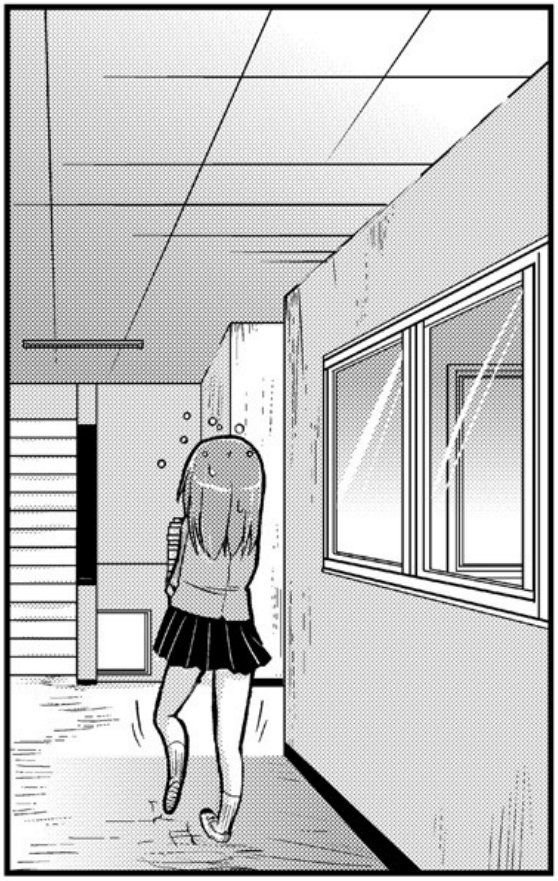
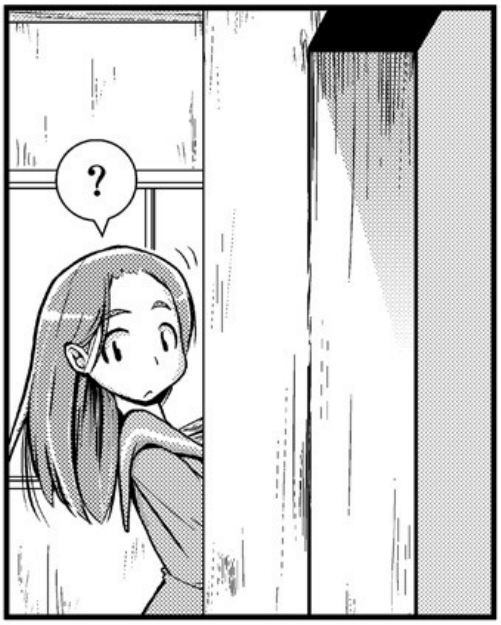
GIRLS BATHROOM
Hm?
...!



...Nh
Ah..!

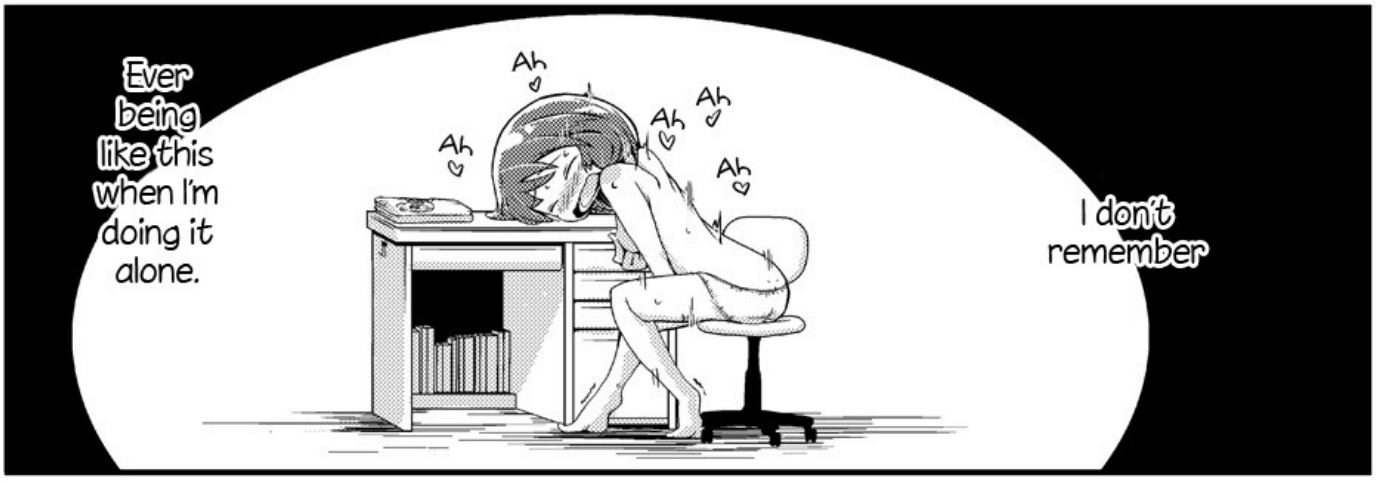
.....
I must be hearing things...
GIRLS BATHROOM



