Dreadful rumours about it spread...
The two travelers who were pacing the roads also heard them.
IZUNA-SAMA.
THIS VILLAGE ALSO HAD IT'S GIRLS KIDNAPPED BY OGRES, IT SEEMS...
A kitsune morphed as a girl...
SO WE BARELY MISSED THEM ... .

They said Kiri-hime was the most beautiful.
Two years before,
after Kiri's tragical death by ogre hands...
In the capi-tal
a rumour spread that Kiri's ghost was haunting the town.

YOU WERE HAVING A NIGHT-MARE.
.....
Rainy and cold nights.
Izuna was always having night-mares.
The Kitsune didn't ask what it was that he saw.
And then ...

she realized that she was merely a bodily replacement for Kiri-hime.
And because of that, she kept silent...
IZUNA-SAMA.
DRESS UP, OR YOU'LL CATCH A COLD!
... KIRI-HIME.
that she had seen Kiri-hime's ghost.
BACK THEN ...

THE SCROLL GIRL ALSO HAS THE BIRTH-MARK...

Two years ago...
The day their marriage was set for,
Izuna and Kiri-hime were playing together.
They didn't know that this was their last time.

KIRI-HIME!!

KIRI-HIME!
KIRI-HIME!
KIRI-HIME!
KIRI-HIME!
KIRI-HIME!
They soon found Kiri-hime's drowned body floating in the river.

Looking at the mortal change of Kiri-hime,
She had been strangled until her neck broke, and thrown into the river.
Izuna couldn't move anymore.
Even his inner voice yelling out "Hime!" was locked inside of him,
by the rain that flooded down Izuna's nose.
Clothes drank his tears, heavy from the body wrapped in...
And thus, the shattered Izuna set out on his path of revenge against the ogres.

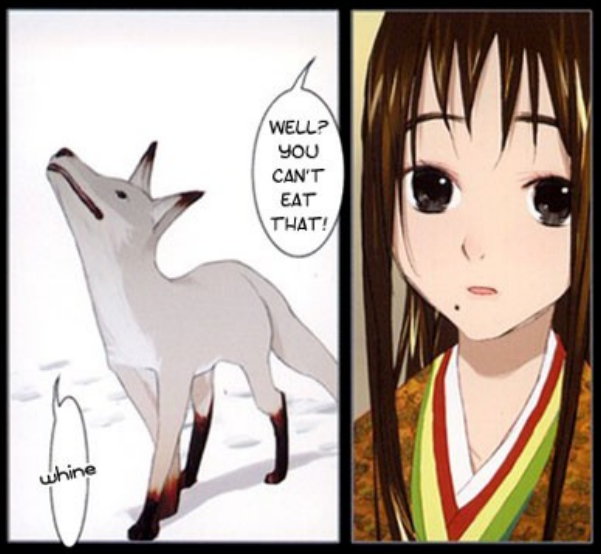

松ノ月

And even further in the past,

at the time that Kiri-hime and Izuna first met ...

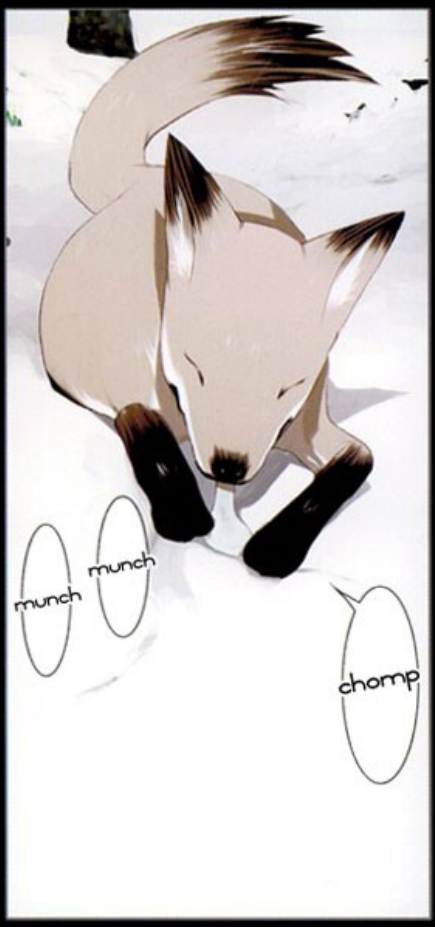

FU FU FU

The fox has been returning daily ever since,

And the morning, with the last heavy snow...
OH! A KITSU-NE!

