OMAMAGOTO

I'll... raise the
baby properly...
so I want to
keep it...

How can you
decide that on
your own! You
can't even
work...

You're going to
raise the baby by
yourself...? What
are you thinking!

**Don't be
stupid!**

Whoa! She's
doing it with
such an
innocent
face.

Hey, did you
hear? She
got pregnant!

Really?!

Pull

Mama...

Mama...
are you
crying?

Are you lonely
because papa
isn't around?

Hiro-chan...
no, I'm fine...

Mama, why
are you
crying?

Are you
hurt?

That's not...
true... I only
need... you,
Hiro-chan...

I'll marry
you and be
papa for
you!

What...?

Then
I'll take
papa's
place!

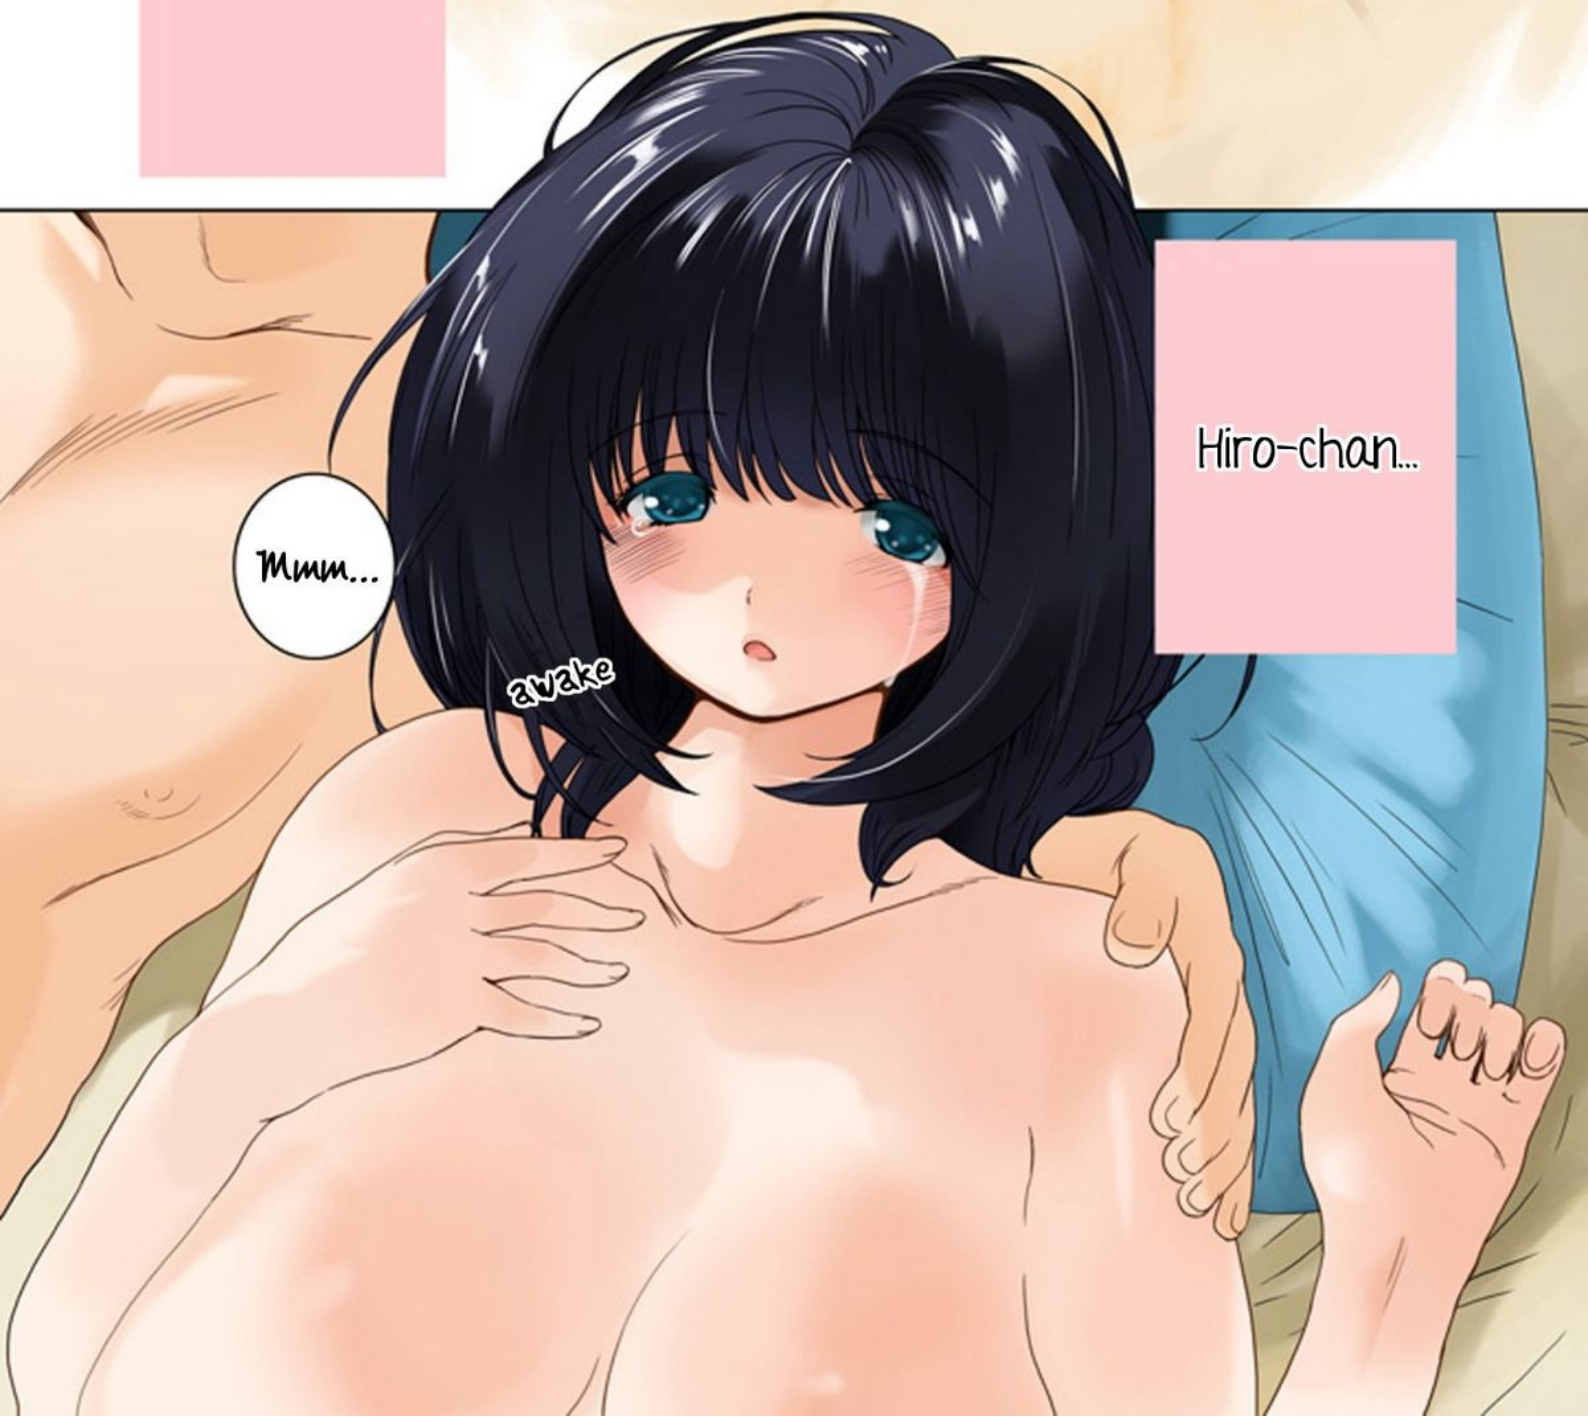

Oh Hiro-kun...
if you say so...
maybe when
you've grown
up, okay?

Yeah!

I'll marry you,
and make you
my bride!

