## ♥ Last Time ♥

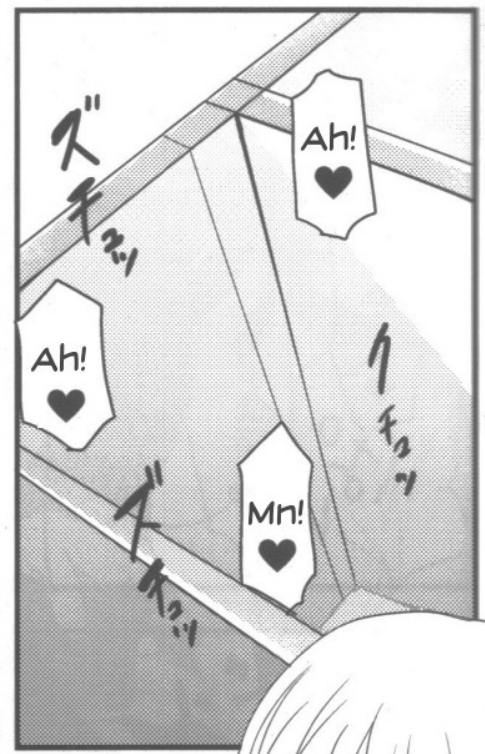

On that day, normal, male, high school student, Takamura Tooru, notices a figure in the the other sie of the grass during P.E.

There he saw a stream of urine coming from the penis of his unrequited love, Midou Shion!

With her secret revealed, Shion calls Tooru to the classroom after school. Unable to watch Shion's awkwardness, Tooru tells her that he will keep her secret within his heart.

Having talked about the secret, their relationship has gained some development at last, however...

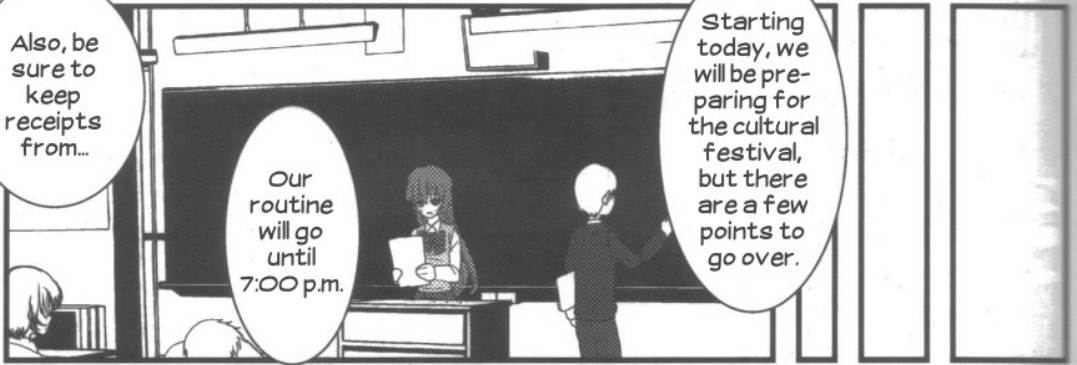

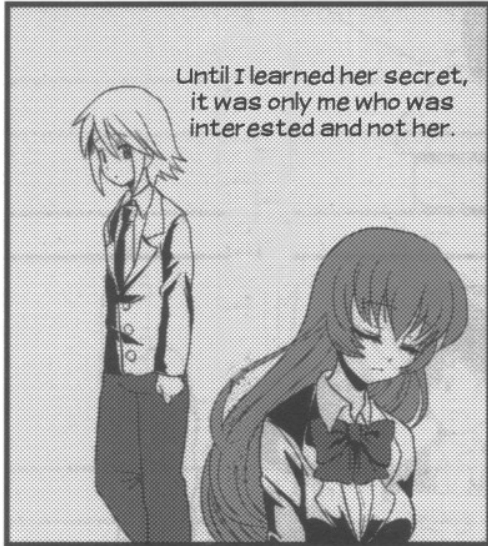

Also, be sure to keep receipts from...

