

Kya!

My feet can't keep u-

Wait!

The music is too fast!

Are you alright?

Uuh...

You broke a nail. There's blood coming out.

Kai-chan smells nice...

Ow!

You're pushing it again.

I'm... fine...

Ugh

But I guess I'll take care of you now.

She's a really sweet girl who always plays with me.

That's not the issue.

This is my neighbour Kai-chan.

She won't notice if I wear shoes.

If you get hurt your mom's going to get mad at me.

If you practice properly every day...

Suzu, your body can easily feel the music's rhythm.

But my left foot is bored.

Hey! Don't tease me.

Today she's helping me with dance practice.

It's too hard to dance like this.

I don't think I'll be able to attend lessons tomorrow.

Now all that's left is to disinfect it.

Be a good girl.

Okay, I'm all done.

Haa

Haa

Ah... Haa

Suck

Lick

Aah!

Suzu's feet aren't dirty.

Th- That place is dirty!

I'll put a bandage on it now.

Kai-chan, can your tongue heal anything?

Uhm!

Saliva has bacteria that help disinfect wounds.

Look!

Let me see...

Aah! That reminds me...

I got an ulcer in my mouth!

Oh, you really do.

Nhh

Kiss

Kiss

Hah

Mm!?!?

Hm?

This is because you're always eating sweets.

Kya!

I'm sor-

Haa

Ah

Ah

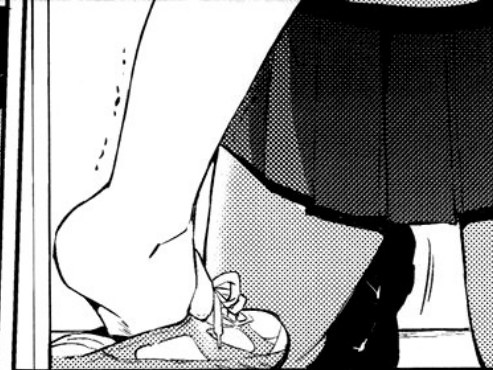

Haa

Could it be you were hoping for this all day?

I didn't do anything!

Y-You're wrong...

I wonder what Suzu did today.

Don't smell it!

Sniff

Ah!

Aah!

Eh?

I knew it...

N-noo... Don't!  
♡♡

I know!

I know!

It tastes delicious. Can I lick it more?

Haa

Hya

Haa

But when it comes to doing things like this her personality suddenly changes.

Haa

Usually she's just the sweet girl who lives next door...

Jeez!!

The inside is delicious as well...

Hya

It's not fair if Kai-chan is the only one having all the fun!

Hya

Hya

Haa

Haa

Haa

Eh...

I want to try doing it too...

Y-Yes...

You want to do it to me..?

Haa

Haa

With your feet!?

Stay still...

