

It's actually a girlfriend, though...

Cut it out. Don't you have to get up early tomorrow?

I'm tired today, Nina...

はあ はあ

You're saying those embarrassing lines again...

It's your fault for being so cute, Itsuki. Simply seeing you, makes me want to do it.

Dummy! Where did you learn these things from?

This way we can both feel good at the same time.

ah!

ちゅ ちゅ ちゅ

Ah...
I'm...
cum-
ming...

ahhh!
Nina!

Noo...
ahn!

I want
to see
more of
your
lewd
body...

This
won't
do. I'm
the older
one here.

She's
dragging
me into
her pace
every
time.

She's
sleeping
here
again...
That bed
we bought
is going to
waste...

Nina's young and pretty. I'm sure there'll be other encounters for her. It's not good for her to just be looking at me!

Is this really okay? I don't know how long this childhood love can last.

Maybe we can eat outside together.

Isn't Nina's university around here?

Haven't worked outside in a while...

After finishing this area I can go home!

What am I thinking?

It'd bother her if I just called out to her.

I should head home and rest-

Hm?

Even if
it was
close,
for us to
meet like
this...

Nina?

Idiot.
She's
with her
friends!
What
would
I say to
them?

Oh...

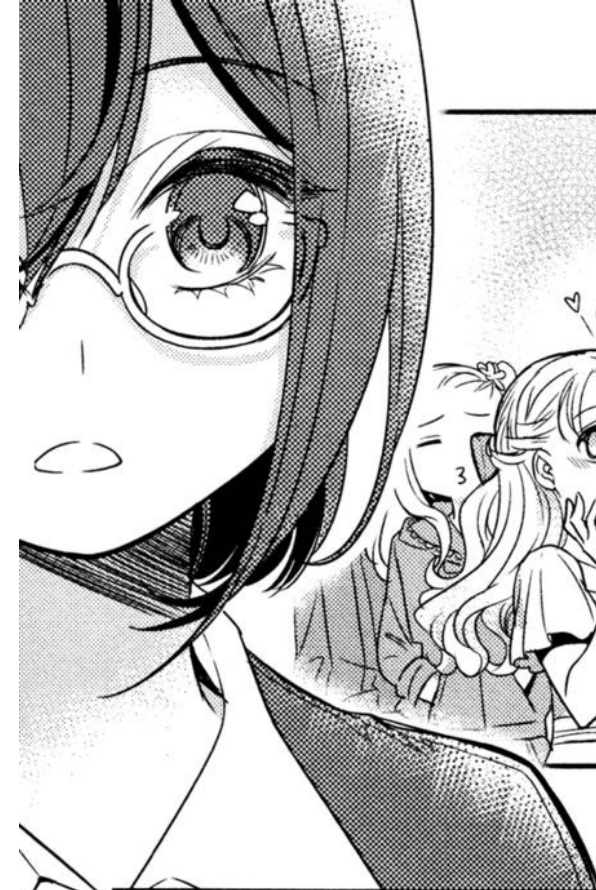

I'll call
out...

and
they're all
sparkling
with
youth...

They're
happily
chat-
ting...

Oh,
one
more...

But it seems
like she's
popular
in school.
I'm glad.

What am
I freaking
out for? Nina
greet people
like that all
the time.

Yeah,
right.

What.

Whaaat?

...Why am
I so bothered
about it?

But I do
worry
about her
thinking it's
okay to kiss
anybody as
long as it's
a girl.

...sheesh...

Are you feeling sick?

Not really.

Something happen?

Itsuki? What are you doing with the lights off?

I'm back!

Itsuki!

ah...

I'm fine!

It's not Nina's fault... Hanging out with friends and greeting them is normal!

Then... why am I so frustrated?

I'm just in a bad mood...

Let me sleep...

Okay ...

Um... Sorry...

Itsuki?

I hate myself.

