The hell is this? When did I buy this?

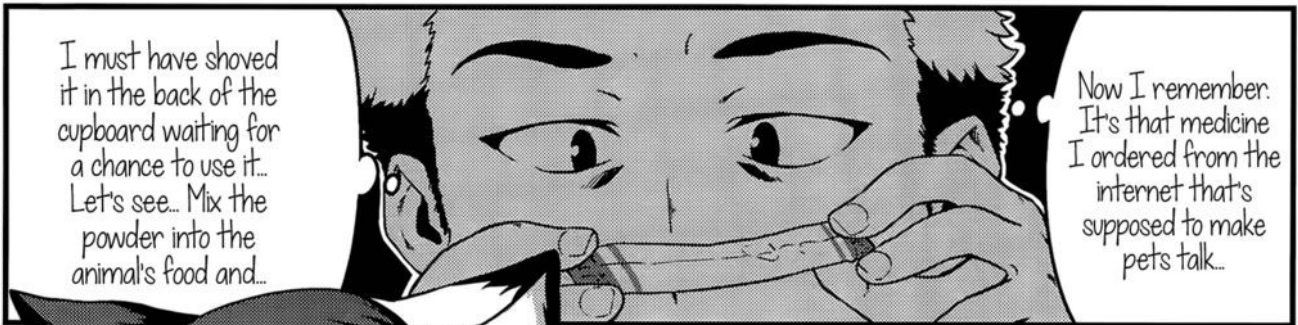

My cat, Sasami, is ten months old.

Mh...

Yeah, I know it's lunch time. Hold on while I get it ready.

MEOW

I must have shoved it in the back of the cupboard waiting for a chance to use it... Let's see... Mix the powder into the animal's food and...

Now I remember. It's that medicine I ordered from the internet that's supposed to make pets talk...

わーい!?

わーい

Okay, that went quite a bit beyond making her capable of speech!!

This tastes weird.

カチャ

Well, I haven't heard anything about this on the news, so she probably won't die...

She doesn't really trust me yet, and she can probably smell that something's fishy from a mile away, but what the heck.

Get away from me, nuisance.

Well... Can you let me have a closer look so I can be extra sure, then...?

He he he

Sasami, is that really... you?

Did you go blind? 'Course it's me.

Hmph

I'm gonna cry!

I don't wanna.

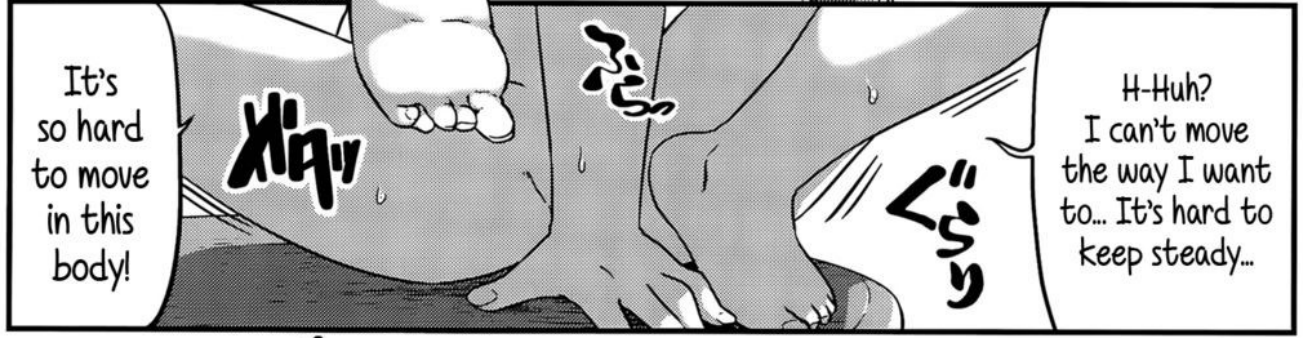

You do now... I can't have you tempting me all over the house...

Keep it. I don't wear clothes.

I was an idiot for getting my hopes up... Here, throw this on before you catch your death.

It's not a girls' shirt, but...

Stop being so stubborn! stupid Master!

Damn it! She's as strong as a normal human now, so she's even more vicious..!

Hold up... Master, you can understand what I'm saying? You're amazing.

Ah...?

Huh? What are you talking about, Master?

Still, I never thought that medicine would have an effect like this...

What do you think? Our current situation.

No way... Master, this is something you wore...?

I washed it, damn it! Just put up with it!

Y'know what, screw wearing this! It stinks!

Hey...!

I don't know... I've been feeling weird ever since I got this body...

What the...? What's wrong?

I'm sure it's because of your smell. And it's your fault I'm feeling horny too, Master..!

She's in heat...?! Is it a side-effect of the medicine...?

You look pretty darn cute as a human, you know that?

C-Calm down... Before we do anything, lay on your back...

Uu..ah.. Master..

Fuu Nyaa

I don't really have a choice until you stop being horny.

Do you hate being touched that much?

Master.. Stop touching me...

So I'm taking it you won't start clawing me halfway through, right...?

Then... Then... just for today... I won't mind if you touch me... It's a special exception...

But I suppose that'd be a given, seeing as you aren't even a year old yet.

Your pussy's... pretty small, Sasami.

In fact, I'd love to do it...!

I'd cum straight away if I stuck my penis in here...

Whoa...! So sexy! It's sucking in my finger!

