

A huge event that only happens once in a lifetime!

The field trip!

Messing around with all of my friends!

Smacking my lips trying out the local cuisine!

Being moved by breathtaking scenic vistas!

...Is what I had planned, but...

And then, sharing passionate romantic time with the person I love the most...
♡

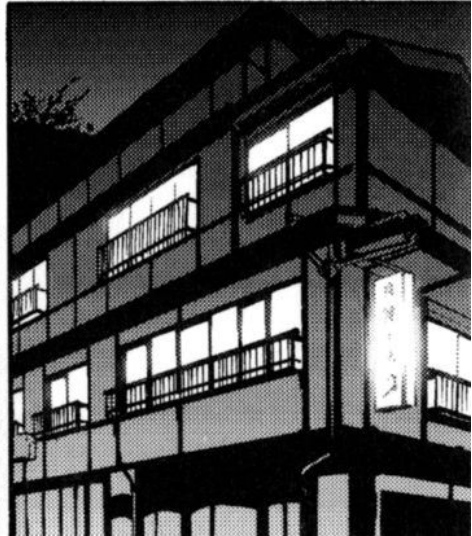

I caught a cold and had to stay at the inn all by myself.

Yoshika!
I'm coming in!

They all went out to enjoy their recreation time after dinner.

I faked a stomach-ache to slip out and come here.

Where's everyone else?

Ah! Sakamoto!

You alright?

You'd have to be an idiot to miss out on it just to stay in bed.

Gotta say, the place may be as run down as it gets, but the food is de~vine.

If you eat laying down, you'll turn into a pig, y'know?

Want some?

I bought these from the store downstairs.
It's cow, Yatsushachi.

Har har, like it's my fault I'm stuck here.
Besides, I'm not hun...

You're the one making me mad!

Don't get mad or your fever will spike up again.

Just leave!

Whoa!
Hahaha!

You don't have the udders.

Yeah, I think a cow's out of the question.

No, I won't!

And the saying is "turn into a cow!"

Wha-?!

We're at each other's throats pretty much around the clock.

Honestly! This guy, Sakamoto, incessantly screws with people however he likes...

I've lost track of how many times I've told him "Why are we even dating?"

So why...

I know he was also really excited about the field trip.

...Oh, well. He must care about me one way or another to do something like this for me.

Mmh? Not really.

Don't you wanna go hang out outside with the others? You must be bored.

