

ANNA

chapter 4

Ladies and gentlemen, welcome to Ember Stadium! Let the game between FIRE and FROZEN begin!

The players of both teams are ready on the field.

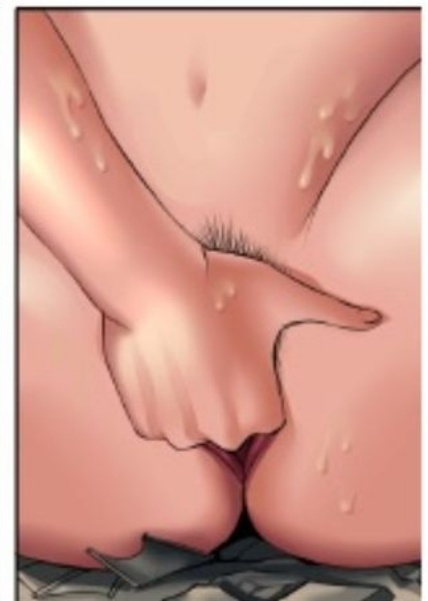

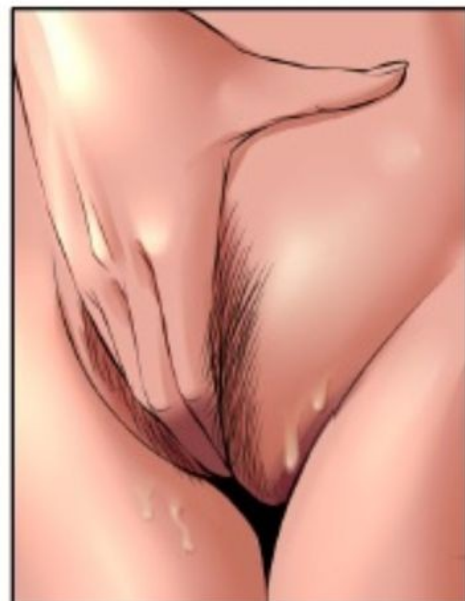

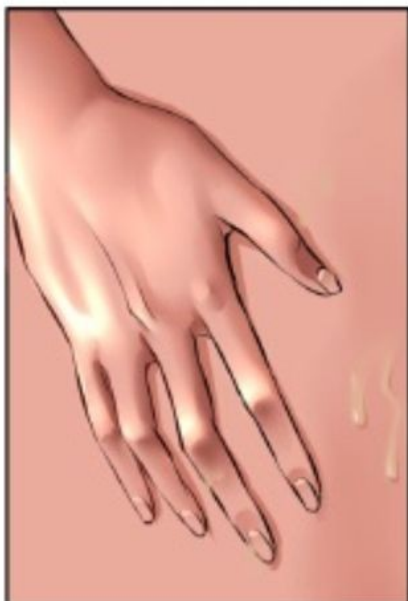

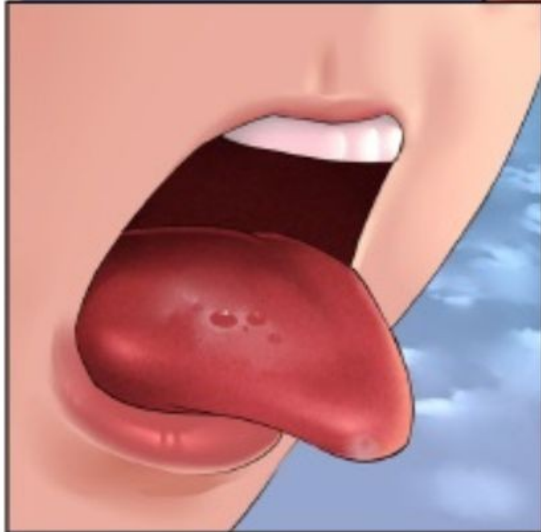

Wait, what's this?! The game is interrupted! Two giantesses have walked onto the field!

Are they fans of FIRE or FROZEN?

Ahhh!
I'm
coming!

Two hours!
Two hours is
enough!

As we fuck,
the Holy
Bodies are
generating a
telepathic
aphrodisiac
frequency!

Here in the
micro world,
Violin has
been
conquered by
Sigon!

Oh
Yeah!

Now she is
enjoying the
pleasure of
being
conquered!

The facts
will prove
me: right
Violin!

Pa!
Pa!

But the Holy Body has lost herself in her own pleasure!

You're putting them in danger!