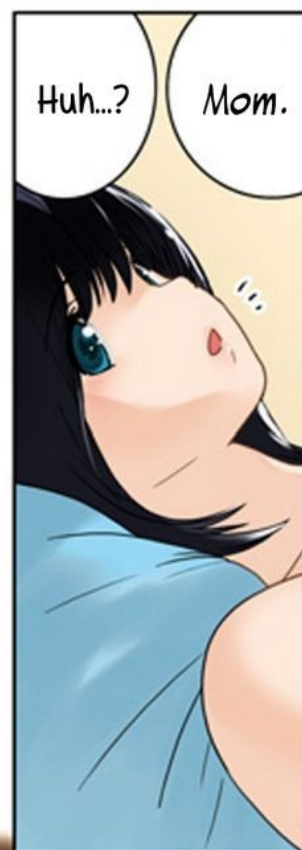

Hiro-chan...

A woman with dark, shoulder-length hair and a red apron over a pink shirt is cooking. She is holding a long-handled spoon over a black pot on a stove. The background is a soft, out-of-focus light blue and green. Several pink, cloud-like thought bubbles float around her, containing text about her memories of her son. There are also two white rectangular text boxes on the right side of the image.

My son's
smell...

the sensation
of being
hugged by his
big arms...

the
feeling of
his soft
lips...