?

Aah...
What am I doing...

Every single day...
In the school bathroom...



Ever being like this when I'm doing it alone.
Ah
Ah
Ah
Ah
Ah
I don't remember

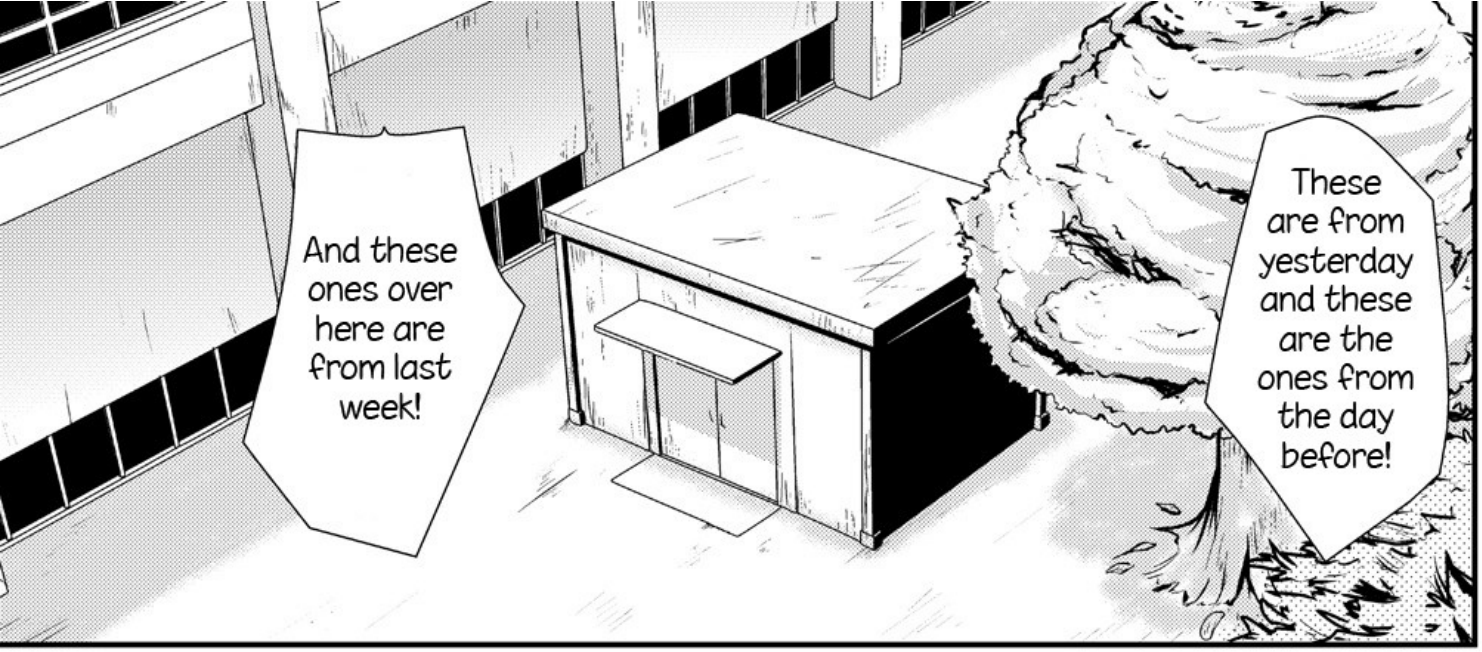
Someone might... see...me...