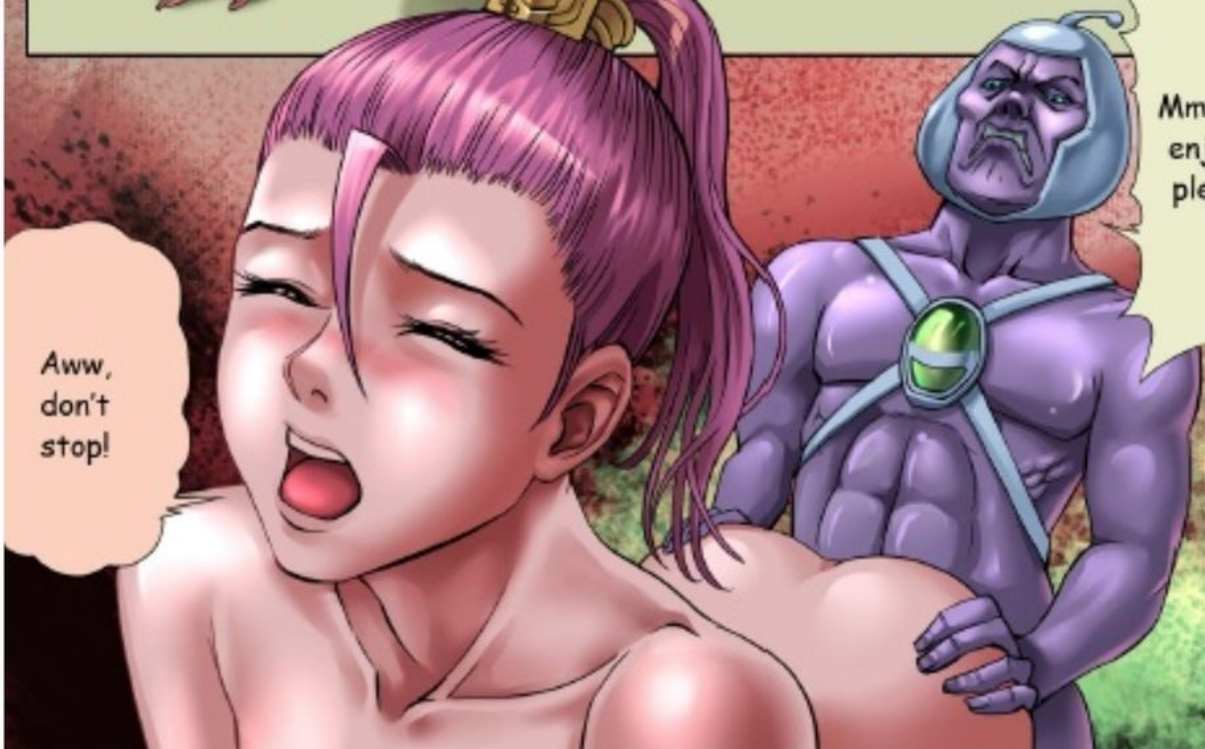

Nothing ventured, nothing gained!

We need to generate as strong of a telepathic aphrodisiac frequency as possible!
Violin, you're falling behind!

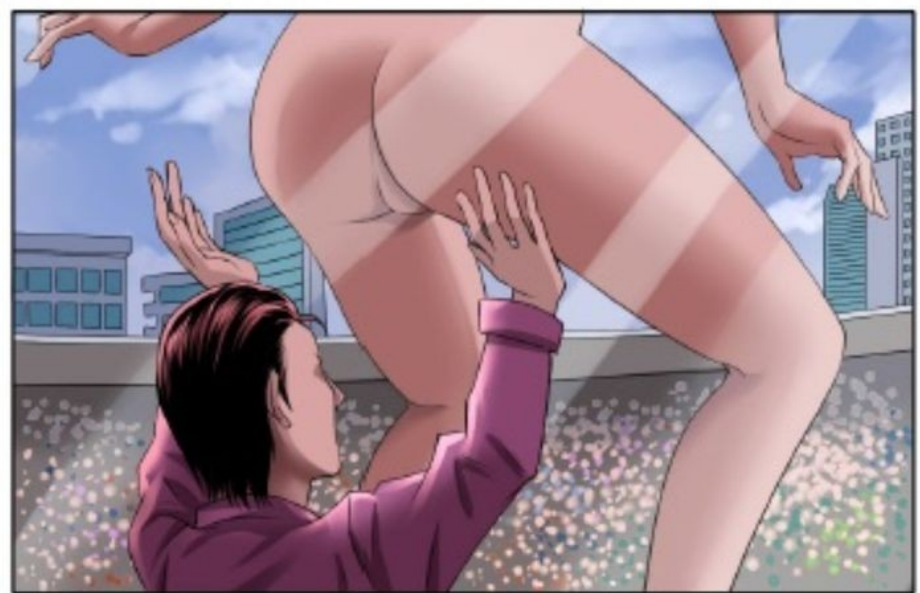

Mmm! Just enjoy the pleasure!

Aww, don't stop!