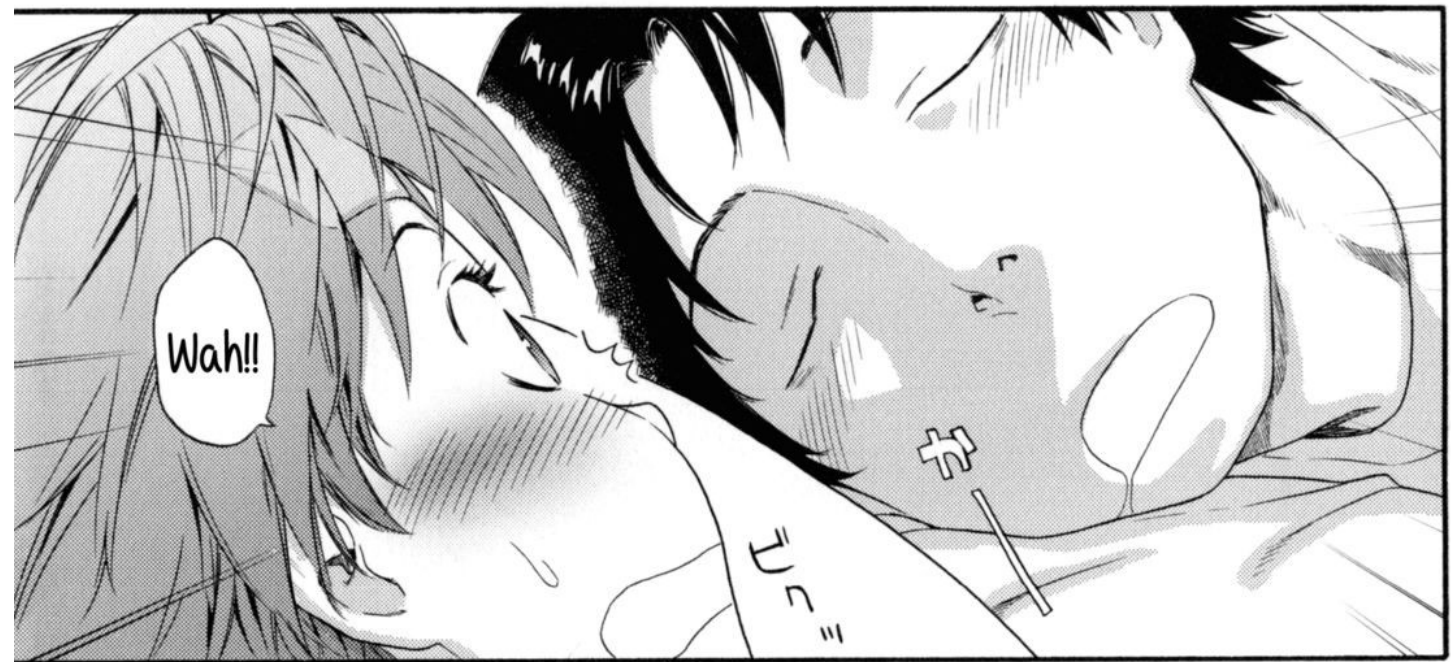

Field trip memories, huh...

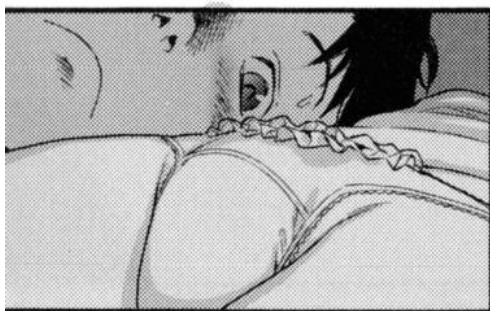

Nah, it makes too much noise.

