A~hhhhhhh~

Do you *really* understand? Next we're finally gonna try down there, but...

I'm sorry, i get it. I'll be careful.

You need to understand already that right now i am small and fragile!

thought i was gonna die at the end there, ya freakin' moron!

Like i t~ooold you before...

Body and all? No, no, no way, that's impossible.

in the first place, you *are* a virgin, right?

Although, i wonder how we should do this~?

Yup, it'll be fine. You can count on me.

Don't do **ANYTHING** outside of what i tell you!

Listen up, alright? I'm about to give you instructions on exactly what you need to do.

If i go in you like that as little as possible, i'll feel m~uch better about it.

Just "thlpp" and right in!

Yeah, but i use tampons so i think something your size should be a piece of cake, kenta.

Oooooo....
this is super
embarrassing,
but deal with
it, hold it in.

At first,
you're
going to
move on
your
own, so
i should
just let
you get
me wet,
right?

Uhhmm...

ぢゃあ

it's
giving
off a
kind of
raw and
dirty
musk.

it makes a
crr~aaazy
impact,
just like
you'd
expect.

i'm
even a
little
scared.

WOOOAAAHHH!

and...

i'm so
sorry.

But, how'd
you even get
me out?

My dead
Gramps
was tellin'
me to turn
back from
the light....

i thought my
life was
going to end
inside a
woman's
snatch.....

...it didn't grow
me back to
normal eitherer?
What should i
even do from
now on...?

.....Oh well, i'm
glad i got
through that
without dying,
but...

it has
such
pinpoint
charms
in it-?!

Used
this.

Y.....
**YOU'RE
WRONG!**

It'll be as
two
lovers
living
together!

So in the
end i'm
just gonna
become
your pet,
huh...?

i... i'll take
good care
of you, so
c'mon,
cheer up.

What the
heck're you
even talking
about.... Ugh,
i'm worried
after all.

Yup, just leave
it to me. i'll be
your
sumptuous
banquet of
earthly delight!
♡

i see...
Oh well,
that might
be all that
bad then.

So it's...
well... You're
going to be
fine.
