海。

(BEACH)

ㄗㄗ... ㄗㄗ...

It feels so good outside!

It's been a while since you last went on a ship, hasn't it?

Huh? Have I been on one before?

Maybe you forgot about it. It was when you were little.

We haven't been able to come here very much until now...

But if you behave yourself, we'll come here more often.

Okay!

Ah, you can see the sea through the gap!

YAY!
We're here!

Stop that!

いっはっ

Ah, good to see you here.

You've grown a lot!

Grandpa!
Grandma!

I'm here!

とたた..

We're very happy to be able to stay with you.

Oh, here's something for you.

With you!

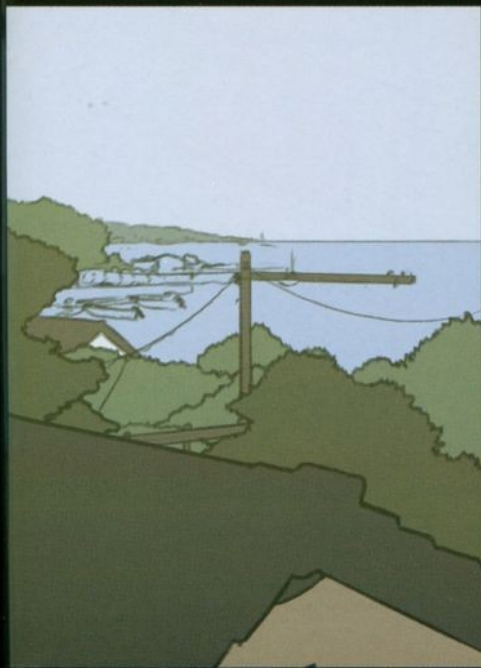

Hey!

You didn't have to.

You used to be this big when I last saw you.

Hahaha!
You're kidding!

You sure?

Mom?

Can I go play outside?

Hmm? Sure, but don't go too far, okay?

Mom?

I'll be going now!

Don't be late coming home!

Okay!

I'll be careful.

Beach!

Beach!

It's shimmering and looks so pretty!

I wonder if I'll see any fish.

I haven't seen you before.

!

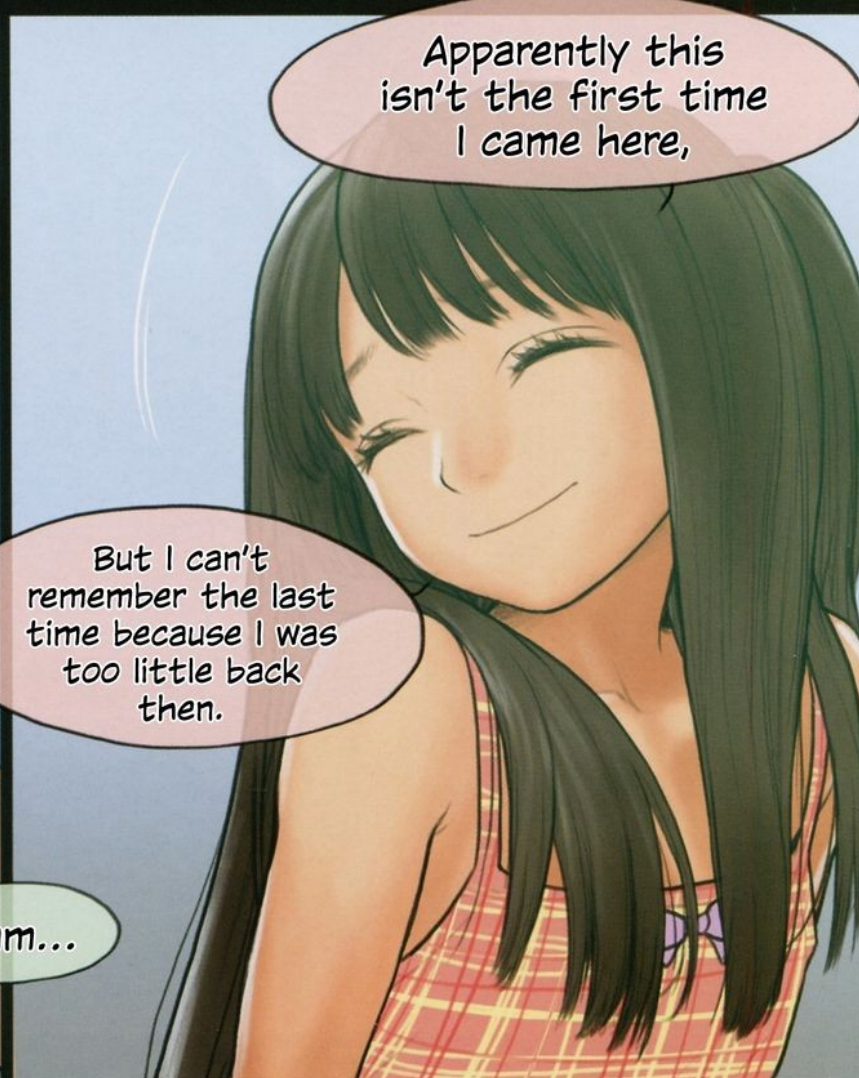

For my summer vacation.

