FUCK!

Kinoshita  
Kaoru.

I know  
the cause  
of it...

IT'S  
BECAUSE  
I SAW  
THAT  
STUFF  
BEFORE...

Even though he looks like that, he's a childhood friend that used to play together because we're neighbors.

He's liked dressing like a girl for a long time now,

Taku-to!  
This is so cute!

Because he's usually very quiet and introverted, he'll start chattering away when it comes to stuff he likes.

Right now, we're going to a school that lets you wear a male or female uniform.

Please consider becoming our circle's cosplay.

For some reason, he's constantly approached by other guys that should already know he's a guy too...

HEY,  
WE'RE LEAVING, KAORU...

However,

But I think of that as part of his individuality.  
And as a friend, I thought everything was just fine.

TAKUTO'S  
DESK...  
I WANT TO  
DO IT...

WITH...  
HIM...!

I KNOW  
THIS IS  
WRONG,  
BUT...  
TAKUTO!

TAKUTO!

AH...!

.....  
WHAT'S  
HE  
DOING  
IN THE  
CLASS-  
ROOM?

KAO-  
RU...

AH!

WANT...

HIS  
THING  
RIGHT

HE-  
RE...

I always thought  
all the guys that  
tried to flirt with

could only see