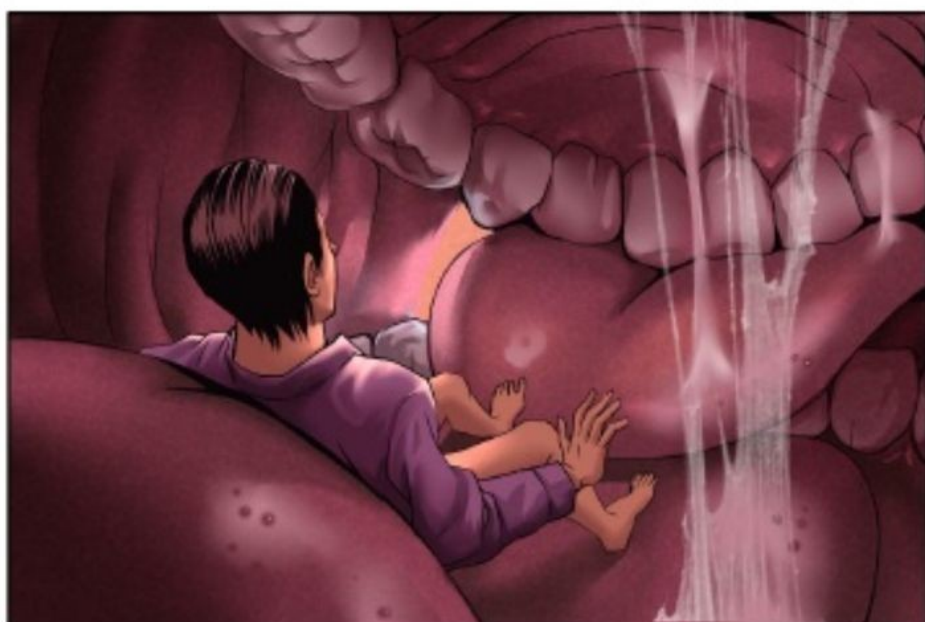

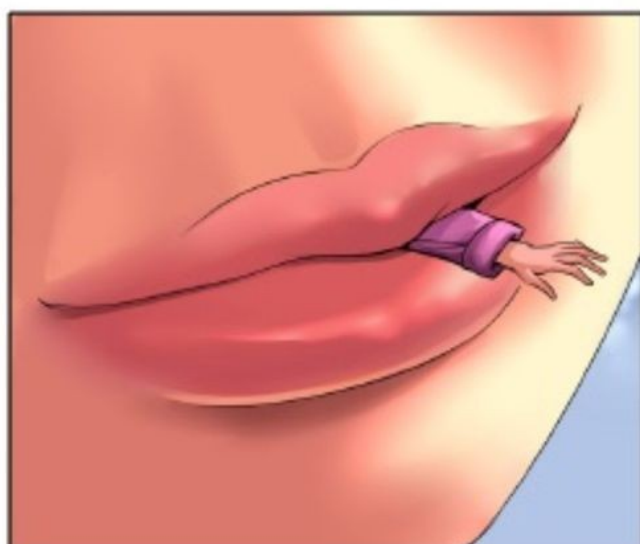

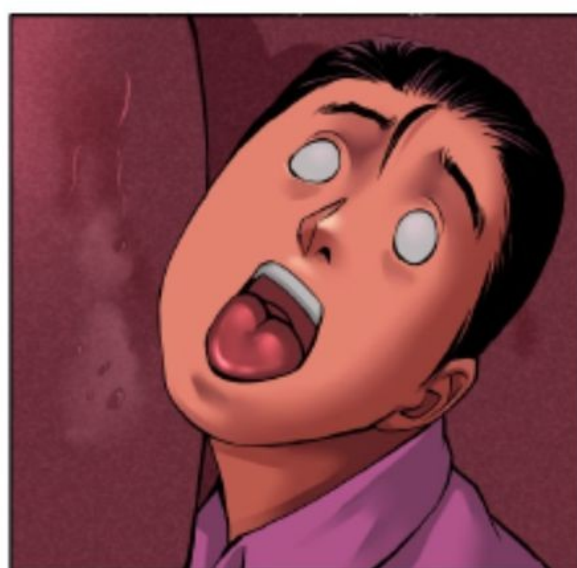

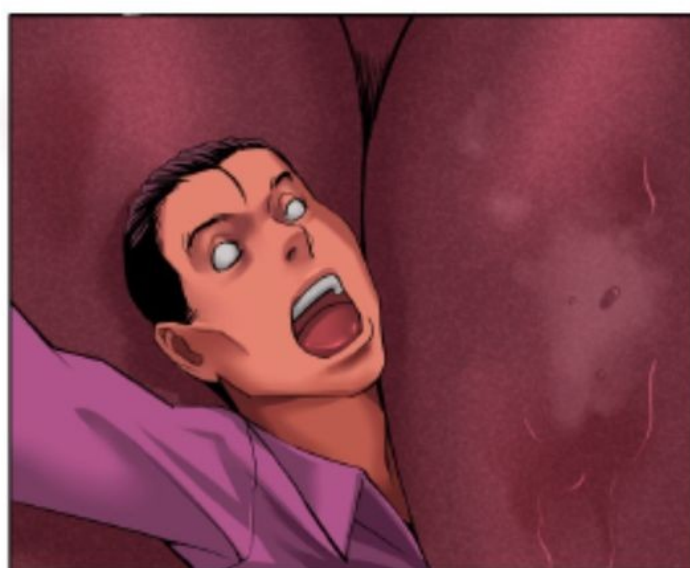