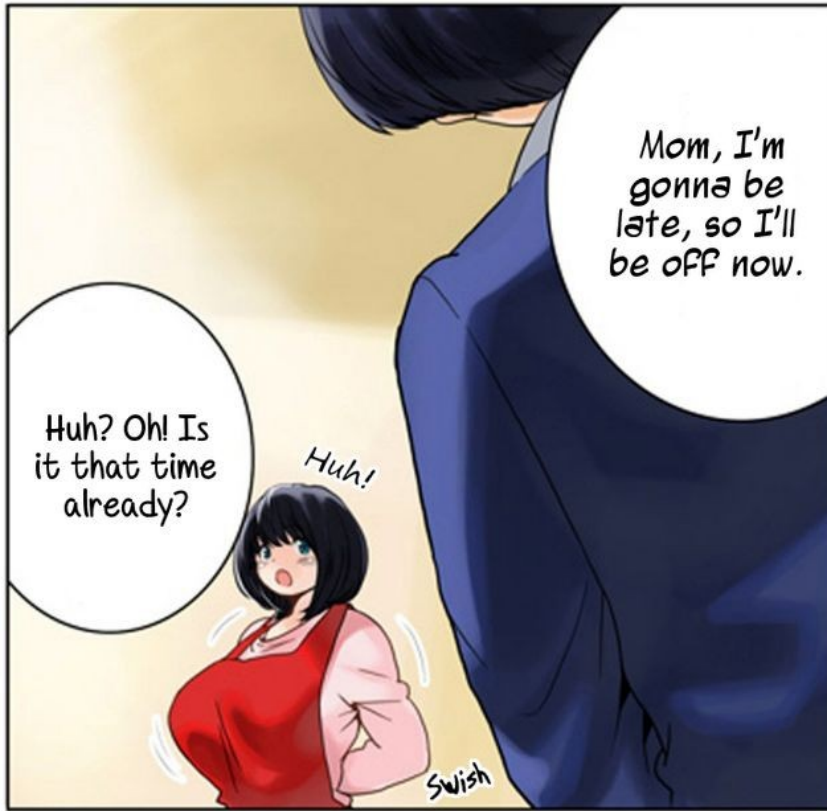

ba-bump
ba-bump

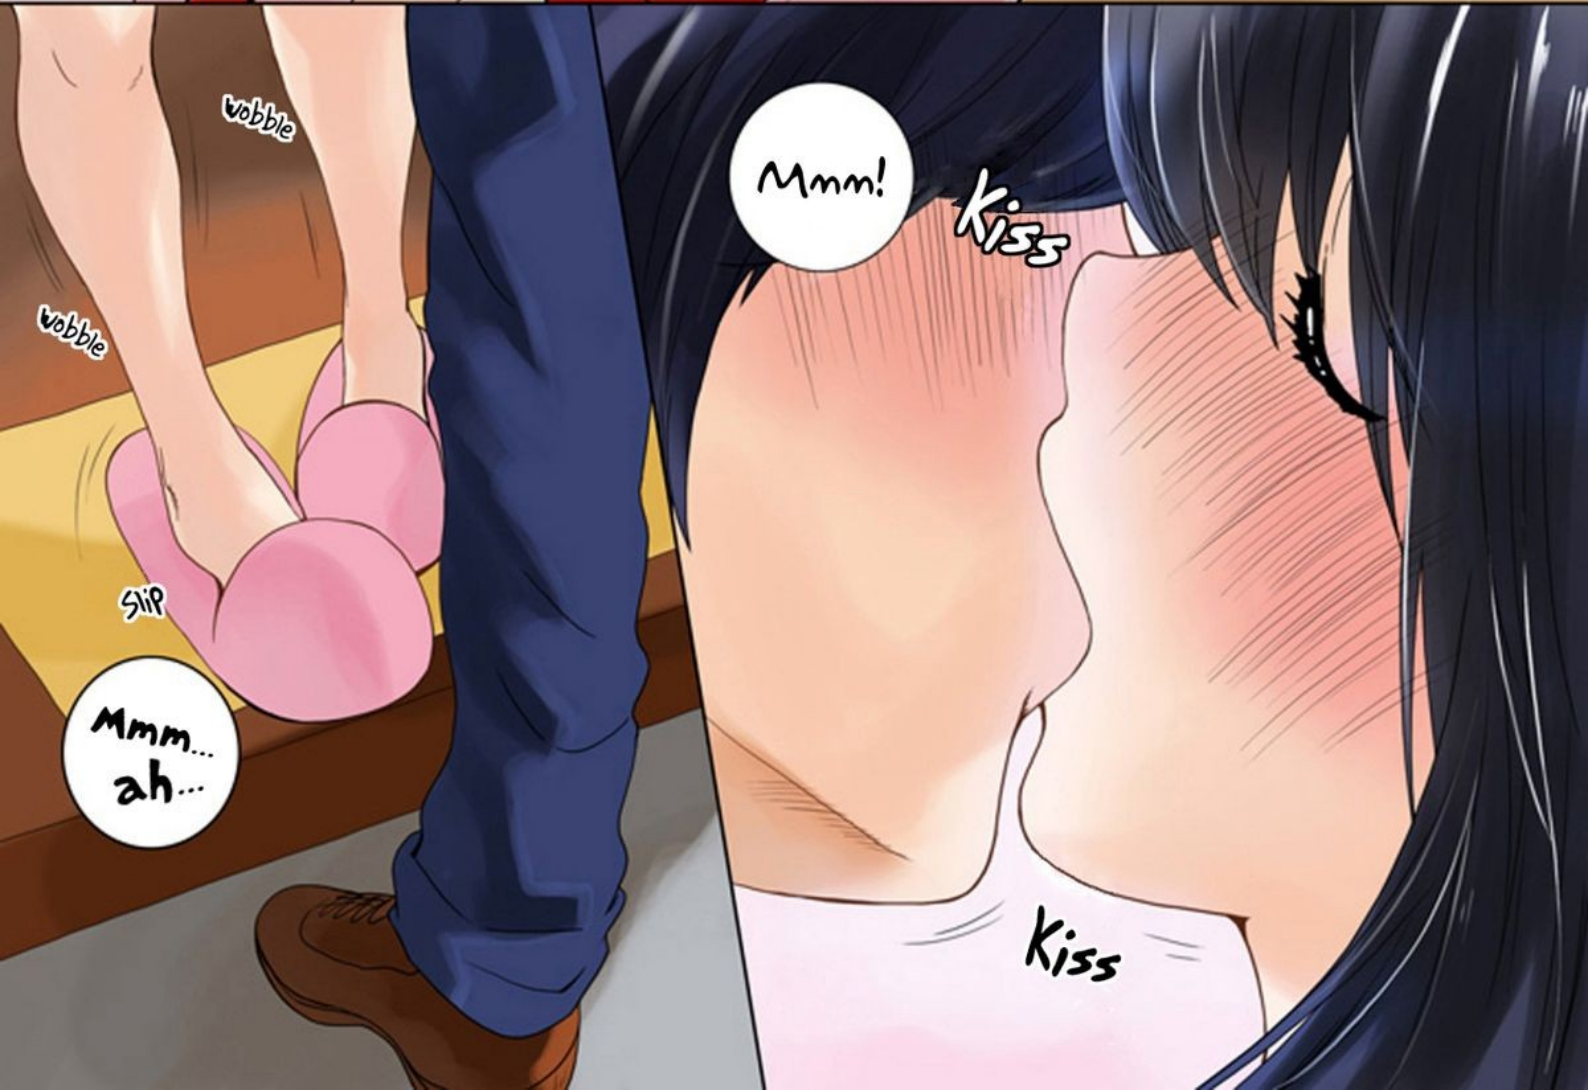

It still doesn't
seem real that
I'd actually
had sex with
my son...

