

I have a
crush
...

On my
childhood
friend
Ichika

I've
always
found her
attractive
...

I couldn't
stand it
anymore
...

So during
music
practice
...

I told
her how
I felt

But
...

That's
impos-
sible

Eh Eh
What
...
Why
...

The reason
I say that ...

Is because you aren't
very masculine ...

And in the end ...

I only see you
as family ...

We
can't be
together
so just be
my little
brother
instead
