@ Afterword @

Hello, I'm Guglielmo.
Glad to see so many new faces!!
I finally managed to release the
exhibitionism/humiliation story
I wanted to draw a year ago.
I wanted to take my time with
the stuff before she got naked,
so one book won't be enough.
I'm going to draw the sequel
eventually. All sorts of incidents
and accidents will happen on
the way back from the pool
to the classroom...

I want to draw something
where really horrible stuff
happens eventually.
See you again sometime.