If I don't hold back

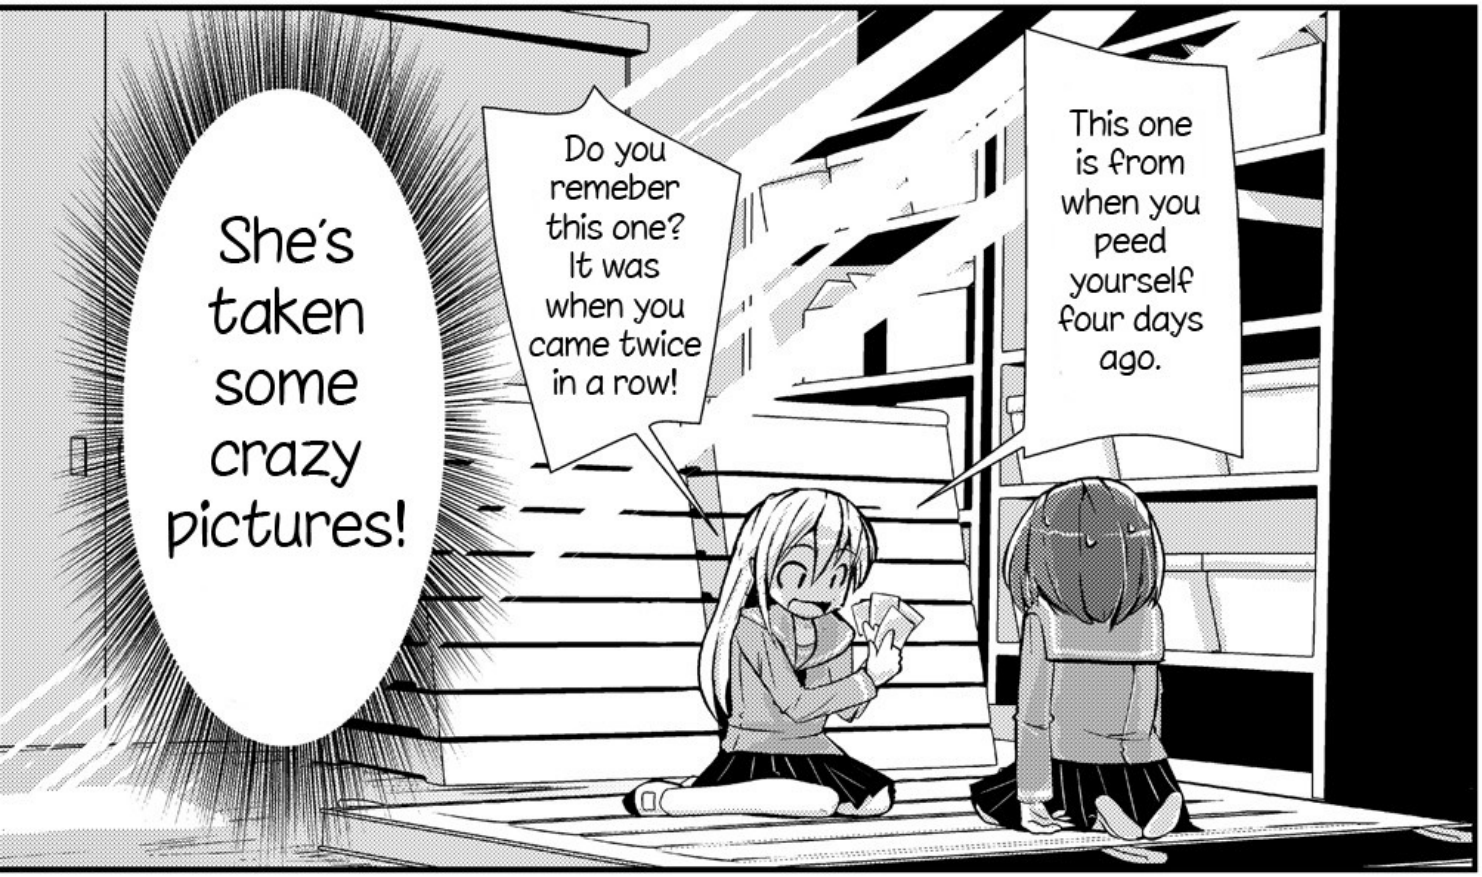
.....

It's all over!
I'm done for.

Ah...
H-Hello.



These are from yesterday and these are the ones from the day before!
And these ones over here are from last week!



This one is from when you peed yourself four days ago.
Do you remeber this one? It was when you came twice in a row!
She's taken some crazy pictures!

I want to die.
ずーん
Senpai? Are you listening? You know, when I took this picture...

