the guy who

said

Wanna play?
I'm in front of the
station-

Ryo

I'm coming!
Wait just a little
please♡

Maria

You can
totally
devour
a girl!

I wasn't
too convinced
when I started
using it, but
today, finally,
I'm meeting
the girl I've
been after.

I'm "Maria"...
Pleasure to
meet you in
the real
world.

Excuse me...
Might you be
"Ryou"-san?

Today, I'm
gonna devour
this grade
schooler...

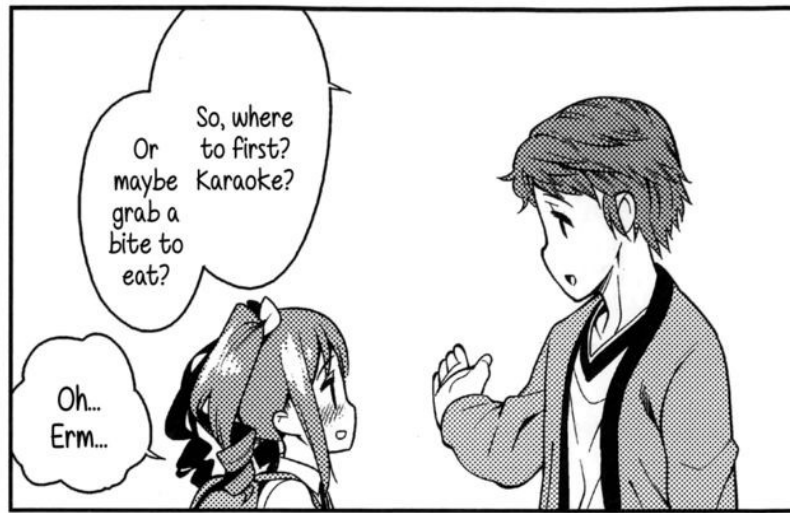

食べちゃうぞ
I'm Gonna Devour You

T-Then...

L-Let's go!

She came to me so carelessly. What a surprisingly naive girl.

So, where to first? Karaoke? Or maybe grab a bite to eat?

Oh... Erm...

I know a great place... Not too far from here.

Sweet. Lead the way.

I practically live there.

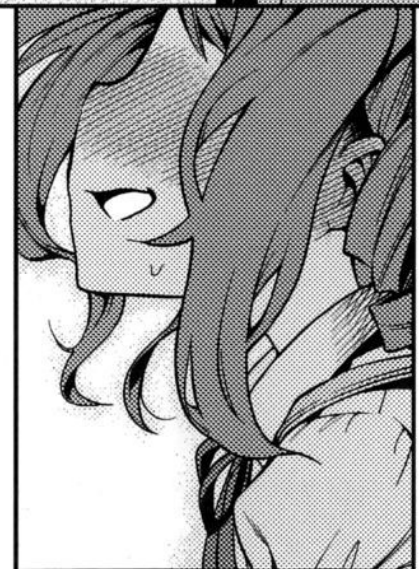

In that case, I'll have to make my move on her slowly and carefully...

Yep! I'm eleven!

You really are in grade school, huh, Maria-chan~

Is "playing" really all she had in mind?

A love hotel?!

Actually, isn't she being way too forward?! Are all girls like this these days?!

Fourth floor, please~!

She's totally into it!

This place has an unmanned reception desk. Cool, huh?

What? Why?!

Oh, I went ahead and chose the room; hope that's okay.

...Watevs. This makes things easy.

