enidly

You won't get away this time.

Eh?!

She escaped again..!

Are you two still in elementary school?

I'll definitely have you pay the cleaning fee the next time I see you!

I'm leaving early~

Wow, this is getting fun~

Yeah, let's do that.

Let's go search around the flower-beds!

Damn it...
Where did she go?!

And Nakamura-kun disappeared somewhere, too...

Come on, this isn't a game.

Yuuto...
Your smell always calms me down and feels good-

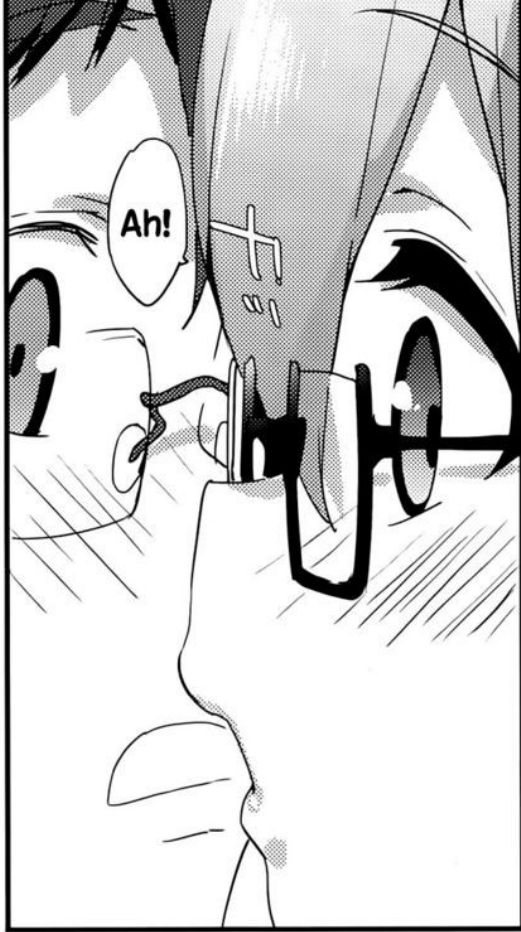

What are you thinking? Look where we are...

Hey!

Aha-ha~!

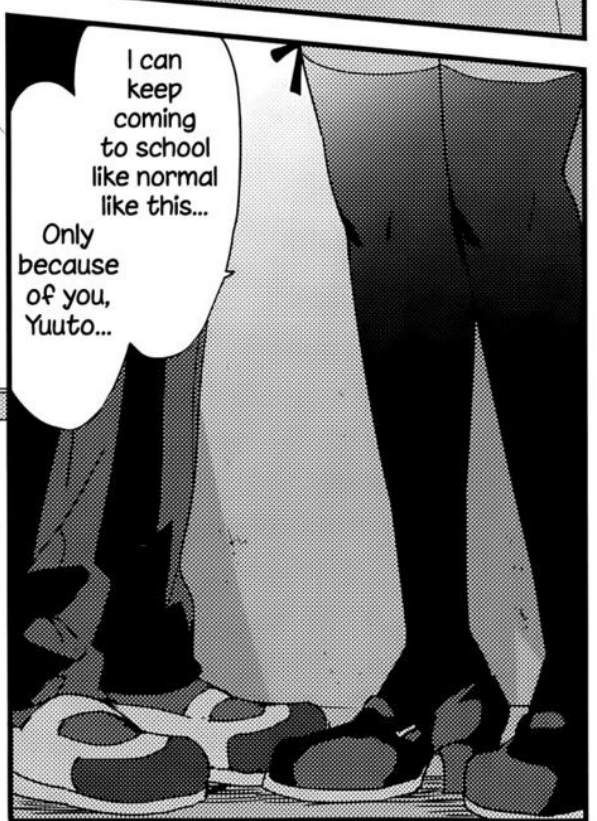

Ah!

Right, I've never worn fake glasses before...

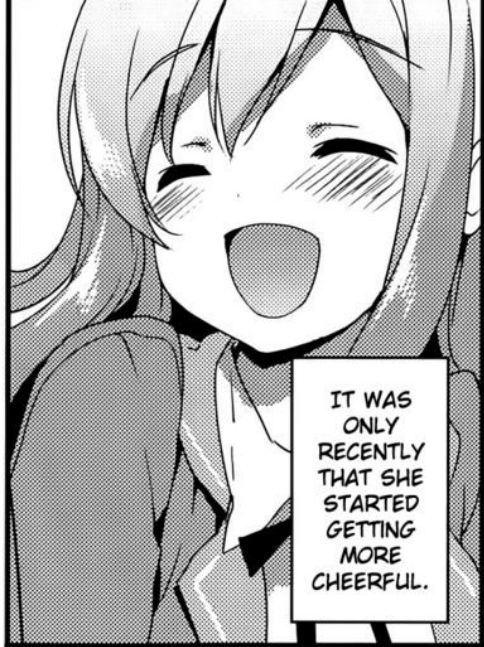

So, sorry... I know I'm acting selfish...

