HMM...
WHICH WAY IS
SHE
GOING TO
GREET ME
TODAY?

203

I'VE
STARTED
LIVING
WITH A
GIRL
RECENTLY.
SHE'S
ALWAYS
WAITING
TO GREET
ME AT
THE DOOR
WHEN
I GET
HOME.

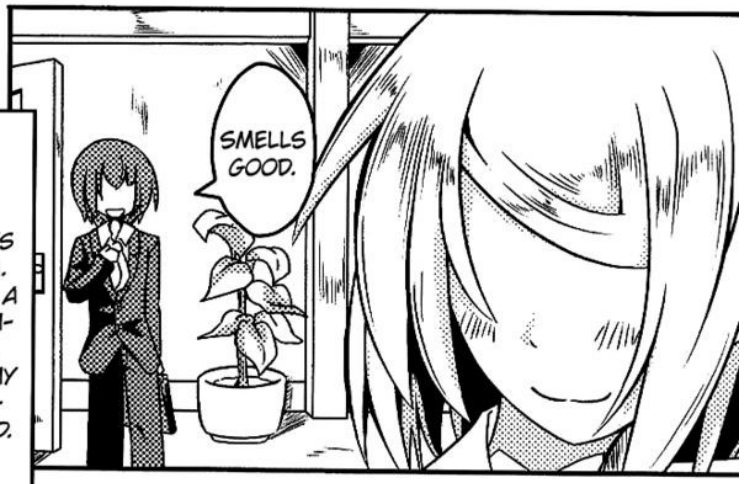

Welcome
back!

I'M
HOME.

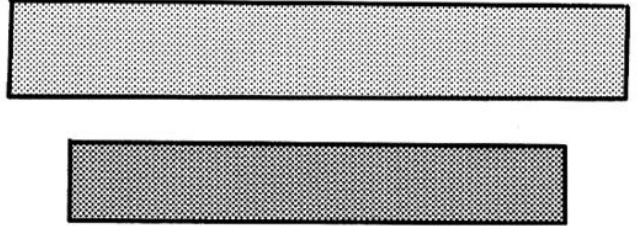

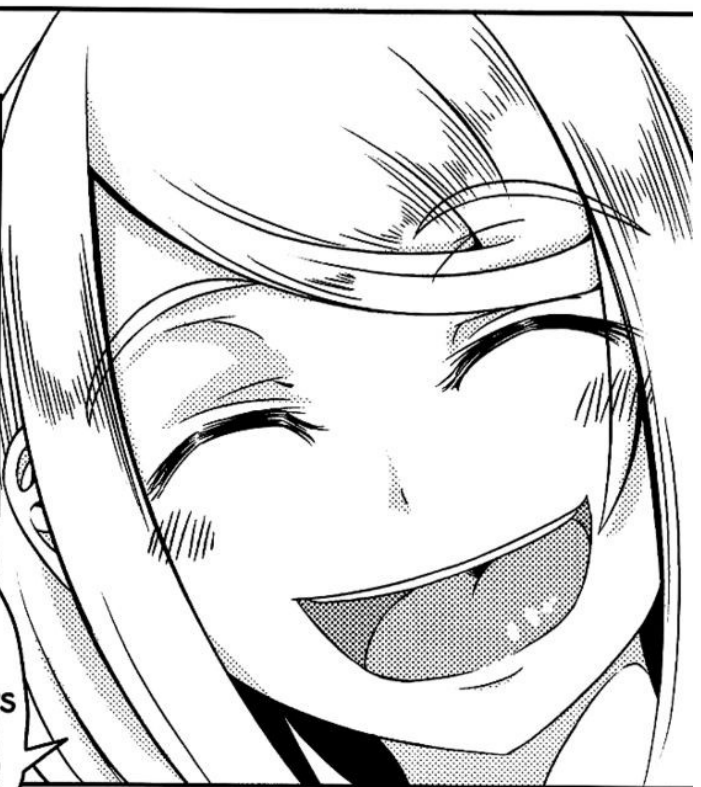

I just finished dinner.