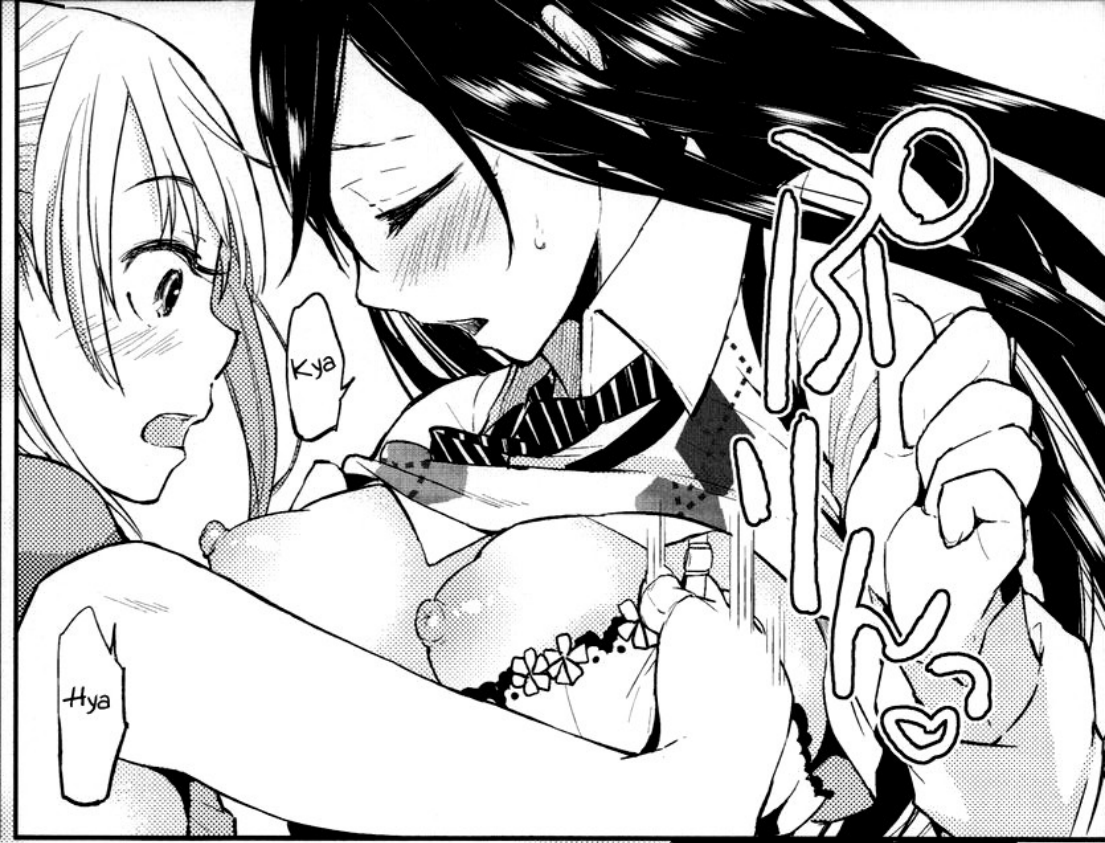

Eh!?

This is special dance practice.

You're quite skillful.

They're so soft my feet feel like they're sinking...

Kya

Hya

Ah...

fufu

fufu

fufu

fufu

The inside is wet too...

They might be dirty.

Yeah...

You know I've been wearing those sneakers all day.

Uwah... It's all wet...

Yeah...

Can I use my feet here too?

Can you hear the sounds it's making?

I can!  
I can hear them!

Then here it goes.

Hiii!

Ah

Ah

I can use my middle toe that way, that's a good discovery.

I guess

It's hitting my clit

I can fit two toes inside.

Yeah!  
I can't hold it anymore

Already?

I'm cumming

I can feel it twitching and closing up on them.

Aaah!  
Your feet are making me cum!

Ah

grr

grr

She ended up peeing...

Haa... You're all soaked.

It's kind of salty and bitter...

I just came so...

And now my feet are too.

Kiss

Nn

Suzu turned into a perverted girl.

Wait a bit...

Please...

Kiss

This is all Kai-chan's fault.

Nngh!

Nnh

Ah! I have an idea!

There we go.

W-won't it explode?

It'll be fine.

No! It looks cold!

I'll just put this on.

It'll warm up quickly.

Why don't we try putting this in?

A deodorant spray can!?

Haa

Haa

Nnh... I know...

Haa

I keep spacing out...