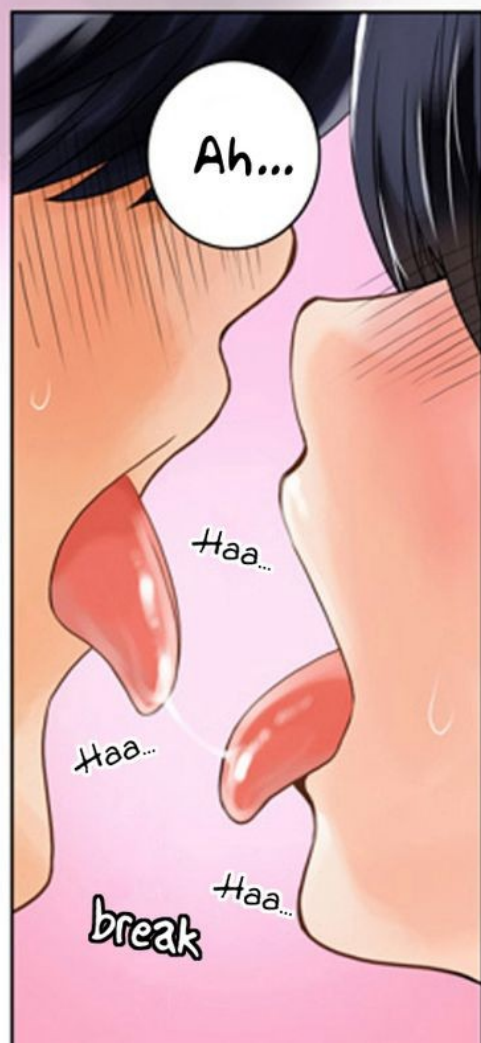

And... the
feel of his
hard, fat
cock...

We did it
so much, yet
we're still living
together like
nothing
happened...

But I
know for
sure that
I had sex
with my
son...

Hiro-kun...

I think...
I'm in

my son...

My head

ba-bump

I think I can still feel mom's boobs in my hand too...

I can still feel mom's lips on mine...

What'll I do...? I can't stop thinking about mom...

Huh? Shit... I'm getting a boner again... and it's during my test...!

Let's do more... when you come home, okay...?

Oh... this was when Hiro-kun and I went to the hot springs, when he was 5 years old...

So I remember he was frolicking about that day...

He was so little back then...

Huh? What am I crying about?

He was sickly when he was little, and I couldn't take him out very much...

BOOM

What's...
this...?

Ahh! I
remember
this! It's
my old school
uniform!

If I wear
this, I wonder
if I'll look a bit
like Hiro-kun...

Hiro-kun's
now going
to school
wearing his
uniform...

I didn't
know I
still had it...
it hasn't
changed
at all...

Wow! I can still wear it perfectly!

...