Yeah, I'm staying at my relative's place,

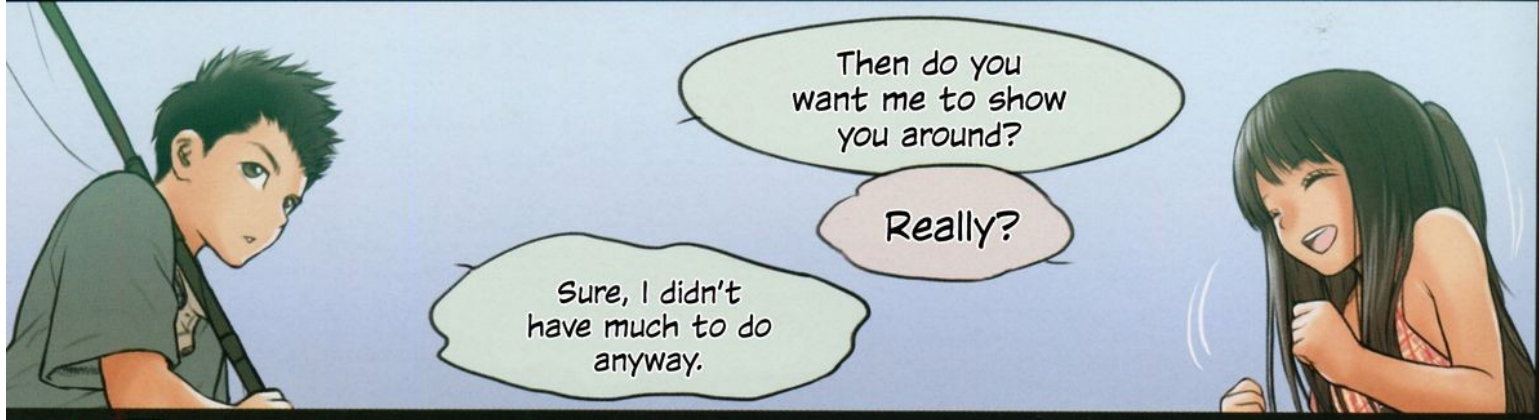

Apparently this isn't the first time I came here,

But I can't remember the last time because I was too little back then.

Hmm...

Then do you want me to show you around?

Really?

Sure, I didn't have much to do anyway.

Okay, then follow me.

Thanks!

I just came here yesterday and I don't know anything.

Just hearing about it is giving me the creeps.

It was really scary when I was little.

You have a hideout?!

And the cave where that old demon woman's said to live is that way!

Cool! That sounds fun!

It's now my hideout.

Actually it was just a story that the adults made up to keep us away from there, since it's dangerous.

Awesome! I want to go inside!

I hear the adults were using it too, in the old days.

It's pretty cool there, even in the summer.

Hey, why does that house have a bridge?

Oh, that used to be a shed.

Hmm?

The idiot son of that house lost his job in Tokyo,

and he returned here even after being disowned by his parents.

He then made that shed his house.

Hmm...

