

Well, I was going home as soon as the rain let up anyway, so I thought: what's one drink?

This was a bar?

Ah!

I should have checked the weather forecast for this place.

Darn...

Today, I was supposed to go straight home after meeting with a client, but all of a sudden, it started raining cats and dogs, so I had to take shelter..

全M人類待望の尿道マイスターへG4M初見参!

Welcome, sir. Here alone?

Inside, I was reunited with my Senpai from back when I was still in school.

I haven't seen you in forever!

Is that you, Tsukasa?!

Huh?! ...Ah! Ooh!

Shi...eri-Senpai?

Wait... Are you...

Are you sure this is okay? Closing up the bar...
You even sent all the employees home.

And to make matters worse, you're swigging down the bar's liquor with me...

Business is always slow on days like this anyway and I'd say reuniting with an old friend deserves celebrating! Wouldn't you?

Oh! Don't worry about that! Really!

y-you really haven't changed a bit...

Besides, I'm the manager! Though I'm still on the payroll! Ahaha!

Ahaha

Go buy me bread at the Cafeteria!

bigger... than before...

...Though her breasts are...

I'll help you study. Come to my place.

She's been bossy ever since I've met her...

Here it is,
it's called...

Ta-dah!

Oh, yeah!
Try my
original
cocktail
recipe!

But never-
mind
that!
Drink!
Drink!

Fine, I'll
make you
drink it!

Oh, so you
don't wanna
drink my
creation,
is that it?

Uh~ Sorry...
I can't handle
another drop.

Wha- hey!
You even
listening?!

Excuse me?

Whaddya think...?

Wha...

Whawha whawha whawha wha...

"First Love"...

T-This cocktail's called...

U-
UMM...

HUUH?!

You

You're
gonna
get it!

Take
off your
clothes and
lay back
on the
sofa!!!

Shieri-
senpai...?

I figured
if I let this
chance go, I'd
never get
another
one...

...Y'know,
I've loved
you for a
long time,
Tsukasa.

Why else?
Because I
wanna do
it.

Why do I
gotta be in
this sorry
state...?

I like 'em like that.

HMM~ You've got a pretty cute dick too.

Well, in those days, I was still a naive young maiden.

If only I had been this assertive back then.

Sheesh! You're still as much of a killjoy.

You call that a naive young maiden...?

Aauh...!

Aah...! Shieri-senpai!

Fuaah!

Ah!

But, that's what makes you so cute.

I've never done this before...

And it's not just that... Well...

Of course I am... First you come at me out of the blue, and now I can't get it up all the way because of the alcohol...

Oh? Are you nervous?

What's that for?

I'm gonna prop your cock up with it.

With a... Muddler?

I'm gonna make sure our romp is unforgettable!

Ooh! Is that right? It's your first time, Tsukasa? I'm even more in the mood now!

Well, hello...

As soon as I said I was gonna put it in your urethra, your cock shot straight up.

I always knew you were a perverted masochist.

M-My urethra?! What?!

I mean, I'm not gonna use it after putting it in your urethra.

Don't worry, I'll just buy a new one.

Ah! You can't use one of your tools like this!

If you really want to stop, why don't you just pull the thing out yourself?

Both your cock and your brain are anticipating what's coming next.

Your Cowper's gland is leaking like a broken faucet.

Oh, please.

while I turn your cock...

into a pussy!
♡

But just wait

Then again, I doubt you'd have the strength left to do so after having a metal rod that big shoved inside your genitals.

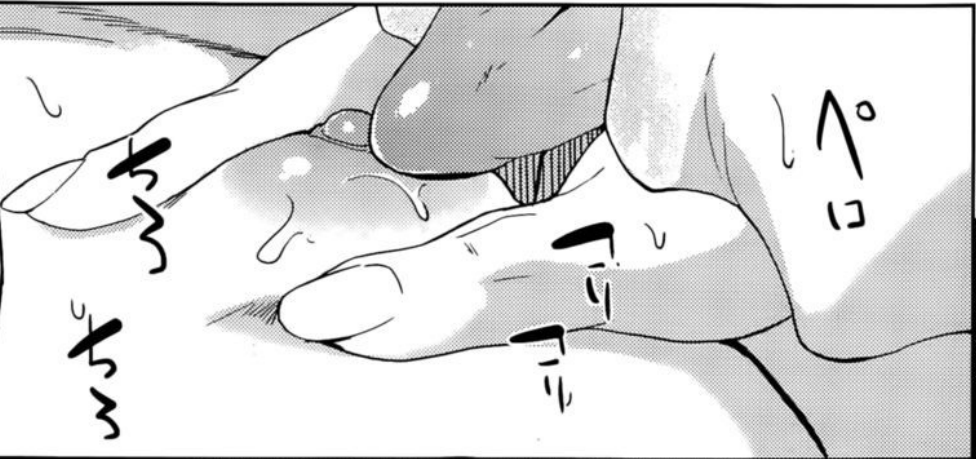

Can you
Feel the tip
scraping
inside your
cock?

Pretty
effective,
huh?

Your nipples are more sensitive than usual too, aren't they?

Hg Ah

Fuah...! Ah...! Aah...

Well?

Oh

Nm

Hevre! Twirl, twirl!

Let me give you a good taste of 'em.

Uh! Was I that obvious?

I noticed you've been staring at my tits this whole time.

Whoaa!

おっぱい

When faced with an erect cock like this, the right thing to do is definitely to blow it.

Hah~...!
Ah!

Uuh...!
Hah

Though gnawing on a Placid dick 'til it's hard is fun too.

You about to CUM?

Ooh! Your cock's twitchin'!

Ah...!

Fuaah!

Yess! I'm gonna... CUM!

Oh! Alright, go ahead! CUM! CUM! ♡

Cover my face with your sperm!

Time's up!

Just kiddin'~!
♡

Huuuh?!

No way!
Just three
more pumps!
Please!

until I
say you
can cum.

and
endure
it for
reeeally
long...

Nope.

You're
gonna
pile
up semen
at the
base
of your
cock,

Aah, I haven't had sex in so long! I'm getting really excited.

I love the way you're looking at me, like your cock's so hard it's gonna explode.

Huh?!

You're putting it in just like that?!

Why not? You're supposed to have sex raw! It's, like, fundamental!

No... That's not what I was driving at.

Uhaa...
So hard...

Aah...!
Khaa!

I've never
had such a
straight,
stiff cock...

ソコソコ

Waa
Waa

UMM... Er...
It feels...
incredible...

How's my
bare pussy
feel?

NPUPU~

So much I can't stop my hips!

Aaaah! Please stop shoving it in and out! I'll do anything you say!!!

I look forward to working with you all.

As he tells me, he's never worked in the food-service industry, so please show him the ropes, everyone.

So, UMM... This is Shimoyama Tsukasa-kun and he'll be working with us starting today.

Nice to meet you!