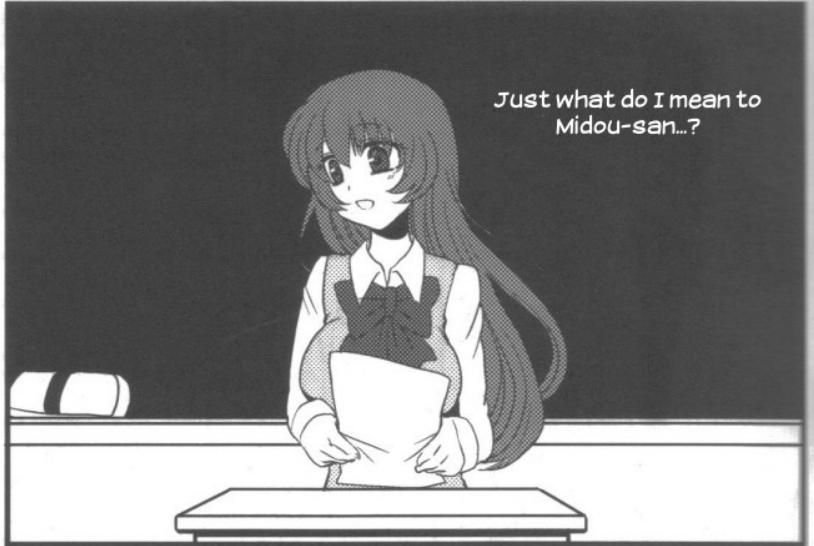

Our routine will go until 7:00 p.m.

Starting today, we will be preparing for the cultural festival, but there are a few points to go over.

Until I learned her secret, it was only me who was interested and not her.