I'll push her down now and have myself a taste of elementary schooler-

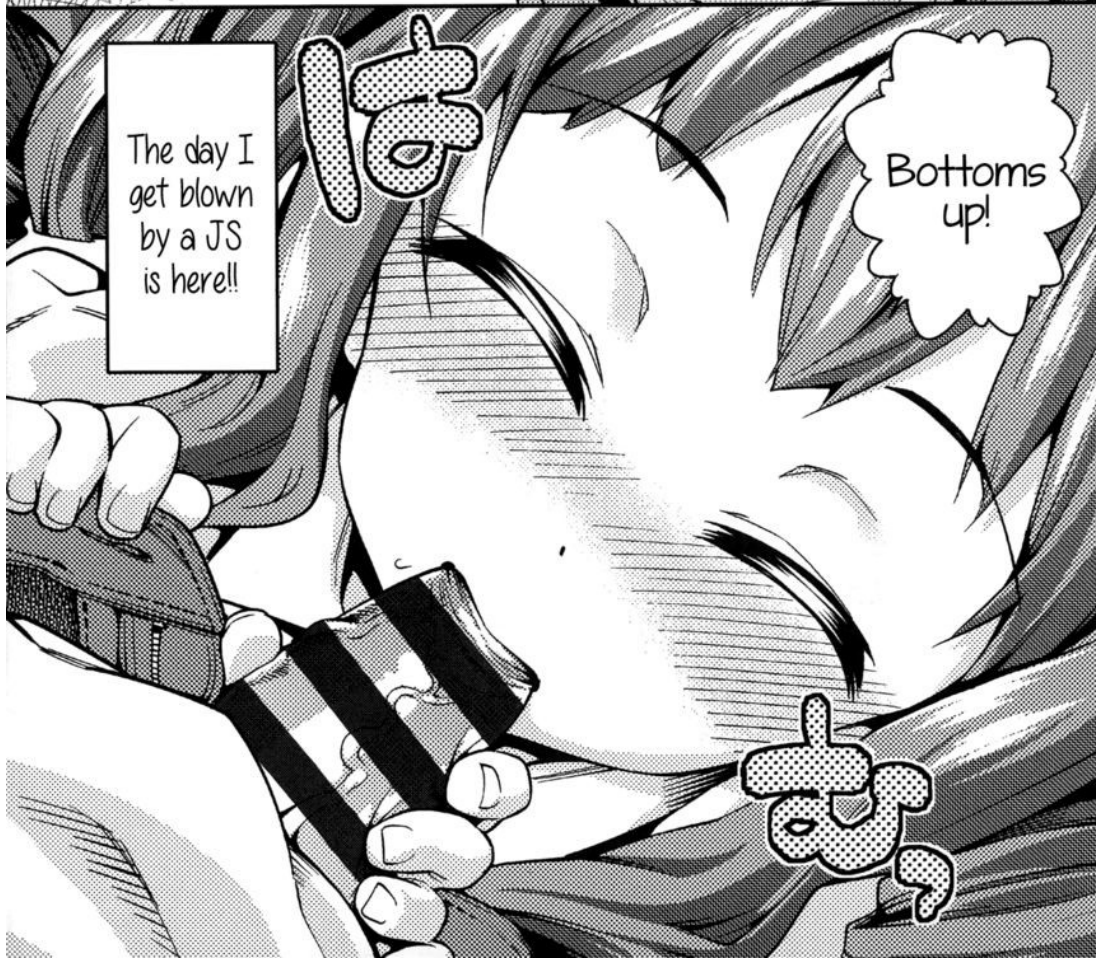

Wha-?!

TL Note: Strawberry (Ichigo) is slang for 15 thousand yen. I=Ichi S=Go

Whoa...
Oh, shit..!

I should
consider
myself
lucky it
did..

I wasn't
expecting
it to turn
out like
this, but..

Hah...
Hah...
Feels so
good..

Was I...
always such
a quick
shooter..?

H-
Huh...?

So
much...

Nh... Fua...
It came
out?

Ah!

I wanna
keep going...
I wanna
fuck a grade
schooler..!

Hold on...
I'm still
hard..?!

Y-Yeah...

Okay, lay down, lay down.

You have to put one of these on first~

Condom~

Wah... She took out rubbers from her backpack!!

Huh?!

Hold your horses~!

I also want to rush to the sex, but...

Here we go...

It took a lot of practice to master this...

Take a look...

It's...

Ack...!
It's rubbing
on some-
thing...

I-Is
this her
womb?!

Ouh...

Haaaah!
Mnh...!

Hah! Ahn!
Your penis
feels so
good,
mister!!

Ha

Ah

Ha

Ha

Ha

Ha

Ha

Well I never
expected you
to be such
a horny JS
from yours!