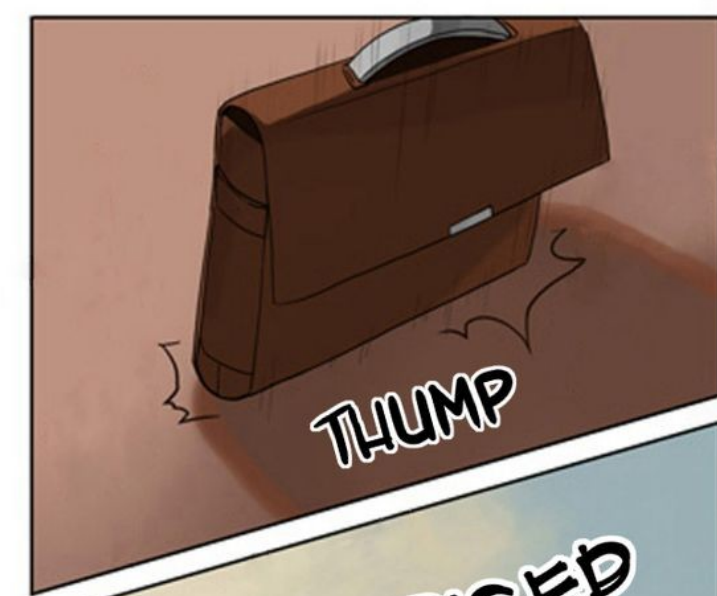

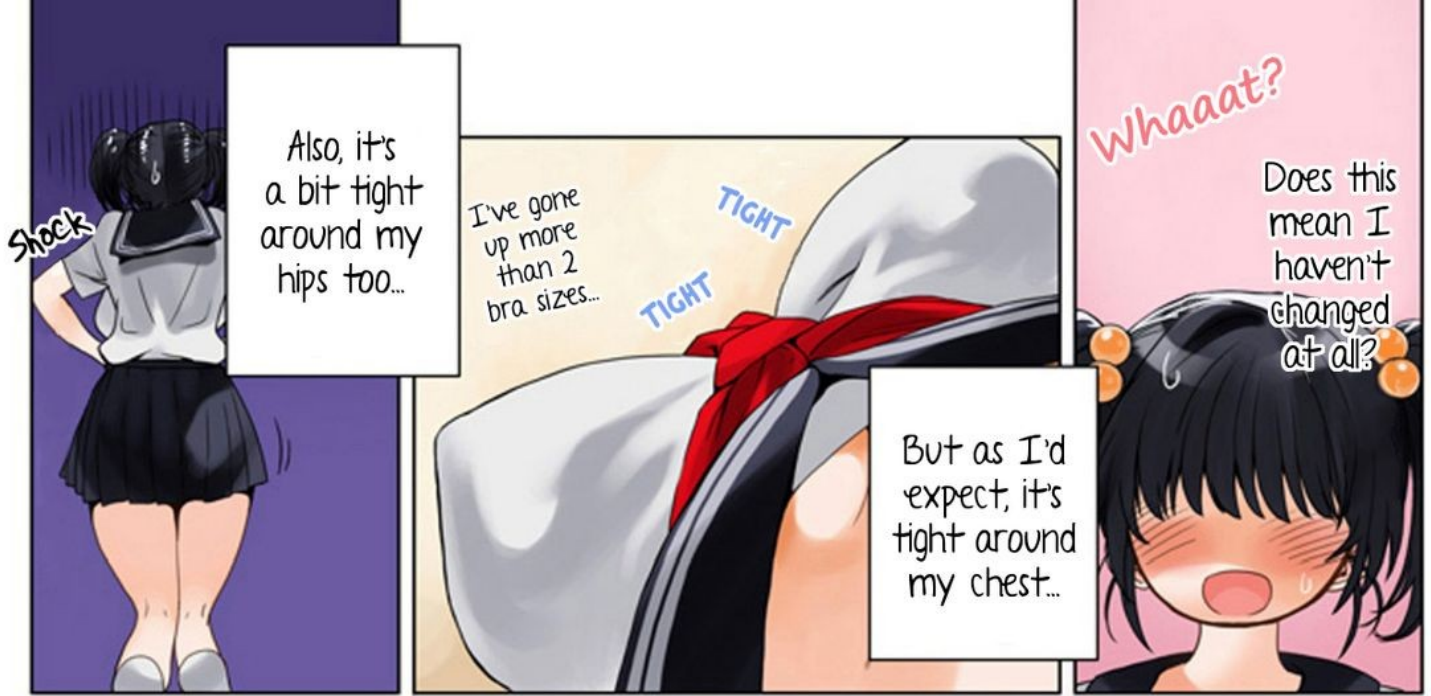

Wobble

it look weird
on me...?

were having sex...
I can't "normally"
see you as my
mom anymore...

Sorry to
say this so

I knew it'd
make you feel
uncomfortable...
a mother and her
son dating... that's
just weird...

That's not fair, Hiro-kun...

You're always giving me what I want first...

From that day,
I became my
son's girlfriend.