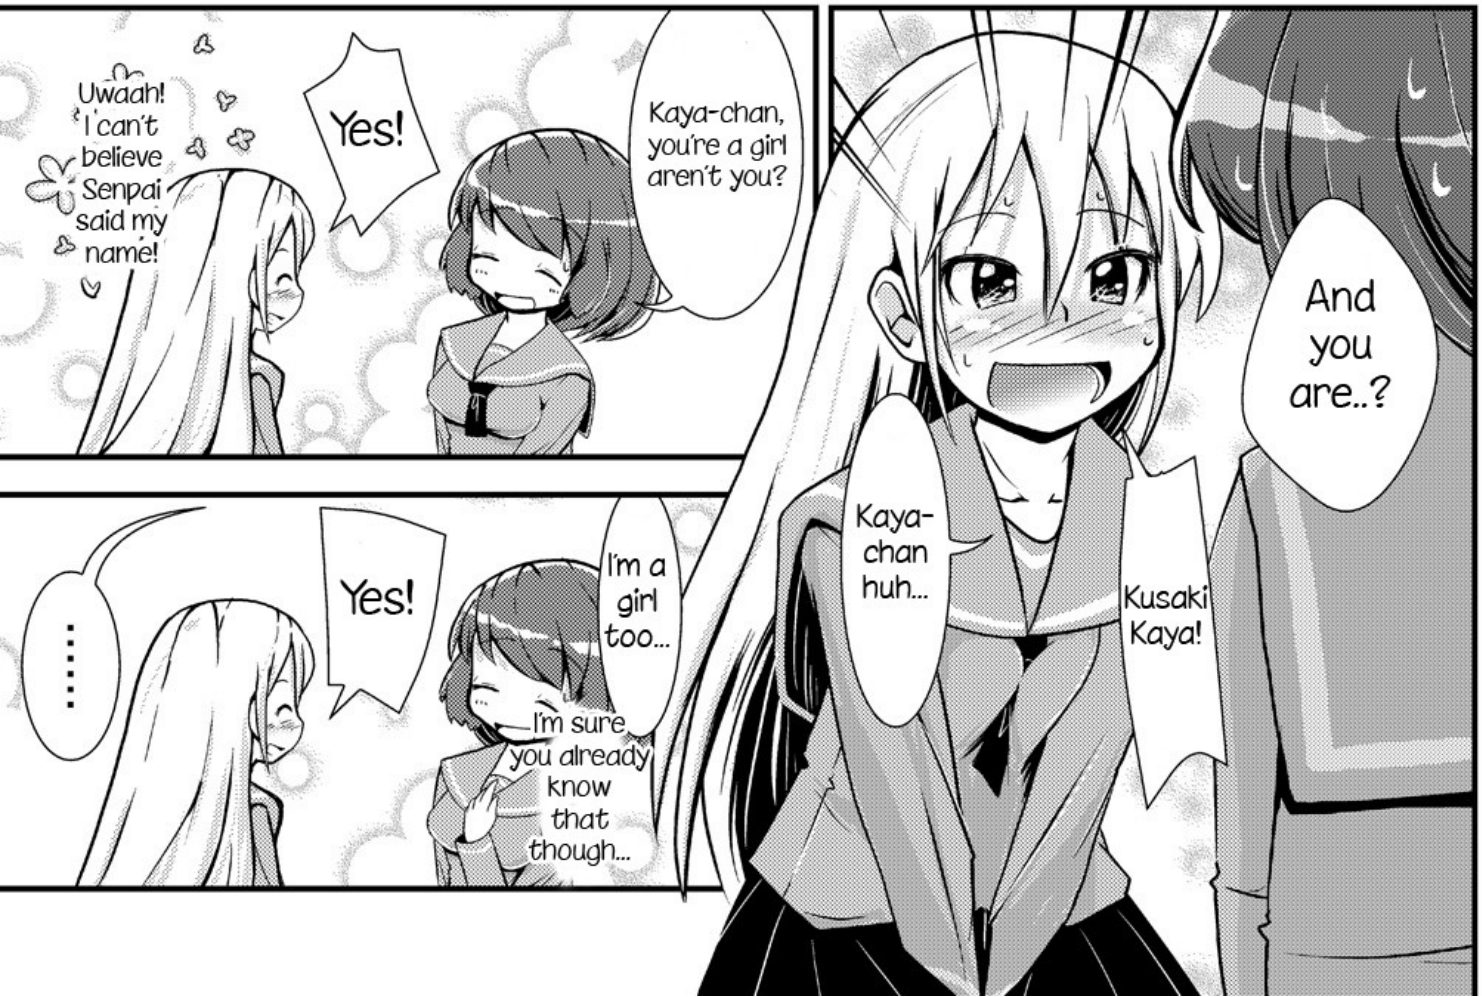
Senpai, when you're focusing on it you don't even notice anything around you.
And this is a picture of your nipples!

