

Every
single day,
I find
myself

tirelessly
thinking
of her.

Ah?

They're
wearing the
uniform from
Yoshika's
school.

What
cute girls.

Every
single
day...

Whoa,
what a
babe.

But
Yoshika's
much cuter
than they
are.

which will
never be
returned.

I think
only of
my love,

I'm back!

カチャ

Ah,
welcome home,
Onee-chan!

Yoshika,
where's
Mom?

Oh,
really?

I texted
you about
it already.
She's working
overnight.

I'm fine,
I'm fine.

ぽろぽろ

And
you're all
on your
own—

Honestly,
how can you
make it out
in the real
world the
way you
are?

AHHHH,

**YOUR
COOKING IS
INCREDIBLE,
YOSHIKA!**

we're still
siblings.

*It's nothing
special.*

Delish~

No,
you're just
playing it
up.

**TOTALLY
SERIOUS**

What
was that,
Yoshika?

**YOU ARE SO
ADORABLE!**

It's more
like you and
Mom suck at
taking care of
chores.

I see
you haven't
changed one
bit, Onee-
chan.

Not only are
you cute, but you
cook and take care
of the house, too.
How perfect
can you be?

*Aren't you
dangerous?*

.....

Jeez...
You're such
a goof.

blush...

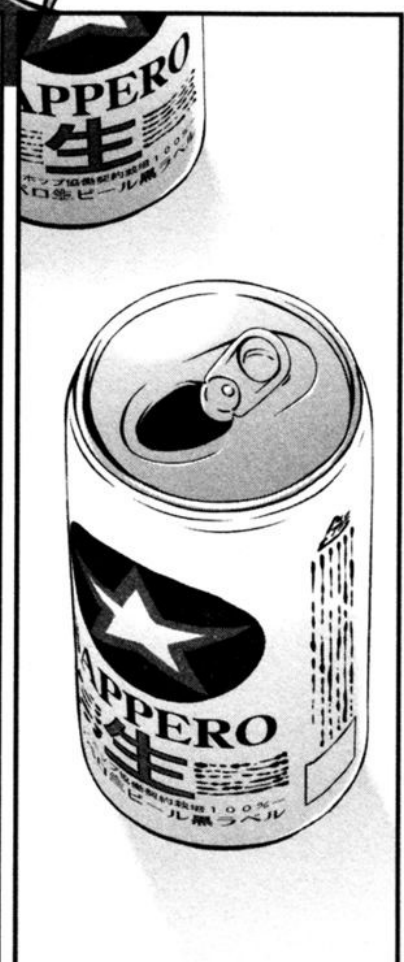

who
I have
feelings
for.

Thanks
for dinner.

Ha-hah

What's
the big deal?

*That's
exactly...*

Yoshika...
has someone
she likes.

Well, she
is in high
school now.
It's only
natural.

I didn't want to...

*why I
left home
in the first
place.*

fall deeper in love with
my little sister.

*However... at some point,
that turned into jealousy.*

I was proud
of Yoshika.

I was happier to
see her praised
instead of me.

The both of
us took after
our mother,
who used to
be a model.
That gave
us a good
reputation.

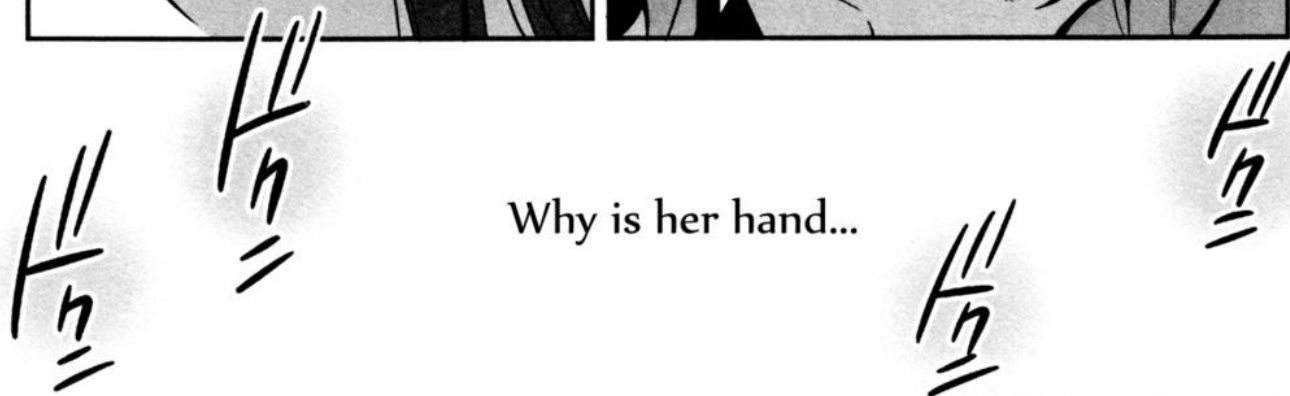

I pretended
my feelings
for her
didn't exist.

*I wanted to have
her all to myself.*

*but I couldn't speak freely
of my twisted affection for her.*

*All I did was turn
it into a joke.*

I know
that you're
the type of
person who
loves girls.