WON'T YOU RUN AWAY?

The kitsune followed Kiri-hime to her home.

Thus Izuna easily kidnapped Kiri-hime from the kitsune's side.

HMM...
AND IZUNA IS CUTE...
WHAT!
KIRI-HIME'S BREAST'S SURE HAVE BECOME BIG.
The kitsune came back and thought,
Kiri -hime loves Izuna.
I am a fox,
and the fact she doesn't love me can't be helped.
However,
If I looked like the one she loves,
We'd probably be able to be together more...
I want to be-come Izuna.

OF WHAT IMPORTANCE COULD THAT BUSINESS BE FOR HIM?
I DON'T GET IT!
About this time, the kitsune had morphed into Izuna by using a mirror and was going to meet Kiri-hime.
WHY AM I RUNNING AWAY, I WANTED TO SEE HER...

The kitsune tore Izuna to pieces,
and then,
he became Izuna.
Several days passed.
HEY, IZUNA,
WHAT WAS THAT BUSINESS YOU WERE OFF TO BACK AT SAKURA BLOSSOM VIEWING?
FU FU!
NOTHING MUCH.
For about half a year since that day,
never has Izuna left his beloved Kiri-hime's side.
IZUNA WON'T DECEIVE HIME ANYMORE!
AS I AM THE REAL IZUNA NOW.
He was happy,
Until the day...
The ogres were killed ...

藤ノ月

While wandering aimlessly, they reached the capital.
but lost the demons' smell.
Izuna and others went on a journey to crush Kiri-hime's foes,
She wanted to always play with Izuna.
THIS IS BEAU-TIFUL!
WAH! IZUNA -SAMAA~
Yet, the kitsune was thinking it'd be better if Kiri-hime wasn't found.
UH...
YOU WERE DECEIVING MY OLD MAN!
HOW DARE YOU!
GIVE THE MONEY YOU'VE TAKEN BY DECEIT BACK!

IT'S YOU! THE SLUT THAT HAD KIRI-HIME'S FACE!

Kiri-hime, the Izuna's bride, was kidnapped by ogres on the night before her marriage,
slain and thrown into a river.

But I know that you are the real Kiri-hime.
Because the heartbroken Izuna's relatives who wanted to cut all the links with you...

As soon as Kiri-hime could walk, Izuna left the capital.

The kitsune was just... watching and feeling hurt.

The kitsune was running aim-lessly, just to get farther away...

Then, when the kitsune grew tired and finally took a nap...
...SSH-SSH-

SO, FOX STEW TONIGHT?
WHAT A SLOW-WITTED FOX!