HER NAME'S MUNA. SHE'S A WORM-GIRL, AND MY GIRL-FRIEND.

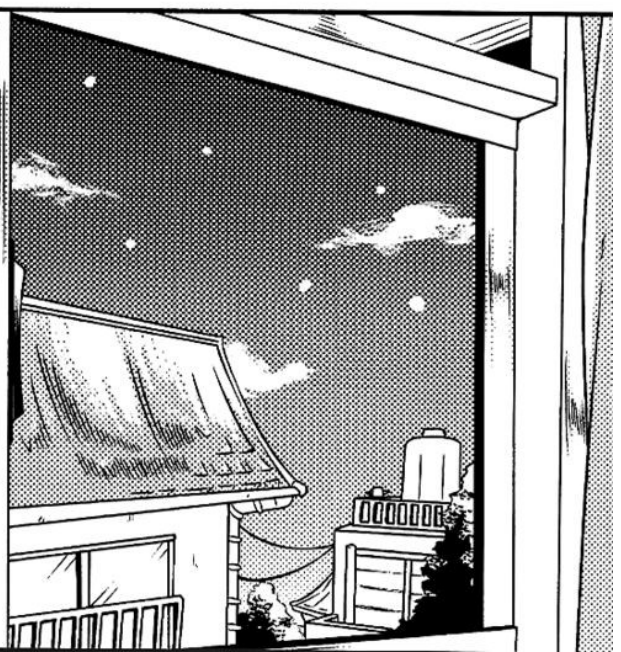

WHENEVER I SEE HER SMILE, MY WEARINESS IS COMPLETELY BLOWN AWAY.

Thanks for always working so hard!

NIGHT FALLS, I EAT DINNER, GET IN THE BATH, AND THEN OUR TIME OF PASSION CAN BEGIN.

Are you nervous? Hehe, it's always like it's your first time with you...

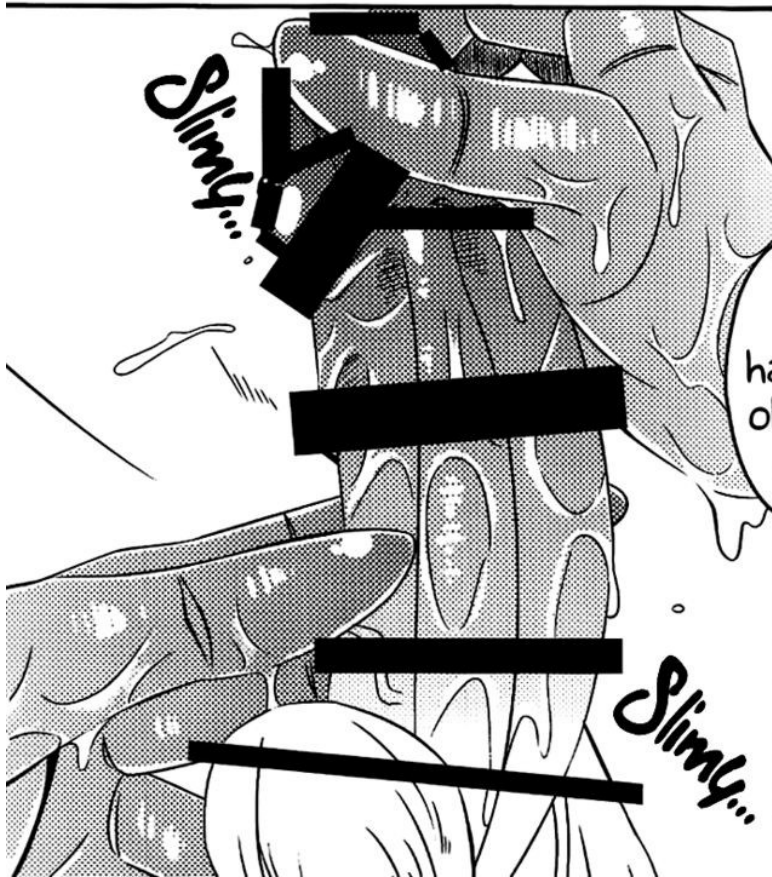

You want me to stroke it?