Sniff...And? Since you're showing me all these pictures in a place like this...
What do you want me to do?
!

Fufu... Senpai, isn't that obvious?
The reason I invited you into a hidden place like this is...

I like you, senpai!
W-Would you...umm p-please go out with me?

Eh?
.....



Uwaah! I can't believe Senpai said my name!
Yes!
Kaya-chan, you're a girl aren't you?
And you are..?
Kusaki Kaya!
Kaya-chan huh...
.....
Yes!
I'm a girl too...
I'm sure you already know that though...

All these pictures
Will get spread around the school!
B-b-but if I upset her right now...
I'll be in your care...
くすん...
Really!?
Y-Yes...

I'm so happy!
Hya!

Senpai
Let's not waste any time.
Eh? What?

Becoming Senpai's partner has always been my dream.
W-Wait! Kaya-chan!?
Senpai, hurry up and take your clothes off.
Eeeeh!? No, I-I'm...

Uuuh...
It's okay. How many times do you think I've seen you masturbate?
Fufu... But, Senpai...
Why do I have to...
If you don't undress, your clothes will get all dirty. That would be pretty bad.
Let me see everything.
Don't hide over there.

C-Can I touch your breasts?
O-Only one time...

Ooooh!
touched Senpai's breasts
Okay, that's the end!
Hii!
Y-You're satisfied now right?
Senpai...
I can't.
I let you touch them once like I promised so I'll be going now...
Where are my cloth-
Kyaa!
Senpai!

Nnh!
Mmmh!
Nngh!
Cough
Cough
Aah...
Kaya-chan's saliva...
Cough
Senpai... Do you think I'm able to hold back?
The person I've always longed for is completely naked in front of me...

Fufu...
This place is already drenched.
You've really been masturbating everyday.
Hyaaah
But it's still not enough!
Aaah!
More!
Feel me more!
Let me hear it more.
Senpai's lewd voice.
Hya
That voice
I love it!
Hii

It's getting all messy down there.
Nnh... Senpai...
Shenpai...
Can we keep doing this from now on?
Whenever
We feel like doing it!

Always!
Doing it however we please!
Everyday!
Tomorrow!
And the day after as well!

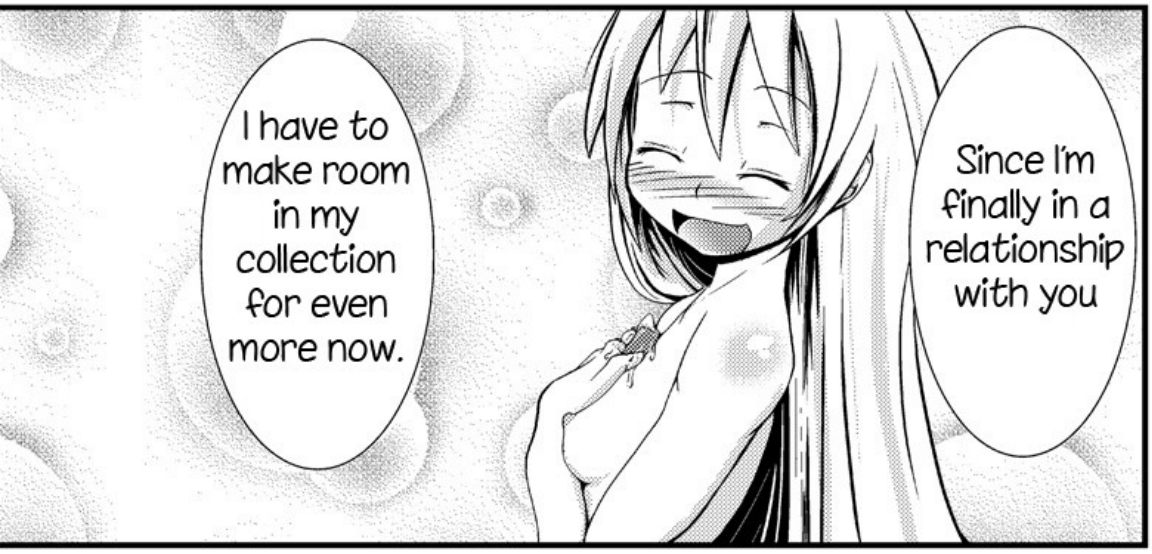
Alright Senpai.

