You're such a hard worker, Honjou-kun.
Ah, Prez! Thank you very much.

Don't push yourself too hard, okay? If you're tired, you're free to go home...

Oh no, you must be the tired one, being the student council president and all...
You have even more work than I do, don't you?

Fufu~ I'm just fine.
But thanks for worrying about me!
THIS IS OUR KIND STUDENT COUNCIL PRESIDENT WHO IS LIKE A GENTLE OLDER SISTER TO ME...

FIRST, I NEED TO GET RID OF MY IMAGE AS "THE JUNIOR" AND MAKE HER SEE ME AS A "RELIABLE MAN"!
Hmm~ What should I do with these~
Why hello there, Prez! It seems that you're bothered by something, can I help?
ばっ!!
Ah, Honjou-kun...
These boxes should be carried to the staff room, but they're pretty heavy...
I see, I see! Let me lend a hand! It's these three boxes you're talking about, yes?
キラッ
That's right... Then, could you start by taking this one...
Oh no, there are merely three boxes here...
HEH!
So I'll carry them all at once!
Eehh?!
Honjou-kun, aren't they heavy? Will you be alright?
I'm okay! This is nothing!

Fufu~ I can rely on you, then~

AAH... I LIKE THE SOUND OF THAT...
RELY ON YOU... RELY ON YOU...
If there's anything I have confidence in, it's my physical strength, Prez!
Whenever you need an extra pair of hands to carry something, I'll come running!
Fufu~ Why are you so obstinate on that..?
But really, you're a huge help.
This kind of stuff has been really tough for a girl to take care of...

What?! You've been doing all the manual labor all by yourself until now, Prez?!
That's right.
She took care of everything...
Prez, you shouldn't shoulder all the work.
Let others do their own share, okay..?
But... I don't want to trouble anyone...
I won't mind even if you cause trouble for me!
Because I like you, Prez!
And I want to be of use to the girl I like!