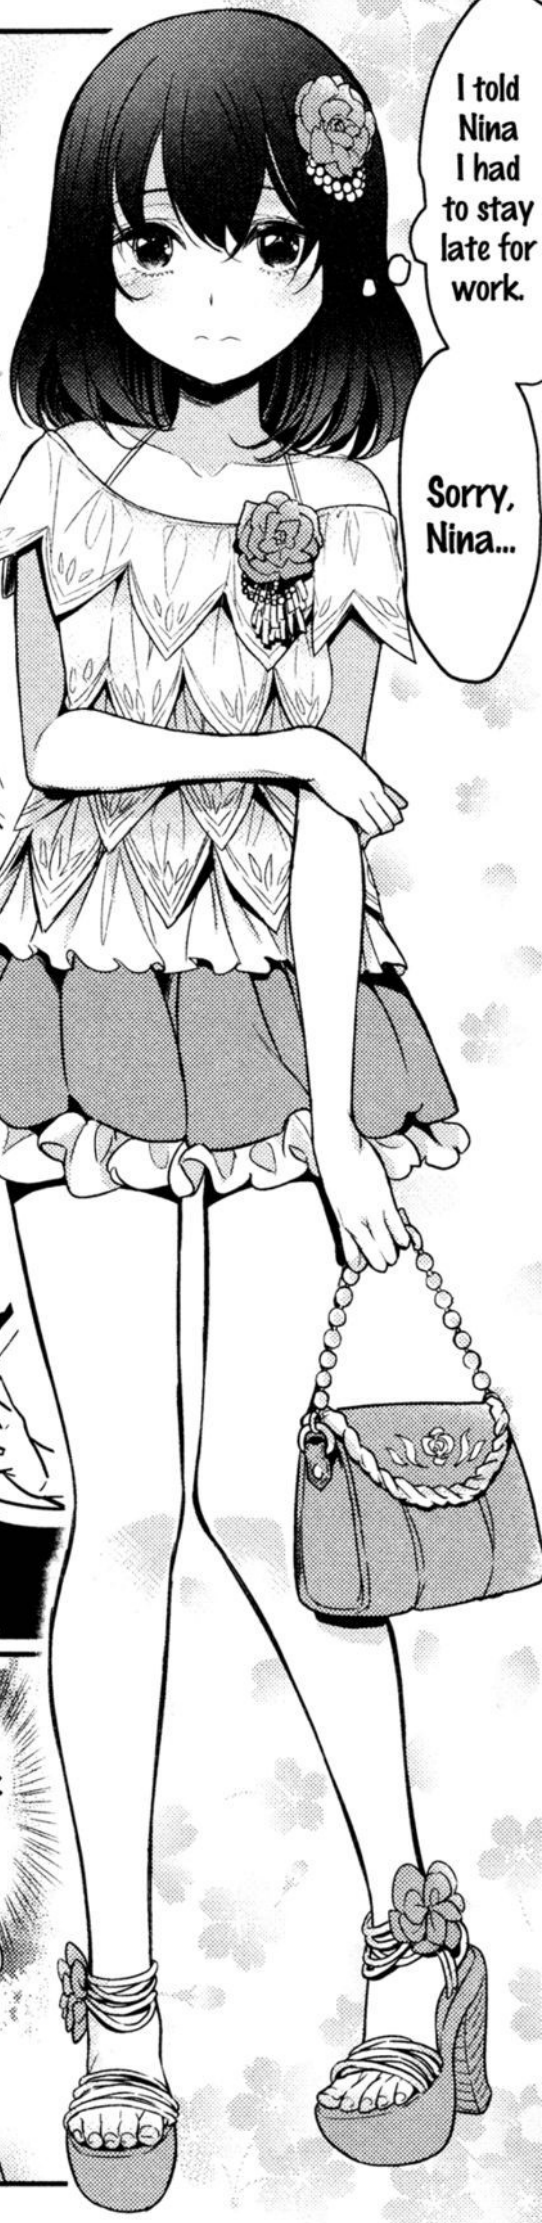

Those clothes are perfect for you... I got what I came for.

