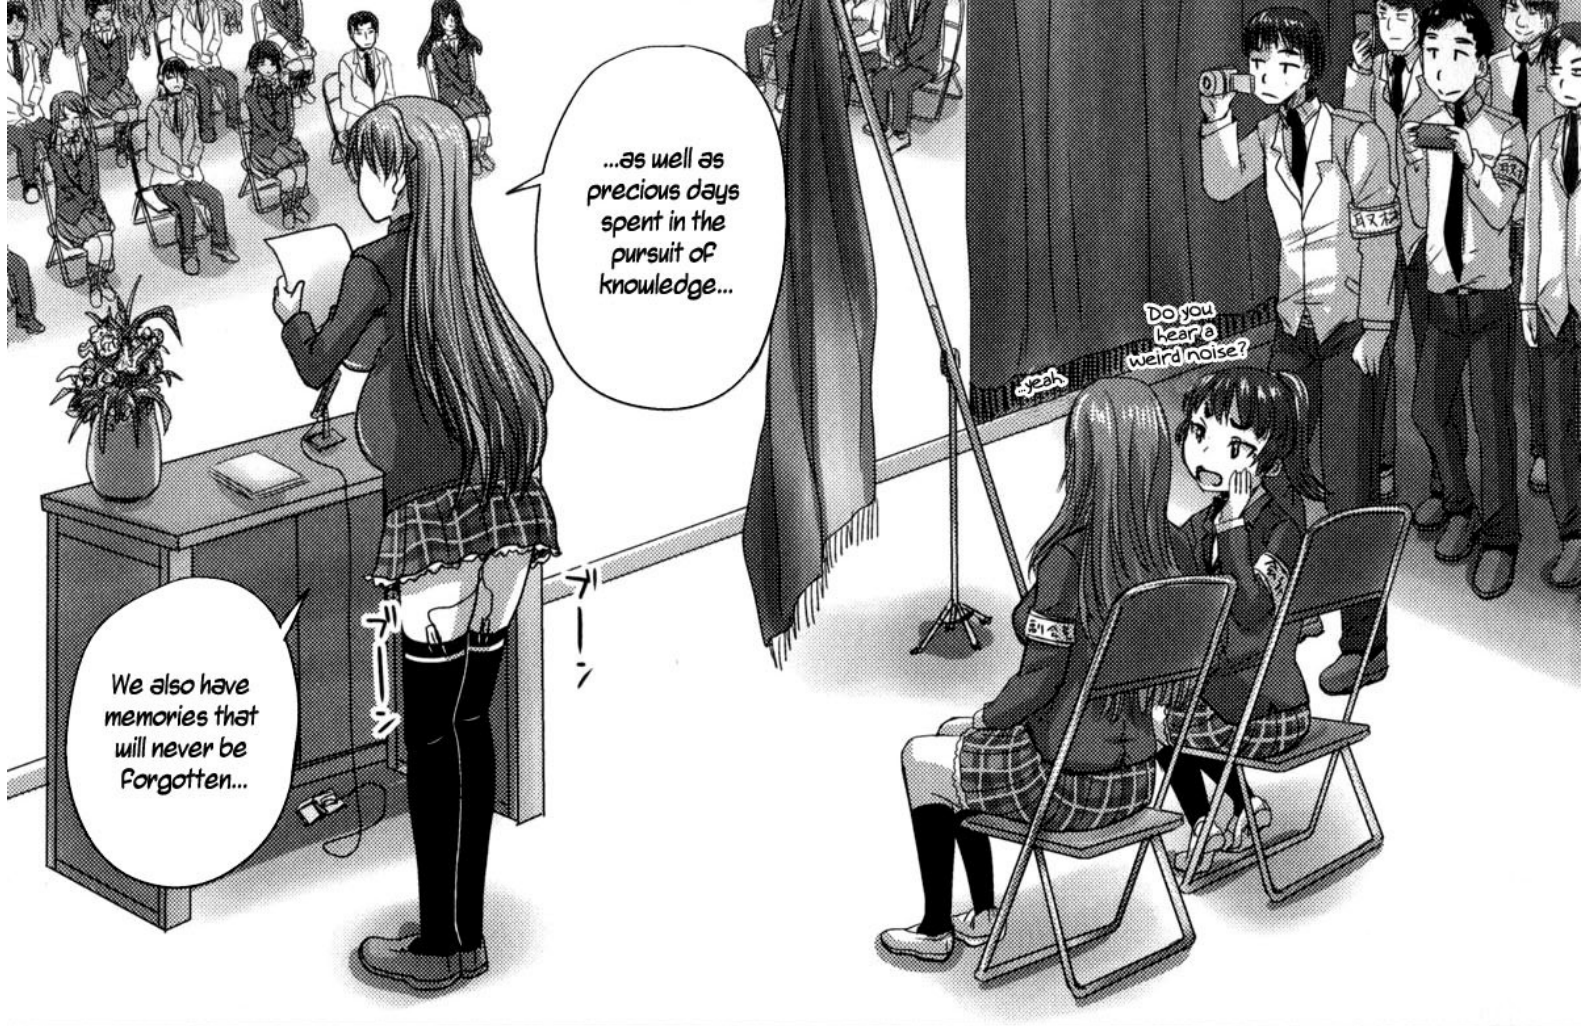

As we look back on our three years as students here...

Holy... have you seen her stomach...?

Yeah

On their behalf, I would like to extend the thanks of the 86th graduating class.

...as well as precious days spent in the pursuit of knowledge...

We also have memories that will never be forgotten...

Do you hear a weird noise?

... and I'd like to thank the teachers again for their passionate leadership.