Yoshika
...?

Take some
responsibility.

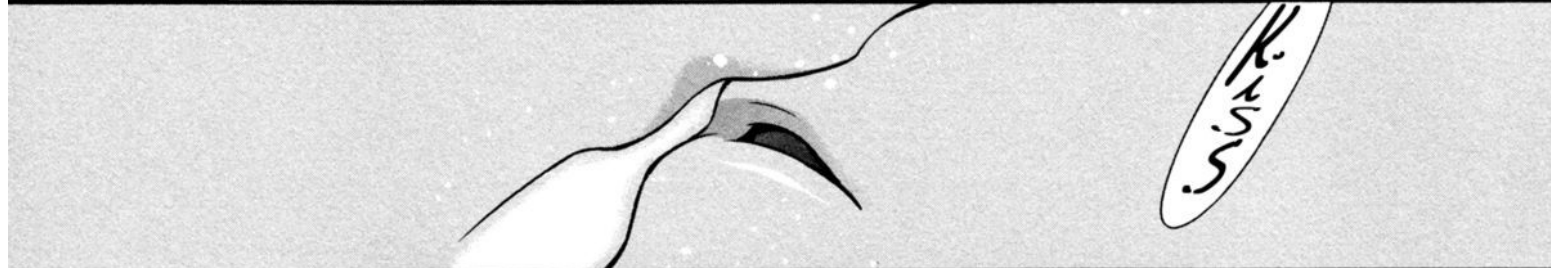

Yoshika
...

It's all
your fault,
Onee-chan.

You
always said
how cute I was
ever since I was
little. Because
of that, I...

You idiot.

And despite all
that... you ran
away from our
home.

I knew,
Onee-chan.

I could tell
that's how you
were looking
at me.

...

W- We
can't... Yoshika.
You should do
this with the
person you
love...

Dummy.
Coward.

H
a
a

Yoshika
...

the one
who takes
action...

So, this
time...

you
need to
be

You're the
one I love,
Onee-chan.

I can't believe
this.

Haah

She's in love
with me, too.

Hah

Yoshika and I
are kissing.

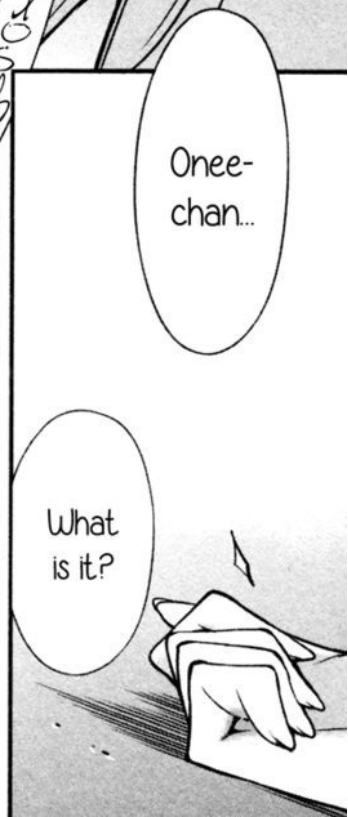

Yoshika?

U

Hah

Um...

Onee-
chan...

What
is it?

go
beyond
that...?

Would you...
um...

I don't
want to
just kiss.

Shh...
shh...
shh...

I WANT TO
LEAVE BEHIND
PROOF THAT...
I DO LOVE
YOU.

YOU
ALWAYS
RUN AWAY
IN AN
INSTANT,
ONE-
CHAN.

EHH
HHHH
HHH!?

You
idiot.

O-Or maybe,
you don't...

I have
to...

that
we had
to remain
only as
sisters.

For the
longest
time,

I always
thought

Of course
I want to do it
with you.

I thought
that was to
be expected.

However...

the love we have for
each other lies beyond
all of that.

.....

Yaaah

Haa

Hah

Yoshika,
you're
cute...!

Onee-
chan!

Onee...

ONEE-
CHAN...!

I had no choice but to
make everything a joke.

But now...

Haa

Yoshika...

I love
you so
much.

I can't
possibly
do that
anymore.

.....

You
finally...

told me
you love
me.

yoshi-
ka....!

Yaa...

Ah

Yah

Yah

Hmm?

So,
Onee-chan...

Not as
your little
sister.

But as
your... g-
girlfriend.

You better
take good care
of me from
now on.

... Of
course!

The
cutest little
sister in
the world
is now

the cutest
girlfriend
around.

END

The background is a vibrant illustration of two anime-style characters in a night garden. On the left, a character with long dark hair and blue eyes, wearing a dark kimono with a red floral pattern, looks towards the right. On the right, a character with short dark hair, wearing a light-colored kimono with blue floral patterns, is seen from the back, looking towards the left. They are surrounded by bamboo stalks with long, slender leaves. In the background, there are colorful fireworks or lanterns in shades of red, orange, and yellow, set against a dark blue night sky filled with stars and a nebula-like glow. The overall atmosphere is romantic and serene.