Hya...

...Kaya-chan, what do you do with all those pictures you take?
I masturbate to them of course!



Since I'm finally in a relationship with you
I have to make room in my collection for even more now.

. . . . . .

You're right...
I guess I'll have to do what you ask...

Huh?
Why?
Because I don't want anyone else to see those pictures...
If you have those I can't go against you.

Senpai
You know I love you right?
And...?
...
I see...
Senpai...
I have a request to make...
I'll make it perfectly clear...
I also will never force you to do anything you don't want to.
I will never show these pictures to anyone else.
If there's anything you don't like, please tell me.

Please let me borrow your panties for a night.

No.
.....

We're on the same boat.
I have classes as well.

But I said I didn't want to...
Uuh...

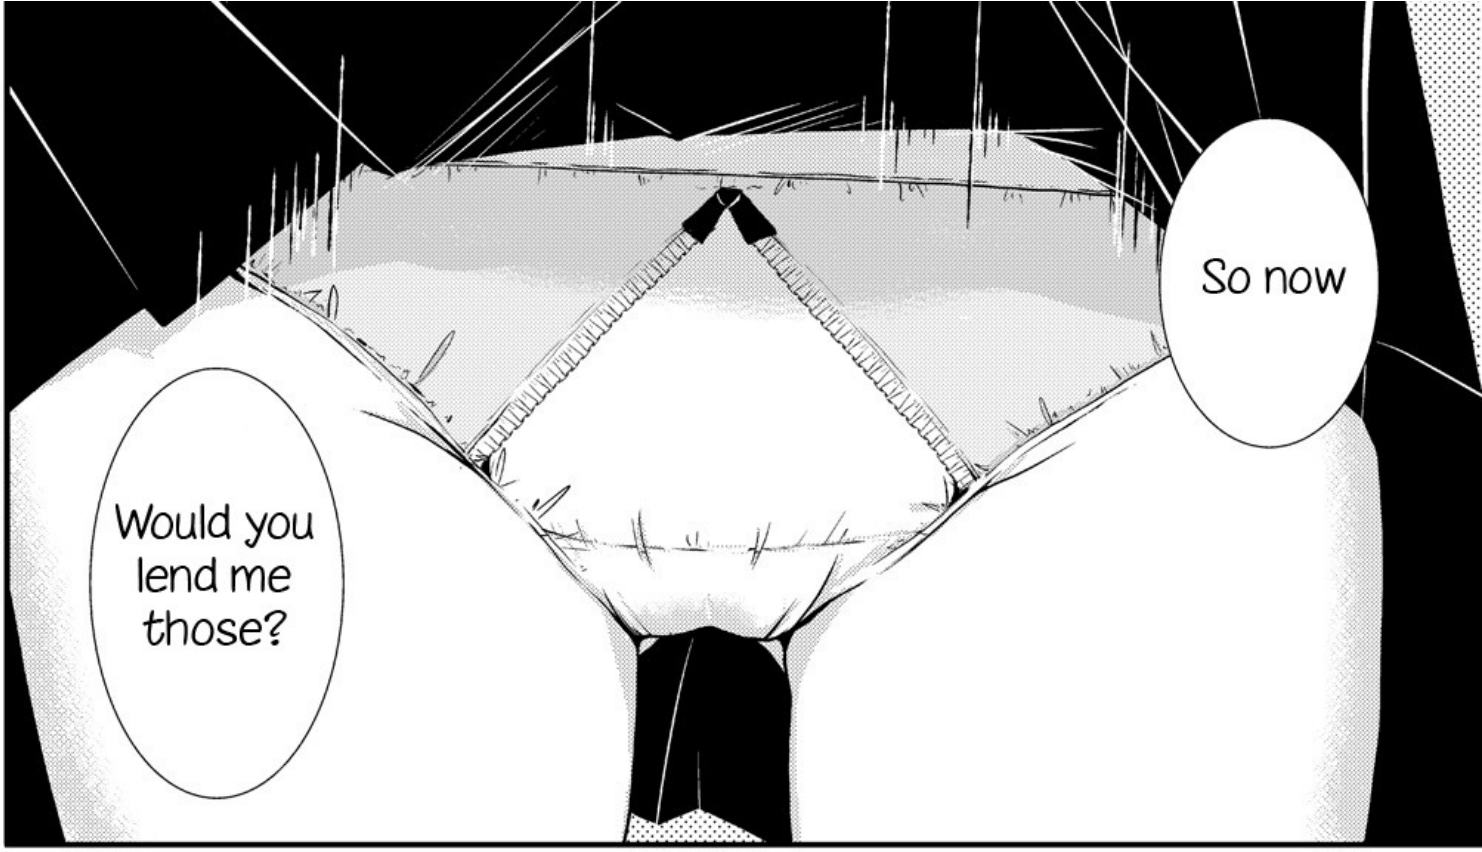
It's not fine at all! I still have classes!
It'll be fine, I'll return them tomorrow.