You are. Feels that good, huh? ♡ Your penis is getting bigger. ♡

Does my hand feel good? Are you shivering?

HER SLIMNESS FEELS SO GOOD...

HAAH ...

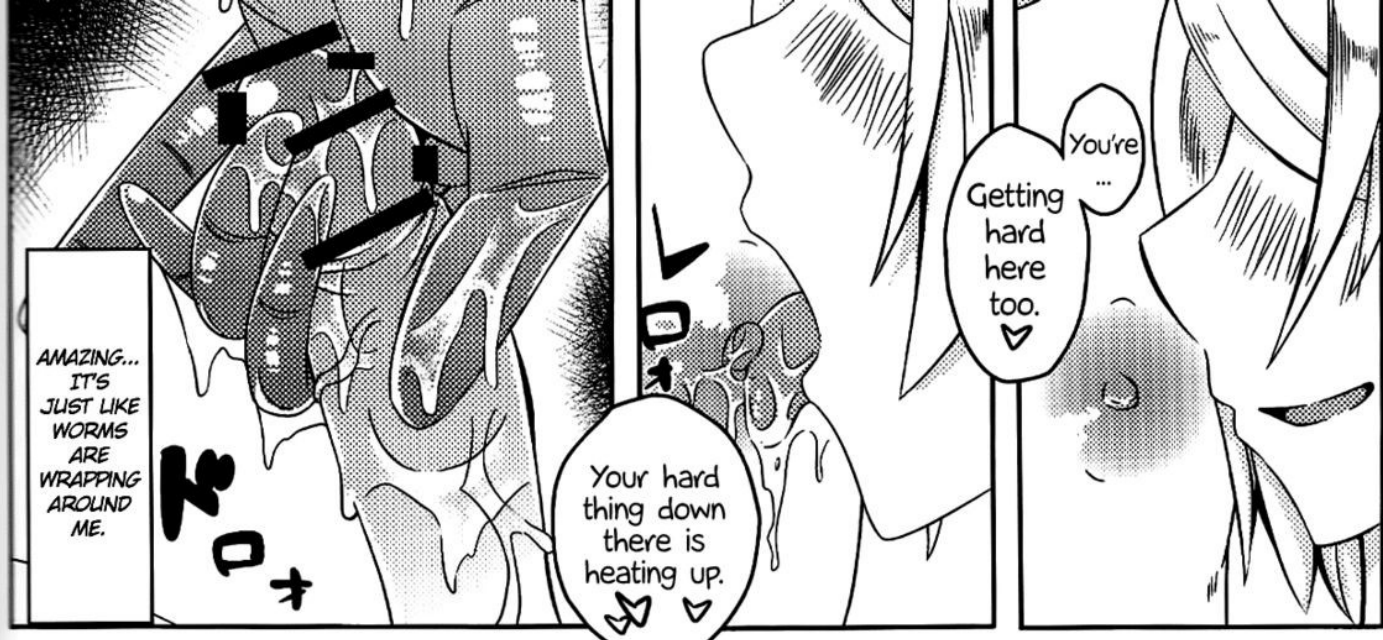

If that's what you want,

I'll happily oblige. ♡

Slimy ♡

Slimy...

AMAZING... IT'S JUST LIKE WORMS ARE WRAPPING AROUND ME.

Your hard thing down there is heating up.

You're ... Getting hard here too.

Are you reaching your limit?

Slimy, isn't it?

You really love it when I stroke you like this.

CUMMING!

Aha

How impressive.

Shoot out a lot!

Go on!

But, you haven't had enough yet, have you?

It's so thick and delicious.

Mmm

I'll squeeze you out here.