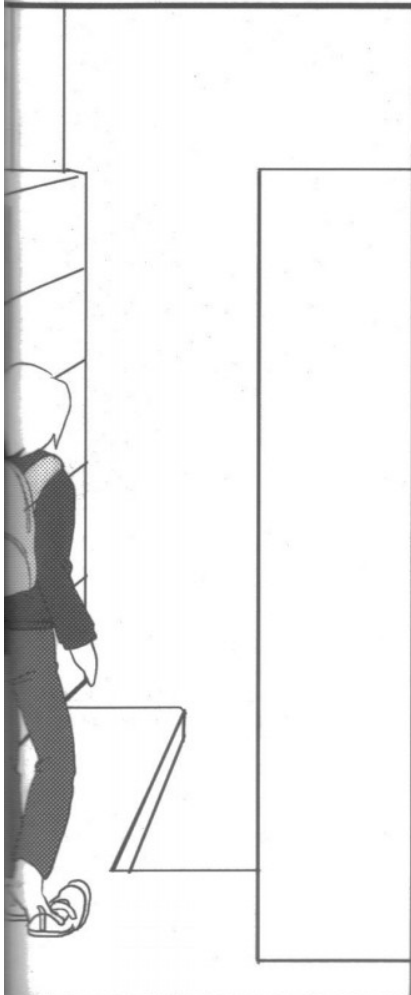

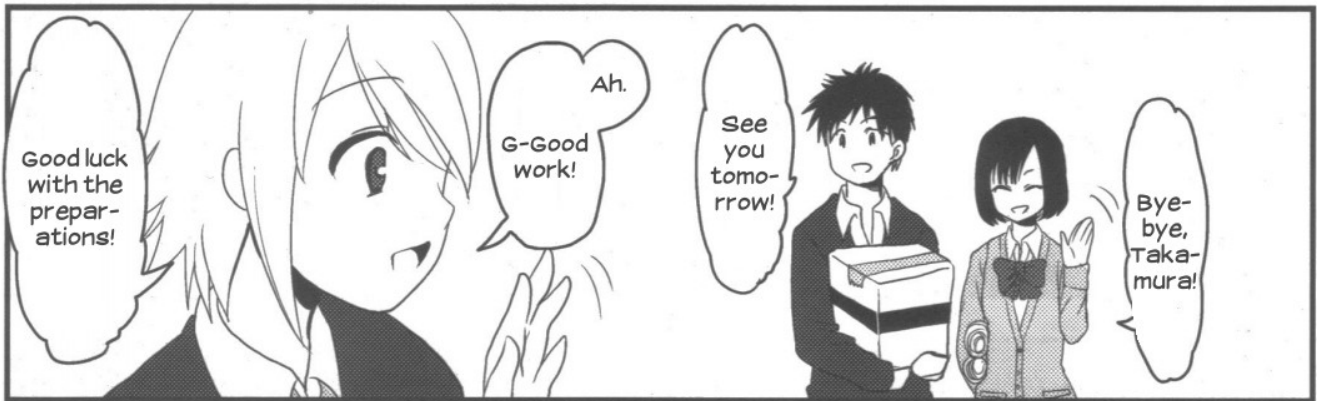

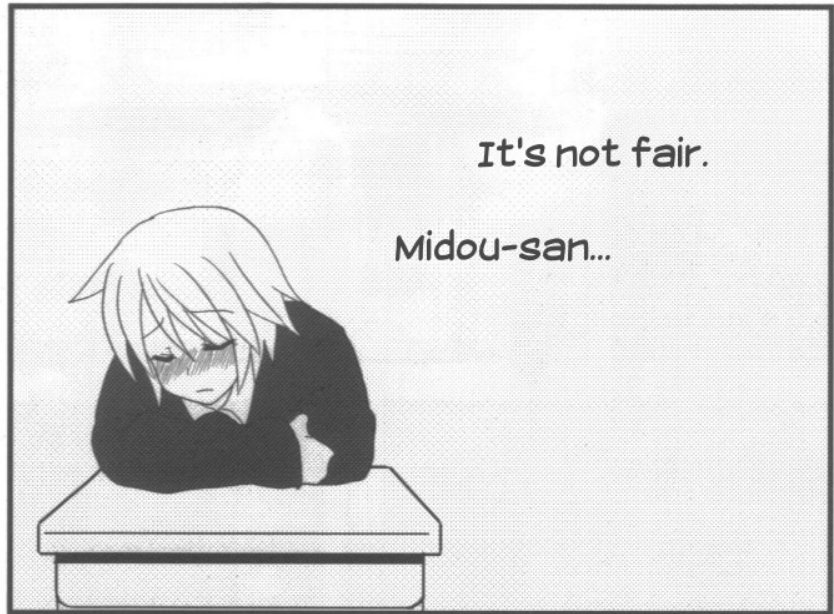

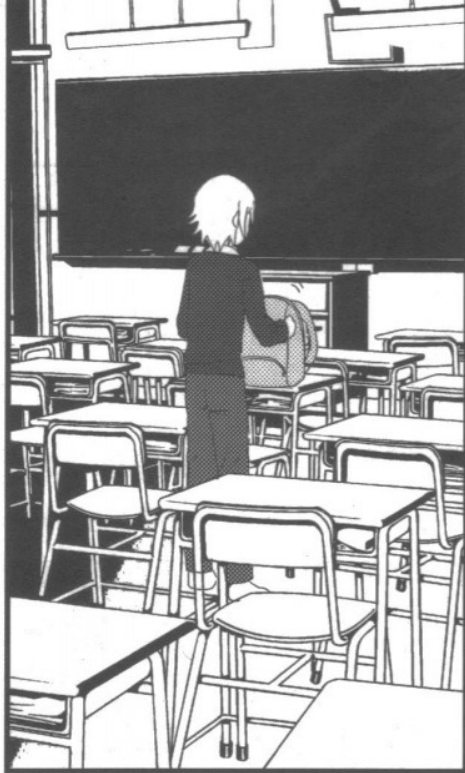

Just what do I mean to Midou-san..?

