Rudy (Rudolf Winterhalter)

A (possible) foreign boy, full of mystery, who transfers to the same school as protagonist Gunji (introduced below). He's breaking the dress code, but for some reason, nobody reprimands him. In this manga, he's raped by a mob (good-for nothings), this time. Of course there seems to be a reason for it...?

Traumatic Phantasm

#01

MARINCONIA presents

Inugami Gunji

Protagonist of this story. Usually, he has top grades, is good in sports, and is a popular honours student.

At first sight, he fell for transfer student, Rudy, and has held special feelings for him ever since.

In this manga, for unknown reasons, he's forced to watch what's going on and is toyed with...

Warning

male x male, contains mob rape, for adults, an 18+ manga.

Good-for-nothing mob x Rudy.

Protagonist, Gunji, is present at the scene, but does not engage. At this moment, there is no definite romantic relationship between Gunji and Rudy.

This is a story that will continue, this part is meant to be tasty, therefore, full of erotic scenes. None of the mysteries introduced in the story are resolved by the end of this part. (a.k.a. this is a manga with one setting).

If you're fine with the above, then please continue.

TO BE CONTINUED...

Thank you very much for picking up this work!

This is the first time I've drawn a full original doujinshi.

It contains erotic scenes full of a mob rape, the story is barely there, and I ran out of time (again) so in the end I made up an ending which is also slightly from what I originally planned. But if you enjoyed at least part of it I couldn't be more happy with that...!

Last year (2013) due to various reasons I couldn't draw any pictures even less manga, that was when I got the desire to draw original 18+ manga. I've played with the content a bit by bit, I wasn't even sure what to make as a base story since I had no idea if I'd ever be able to publish this, so finishing and releasing this left me in awe. But I hope you liked the characters, there's a lot that could be better, but I was excited when I drew it.

Blond haired, white tall muscled boy (extra moe point if he's immortal) who's kind of a uke became my ultimate ideal. Either way I really wanted to read a book that would have characters one would really want to lick all over (^ ^) (especially one with mob rape)!!

What I've put in this manga, is totally my fantasy, so I hope at least some of you hate the same wish and now get to read it too.

Until I finish this story I plan to keep Rudy as a absolute uke (also with a mob rape main..?).

As a whole this story suppose to be strong on SF and Fantasy part, but placing it in nowadays Japan I'm aiming closer to "every day magic", a bit mysterious erotic manga.

This time I'd really like to continue publishing this manga until it's complete...

(I really hurried with the names so I ended up drawing a lot less mob rape than I wanted to).

Well that's what I thought but than I really started to want to drawn erotic book with shota Rudy, so next it's gonna be shota! That would be about the past. I'm aiming to release the continuation in August or September.

If reading this part got you interested it would make me very happy if you'd care to continue reading this story in the future as well.

Well than, let's meet again in next book.
