Oh, found ya!
Sorry I took so long, Kana-chan~ ♡
You're late, Yuuki-senpai.

TL note: In Japan, male graduates' school uniforms' buttons are often given away to (/taken by) girls after the graduation ceremony as keepsakes. Popular guys may lose all their buttons.

TL note: The second button from the top is saved for the girl the guy likes the most since it's located closest to the heart.

Because the only one weird enough to fall for me...
Is you, Senpai...
Any-way!
I want to make as many good memories as I can with you, Kana-chan!
After that, I can gradu-ate in peace!
Okay...

Eh? What do you think?
It's time for our last sex on school grounds, of course! ♡ ♡

I just want to leave some good memories of my school days...
After we do it here, our "sex all around the school" mission will be over...
Okay?
So yester-day's thing in the gym store-room and last week's toilet and art room adven-tures...
We did all that because of this stupid reason..?
We won't be seeing each other during the day anymore, you know! This is important!
Oh, how I want to see Kana-chan's anguished face as she walks around the school..! ♡
I will not let you put it in today!

Hwh?!
But Senpai... You have a masochistic side, so wouldn't you just enjoy that?
That's not true!
I can't imagine anything worse than not being allowed to touch you!
If you want to punish me...
Wouldn't seeing you being lewd right in front of me...
But not being able to do anything be simply terrible?
Is that so..?

You don't have to get so flustered...

This'll only go on for a year anyways.
Since I'm planning on going to the same university.
Seriously?!
I refuse!
Now that I know about your scheme, I won't do it again!
Sex on school grounds is banned!
In that case...
We can keep making memories even in university!
Aww~! That reaction is just too cute~! ♡♡
Let's do it one more time, Kana-chan~! ♡♡

Well then, our class will be running a moe-themed café for the cultural festival.
Now, about the waitress' uniforms...
Yes, here!
If you need any kind of moe outfits, I'm your man!
Leave the uniforms to me!
Yamaji's at it again~
He sure got the job fast~

But of course! There is no one more knowledgeable about moe than I am!
ヒュー♡
How promising~ ♡ ♡
But only getting a boy's opinion is a bit worrying...
Could we also get a girl to help out with the uniforms?

Eh-?! These are all handmade?!
ぽかーん
Is it...
Really that creepy of a hobby?
Eh?!
Oh, no!
You're amazing, Yamaji-kun!
I actually really like goth loli clothes...
But since they're so expensive, I've only been able to look at them in magazines...
So seeing this much of them in one place is wonderful~
Eh-
Really?!
I-In that case, would you like to try some on?!
We could take notes on how easy it is to move in them, too..!
Can I really?
Wow~! This is so cute~ ♡ ♡
