FAREALLA ARMONIA

Two years have passed.

Crime is an ever present problem in the virtual world.
New criminal organizations are born every day, and together with them
new plans are deployed in order to shut them down in a never ending cycle.

But...

Tracing back to the beginnings, the prostitution ring known as "Breeding Ground" is still at large to this day.
Soon after the investigation started, the group went under the radar without a single member being caught
and no hope to do so in the future.

RIOT's agent, Yokia Shiramine, was responsible for shutting down several different organizations...
But after the debacle against "Breeding Ground", his very first failure, he gradually lost prestige
and rank within the agency.

FARFALLA ARMONIA

Thank
you,
guys.

Being
sent here
to the
archives
must've
been
quite the
hard
blow.

The
failure
on that
case
cost him
his seat
in his old
section.

I
wouldn't
be sur-
prised if
they laid
him off
for good
one of
these
days.

The
stress
is still
affecting
him now,
he's
always
sick.

I still
think it
was too
much
for a
single
person.

Hey,
check
it out...
He's going
over those
two year
old files
again!

Really?

Still an
open
wound,
I sup-
pose.

He always looked harsh to me, the kind of person you don't want to work with.

But thank god he's much more friendly now!

HA!
HA!

I'm feeling under the weather again, I'd like to go home early.

HA!
HA!

I'm so sorry. Haa...

HAA...

HAA!

Miss Ishida,
Mr. Tou.

HAA!

Consider-
ing the
recorded
trend of
switching
times,
this will
hold for
about 48
hours.

It's 52
hours
and 30
minutes
since
last
time.

Takinu?

At 14...
14.12

When
did it
start?

Ok,
let's see
what
you've
got this
time.

HA!

HA!

HA!

HA!

So you
won't
get
harder
than
this,
hm?

...no,
wait,
it's com-
pletely
limp!

Inside
the n-neck
tie...!

Snow
White,
where's
the
new
data?

Assuming
it fits,
it's gonna
hurt,
you know?

HA!
Quick,
put it
in...!

HA!

"Quick"
what?
Tell me.

HA!
Quick...

HA!

HN!

HMM!

HA!

AHN!

But we
can use
your
ass as
always,
right?

What
the...
You're
already
soaked!

It's
just like
a real
pussy,
ready to
breed!

HA!
No,
do it
there!

I
want
it
there
...!
AH!
AH!

うん...
うん...

ちゅ...
ちゅ...

AH!
HN!!

Yeah,
yeah!
You can
leave
your
Hn!
Posi-
tions
...!

HA!

Hey,
I need
you.
Yeah,
the
mole.

GH!

Ha!

About
10 guys
are
gonna
take
turns
for you!

OH!

OH!!

OH!

HNN!!

Aah!
Hi!
It's
iiiiin!

HN!

HA!

We're
gonna let
you have
two whole
days of
fun!

Things like dropping my hips on his dick, feeling the pleasure of my contractions as he pries me open...

Everything I do nowadays helps overwriting my male self.

The pleasure I get from what used to be my dick, all shrunk now.

And then...

And then!

The sensation of my freshly grown breasts being savaged by his hands and mouth.

being torn apart each time like it was the first.

My freshly grown hymen

Fuck
yeah...
Former
men give
the best
head!

NGH!

MGH!

HN!!

OH!

Not being
a man
anymore,
leaving all
of that
behind
me...

HN!

HNM!

HN!

Go
ahead,
all the
holes!
Bury it
in there!

I know
you,
I'm
sure
you can

take
it!

Wait!

Not
there,
not
yet...!

AH!

NGH!

I still
prefer
the
back
door!

That
damn
firm-
ness
when
you put
it in!

AH!

Ah,
not
yet!
I'm
not
ready
there!

GH!

I'll...

If you go all-out there

See? It went in just fine. Plenty of room!

My whole life until now, all my years as a proud man... will turn to dust.

Man, I love tight holes!

Even your anus was reset, good as new!

AH!!

HA!

OH!

H A A A A!

Hey, c'mon, your mouth ain't busy!

Double penetration is the fucking best!

I can feel you rubbing it back there, mate!

HA!

AH!

AH!

Burned down and broken

After that, I'll be just holes.

in the blink of an eye.

WHOA!

It feels like her ass is vacuuming me!

Why don't you show your colleagues your blowjob face?!

Meat holes and nothing more.

HN!

HFF!

HN!

18h

4h 4h

4h 3h

h
I'd keep
Pucking
you
even if
you
changed
back to
a man
right
now!
Any
prob-
lem?!

Man,
woman,
it
doesn't
matter

HN!

4h 4h

HA!

4h 7h

4h 7h

AH!!
AAH!
AHN!

THANK!
SO MUCH!

Just
break
me even
more...

4h 3h

4h 3h

UH!
UH!

Wanna try?

We've replicated his brain waves, the key.

I have no idea whether his "boost" would be compatible with your body and actually work.

But we found one more who could maintain the changed state.

Out of all the people who saw the dream like you, only one actually experienced these sex changes.

But...

"It can be dangerous", right?

You know my answer won't change.

HEHE!

I figured. You haven't said no to anything so far.

Will you ever grow up?

Look at you and your stubbly unshaven face...!

I'm never gonna stop until I can get pregnant with your baby.

Fin.

あとがき

最後までお付き合いいただきまして
本当にありがとうございました。

本作のラストは結局この二人の
イチャラブで締めさせて顶きました。

これ以外にも完全に悪堕ちモードで
若い子を誑し込むしらゆき、
というネームも考えたのですが
そちらはもはや男だった頃の名残は欠片もない
単なる悪堕ち熟女だったので
ネーム的には面白くないと感じて
今回の変身過程を描く形にしました。

思えば「アルケミラの雫」が2000年頃の作品で、
自分のデビューが1989年…大体25年の作家人生で
半分以上の時間、性転換というジャンルに
触れてきました。
やはり女性(異性)に対するあこがれが
強いんでしょうね。

今までは肉体変化物が多かったですが、
少し前に青年向けで憑依物を書いてみて、それまでの
「異性に変わってしまう不安(&期待)」ではなく
「憧れだった人の体になっている」という
球筋の面白さに気付きました。
これからは機会があれば性転換物で
何か残せていたら
そして「お気に入りだ!」と言って貰えるような
作品を一つでも多く描けたら幸いです。
出来ればまた青年向けで描かせて頂いた様な、
感情部分を掘り下げる
つくりを目指してみたいです。

ではでは、また皆様とお会い出来る日を
楽しみにしております。
