.....

She's constantly crossing over the roof to my room's window to come hang out with me.

This girl is Karin-chan. She's my next-door neighbour and she's in the sixth grade.

...But today I got a bit careless.

What?

...without warning... Wait...

Wait a minute, didn't I tell you not to come in-

No! It's not what you think!!

Aaa aah?!

Onii-chan! What happened to your penis?!

It's being possessed by an evil spirit...

Lame! That was such a lame excuse!!

This is... Well... Y'know...

It's, like, crazy swollen!!

...Yes.

A-Are you okay, Onii-chan...?

It seems to be a type of Youkai that humiliates you, causes you to walk funny, and makes it difficult to pee...

Evil spirit?!

Yes... It took over my penis and made it swell up until it was hard as a rock.

Dr is she asking me if I'm okay in the head?!

Huh? She's worried?! She actually believed it?!!

Oh, man! I'm getting too horny!

She's really staring at it, though...

It's getting worrying now, Karin-chan!

She's always been an innocent and obedient girl, but

He

Fondling them is good for the body.

Are you really okay?!

Whoa! It's, like, twitching!

妖怪ちゃんぽん Youkai Watching Noise

That's a very delicate zone for me!!

Anything but that, okay?!

HOLD on, Onii-Chan!!

I'm gonna Beat that evil Spirit!

Wait! Wait! Wait!

Whaa aat?!

Weakness?!

Just calm down and wait.

This thing has a weakness.

What should we do, then?!

If we leave it alone, your willy's gonna explode!!

...Wait, when did we establish that?

Are you sure?

It's not contagious, is it?

Well, try it. Touch my penis.

Yes, its weakness is girls.

...In what way?

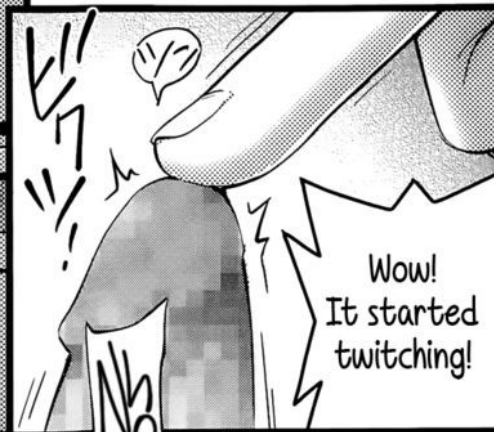

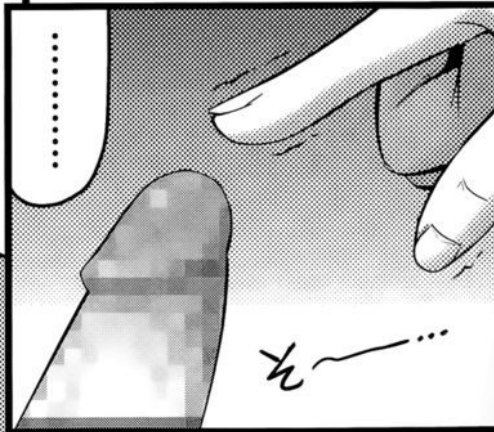

It can only possess men's penises, so no.

Oof!