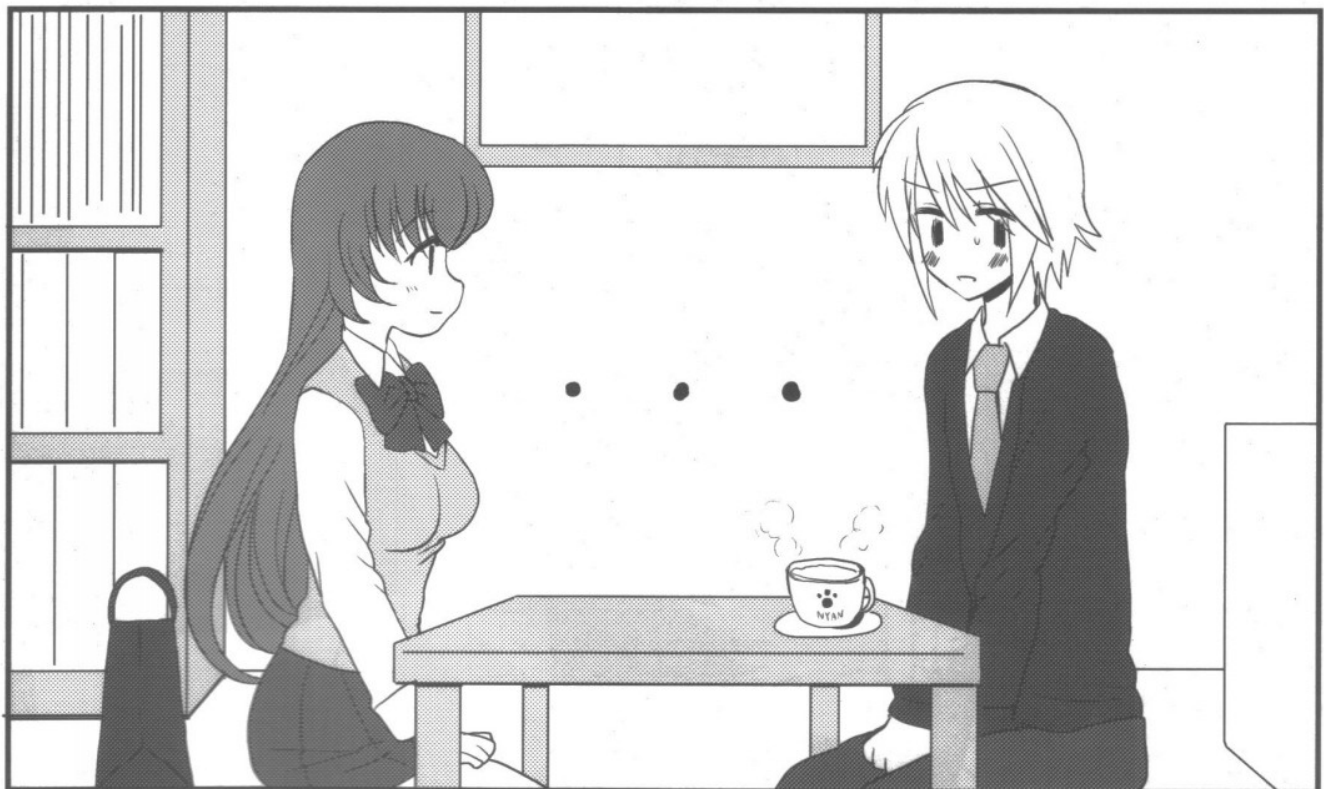

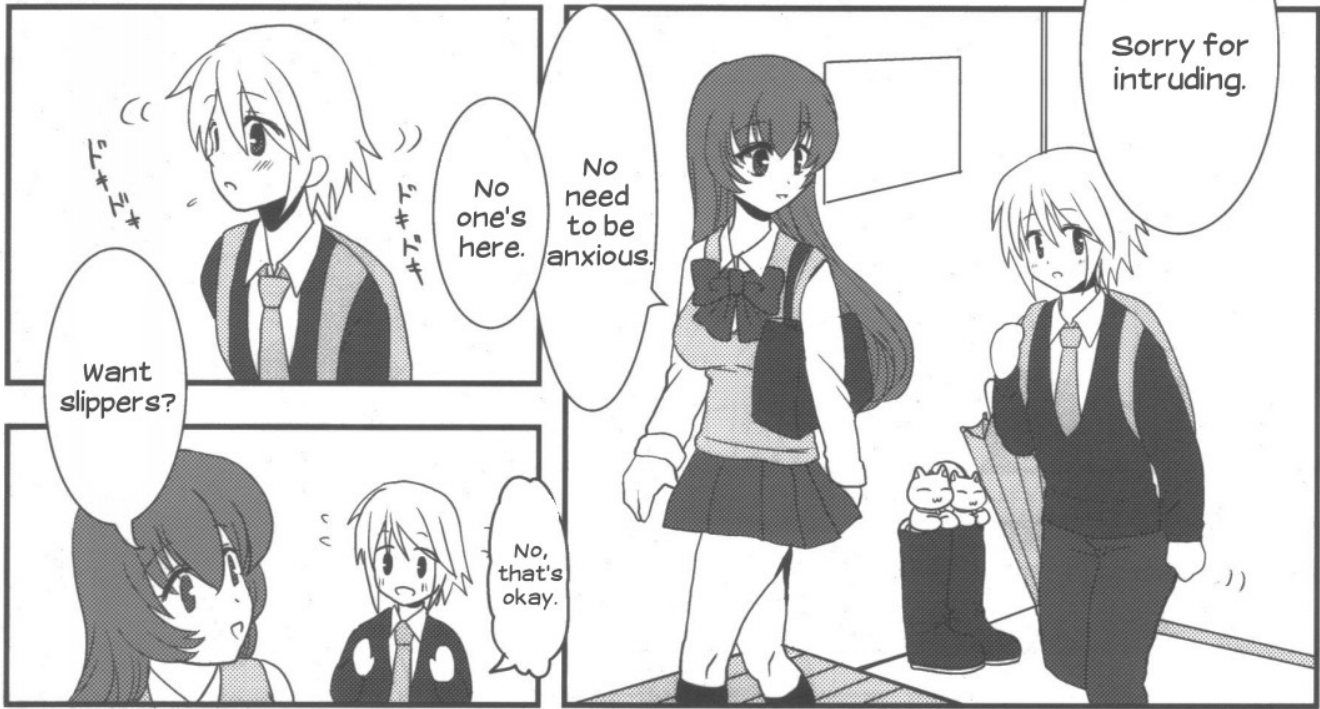

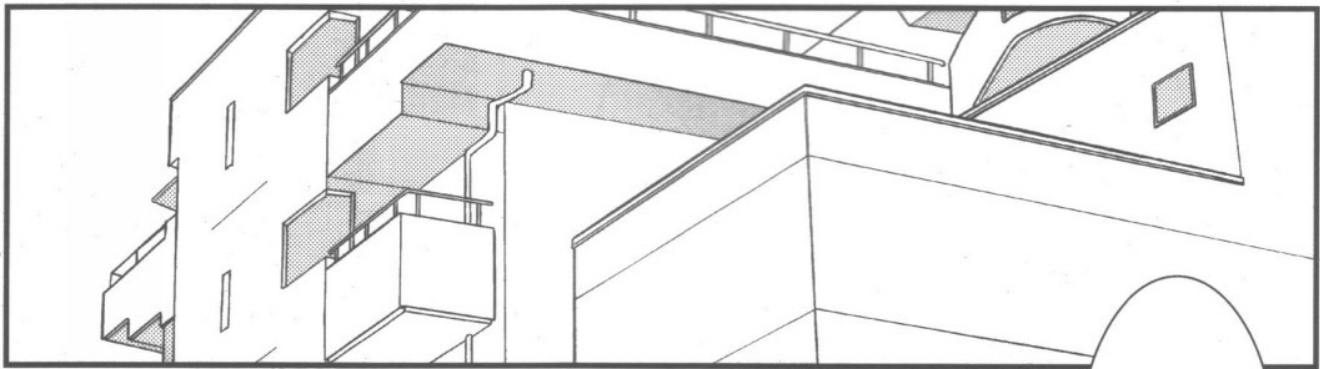

Doesn't she want anymore than this?

We only meet up after school...

I love you, Midou-san.

