## 異世界設定説明

- ①舞台はどこにでもよくあるファンタジー世界。人間やエルフ、魔物、そして勇者と魔王という概念がある。現実世界で不慮な事故に遭った人間が稀に迷い込む。
- ②そして異世界転生時にはその異世界を管理する女神と面接し、転生者(プレイヤー)はその結果によって勇者側か魔王側に割り振られる(基本的に善人は前者、悪人は後者)
- ③転生者には必ずチート能力が与えられるが能力の詳細については一切説明されない。能力の覚醒、把握についてはかなり個人差があり、能力には本人の趣味や嗜好、願望などが大きく反映される傾向がある。
- ④勇者側、魔王側のプレイヤーはそれぞれを倒す目的を与えられ達成時には女神に願いを叶えてもらえる事ができるが、現実世界へ帰還できるのは勇者側のプレイヤーのみである。

異世界転生チート能力

トカゲのしっぽ LV1

相手にしっぽを寄生させて操るといって一見シンプルな能力に見えるが、真骨頂は寄生した体のレベルや魔法、技術等を吸収する『オールドレイフ』であり、生命体を渡り歩く度に強くなる。しかし、本体のしっぽ自体は戦闘能力はもっていないため、現宿主のポテンシャルに大きく左右される。どちらかと隠密行動向け。弱点はしっぽだが宿主の体内に潜伏させる事が可能であり、寄生されているか否かを判断するのは非常に困難である。尚、異世界転生チート能力もドレイフの対象である。

Description of Otherworldly Setting **【Caution! This is a machine translated work!】**

(1) The setting is a fantasy world that can be found anywhere. There are humans, elves, demons, and heroes.

There is the concept of a demon king. People who have met with an accident in the real world rarely stray into this world.

When a person is reincarnated into another world, he/she has an interview with the goddess who manages that world, and depending on the result of the interview, the reincarnated person (the player) is either a hero or a demon.

(Basically, good people are assigned to the former and bad people to the latter.)

(3) Reincarnated players are always given cheat abilities, but the details of these abilities are not explained at all.

The awakening and grasping of abilities varies considerably from person to person, and abilities tend to reflect the person's hobbies, tastes, and desires.

(4) The heroes and the demon king are always given the ability to cheat.

The player on the hero's side and the demon king's side is given the objective of defeating each of them, and when he or she achieves the objective, the goddess grants his or her wish.

However, only the player on the heroic side can return to the real world.

only the player on the heroic side can return to the real world.

Underground of the Devil's Castle

Hey! Let go of me, you erotic lizard!

Kill her quickly, and I won't slow her down.

Oh, no. I wouldn't waste it.

Even the great wizard Soma is a pretty little thing once his magic power is empty. Even I can capture her easily!

high wizard LV40

Soma

ninja lizardman LV11

Gekko

Take you hostage. And lure out the rest of them I'm gonna fuck you all up before I give you up to the Demon Lord. I'm going to rape them all!

Magic! Nonsense! It's a trap and the magic must be empty!

I will never let that happen!

Or, avoid...

To Leon and Emilia...

I can't...

He was a really stupid, vulgar, persistent guy, but it was all so easy in the end.

I'm sure the brave men would have noticed with the magic they just did, so let's wait her

The magic I used earlier has limited my body... I have to run away!

No, no! This is his...!

e...

What the hell is that?

A new kind of demon...?

hehe...

らへち

See you later, Soma ♡

.....

Good! I heard there's a hot spring here in town that helps with fatigue, so when she wakes up. We'll all go in together.

Innkeepers in town

How's she doing?

She's just temporarily unconscious from too much magic.

I see. This ability is my otherworldly cheat ability? This is getting interesting.

This chick's got a nice body.

Otherworldly transfer cheat ability

**Lizard's tail LV1**

Manipulate an opponent by making his tail parasitic. The true essence of this ability is the level of the parasite's body, but the true essence of this ability is to absorb the parasite's level and magic, technology, etc., of the parasite's body, and becomes stronger every time it walks across a life form, and becomes stronger each time it walks across life forms. However, the tail of the main body itself is capable of fighting, However, the tail of the main body itself does not have the ability to fight. the potential of the current host. The tail itself has no fighting ability, so it depends greatly on the potential of the current host. It is for covert activities. Weakness is the tail. However, it is possible to incubate in the host's body and it is very difficult to determine if they are parasitic or not. It is very difficult to determine whether or not a parasite is. It is very difficult to determine if a person is a parasite or not. The cheat ability of reincarnation into another world are also subject to drainage.

ズリュウウ

I am honored to have Master Gekko use my body freely! Please mess up my body!

Reincarnation in another world is a funny thing.

How could he be reborn as a lizard demon at his first death and a beautiful female elf at his second death...

What do you think, Soma? How does it feel to have your body at the mercy of the lizard you hate so much?