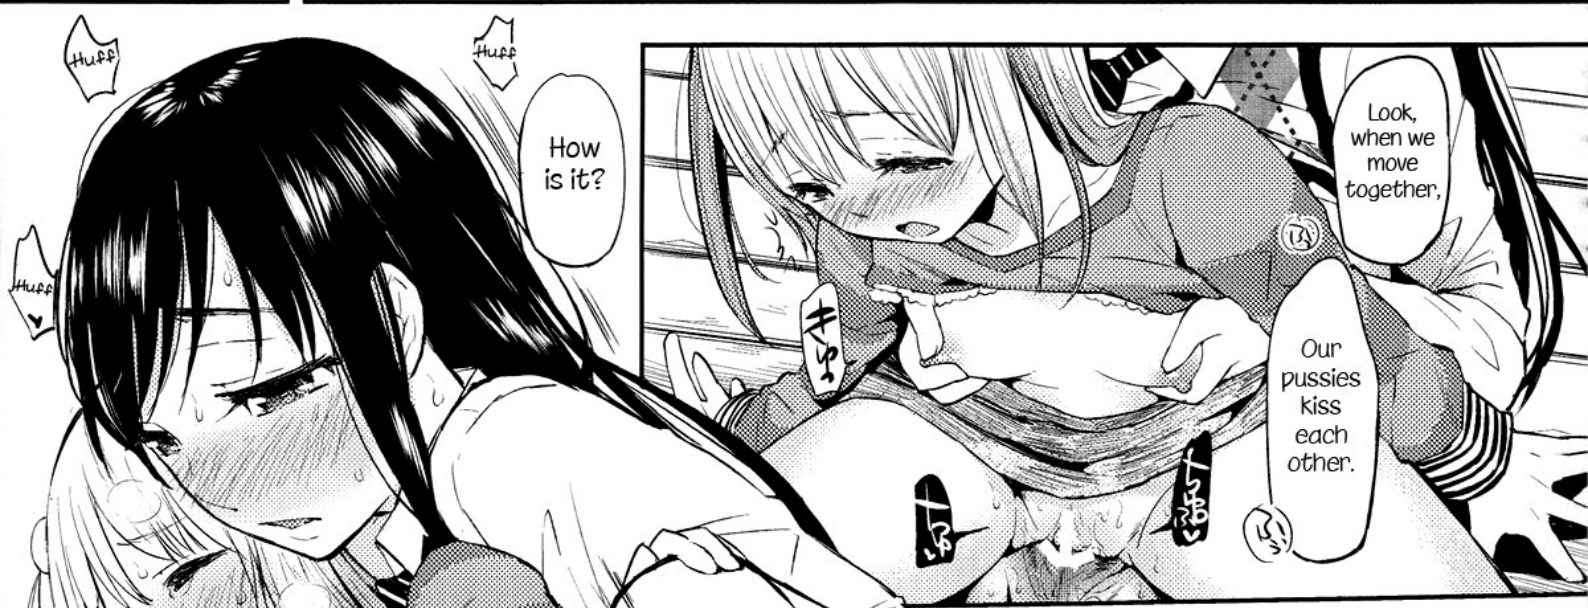

Haa

You'll stop feeling good.

Suzu, if you don't move,

おっぱい...

Fueh...

Huff

Huff

How is it?

Look, when we move together,

Our pussies kiss each other.

Does it feel good?

They're kissing lots and lots now.

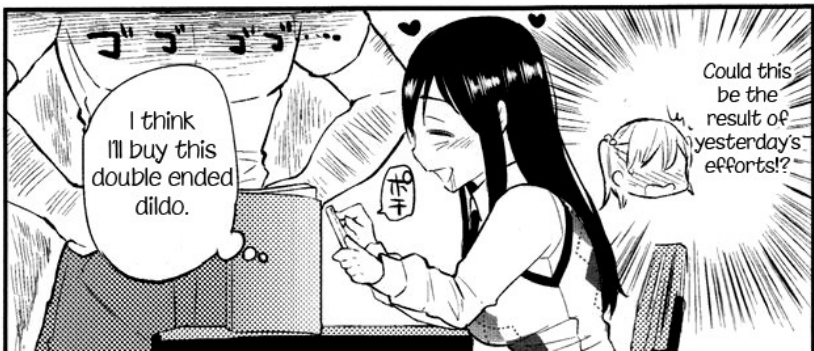

Ah

It feels... ♡

Good... ♡