Hey, come over here quickly, you have a visitor.
They look like a doll.
I do?
Who might it be?
The following day.
おはよ
おはよ
So cute!
Excuse me...
Senpai! I came here to return what I borrowed.
Kaya-chan!?

Here you go.
I took care of them properly.
.....

In fact, I just came back from doing it in the bathroom once.
Because of them I ended up doing it in class once. It was very troublesome.
And when I got home I did it all the way until morning.

That's already in the past.
Well



So now
Would you lend me those?

You don't have a reason to decline do you?
After all...

Kyaa!

You have those panties.
You can just switch them.

At least do it in a place where I can't see...
Sorry to make you wait.
It really feels
Totally different.
Uhm... If possible, before I finish all by myself...
Eh?
Kaya-chan?

Here, Senpai.

I was hoping if you'd leave it like that my smell would stay there.
It's your turn next.
And when you're in class tomorrow you'd feel like masturbating.

女子
Uuh...
So it comes down to that in the end...

You know, Kaya-chan...
It's getting kind of late so could we do it some other time?
No, when you're all alone with me there's no excuses.
B-but...
Come on, Senpai. Lift your legs.
Kya!
Today you're pretty as usual.
Senpai.

Don't say it like you're always looking at it...
I am always looking though?
Whenever you're masturbating that is.
Should I show you alll those pictures again?

Senpai!
Senpai, have you ever done it with someone else?
Of course I haven't...
Then have you ever had anyone else suck on your breasts?
Of course not.
I see!

Today we each came three times.
And that one extra time on the desk!
Personally speaking, I am quite satisfied.

Thanks.
Here Senpai. You can wipe your face too.