Then next,

I'll wrap you up so that you can't run.

THIS IS HER SEMEN EXTRACTOR. IT'S NEITHER A SEX ORGAN NOR AN EXCRETORY ORGAN. SHE'S A MONSTER, AND IT'S A UNIQUE PART OF HER BODY.

Hnf!

here we go!

Okay,

IF SHE DOES IT SO SUDDENLY...

Aah!

I know I'm being rough, but no cumming just yet, okay?

It's all slimy, tight, and sucks like a vacuum.

How is it? It feels really good inside, doesn't it?

I know you love this sticky, gooey suction.

I suck you off with it?

How about

Does your penis feel that good?

Haah

Haah

BEING SQUEEZED LIKE THIS IS MAKING ME LOSE MY MIND!

You're so cute when you're turned on.

You love these gooey, sticky, kisses, don't you?

You don't have to hold it in anymore, you know?

It's twitching like mad in there.

I'M CUMMING!

AA AH!

3000

3000

Is that so? I'm glad.

ちゅるん

Wow, that's a lot!

Did it feel good?

Aha!

Look.

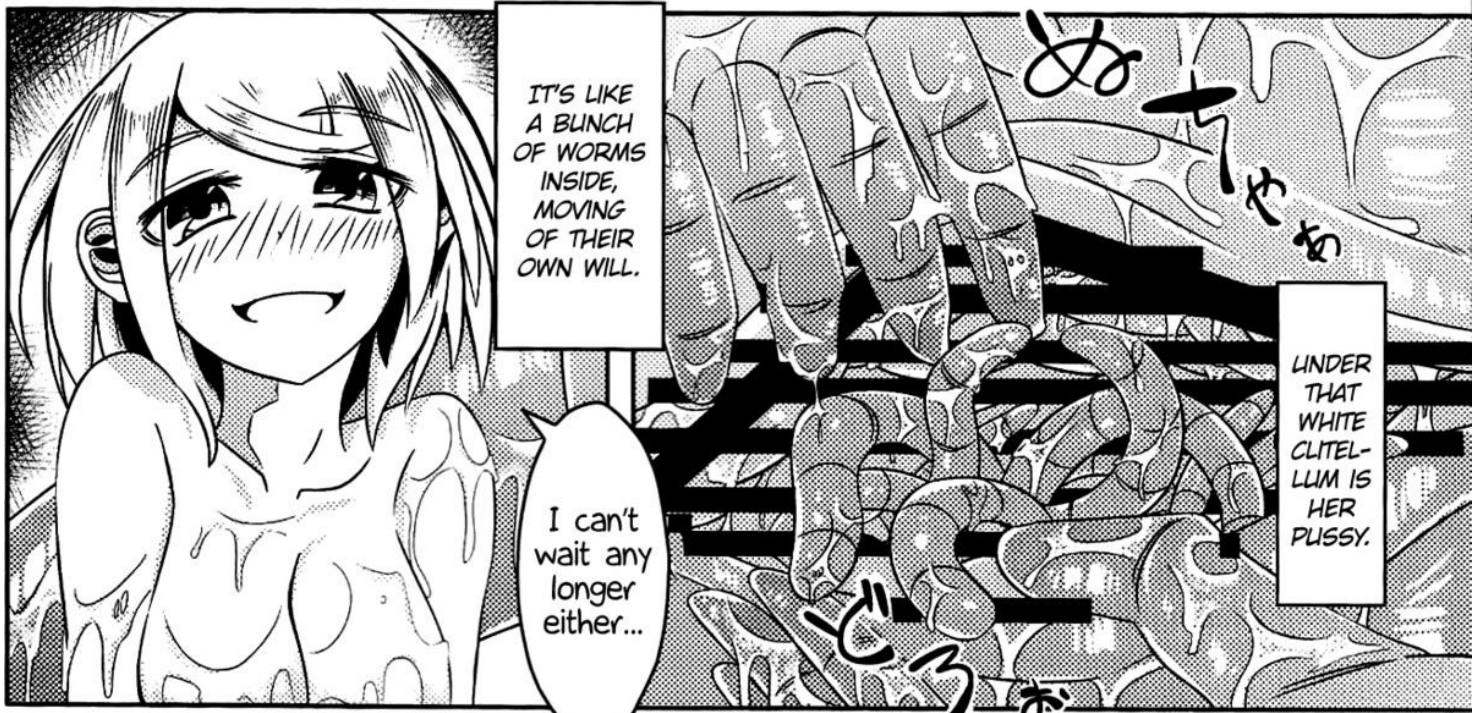

You really let out a lot, huh?

I want it in here. ♪

Next up...

Even though it was your second load it was still so thick and delicious. ♪

IT'S LIKE A BLUNCH OF WORMS INSIDE, MOVING OF THEIR OWN WILL.

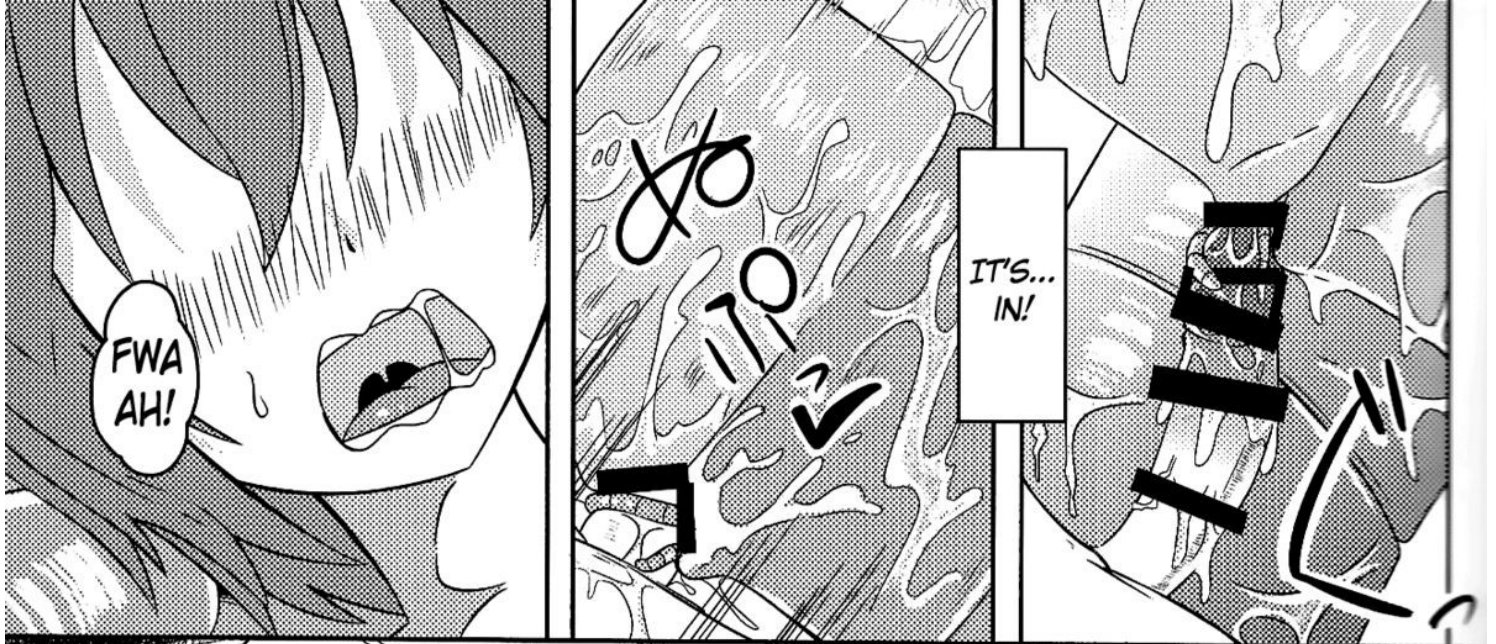

I can't wait any longer either...

