In order to find a treasure

Adventurer:
Megu

There it is!

I've come to the deepest part of this cave.

I have a good feeling about this one!

Uwaaah!

What
are
these
things!?

Who's
there!?

Fufufu,
you fell
for it.

Where
did
they
come
from!?

Desert predator:
Sound Worm.

You seem like a tasty one. This should be fun.

I'm the ruler of this place.

Kuh!
Let go of me!

What are you getting close for?!

Come here, I'll make you feel really good.

An aphrodisiac effect is spreading through my body!

Looks like you've noticed.

What!?!
This is...

Don't worry, soon enough you won't be able to resist.

I make my prey feel pleasure before I eat them.

No way! Doing something like that here is just..!

Shit! The effects have already started!

Stop it! Don't come any closer!

We can feel good together.

Mmmgh!?

Let's get even closer to one another.

キキキ

キキキ

You can't
run away
anymore.

Nhaaaa!

I'll make
sure to
thoroughly
satisfy
you.

On top
of that
she's even
making
me feel
good down
there.

Ugh!
Because
of her
flesh walls
we are
completely
stuck
together!

If I could
just find
a single
gap where
I could fit
through!

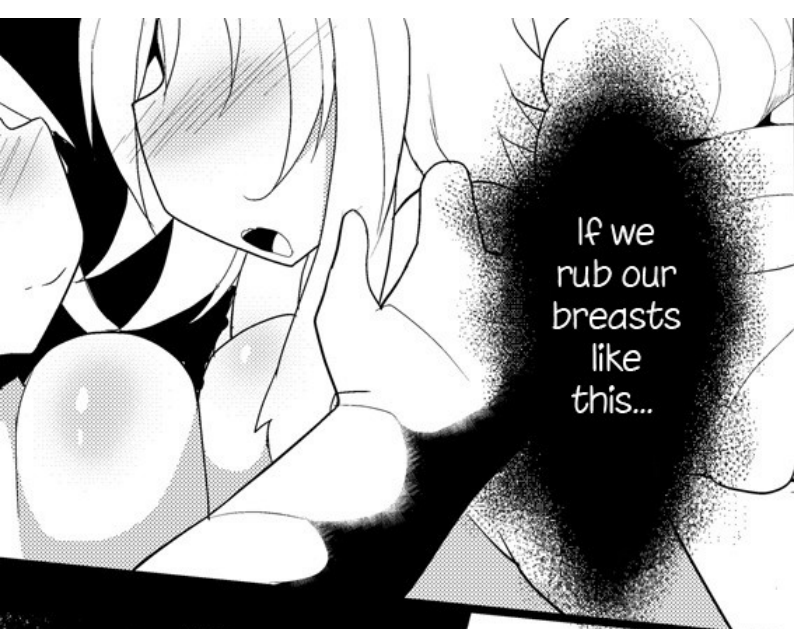

Come on,
relax your
body.

Entrust
yourself
to me.

But we're
gradually
getting
more stuck
together...

How is it?
It feels
good right?

And the
aphrodisiac
keeps
spreading!

