

Of course I did! I mean, look how hard it is!

Ah... So you knew all along?

You're thing's poking into my butt.

So? Whad'ya wanna do?

Hya! Here it is! It's sopping wet!

Awesome! I'll do my best! I'll make you cum in a jiffy and then, festival time!

All right!

Say, Taka-chin, I'll rub your cock 'til you blow, so~ will you do my homework for me?

All of it?

I wanna go to the festival.

Obviously!

It's so stiff~

Ha Ah

Ha...! Ah! Risa-chan's squishy hand...

I've been kinda sensing some

Here, we go!

Lately, Kurumi-chan and I, well...

Yeah.

Onee-chan?

Risa-chan~

Hm?

Ahn! It's hard to jerk you off from behind.

Now that it's stuck at the base, this is a lot easier!

Also, umm... What were you saying again?

Onee-chan's at that age, y'know.

That's too bad. Although your cock doesn't seem too down about it.

My boner has nothing to do with... Hah... Your immature crotch! Feels so good!

Hehe

Hmm.

Is that so?

Of course she is!

Yeah... She won't... call me Taka-chin anymore.

Even though you're an adult who lets a third grader make you cum?

You won't believe me because I'm still in grade school?

Just spurt it out, I bet your balls are plump with sperm.

Oh Fu

No... I haven't cum yet... I want to enjoy this longer!

No, I will!

Eeh, Taka-chin, you're holding back?

Taka-kun.

Are you going with someone?

Ah! Kurumi-chan, if you want to go to the festival too, then-

Ahaha! Risa-chan, switches moods like nobody's business, huh?

...Yeah.

Maybe because you were trying to put some distance between us...

Or at least, that's what I thought...

Ugh

No, you got it all wrong. ...Listen,

you've kinda changed the way you call me.

R-Really? But, y'know, lately...

Huh?

No!

I wasn't even planning on going.

And even if I had plans, I wouldn't mind cancelling them.

Uh

Why... You wanted to go with me? Or maybe you're asking because you don't...

Ah... No, that's not it.

I kinda...
