

You've got a wonderful figure, Ihara-chan...

Wait, woah! Yamano-kun! D-Don't look!

Th- There's nothing wonderful about this..!

What's that? A selfie?

I'm just documenting the... changes in my figure... Yeah...

Did eating that cheesecake in the middle of the night cause this..?

Hell no! I wasn't supposed to show these to anyone!

Do you, like, upload these to the net?

I'll go check them out.

Tell me more!

I wish it had been the better pic...

Of all the people, why did it have to be Yamano-kun who saw this..?!

Let me redeem myself!

Can I... Really?

I don't have it on my phone, so drop by my house after school.

Ah...

It's okay! I'll show it to you!

Su- Sure...

If... If you're okay with showing it to me...

What, do you want to see it..?

So this is what a girl's room is like, huh...

Well then, excuse me...

Come on in~

The hell is this..?

Ooh...

Sure is...

That's super slender, right?!

See? How's that! Look at that body line!

Now, look at that!

Eh?!
How? Why?!

What do you mean, "why"...

But isn't the one from today...
Much better?

Now that's a picture I could upload for everyone to see!

I can only imagine the lovely softness!

Today's is even better!

Yes, that slender figure is nice, but still...

The...

Sorry... I kinda lost control of myself for a sec there...

About this useless meat!

There's nothing nice...

Wait!

Wha...

Say what?!

Let me touch your belly!

If you let me touch it, even you might change the way you think about it!

Guh...

Oh, what soft meat this is!

Seriously?!

Okay, just for a little bit...

Uu...

Oohh!

OOOHH!

That doesn't make it sound any better!

It's simply the best!

At first, it might seem like a mass of excess fat...

The phantasmagoric texture!

However! When you grab on, you can feel it..!

Where are you touching..?!

Man... I feel like this has made my love for meat grow even more...

You're hard again...

But if you like it, Yamano-kun...

I still don't see what's good about fat...

Yamano-kun...

And really, you losing your cuddliness would be too much to bear!

Y-You shouldn't force yourself to lose weight!

I sort of agreed with you without thinking...

I'm sorryy!

But my pride won't allow this.

I mean, sure, it felt good..

But I'll still try to lose weight.
