Whaddaya mean, watchdog?
That bitch...Kyoko Inukai...
I heard the opposite, she's their pet.
Lately she's been like the school watchdog.
Whatever.
Stop that, or she'll turn the tables on you again.
果てしなく続く快楽に震える悲しき性(さが)
She's still human. She has weaknesses.
Next time will go better.

Morning, Kyoko.
Kyoko, the truth is...
Ever since I first met you...
Uh... yes...?
Something important... teehee...
But on the off chance...
No, it couldn't be that...

THE NEXT DAY.
That's odd...

There's no reply from Mr. Hidaka...
He said he had something important to talk about.

What are you doing in a place like this?
Little watchdog.
I don't suppose you were waiting to meet someone?

I ...
I was just patrolling the grounds!
And what about you? Up to no good, obviously.
You want me to put you in the hospital this time?
HM?

Stay cool.

But have you seen your beloved Mr. Hidaka...?

I wouldn't want to worry you...
Maybe we should take the hint.