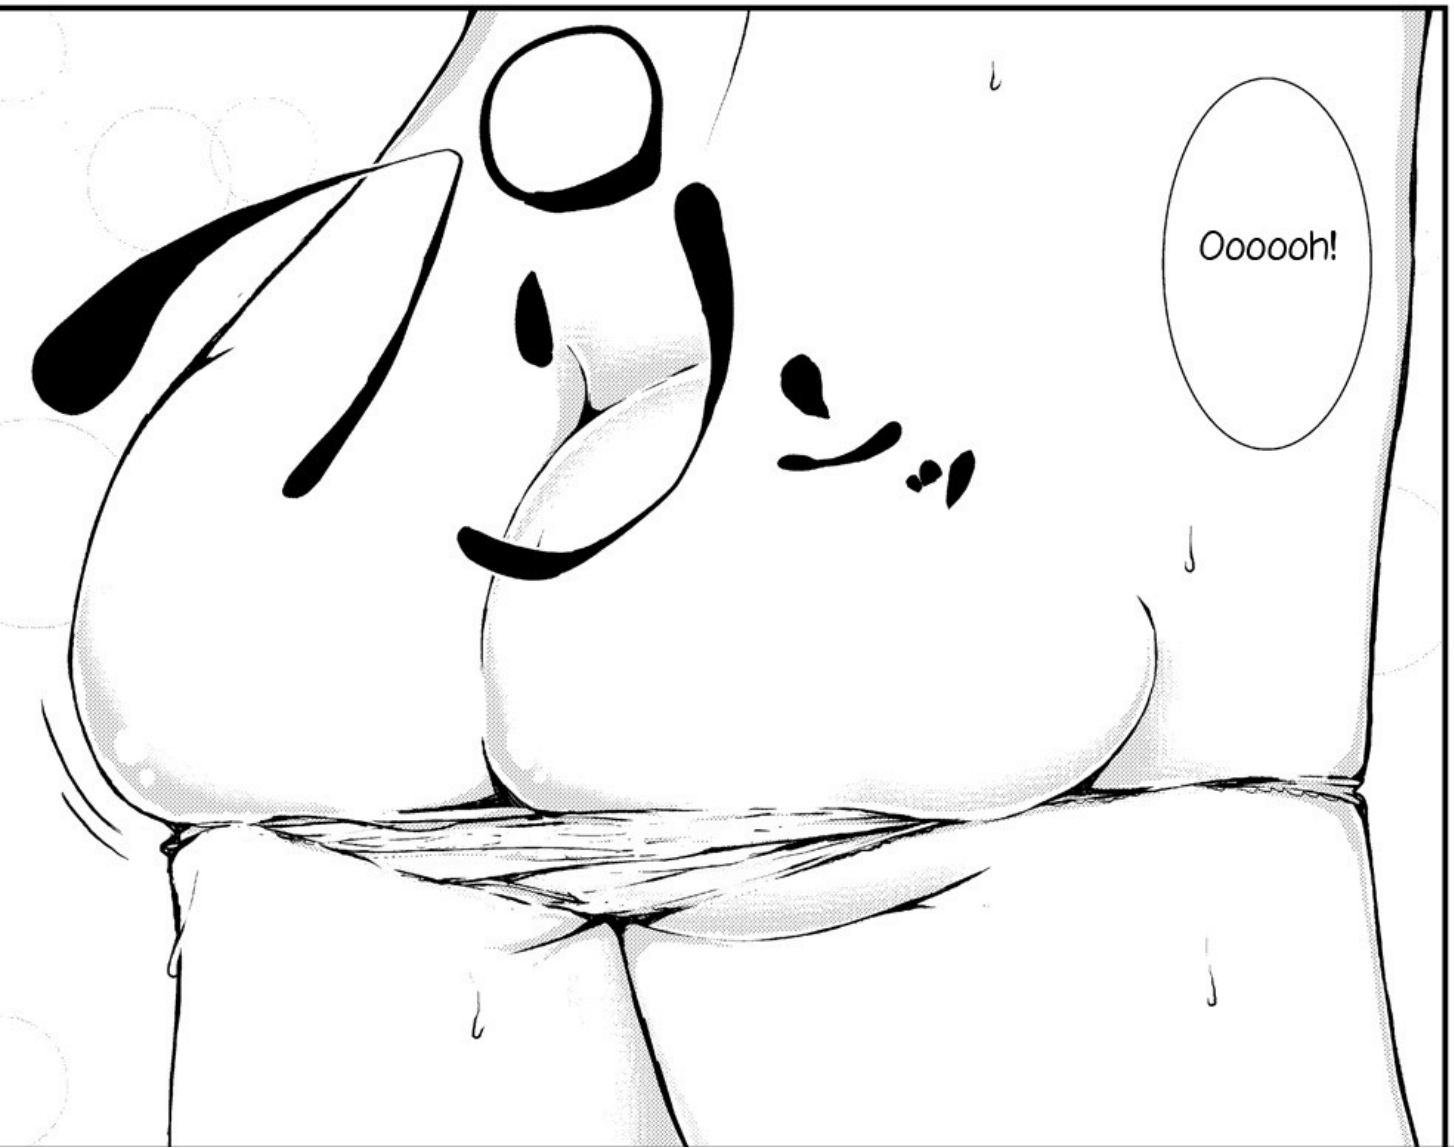
Let me give you a hand.
It'll be fine so go on and wear them.
I don't mind it at all.
But they'll stretch...

Oooh...



Oooooh!

I don't think I'll be able to hold off on masturbating until I get home.
Uwaah this is amazing.

In fact it made me happy that you were so concerned about me.
Don't worry about yester-day.
I've been wondering whether or not I truly like you.
The truth is, ever since we met...

Finally went away.
But those feelings of fear...
At first I was scared because of all the pictures you took.
That was the only reason.
But yesterday I realized something.
I'm really sorry.
If it's okay with you...
I like you Kaya-chan.
No... I love you.

I really want to do it now!

Okay?
Not right now. Let's wait a bit.