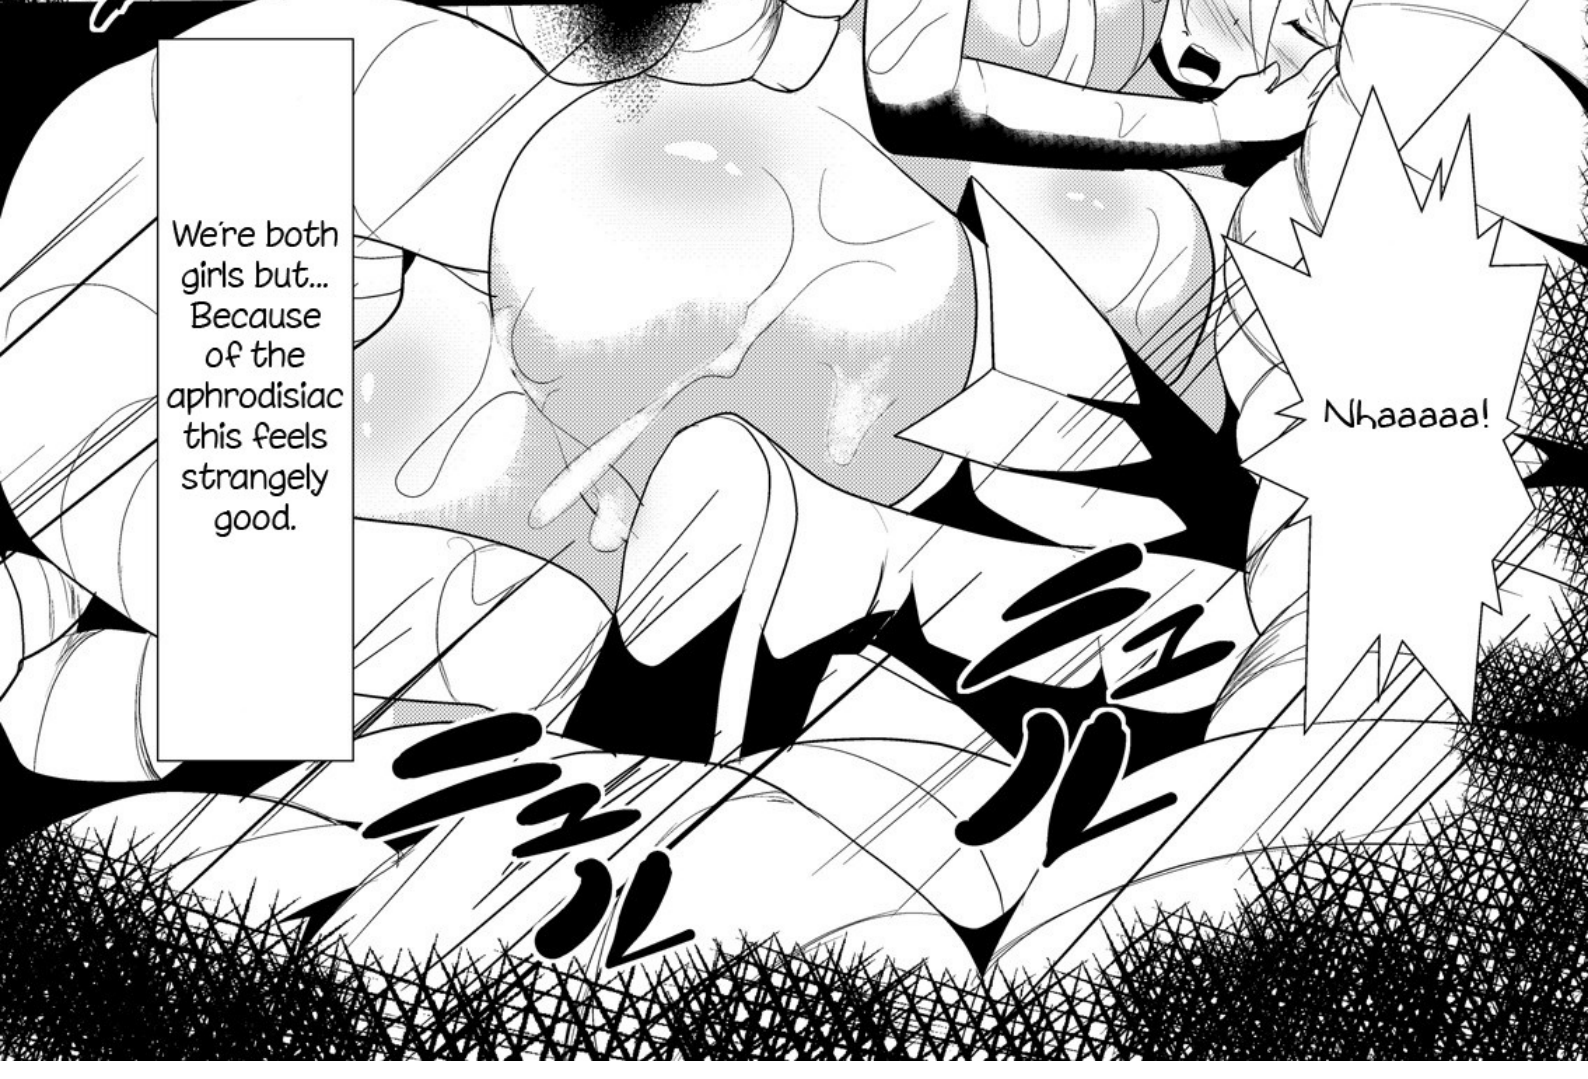

If we
rub our
breasts
like
this...

But you
know...

We can
feel even
better.

We're both
girls but...
Because
of the
aphrodisiac
this feels
strangely
good.

Nhaaaaa!

It feels really good!

Her entire slippery body keeps rubbing against mine.

I'm going crazy down there.

あゝ

I'll let you
feel the
greatest of
pleasures.

It's time
to finish
it now.

What are
you going
to do now!?

Go on
and cum.
I'll even
help you
out and
rub my
body on
you.

It's
gotten
even
tighter
than
before!

Aaaaah!

Please...stop!
I can't take
any more
than this!

But the truth is you want more.

You say that...

I can't hold it any longer!

Cum-
ming!

!!

Cum-
ming!

!!?

Agh....