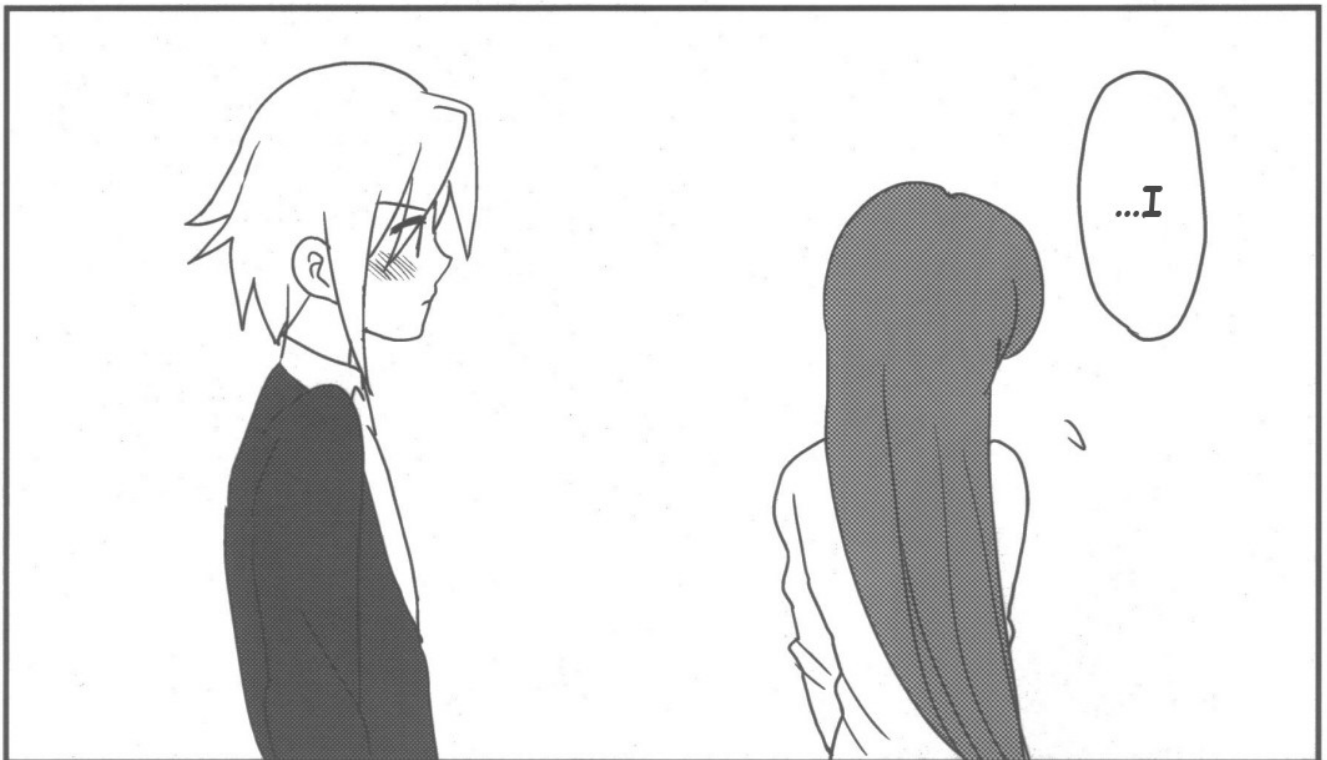

I haven't been clear, but... I...

I want you to know how I feel.

I'm okay with how we are now, but...

I've always loved you.

...I

I have a body like this.

But,

I love you, Takamura-kun.

I can't change and be more like a normal girl.

That's why...

I don't know all of your circumstances, Midou-san, but...

I will accept them whatever they are.

Takamura-kun...

Then, let's do it again. ♡

Wha-!?!

Thank you very much for reading this far!  
Hello. This is Oshiroko-kan's Piririnegi.  
I drew those two for the winter Comi book again.  
I packed a lot of different tastes into this one, but if you enjoyed it, it  
would make me very happy.  
From here on out I hope there will be more futanari on mail.