...and to all the amazing friends that we've made over the years.

Tsunatori too?!

HI NISHIKI!! YAY!

What are the newspaper club doing?!

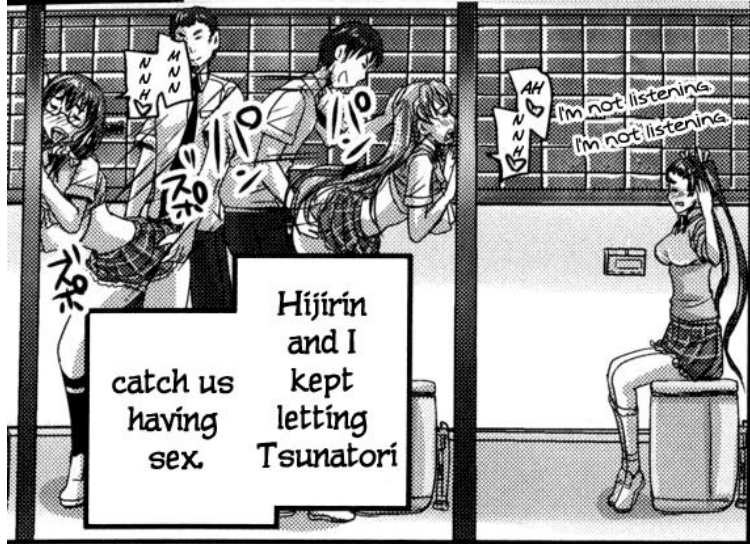

Carry on with your speech, Nishikin!

I see Tsunatori didn't need much encouragement...

Hijirin must have tempted her into it.

Hijirin and I kept letting Tsunatori catch us having sex.

After that day when she visited the newspaper clubroom...

Of course, they did her in the clubroom just like she wanted...