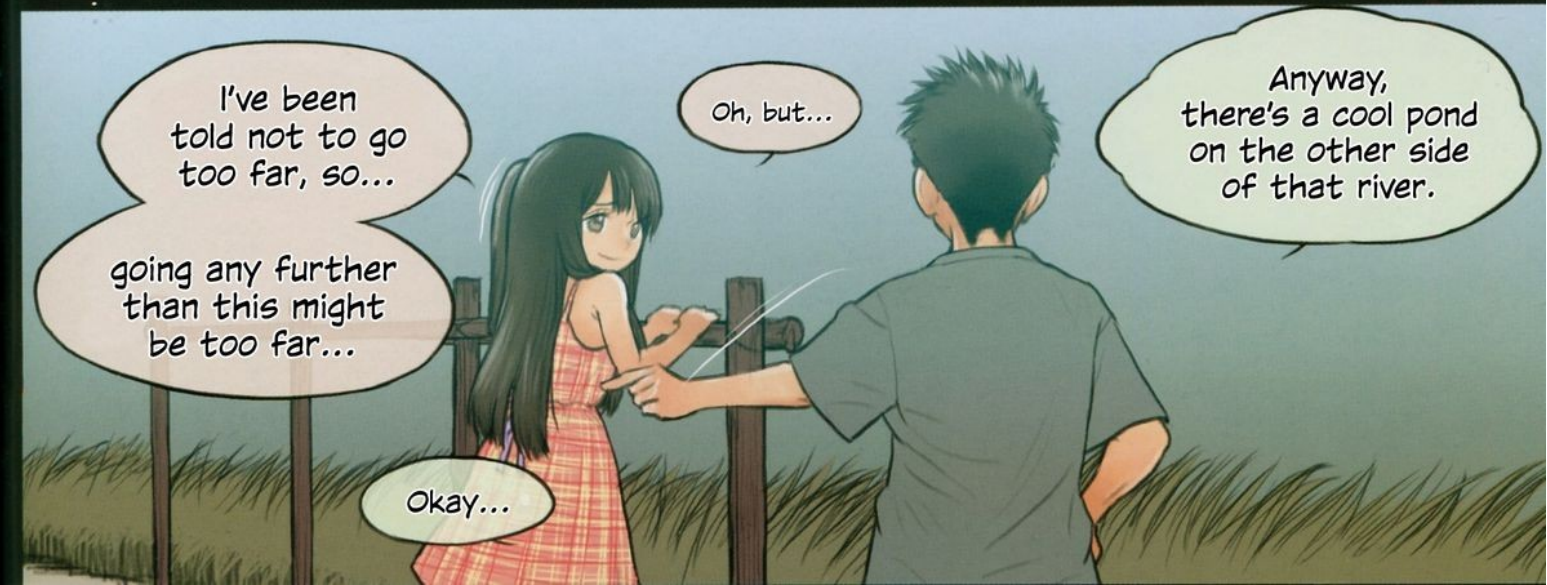

He just drinks all day spending his parent's money.

Sorry, you probably didn't want to hear that.

Just make sure you don't go near there.

Okay, I get it...