I don't want to let those guys have you!

You're simply adorable, Kime-kawa! Super cute!

I told Nina I had to stay late for work.

Sorry, Nina...

but all I did was put out an "I'm not interested" aura...

Mixers... I went to one with a friend in my college days,

I wanna go home...

So firing.

Got any hobbies?

...I read a lot...

I'll take you home.

No thank you, I'm fine.

You okay, Kime-kawa?

Can you keep going? It's okay if you want to go home.

I drank too much.

And she's holding down her skirt at the same time!

Let me down!
Wait!

S-Scary!

Wow! She's really carrying her home!

She seems quite drunk, so I'll carry her home now. Goodbye.

Thank you for always taking care of my aunt.

gya... hhh

Even so, isn't it wrong to attend a mixer while you have a lover?

You call us lovers, but-

Um... If you ask me... my coworkers asked me out...

I've never been invited before, and it was a good chance, and I thought just once was okay...

Care to explain?

I saw you kissing a friend outside... But still, I get jealous!

I don't have any confidence in continuing this relationship!

You said you love me, Nina, but that was for the me from ten years ago!

I'm worried!

If you knew how I am now, I'm sure you'd get over me!

Oh... you don't like that? I'll stop...

I know it's just a greeting, but it frustrates me so much! And when the mixer came up, I-

I thought it'd be okay because we used to get along.

I was just so lonely... And you came all the way to Japan just for me. I was afraid of ruining the mood if I turned you down...

I'm sorry... You were serious about it. I'm the worst...

No! I don't have any right to ask you to do that! I went out with you, but not for love!

Why would you get jealous over someone you didn't like?

But isn't it odd?

Huh?

That's right.

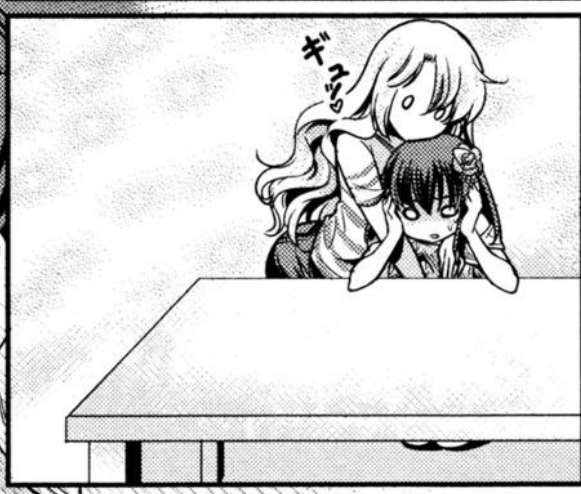

Huh? That's...

ah!!

Do you feel your heart pounding?

Why? Because she's my niece?

Huh... Why?

Of course it's love.

Your heart starts pounding when I hug you.

Nina...

Jeez... You're really slow when it comes to yourself, Itsuki.

You're touching too much!

To think that I'm not the first one to see this

makes me mad!

Your clothes are super cute today.

But I'm the only one who gets to see what's underneath!

R-Really?