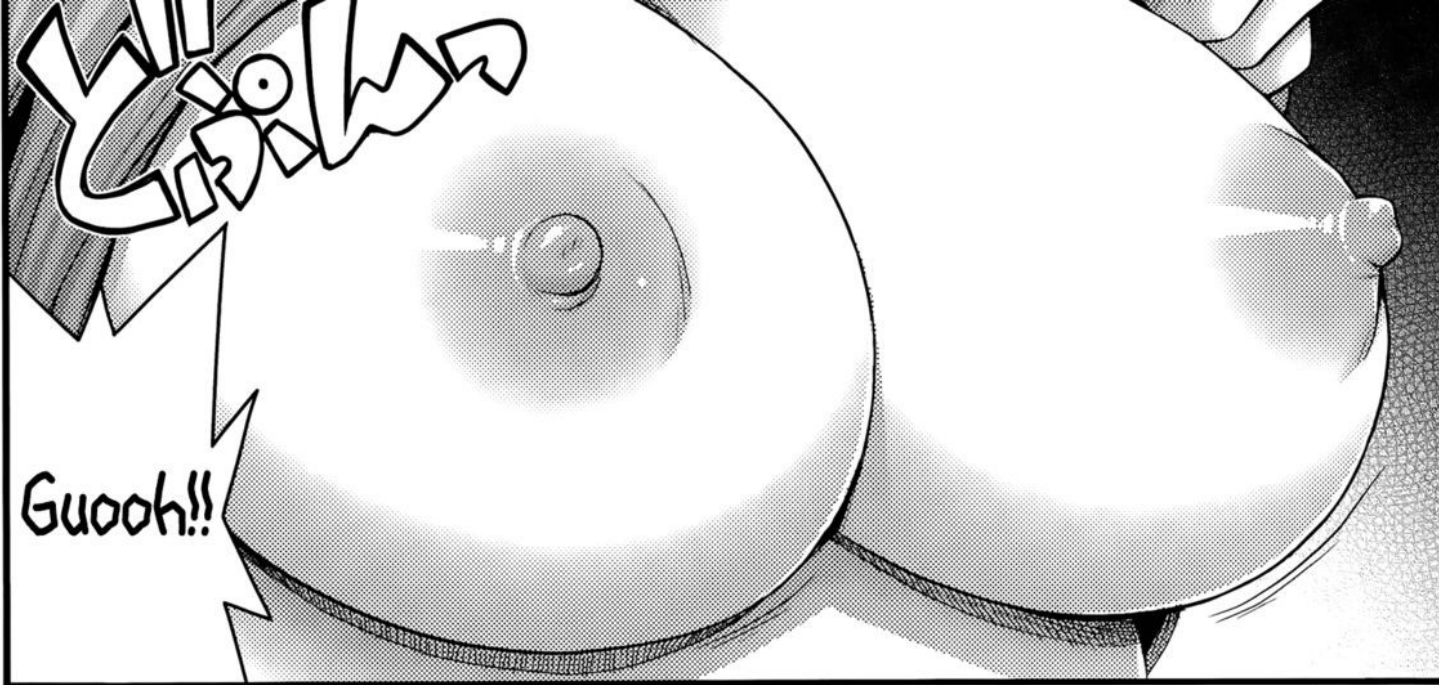

Ahaha! This is fun!

Hold o-...!
Ohoo!

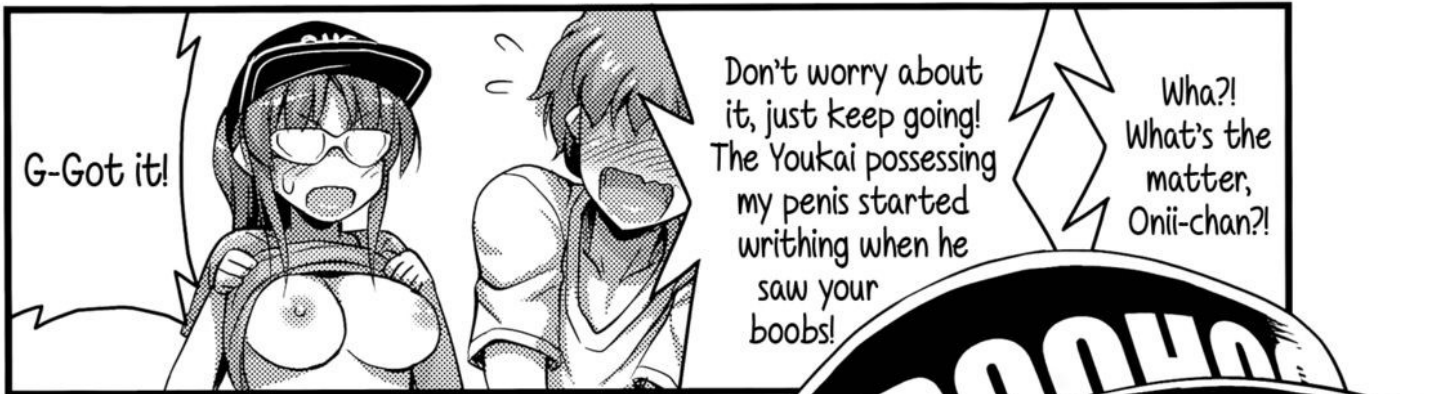

Wow!
It started twitching!

Guoh!!

G-Got it!

Don't worry about it, just keep going! The Youkai possessing my penis started writhing when he saw your boobs!