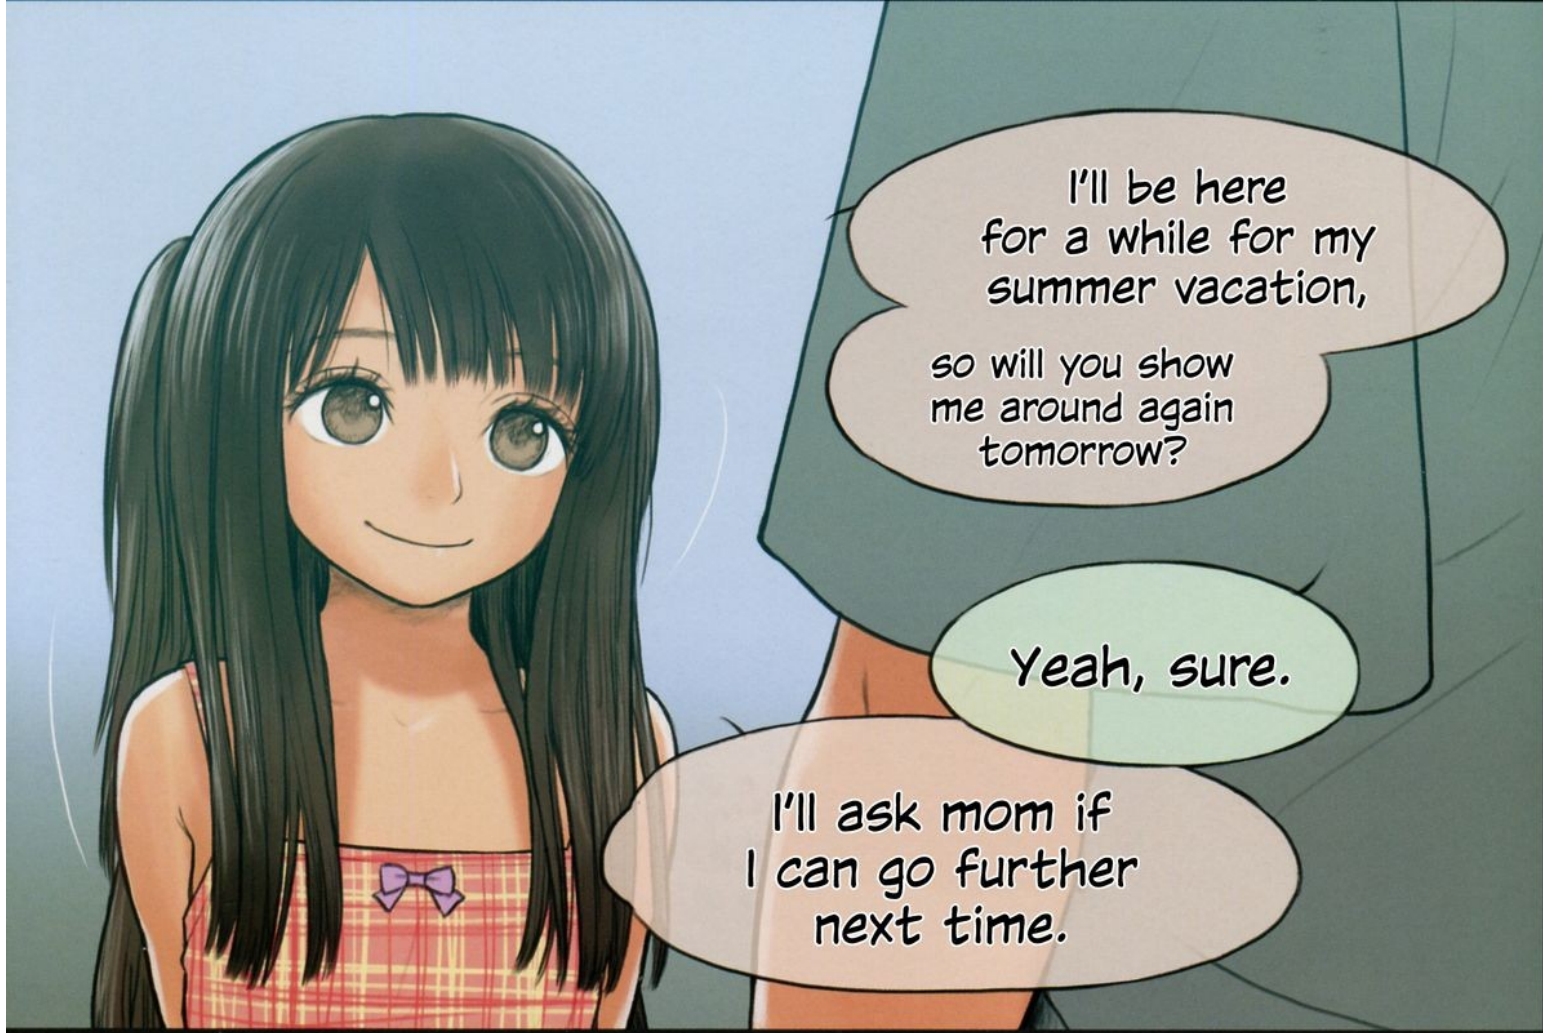

I've been told not to go too far, so...
going any further than this might be too far...

Oh, but...

Anyway, there's a cool pond on the other side of that river.

Okay...

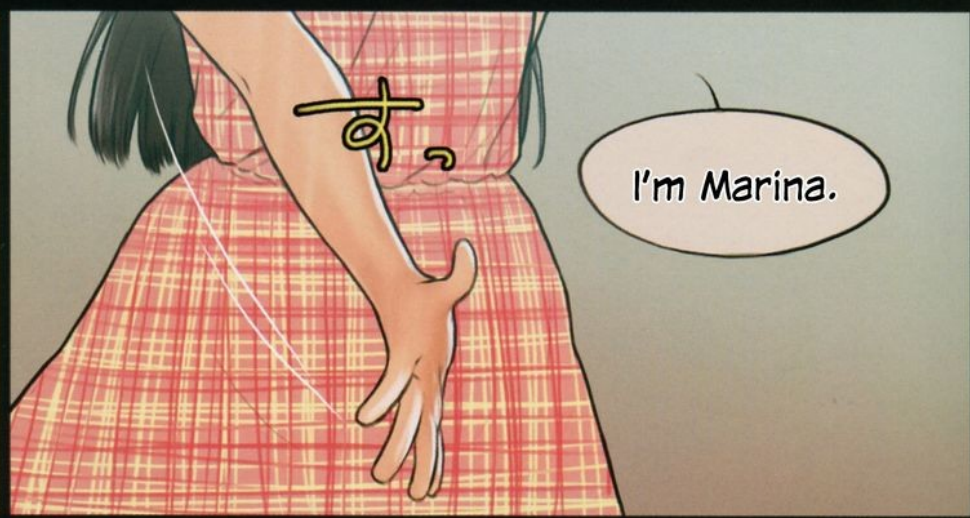

I'll be here for a while for my summer vacation, so will you show me around again tomorrow?

Yeah, sure.

I'll ask mom if I can go further next time.

!

I'm Marina.

Okay, I'll see you tomorrow.

Yeah, see ya!

I'm Keiji.
I'll be waiting at the same place as we met today.

Marin's resemblance to Keiji keeps getting stronger as she gets older.

Hey mom! Can I go play outside?

Hmm?

Okay, but be careful.

Okay!

Mom!

Maybe I should ask him in that old place again.

Haa, I was dozing off and it made me recall things.