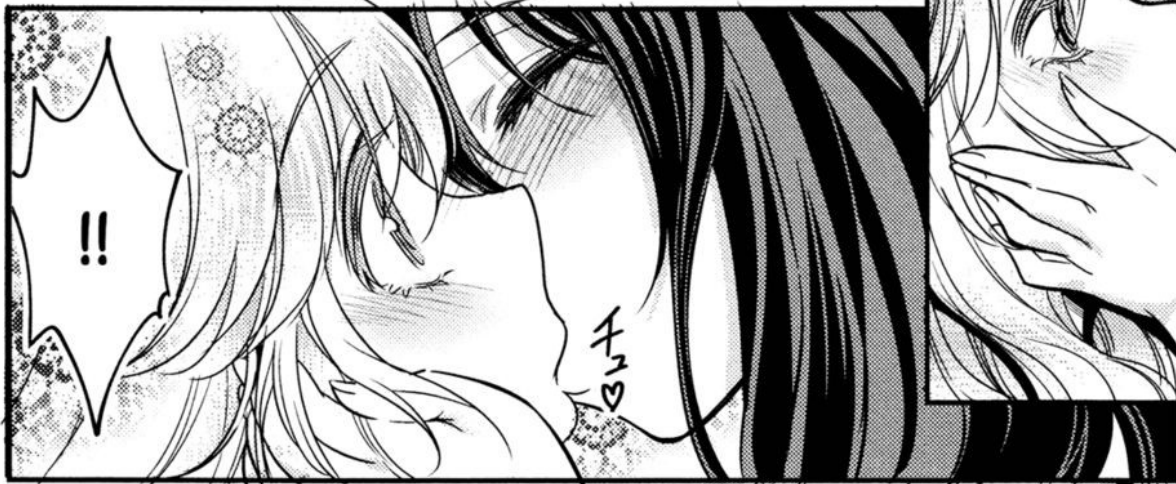

It was just me overthinking it... She didn't change.

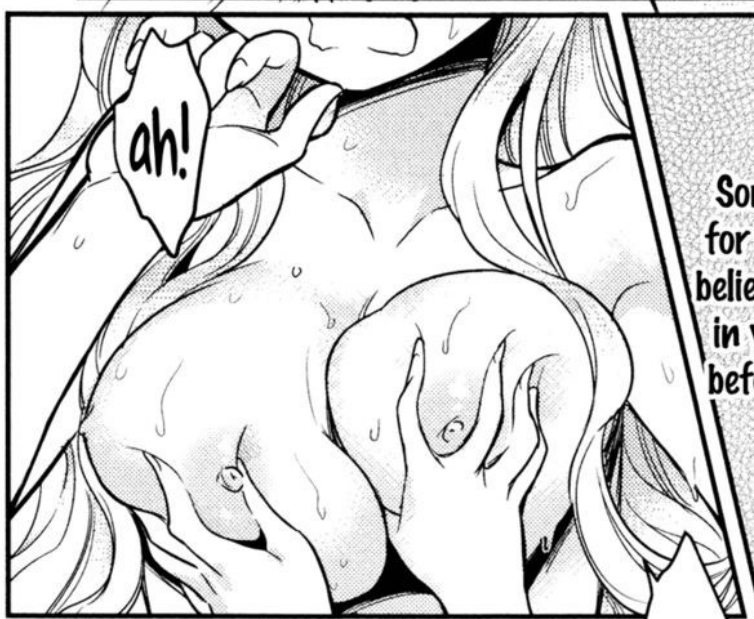

Nina...

Itsuki?

!!

ah!

Sorry, for not believing in you before.

Nina.

Itsuki ...

You're always doing it for me. So now, it's my turn...

No,
my
body's
just
react-
ing to
your
fingers.

I'm not as
skilled as
you are...
so tell
me if it
doesn't
feel
good.

あ!

If you
want to
apolo-
gize,

Really?
Sorry...
I've
been
so-

It's the
first time
you've been
so proactive
about it,
Itsuki...

Truly?

Nina!

I love you...

Say it... more...

ah!

I love you... so much...

My... Nina!

Let me touch you too!

ahh!

しゅっ

しゅっ

しゅっ

make me cum!

ah...

Hearing it so much will

Ahh! Me too...

しゅっ

I don't mind.
You can do it as long as I live.

I'm always making trouble for you, Nina.
You're much more of an adult than I am.

We can get married, if you want. We can do it in Canada.

No... I'm not prepared for that...
I'll have to apologize to Yukiko...

But I'm a little happy about it...

No!
And she's younger than me!