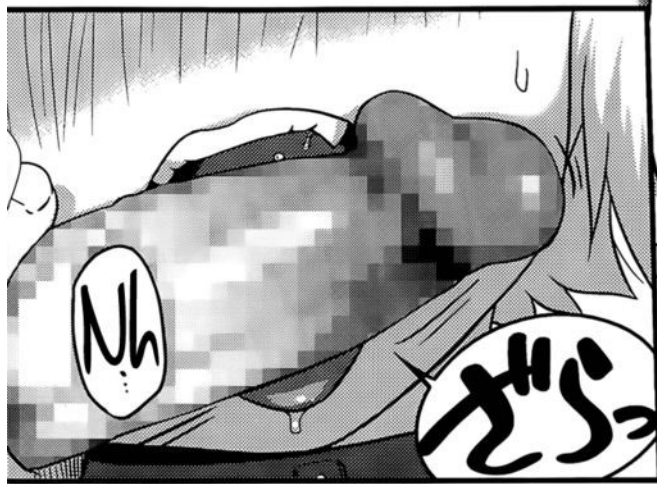

Here, try giving it a lick.

Ha

I won't, I won't. But since I'm touching you, how about you reciprocate?

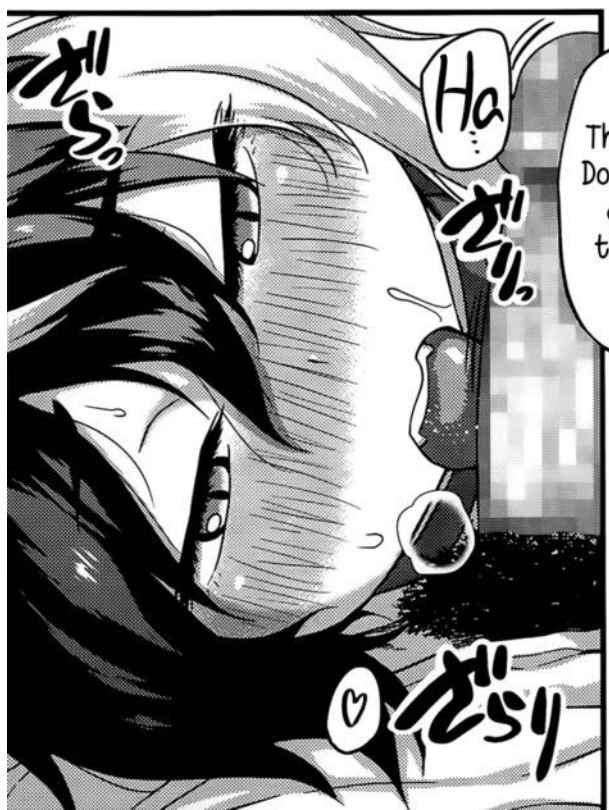

Don't stoop... Master...!

A kid has no business being this hot!

Ha

That's it... Don't bite down, though... Ever!

Uh...! Your tongue kept its roughness... This is... too much...!

You can throw all that abuse at me, but you still can't win against estrus, huh, Sasami?

Fuck me until I'm satisfied!

Alright! I just have to fuck you, right?

Eek...

Don't tell me you wanna keep going?

W-Whoa! Wait, Sasamil! If you suck that hard...

Is a cat's estrus one of those that never end no matter how many times you do it...?
Alright... Point your ass in my direction.

No... That's the wrong hole..

Nyuu
Guh

Even if it is, it doesn't feel that bad, does it?

Stop! Stop! It won't go inside there..!

It's gotten pretty moist, too. It should be okay as long as I don't go all out.

It won't fit inside there

Stop oop

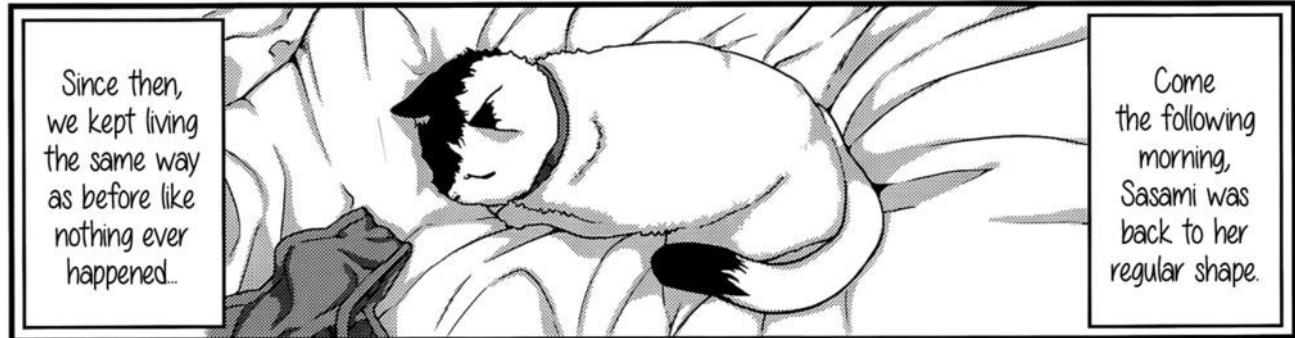

Damn, she goes to sleep fast...

Hey! Get out, I need to wash the sheets!

Since then, we kept living the same way as before like nothing ever happened..

Come the following morning, Sasami was back to her regular shape.

I bought some clothes for you. Wanna wear them?