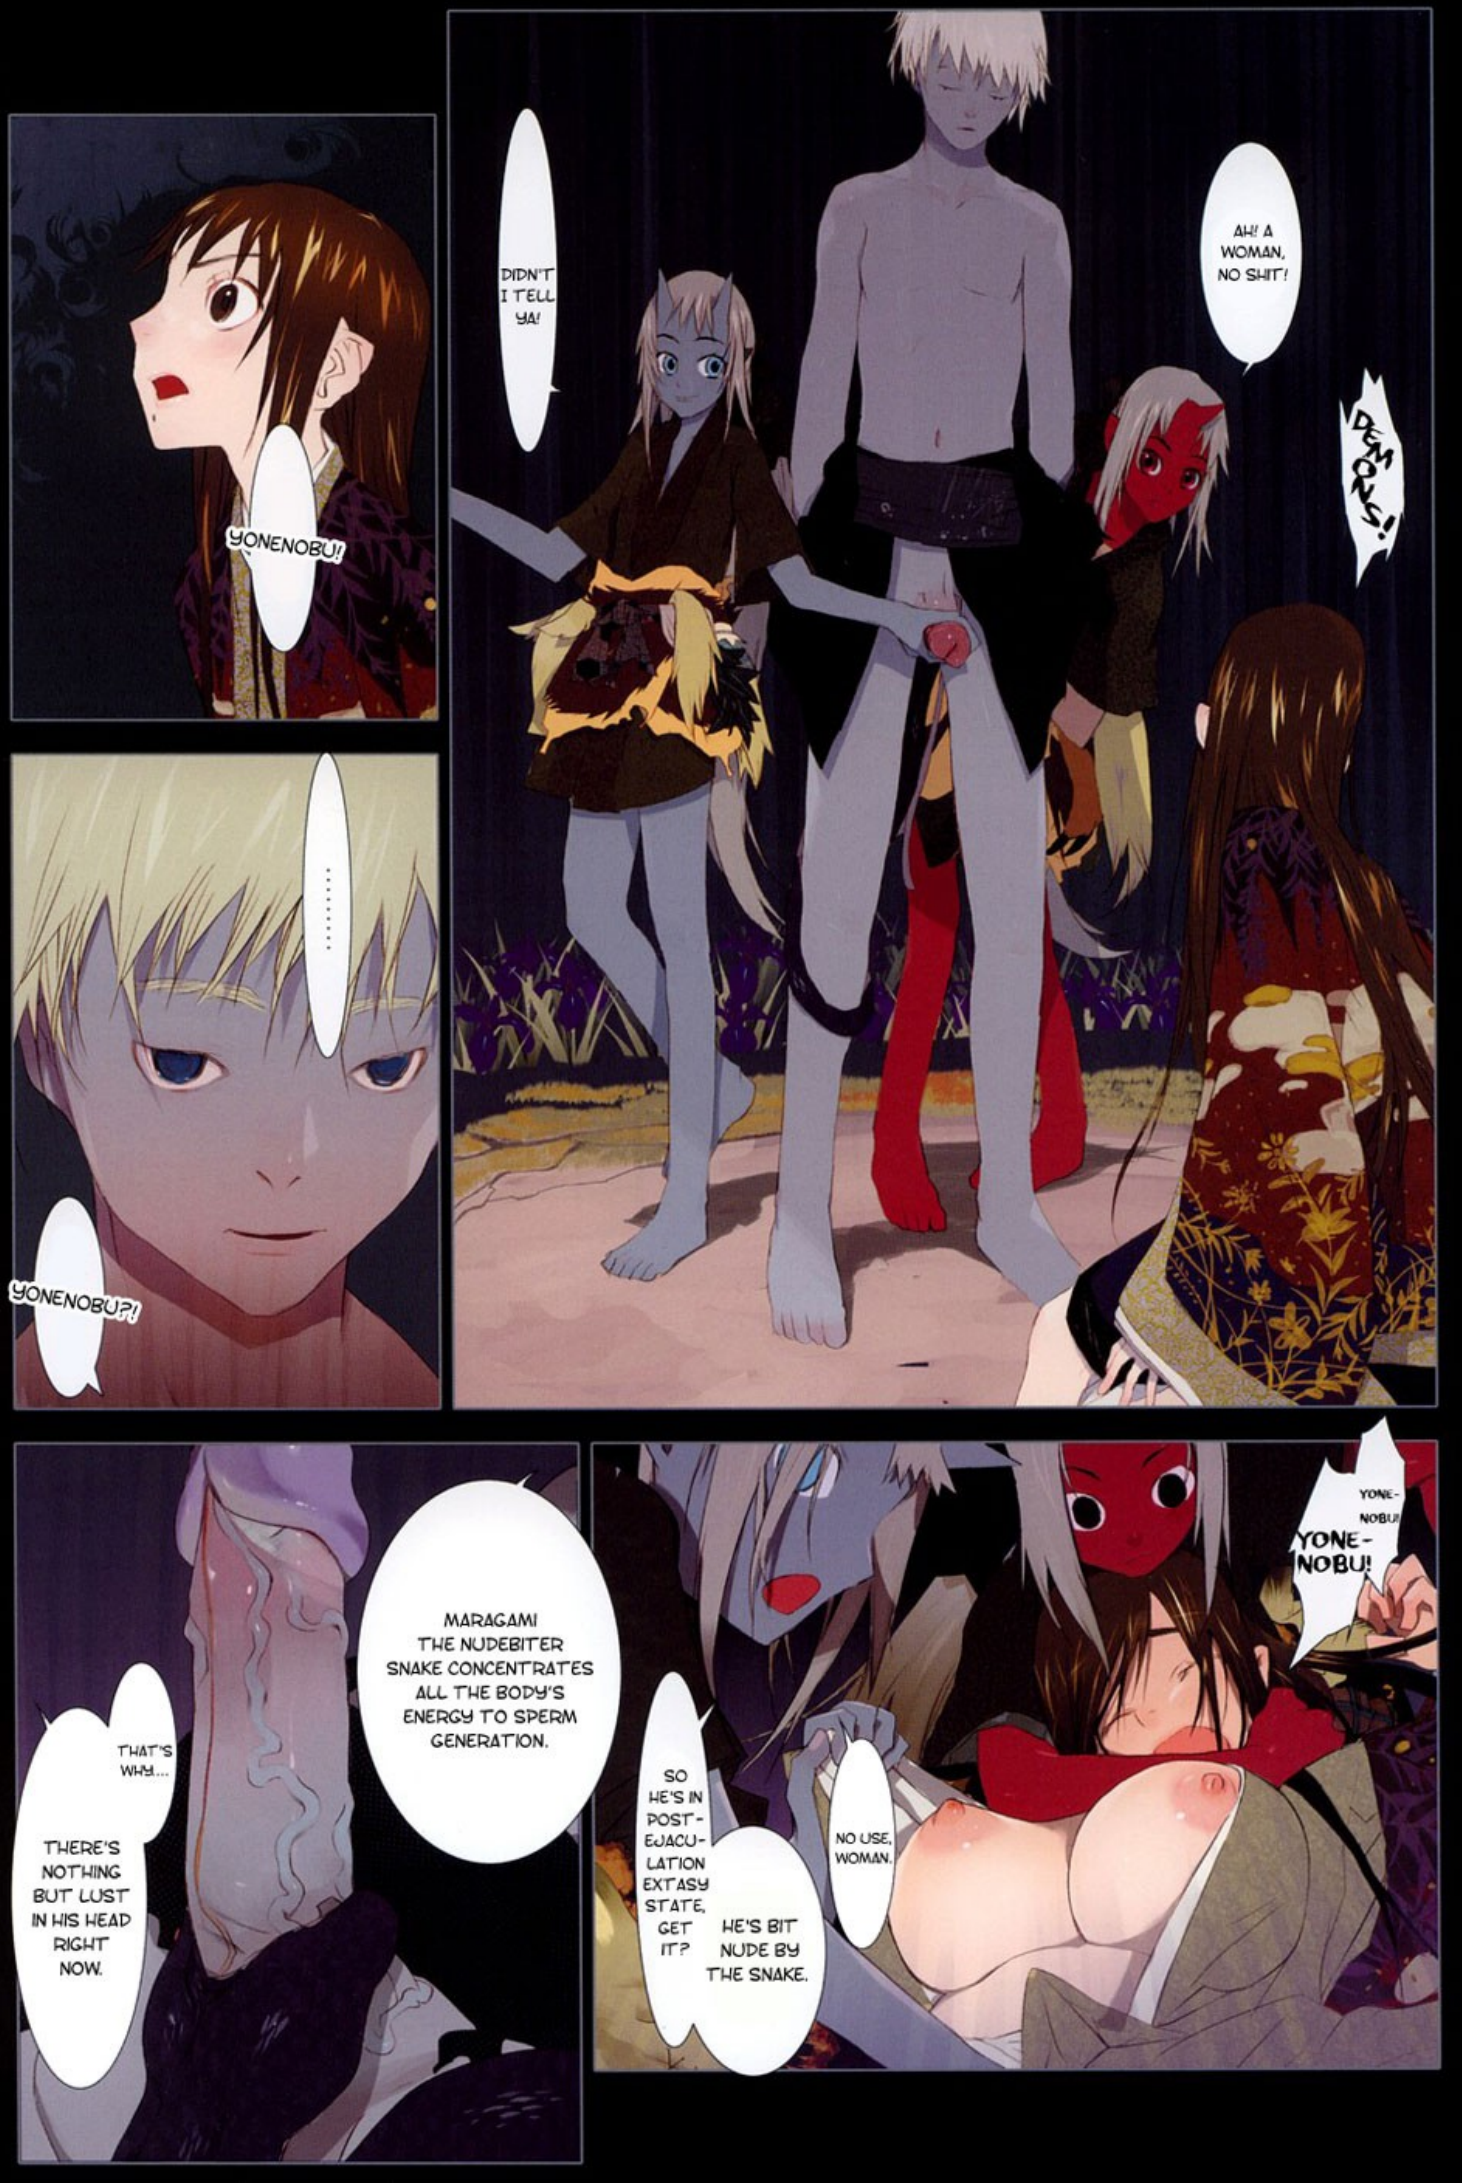

AND HO!

During that,
Izuna, who didn't know what just happened, listened.
About what happened when Kiri-hime was kidnapped,
About the facts being not like that.
About her not having been kidnapped, but simply betraying Izuna and running away with another guy...
ARE YOU SURE YOU CAN RUN AWAY WITH ME?
YUR
YONENOBU,
I'M HAPPY THAT YOU CAME TO KIDNAP ME.
And about the actual beloved of Kiri-hime...
HEHEH!
CHANGED YOUR MIND?
Izuna hadn't even heard his name before.
That man was a wood-crafts-man.
HIME, YOU'RE ALWAYS SAYING THAT I'M A COWARD.
THAT IF I HAD REAL FEELINGS TOWARDS YOU, I'D DO ANYTHING.
YUR. THANK YOU.

WELL, I'LL GO FIND SOMETHING EDIBLE AND RETURN, OKAY?
PLEASE WAIT FOR ME.

But despite how long she waited, Yonenobu never returned.
I WILL.

Then, at night...

Tired of all the walking, Kiri-hime nonchalantly dozed off.