I can keep coming to school like normal like this...
Only because of you, Yuuto...

But I don't want to be apart from you now...

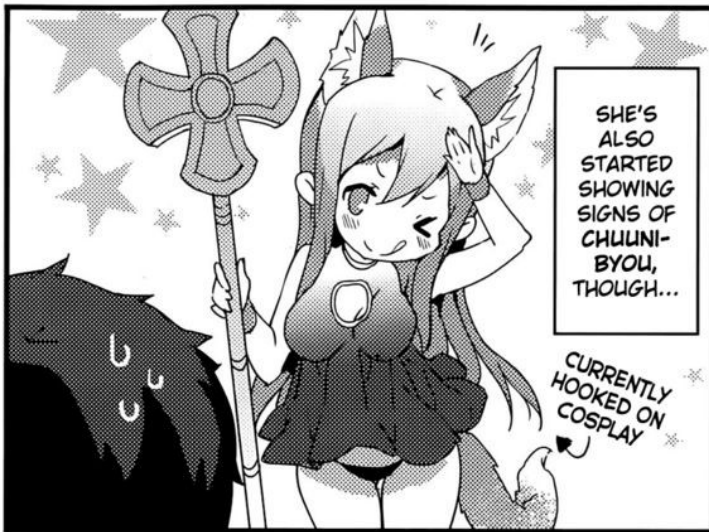

IT WAS ONLY RECENTLY THAT SHE STARTED GETTING MORE CHEERFUL.

SEIRA HAS BEEN BAD AT DEALING WITH OTHER PEOPLE FOR A WHILE NOW.

SHE USED TO BE REALLY GLOOMY 2-3 YEARS AGO.

SHE'S ALSO STARTED SHOWING SIGNS OF CHUUNI-BYOU, THOUGH...

CURRENTLY HOOKED ON COSPLAY

BUT WHEN SHE STARTED PLAYING GAMES... HER MONO-TONOUS LIFE SLOWLY BEGAN TO BE FILLED WITH FUN THINGS.

SEIRA'S LIFE USED TO BE NOTHING BUT STUDYING...

ANYWAY...

IT'D BE STUPID TO EXPECT HER TO BE ABLE TO GET ALONG WITH OTHER PEOPLE JUST LIKE THAT.

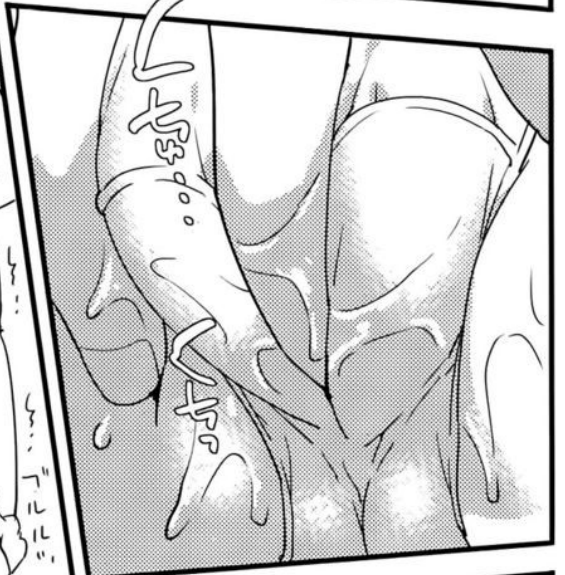

Right there-
That feels great-

SEIRA RETURNED TO THE CAFE...

AND, MAYBE THANKS TO THE LEVELING PROMISE, I HEAR SHE WORKED HARD.

Welcome!

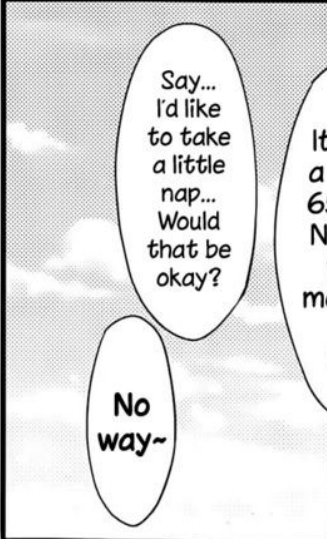

ALSO, HER REVEALING OUTFIT APPARENTLY MANAGED TO PULL IN LOADS OF CUSTOMERS...

I'm a bit annoyed... but since our sales are going through the roof, I can't complain.

AND, WELL, ABOUT THAT "PROMISE" OF OURS...
BACK THEN, I COULDN'T HAVE EVEN IMAGINED THE SUFFERING AWAITING ME...

Say... I'd like to take a little nap... Would that be okay?

No way~

It's just a measly 65 levels! Now get those monsters over here!

Ah... Sorry.

Hey! Listen to me!

Hey, Yuuto!