You're hilarious when you say it yourself.

This is... my body... my hips move on their own for pleasure!

Is this how a woman's body feels?

Ah...

Hot spring at the inn

It's okay, it's okay! I thought I'd take my tired body to a hot spring!

Suddenly you want to go to the hot springs together? Are you sure you're okay, Soma?

Well...

You should be a little ashamed of yourself because this is a mixed bath!

I don't mind people seeing my body at all.

I can't believe you didn't tell your hero.

Uh, yeah...

So? What's the consultation?

It's about Leon...

Emilia?

Stop pretending to be a soma.

Huh?

.....

Remember that promise we made? If we defeat the Demon Lord, Leon will...

We'll both...

That's Holy Magic! Stop it, Emilia!

Warding is in place to exorcise the evil spirits. The fact that Soma's body was defiled by an evil spirit. The disgraceful fact that Soma's body was defiled by an evil spirit.

My precious memories of Soma and me, I will never forgive you for peeking into my and Soma's precious memories. I will never forgive you.

Ever since we escaped from the demon king's castle, a faint evil spirit I knew it was emanating from Soma.

You still want to impersonate her... Go away! Holy magic!

.....

\*2 Holy magic

Guwaaaaaaaaii!

パシューウウ!

Its tail is... gekko!

Just kidding ~♪

!!

Weren't you supposed to have been defeated by Soma at the Demon King's castle...?

I'm not an evil spirit, okay? See this tail?

NO DAMAGE

Cannot be purified!?

!?

I'm in a good mood. I'll tell you what.

...what the hell do you want?

By being killed by Soma. I was able to awaken to my otherworldly reincarnation cheat abilities. Thank you♪ thank you♪

Haha! Bingo!

Next time I'm going to take over your body.

What?

What did you say?

あゝあゝあゝ

I actually preferred Emilia to any of the other members of the heroes' party♡

I wouldn't recommend resisting. I can destroy her brain in an instant.

Stay away from me, you monster!

Your body is one of yours, and that's a terrible thing to say.

You outcast...!

Possessed by that me? That's interesting. I will seal and purify you from within with my own body!

Oh, wow.

I'm a sacred servant of God. I am a holy servant of God.

Now then...

I thought you were in my way.  
And while I'm at it, let me tell you something interesting, I'm actually...

Soma does not say that!

I love Emilia ♡

I love you more than Leon.

I was the first one to know Leon.

Ugh, it's a lie...

Eh, Emilia! Body and soul. Be with me, handsome!

I won't allow it! A thieving cat like you is fit to be a puppet of Master Gekko!

He followed me around on his own and made out with Leon...!!!!

I hate, hate, hate! I hate Emilia!

Soma, I can't believe you thought that... I'm sorry... I'm sorry...

I'm going to properly apologize and make up with Soma...!!

Is it something you can lose...! I'll make sure to hold them off...!

Emilia's pussy feels too good! I can't wait to get inside her body!

Well, you're not wrong.

Are you being controlled by Gekko? Wake up Emilia!

Is it any wonder I don't recognize you in this form?

hmm♪

hmm... ♡

Eek!

What happened to the soma!

Rest assured, we haven't killed that elf yet. I still have a use for it.

You're right. After Soma killed me, I awakened to a special ability, the ability to control others, and I became one with my beloved Lady Emilia.

Its tail is... gekko!

Now do you get it?

And I've been surprised to see what's going on in the women's heads when I spy on them.

...Lowest!

I was on the Demon Lord's side and never heard of such information. Perhaps the players on the Demon Lord's side don't even have the right.

The first one is for real. I almost lost my temper.

That damn goddess!

(I see...)

① If the human player defeats the Demon King, he/she gets the right to have the Goddess grant him/her any wish (and return to the real world).  
② The cheat ability of the hero Rion's reincarnation into another world is the "Holy Sword Excalibur". Semen itself is a super-dense experience value, and by ingesting it, a rapid level-up is possible. Furthermore In addition, by exceeding the race limit, there is practically no level limit.

So what in the world do you want, you erotic lizard!!

.....  
ッ!!

I guess it's the ability to suit your taste of 'I like women'. You really are a mean goddess.

You really don't get it after all this talk?

The second one was also a hell of a surprise, but it grew... No, it 'grows' when you get excited, right? That's what Soma and Emilia's memories tell me.

The goal is to defeat the Demon King and return to the real world as "Rion the Hero."

Take over your body and super level Emilia and Soma with the holy sword,

Please milk me of your experience♡

Please, my handsome hero. Please fuck my pussy with your holy sword dick♡

I've absorbed the levels of Soma and Emilia, but you, hero... If you are still not far behind...

No! Don't do it!

You're only a parasite to creatures below your level.  
\*3

My cheating abilities are limited.

No way!

I'm all set~♡
