I was studying for the exam,  
I realized that I had forgotten my notes at home.

Please choose from  
the following options....

"Why?"

That's because  
you're an idiot and  
you answer the questions  
incorrectly.

S...sorry...  
...teacher.  
My question is...

why do I have to  
dress like this?

I'm just trying to have fun because it's so fucking boring to teach a bad student like you.

Besides, I provided those clothes, so what's the big deal?

And they cut up your clothes as punishment, okay?

You got a problem with that?

No... that's not... that's...

Hee...!

!!  
You can't be!

Just stand there for a second!

You said that Futanari has to study and undergo trials while controlling your libido, right?

Are you going to stain the examination hall with your stinking cum?

What?!

...hah  
Unbelievable...  
you have a boner....

Oh...  
teacher...

The tip of my dick is  
... sensitive... oh!  
Aah! Aah!  
Don't lick it with  
your tongue...!

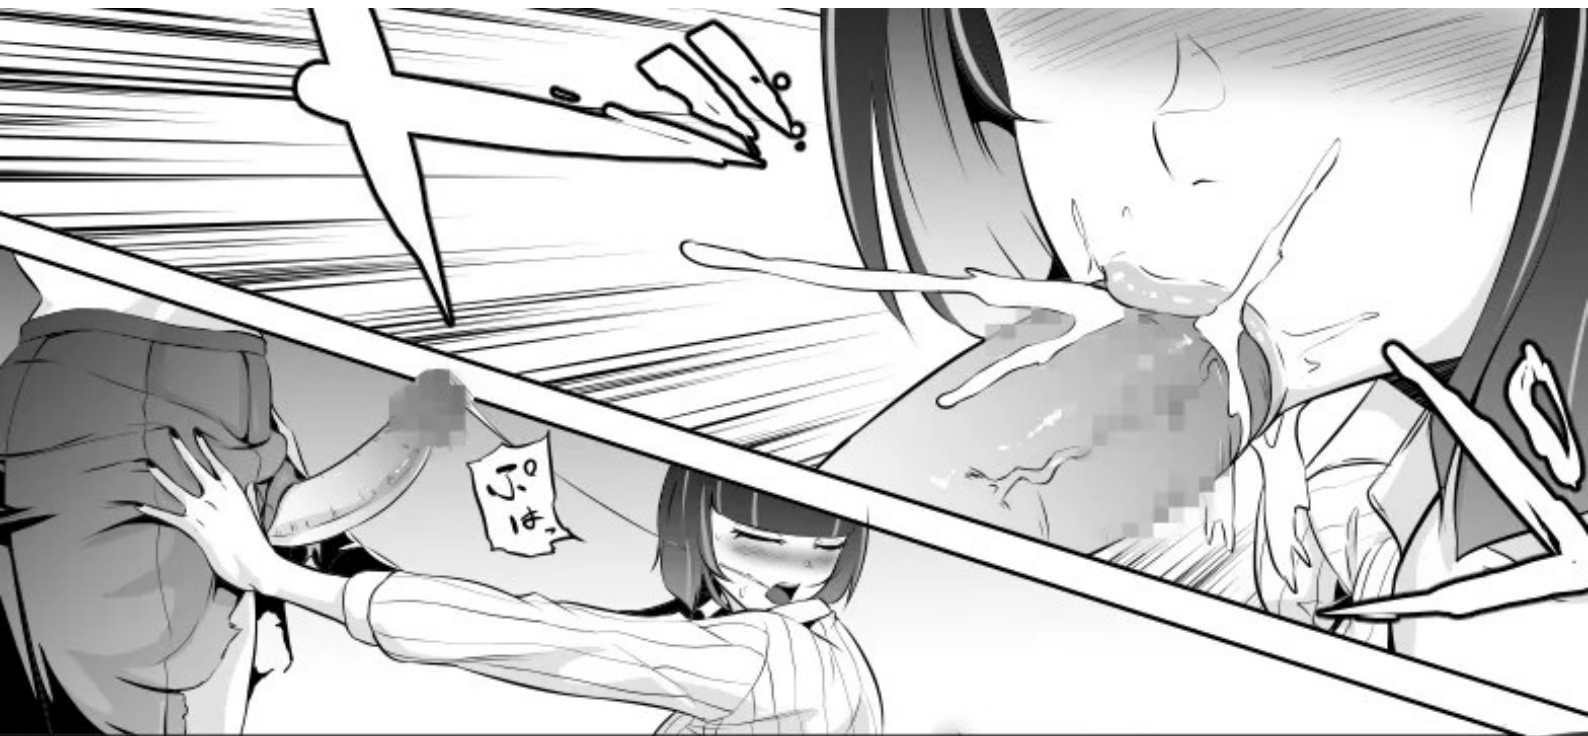

T...teacher!  
This is impossible!  
Please let me sit down...!

Huh?  
What are you  
talking about!

You let a teacher do this  
to you and you sit down?  
Who do you  
think you are?

I mean,  
what the hell was  
going to do with  
dick erect in front of  
a woman! You pervert!

Oh, shit...  
I can't believe...  
you ejaculated  
me without  
saying anything...

And to top it all off,  
ejaculated into  
the teacher's mouth!

I'm not  
your little meatbag!

Penis...  
pussy...

How could  
this happen  
every time!?

My  
teacher!

What...wait...  
you did it again!?

God damn it...  
my body smells  
so much like cum!

...yuck!  
Stop it!

Ugh...you...  
attacking a  
teacher and  
getting pleasure  
from it...!

Stick your cock  
in my warm,  
soggy pussy...  
it feels so good♥

ああああ

Ahhh...  
duh...

What...  
do you...  
think...  
of me!

I'm sorry!  
I'm sorry!

T...th  
...this!

Your pussy is  
getting all  
tangled up  
in my cock!

You  
stupid  
bastard!

I love the  
feeling of  
being licked  
all over!

It is of no use  
... on the  
contrary...

A rapist like you,  
no matter how  
hard you get into  
school...

...you were  
no better than  
an old man, you had a  
fucking bug brain!

I can't believe your  
frontal lobe is  
buggy so far!

...and  
your  
baggage!

Oh, shit!  
The evil sperm is  
pouring out of  
my cervix and  
swimming around  
inside me,  
contaminating  
my body...!

Ahhhh...kuh!  
I can't believe  
I let it out inside...

You really have a  
nasty head!  
Are you a monkey?

No...you're no more than  
a monkey, and you're  
not a single cell!

Huh! What are you ... now?  
You've turned into an egotistical, sniveling pig!  
...Damn it!

Ha...ha.... teacher!  
...since a while ago, your pussy has been twitching like it's clamping down on my cock...

I don't feel... at all...!

Besides, no woman feels rape!?

Teacher!  
...I'm coming!

But... but... ah!

Damn ~~~!  
You... you little... scumbag... you didn't even try to hold back a second ago...

You're going to come inside me again!

whoo♥  
-hoo♥♥

...I wonder how many sexually-addled filthy circuits your brain is loaded with ...hah ♥

...mmm...  
mmm...you are trash after all.

Oh... teacher ... again...

Ohhh...teacher ...did you just come...?

Ha...ha...ha... you think I...came...from the stimulation of being fucked inside?

Don't put me in the company of a stupid, genital, low-bred animal like you...