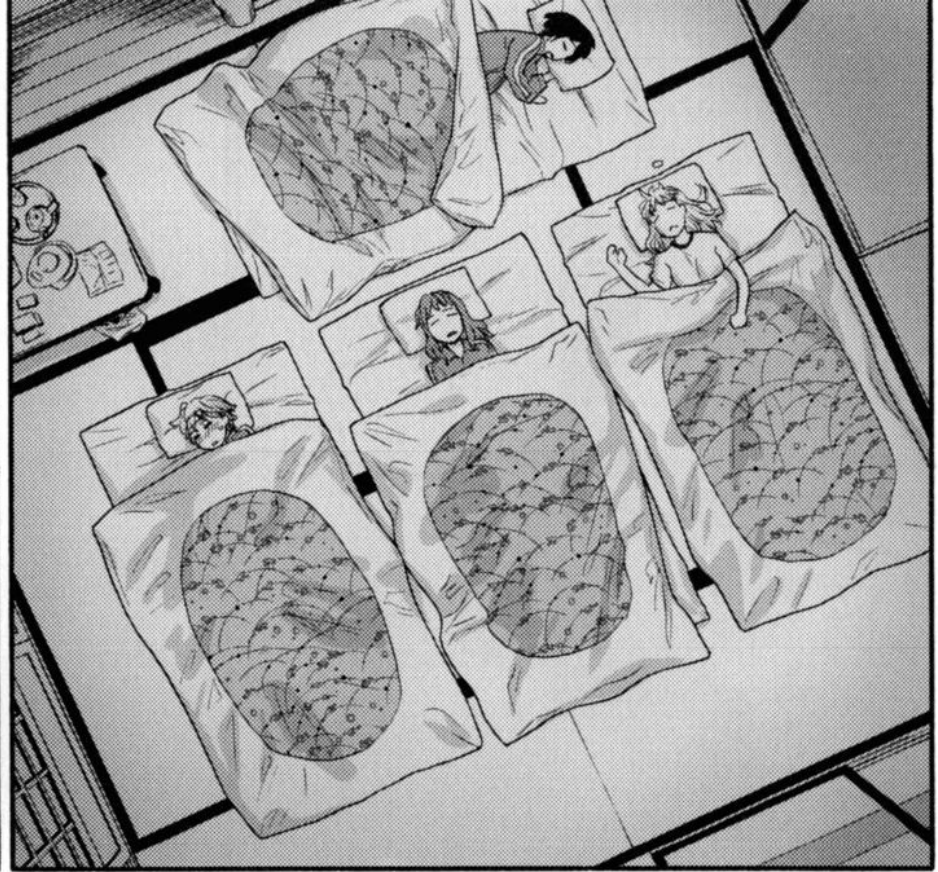

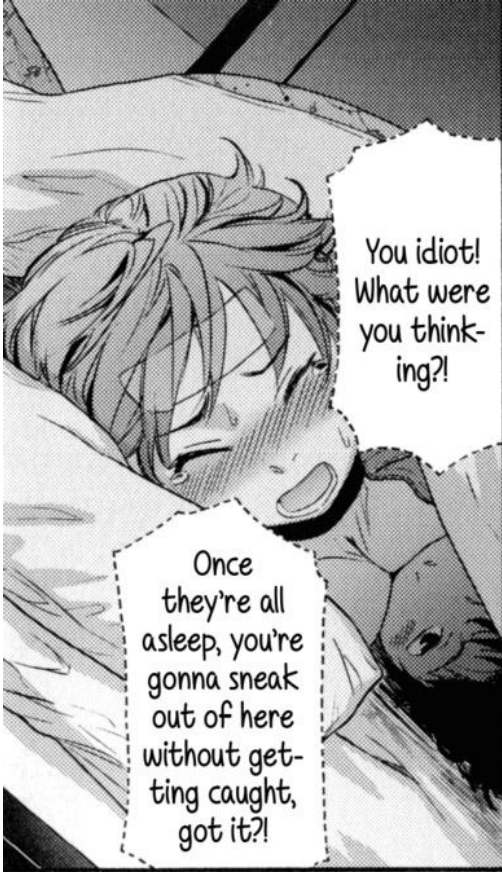

...You can turn on the TV if you want? You must be bored.

If you move slowly like this...

Mh? Yeah...

We might be able to keep going without being noticed.

My voice is leaking a bit...

But...

Nh!

Nnh!

I was just a bit hot...

No, I'm fine, it's nothing.

Your breathing sounds kinda ragged.

Mmh~ Yoshika, you alright~?

If you're in pain, I can go get a teacher?

Nighty night.

Oh, okay...

Nhaal
A-Amaz-
ing!

His warmth
keeps going
in and out
of me...

Aah!
His fat
thing is
spreading
my walls
apart...

This
feels so
good!

He's slowly
scraping my
insides...

It's
gonna
make
me cum
again! ♡

I love
it slow!

I'm gonna
cum right
away.. ♡

Only
when you
need to
cum...

O...

I'm
gonna
move
faster
again..

I can't
take it
after
all..

I'll let
you thrust
only once as
hard as you
want when
you cum,
so..

Be patient
until you
have to let
it out...

until
then..

But
I can't
hold
back
any-
more!

Y-You
can't!
You really
can't!

You
have to!

Cu-!

Ah...

Ah...

Aah...

Huh?
You're saying that's
too few for a trip
that lasts 4 days
and 3 nights?

...These
are my
memories
from the
field trip.

Well...

day.

What if