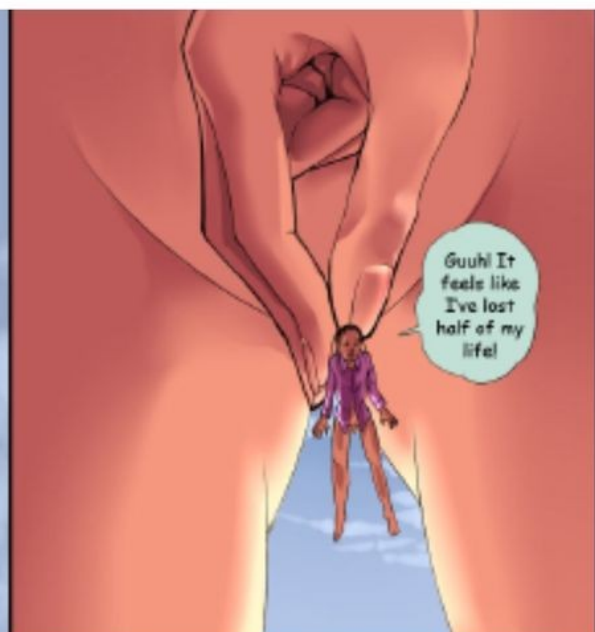

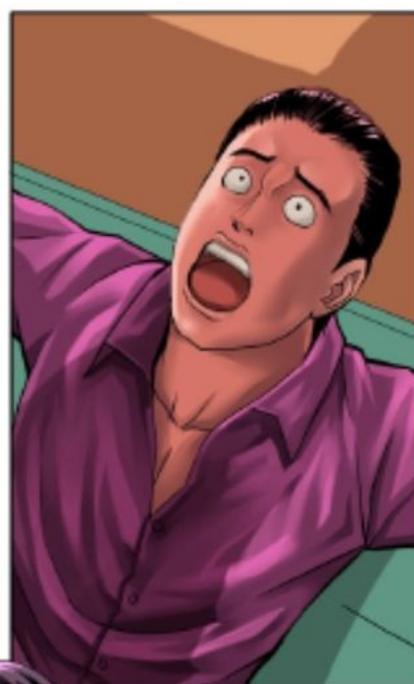

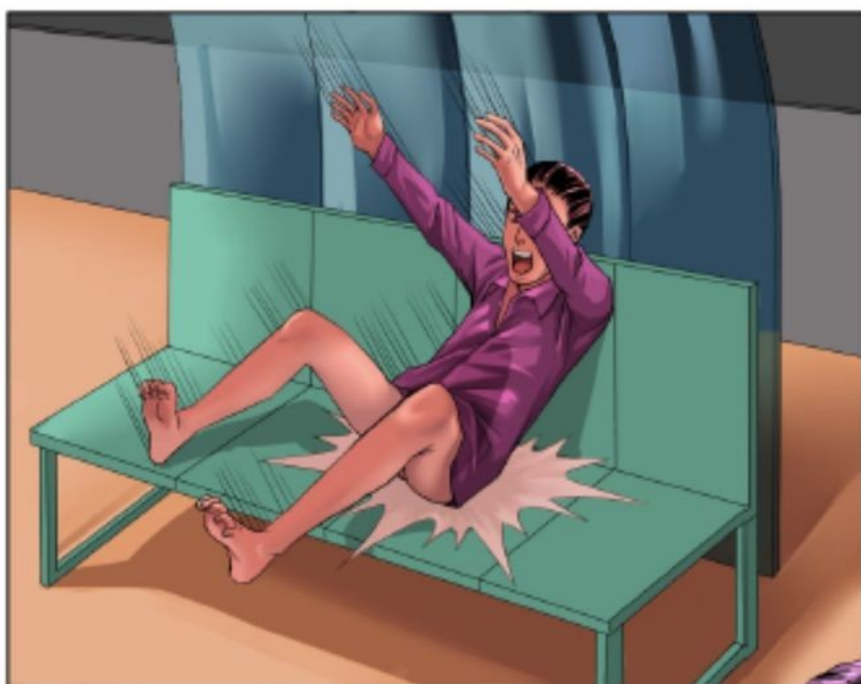

Fuck! My pants are soaked!

We've arrived at the location!