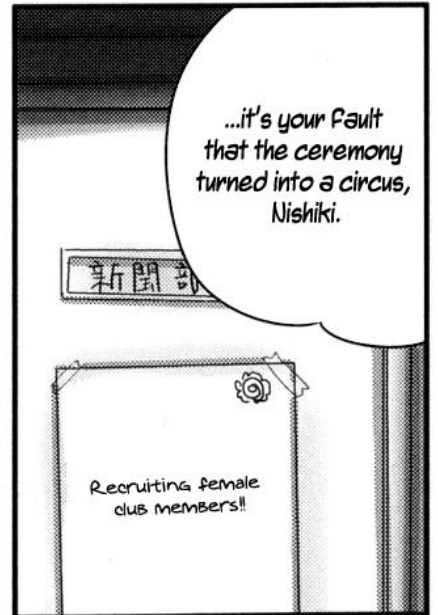

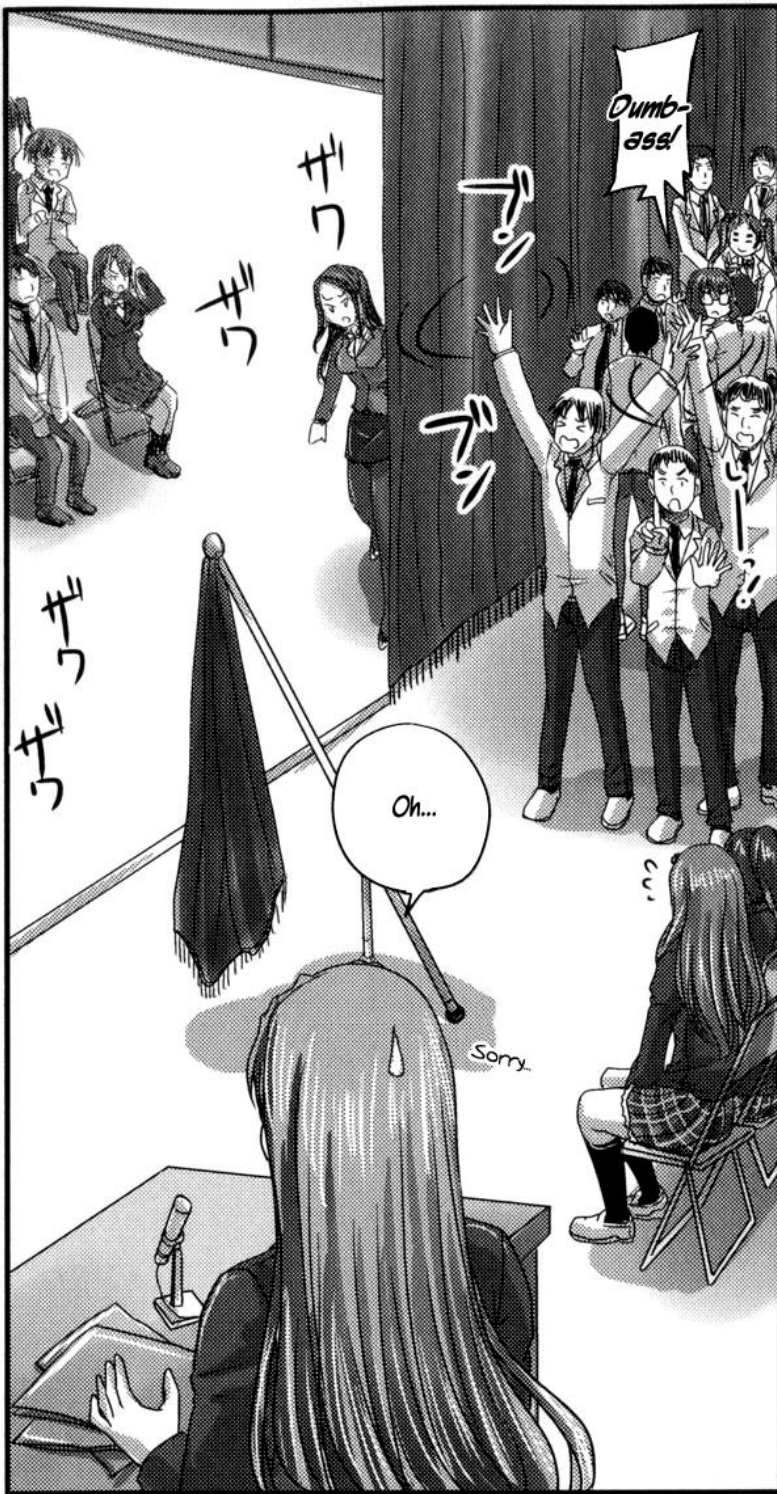

Eventually she couldn't think about anything but me having sex with everyone.

Nowadays Hijirin and I are both the newspaper club sluts.

Eventually the rest of the student council will be too...

Oh, I see.

The boys who use us aren't allowed to criticize!

That's not right! We're the club sluts!

At least, that's the principle.

Well. That's sudden.

Today we're gonna Fuck the two of you in your own room!

But the two of us don't share a room.

Today will be the last day you can have sex in this room!

Congratulations on your graduation!
