MY NAME  
WHEN HE  
CAME...

GUL-

Afterword

While the scene involving the delinquent girls felt like ero manga content, the emotionless sex the protagonist had with Kawashima-san felt more like a gag manga material.

Kanzaki, who appeared in the previous work isn't in this one. She's more of a one-hit wonder girl, so I can't really think of a way to feature her again while still keeping things fresh... I want to draw her again, though.

Ah, it's nothing...  
by the way,  
the thing  
you did when  
you rode on  
my chest...  
is there a  
name for  
that play?

Did you  
say  
something?

...yes!

...It's fine,  
let's just  
do it  
normally.

Juice...  
waxing?

Oh, the  
juice  
waxing?

Maybe you can  
try putting a  
chocolate in your  
mouth when you  
blow me next time.

Yeah...  
that's  
what  
it's  
called...