UNDER THAT WHITE CLITELLUM IS HER PUSSY.

I'm putting it in...

Okay?

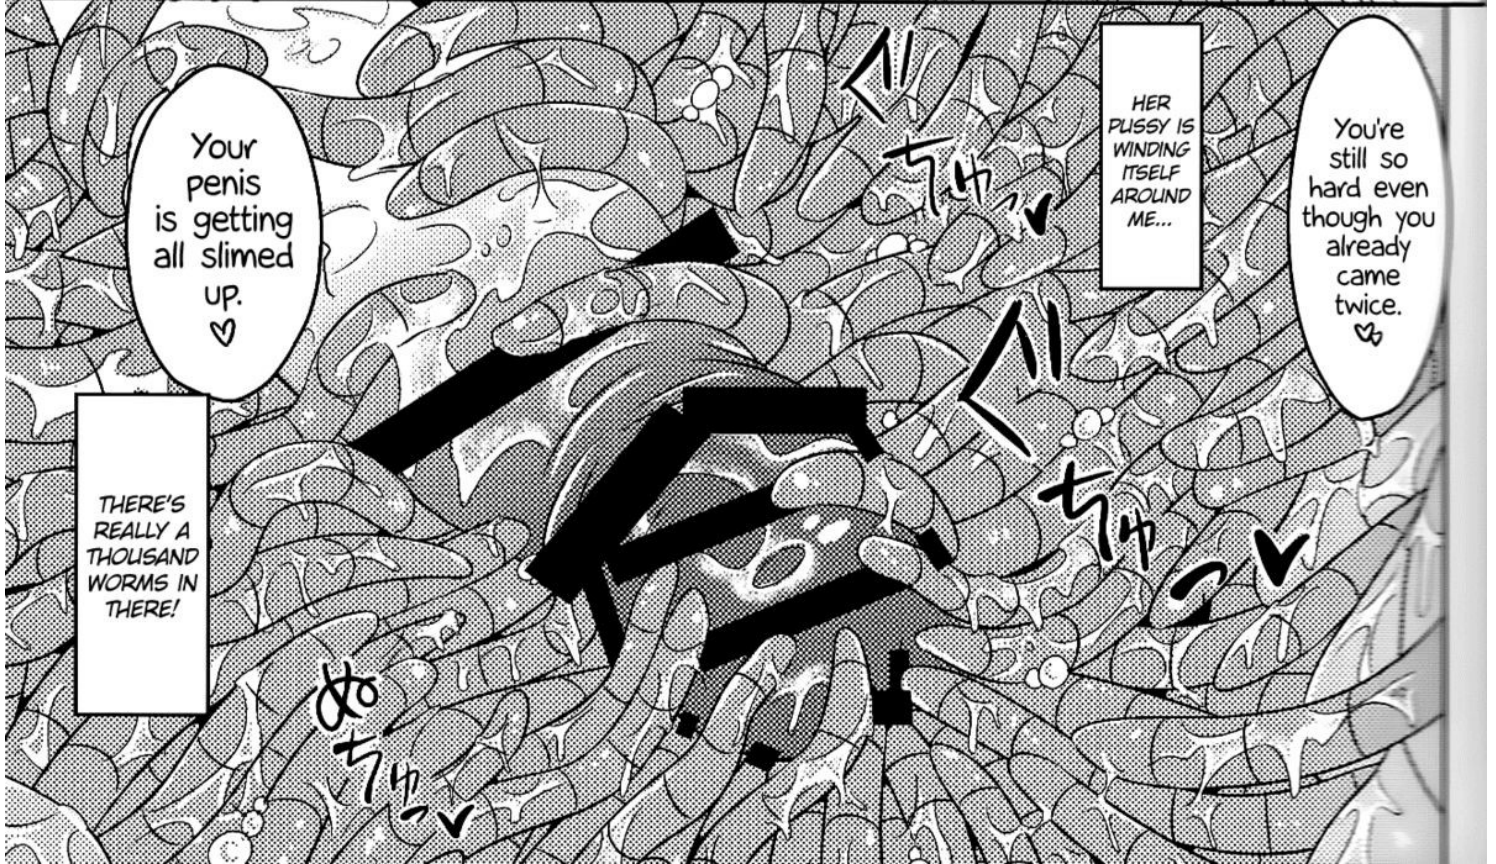

FWA
AH!

