

It's an odd but innovative game.

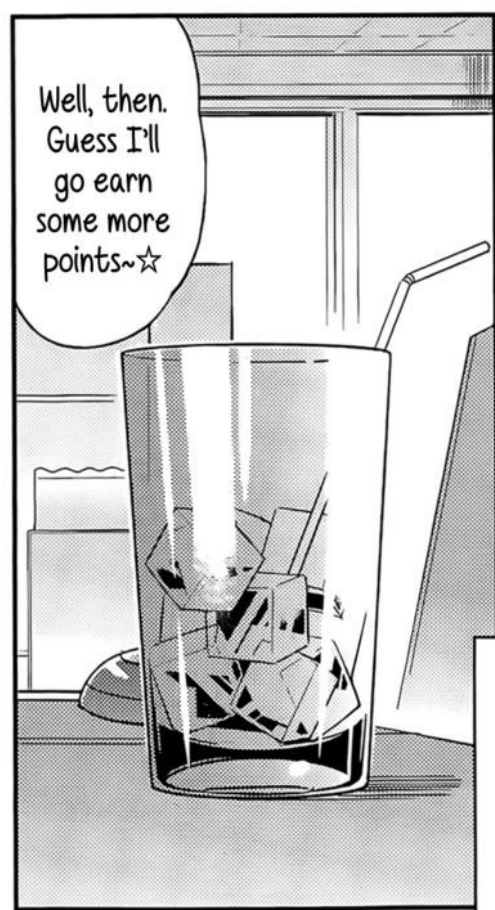

It lets you search for people willing have sex with you, and you get points whenever you sleep with one.

it was so much fun that now I'm addicted to it.

The app downloaded itself to my phone without my knowledge, but...

Well, then. Guess I'll go earn some more points~☆

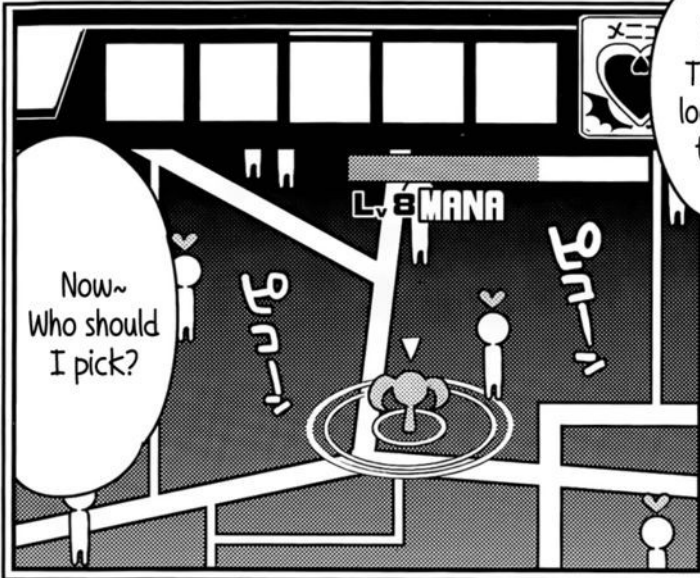

I was never very good at sports or studying, but even I can score loads of points in this game! ♪

It's a really weird app, but...

I just can't stop messing with it~♪
