

W...What is
this monster
...?

Ahh
...

Heek

Stop,
let go
of me-

い

Is this...
the god of
the land?

What is this place? There's so many... monsters...

Stop

Ku, let go me

And what about those women?

Are they here as living sacrifices, like me?

I don't want this...I want to go home

It's alright ...It'll be alright...

Welcome to our lair, sacrifices

I am this lair's queen, Adil

What is this...I ...What's going to happen to me...?

From now on
you will become
birthing vats
and bear our
young

Fufu, think
of this as a
blessing

As you lay our
eggs you will be
infused with our
poison and stay
young forever

You have
nothing to
fear

You will give birth
to our young in
pleasure eternally
as our birthing
vats

Begin

Now,
everyone

Kyaa!
somebody
save me!

Stop!
Mother..
Father

S-Save
me

Nooo,
help me!

Hurry,
escape!

This is
the food
chain...

Our
excrement
is absorbed
into

the land and
creates the
fertile land
mankind needs
to survive

And in return
mankind gives
us living
sacrifices

That is how
the world
works

Ah
ah

Its tongue
is... in my
underwear

And my...
stomach is

substance...I
can't think...

monster's tongue
is spilling some-
thing smelly
into me

Uug... It's
sticky and
gross... Uug