IT'S...
IN!

Aha.

It's
inside.
♡

Your
penis
is getting
all slimed
up.
♡

HER
PUSSY IS
WINDING
ITSELF
AROUND
ME...

You're
still so
hard even
though you
already
came
twice.
♡

THERE'S
REALLY A
THOUSAND
WORMS IN
THERE!

I'll make my pussy even stickier. ♡

Aah, that look on your face is irresistible.

Does it feel good?

Here! ♡
I'll get your body all goopy as well!

I'll coat the head of your penis with slime. ♡

Are you going to impregnate me even though I'm not human?

Are you gonna cum already?
Are you gonna let it out in my pussy?

It's fine,
making
children
feels
great.♡
Your penis
going in
and out
feels so
good!
♡

It's
amazing
when
you cum
inside.
♡

Go
ahead!
Cum!

I'M CLIMMING INSIDE HER PUSSY ...

I HAVE NO IDEA IF I'LL GET HER PREGNANT OR NOT.

Nh!

SHE LOOKS SO SEXY WHEN SHE'S DIRTIED BY MY CUM.

My chest?

My mouth?

Or maybe ...

AS LONG AS IT'S WITH HER,

My hands?

Where should you do it next?

Your cum is delicious. ♡

Haa

Haa

I FEEL LIKE I CAN DO IT AGAIN AND AGAIN.