When I saw
your profile
picture-!
I knew you
had a huge
dick...!

Huh?!
You're
kidding!

No, no, no!
I'm serious!

Huh...?!

But the
reason I'm so
hard now is 'cause
you yourself are
so ridiculously
hot and cute,
Maria...

E-Erm...
Why...?

Because!
You've been
rock hard
this whole
time!

Say!
Are you
a huge
lolicon,
mister?!

R-Right...
Well, I'd say
I'm partial
to them,
I guess...

So I was
wondering if
you were really
into grade
schoolers!

...Ryou-san,
you can still
keep going,
can't you?

Y-
Yeah...!

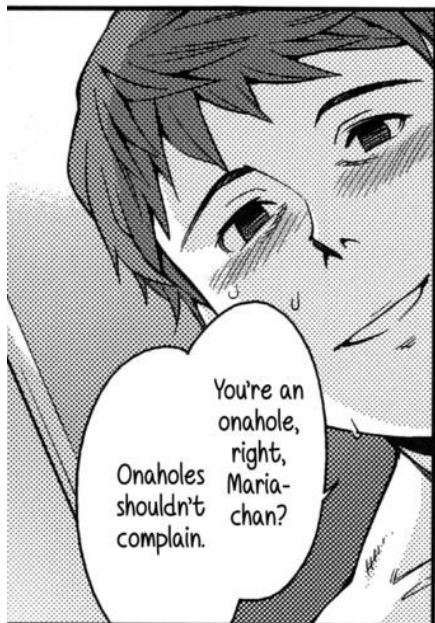

...Ehehe!
Thanks.

...This time,
do me from
behind~

Whoa!
Spread
loli pussy!
So hot!!

You're an onahole, right, Maria-chan? Onaholes shouldn't complain.

H-Hae? I can't... reach the floor like this...! Hold on...!

I don't think so.

Fueh?!

...Hop!

Hahyu! I don't like being upside down...! It's scary!

Ah! Squeezing so tight! Grade school onaholes are where it's at!

Ah

Ah

Eek

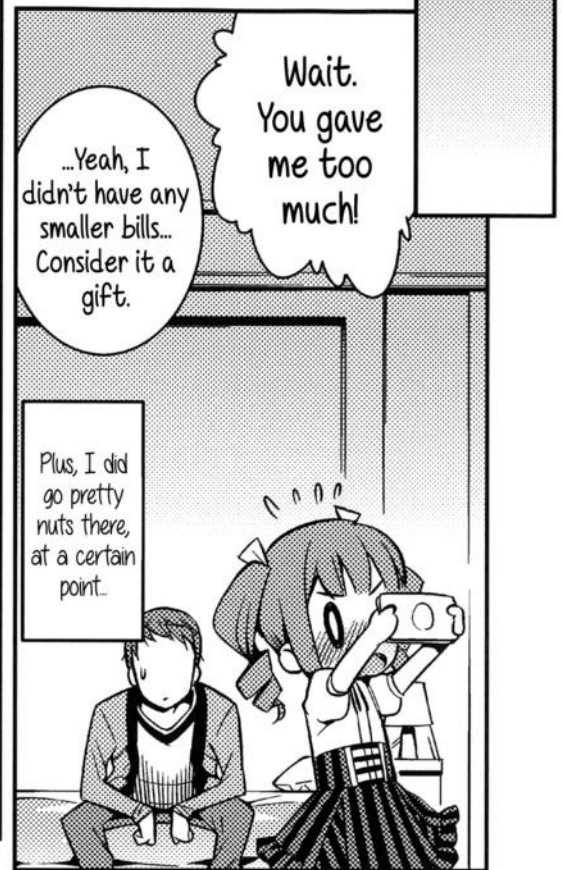

Huh?

Not really...

...Ryou-san, you're a good person~

Wait. You gave me too much!

...Yeah, I didn't have any smaller bills... Consider it a gift.

Plus, I did go pretty nuts there, at a certain point.

It's... a gift...

...Then this is a gift too.

Erm... Maria-chan?

End

The one who got devoured was me...

Oh