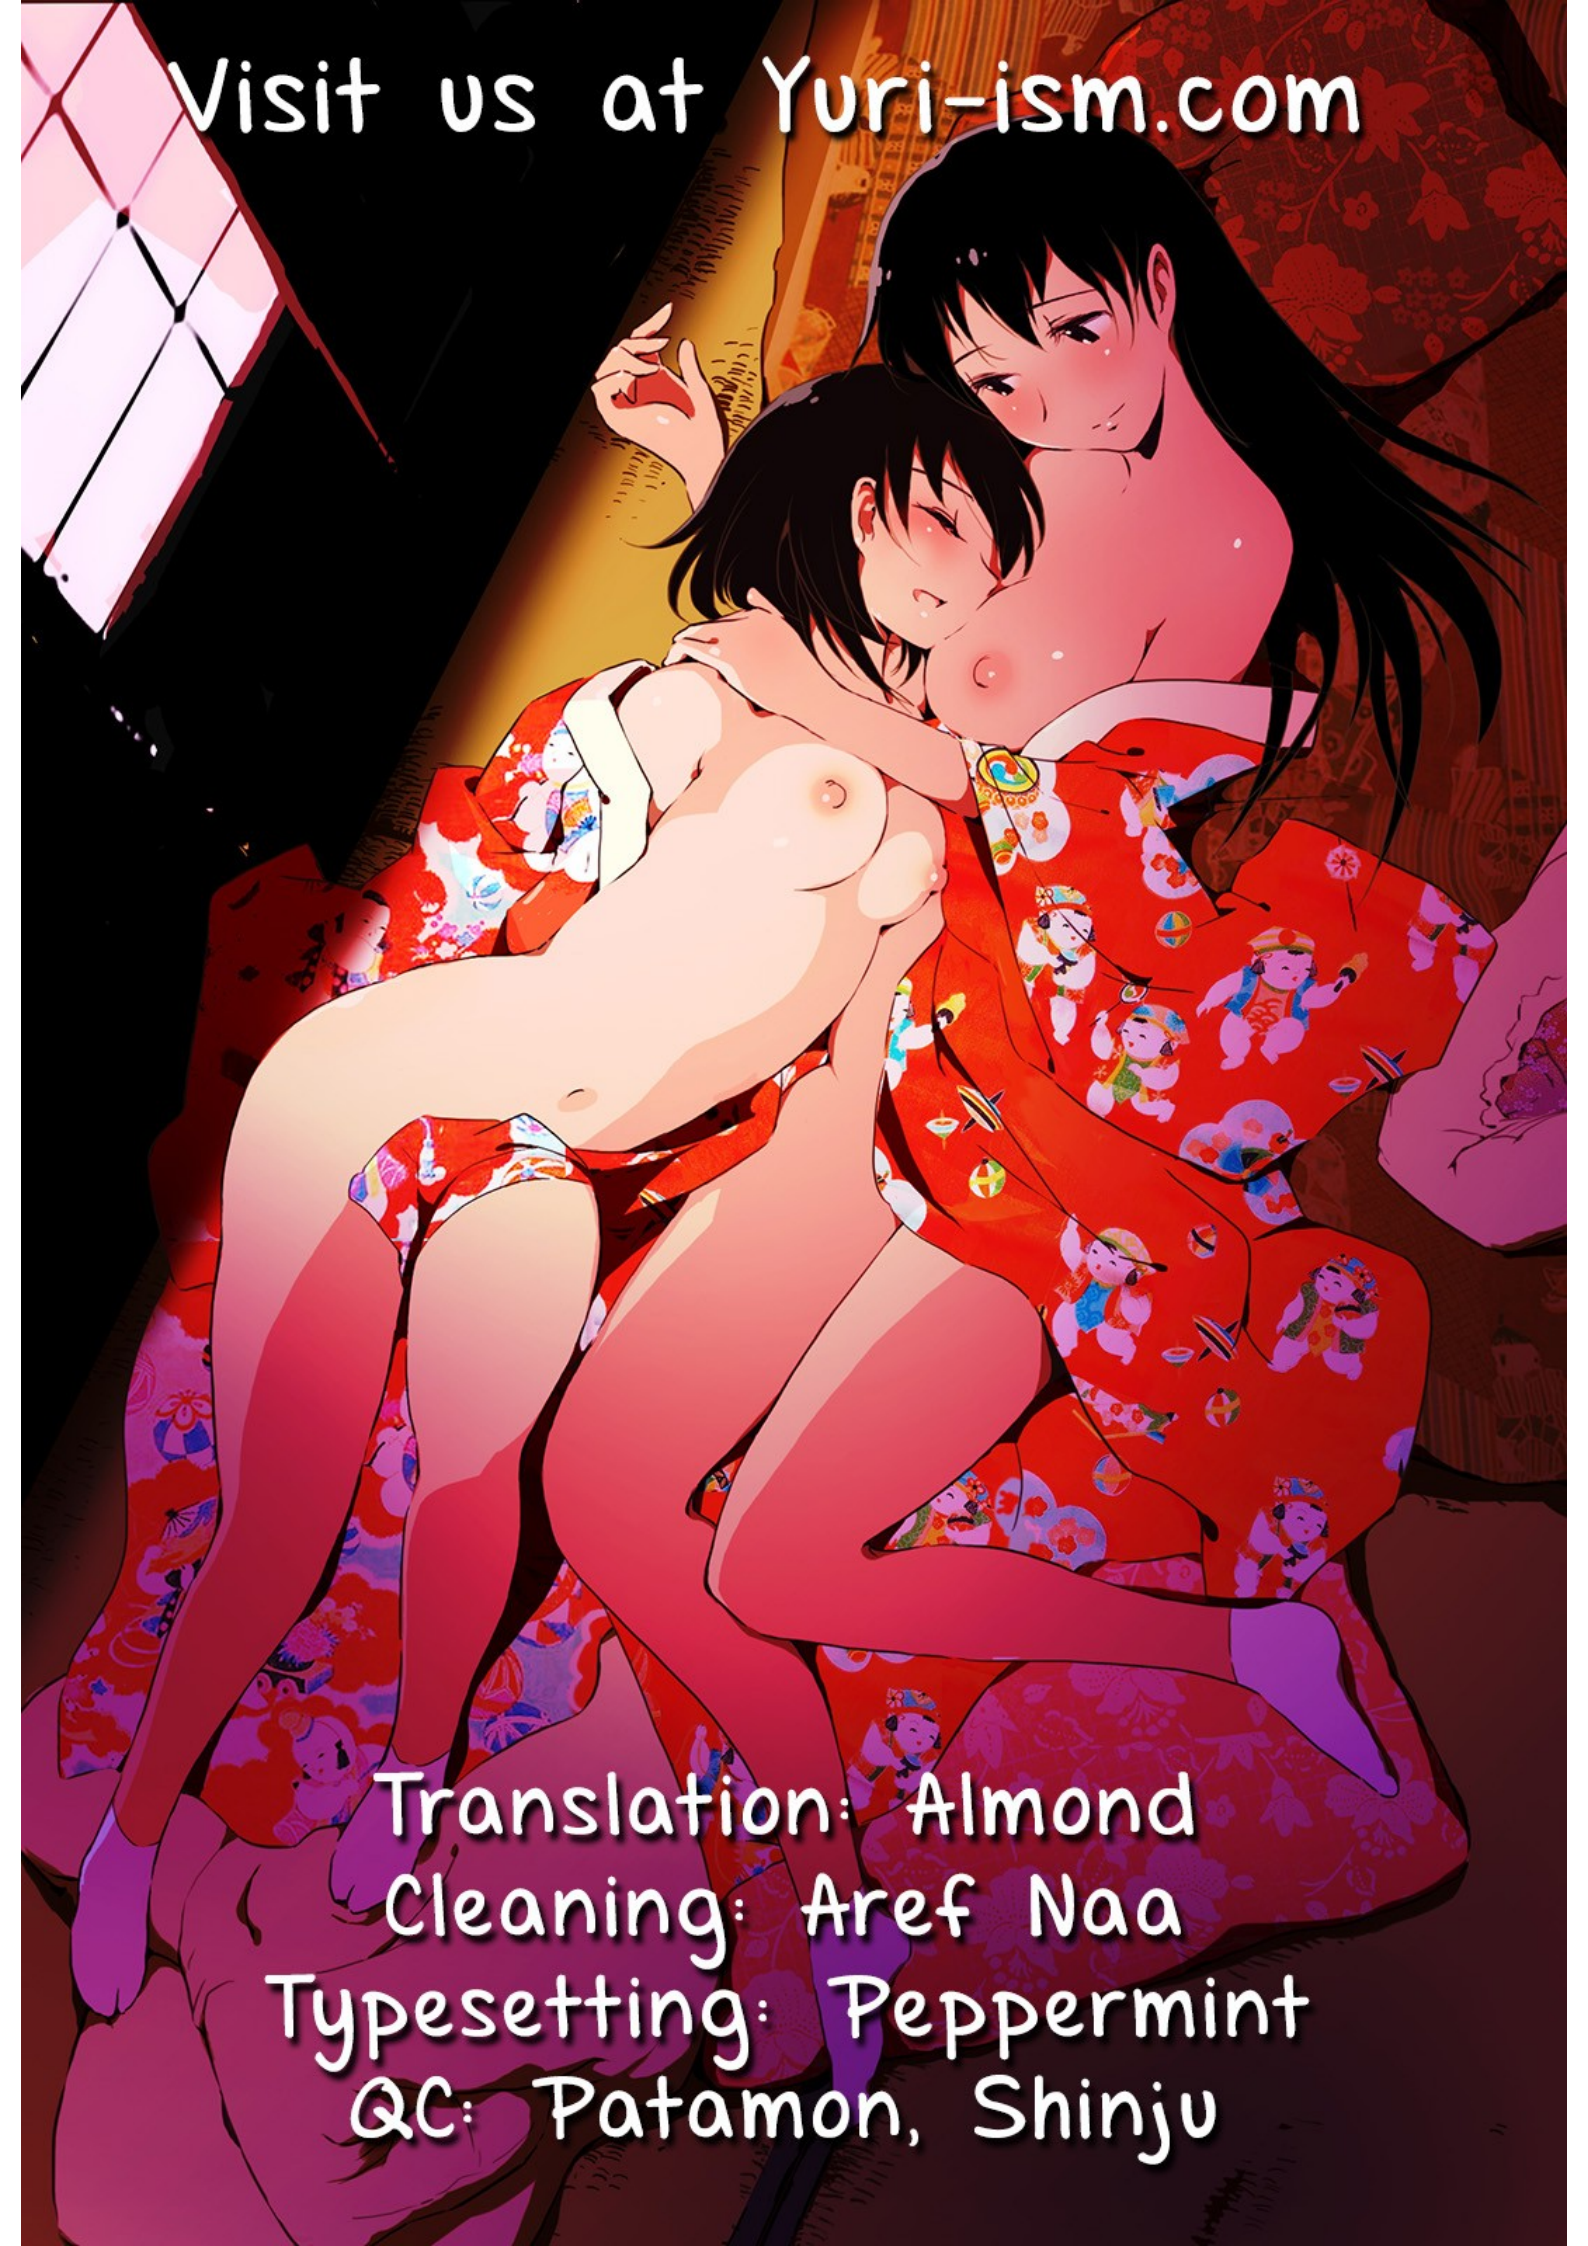

And can you introduce us to her?

What happened after she carried you home?

That Kime-kawa! older blonde girl, who was she?