Never did Kiri-hime talk to Izuna for that long.

KIT'SUNE'S NOT HERE.
...DID SHE LEAVE ...?
HEY!
HEY, KIT'SUNE!

AT LEAST SAY SOMETHING BEFORE YOU GO...
Izuna felt lonely.

After a few days passed ...
Izuna wanted to find the kitsune,
but for the sake of Kiri-hime, for the sake of Yonenobu's rescue, he made it his aim to defeat the ogres.
Probably, he didn't want to betray his old feelings...
He felt a familiar smell at a river bank.
The strong and pungent smell of a fox skin wrapped around a demon's hips.
THE KITSUNE'S SCENT WAS THERE...
A DELUSION MAYBE...

Watch us r4wk! The first explicit hentai that our group has released, and one with a pretty atmospheric art, at that. This was a great ukiyo-e revival, man. (Magenta p○n○s out of question, kthx -.=') The confusing plot was exactly to my taste, if a bit shallow... Ah well, this is fap material after all, so I'm thankful for what it has. Cherry part had put me through one hell of a time, though. Fancy seeing that AND translating... Ew. Well, take it easy, Dear Customer :3
- Kaens

Well, it's taken a while to get this out (has it REALLY been eight months since we decided we'd pick it up? that can't be... *Anath goes to mess with the calendar*) Anyways, after much trials and tribulations, we've released this... though I can't say I'm too happy with all the sex, the artwork is rather nice *is attacked for obviously not liking hentai*. Hmm...what more to say? Nothing else I can think of, so I'll leave you to your viewing/reading/fapping pleasure (oh, and DO enjoy those strangely colored penises while you're at it, just ignore what Kaens says >_>).
-Anath

You read those credits up there? Those are filthy lies, I did NOT help editing Hanafuda. In fact, Anath is such a jerk, that he actually insisted I will be in the credits. There, believe me!