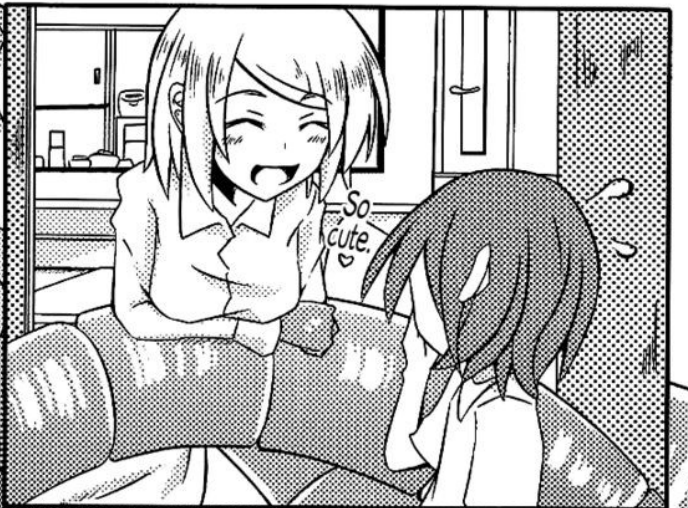

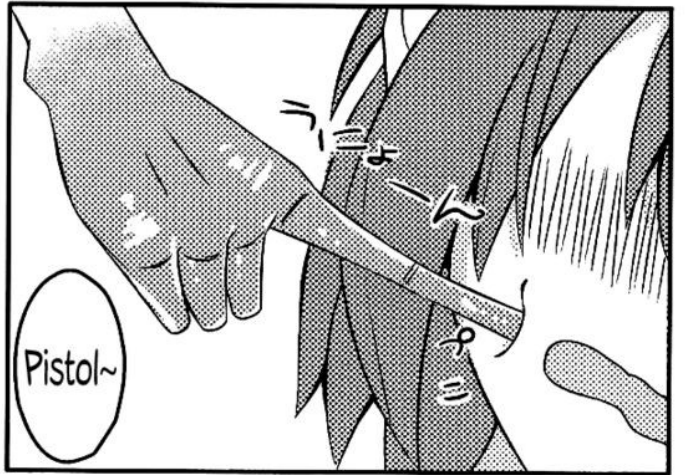

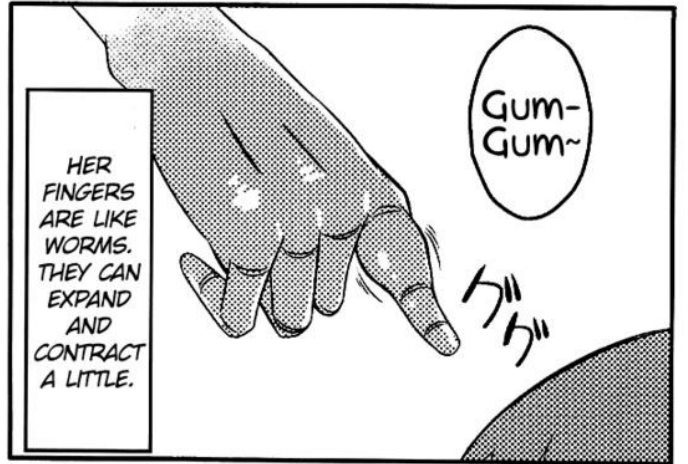

you should just cum in my pussy again?

WORM-GIRLS

NON-HUMAN ANNELIDS
TYPICALLY LIVE IN THE GROUND,
COMING OUT IN SEARCH OF PREY
WHEN HUMIDITY IS HIGH.
FURTHERMORE, THEY ARE NOT RESTRICTED
TO LIVING ONLY UNDERGROUND. INDIVIDUALS CAN
LIVE TOGETHER WITH PARTNERS ABOVE GROUND.
THEY CLOSELY RESEMBLE THE LAMIA, BUT ARE
COMPLETELY DIFFERENT BIOLOGICALLY.
THE EARTHWORM SECTION IS LONG, BOASTING
NEARLY TWICE THE LENGTH OF THE AVERAGE LAMIA,
AND IT'S COVERED IN A THIN MUCUS.
THAT MUCUS AND ITS AMOUNT CAN BE
SECRETED FROM THE BODY AT WILL.

AT THE TIP OF THE EARTHWORM TORSO IS
A HOLE DESIGNED FOR EXTRACTING SEMEN.
THEY CAPTURE THEIR PREY WITH THEIR TRUNK
AND EXTRACT ITS SEMEN.
THE WORM-GIRL CAN FREELY CONTROL
THE MOVEMENTS OF THE INSIDE OF THE SEMEN
EXTRACTOR, STIMULATING HER PREY AS SHE PLEASURES.
IN ADDITION, THE WORM-GIRL'S HANDS
ARE SIMILAR TO WORMS.
SHE CAN WRAP HER FINGERS AROUND HER PREY'S
PENIS AND MOVE THEM FREELY, ASSISTING
IN EXTRACTING A PREY'S SEMEN.

THE WORM-GIRL ACTS ALONE AND DOES NOT MOVE IN A GROUP,
THEIR FRIENDLINESS TOWARDS HUMANS VARIES BETWEEN
INDIVIDUALS, BUT IN GENERAL THEY CAUSE NO HARM TO HUMANS
(OTHER THAN EXTRACTING THEIR SEMEN).

SIMILAR TO OTHER VARIETIES OF MONSTERS,
ONLY FEMALE WORM-GIRLS EXIST, SO THEY RELY ON
HUMANS FOR REPRODUCTION. THEIR GENITALS LIE UNDER THE
FIRST-RING OF THEIR BODY AND USUALLY REMAIN CLOSED.
AFTER A MALE INSERTS HIS GENITALIA INTO HER VAGINA,
A WORM-GIRL WILL TWINE HERSELF AROUND THEM.
THE SLIME FROM CLOSE CONTACT WITH A WORM-GIRL
LIKELY GIVES THE MALE A EUPHORIC FEELING
AS HE EJACULATES.