Wha?! What's the matter, Onii-chan?!

BOOOO

Amazing... It's really taking effect...

How is it, Onii-chan?!

I've always thought that it was ridiculous for a sixth grader to sport such gigantic tits, but... seeing them in the flesh, they're even more outrageous!!

Now squeeze your boobs together and rub them on my penis to force out the Youkai for good!

Guh! Guh!

Fuoooh!!
They're so elastic, they're wrapping all around my cock!!

I'll try!

And her skin is so soft, too!
This feels like heaven!!

Then it's working!!
That's, umm... a kind of greasy sweat that the Youkai releases when he's in trouble.

...Why's it getting all slimy?
Your penis isn't melting, is it...?

Hold it gently in your hand and rub it up and down like you did with your boobs.

Onii-chan, are you grinning a bit?

My hand?

Finish him off with your hand.

Yeah... We're nearly there...

Guoooooh!! Almost there! The Youkai is writning in pain too!!

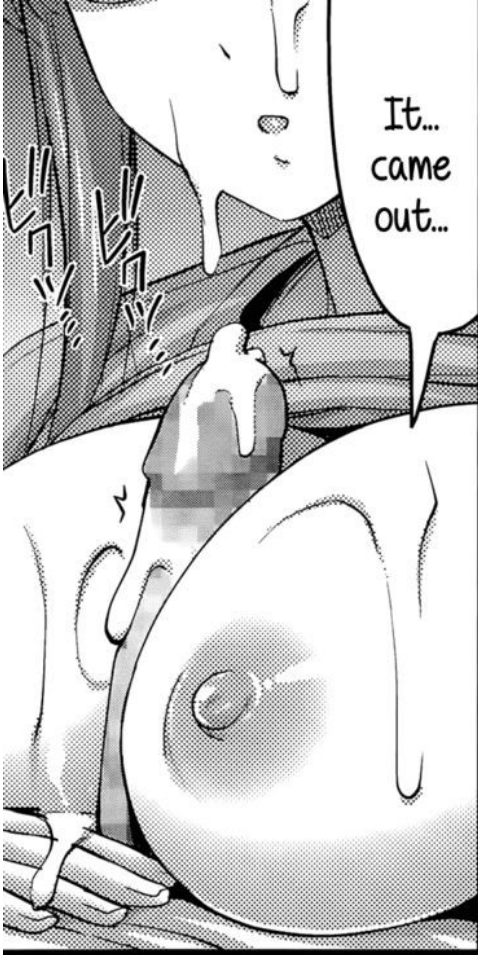

It's just about to come out...!!

It's gonna come out!!

D-Don't give up, Onii-chan!!

Nh

ニヒヒヒヒ

It...
came
out...

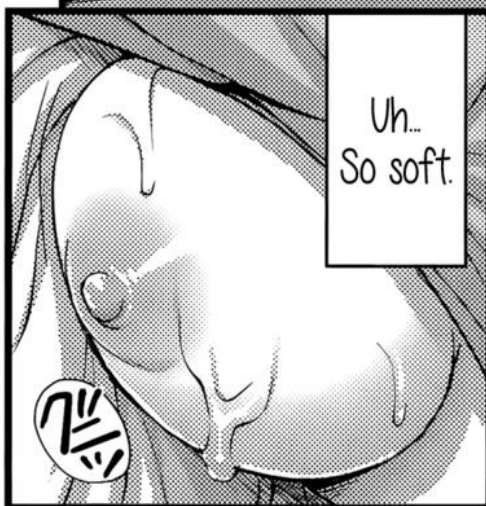

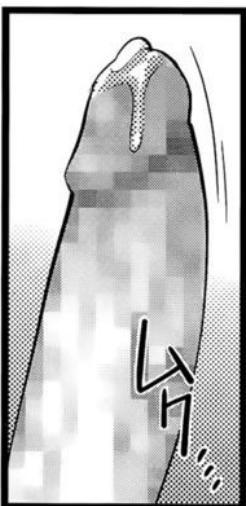

Waaah!!

Y-Yeah...
I think
I'm okay
now.

What
just hap-
pened?!
Did we
get it?!

Uh...
So soft.

Yaay!

That's
great,
Onii-
chan!

It's talking?!

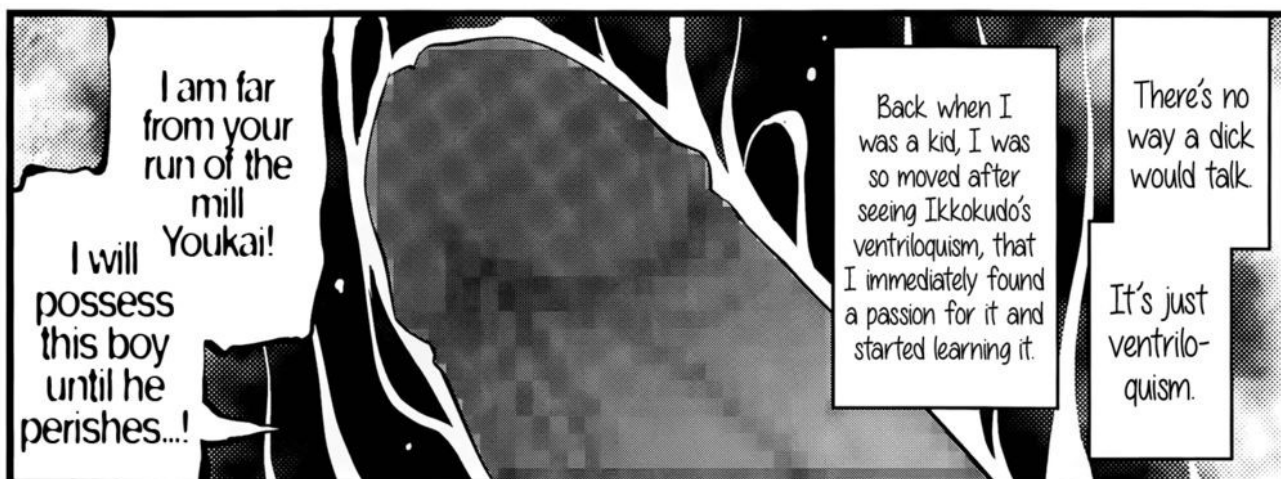

...Fufu fufu!

Did you really think I would be defeated that easily...?

...O-Onii-chan...?

Your penis isn't fixed...

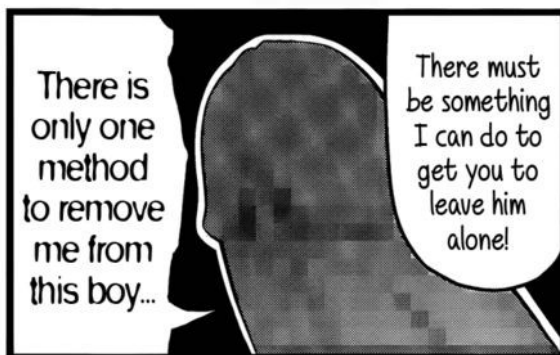

I am far from your run of the mill Youkai!

I will possess this boy until he perishes...!

Back when I was a kid, I was so moved after seeing Ikkokudo's ventriloquism, that I immediately found a passion for it and started learning it.

There's no way a dick would talk.

It's just ventriloquism.

There is only one method to remove me from this boy...

There must be something I can do to get you to leave him alone!

I'd be awful if Onii-chan's penis stayed like this all his life!!

You can't!

My pussy...?!

And that is for you, Karin-chan, to rub me like you did before with the insides of your pussy!

Karin-chan is having a conversation with my dick...

Wah!
It's working
super well!!

Guoo
oooh!!

It's the
crack in
your crotch,
Karin-chan.

...What's
a pussy?

And for Pete's
sake, Karin-
chan, there's
defenceless and
then there's
this!!

Hairless!!
Her titties
have grown
like crazy,
but
her pussy
hasn't grown
at all!!

...This?

inside here.

But I
don't
know...

Neither

T-This is-!

Guoooh!!

Nho..!

BOOHOO!

Her tight pussy is wringing my cock..!

This feels insanely good!!

Ah! Aah! Hell yeah, it's working, Karin!!

Well? Is it working?

Keep going!!

Does it still not wanna come out?

It seems the Youkai, after being driven into a corner, mustered up all of its remaining power and managed to take control over my body!!

K-Karin! I can't stop!!

My body's moving by itself!!

Yeah... I think we're in the clear...

Your penis is... squirting again...

...Did we defeat it for good this time?

...Y-Yeah.

If you ever get possessed again, just call me, alright?

I see... Thank goodness!
