

You're Yuuko-san, from the book committee?

I heard from your friend that you could help me with my insomnia, so...

That's right
So, you came for sleep-related reasons, huh

Hold on a sec, I'm getting ready

I have to fluff up the futon

Huh?
Y-your belly is...

Also, "futon?"

EEH!?

Yep
I'm going to let you rest inside my womb

Hau

W-well then,
pardon the
intrusion...!?

You're kidding;
I'm really
going inside!?

Furthermore,
I'm gently
and steadily
entering
Yuuko-san's
belly...

In other words,
I'm being
swallowed
whole by
Yuuko-san?

F-
fierce

There's really
a futon in your
womb!?

Nn~

B-be a little more gentle...

With the futon being warmed up by your body heat and all...

Ah, but once I've seen what it's like inside, it's surprisingly comfy?

But the way I have to contort is a little....

Nah, if you use the pillow and move up here ...

...
Hm?

Well then,
you should
be able
to get
some rest
...

You've
finally
settled
down
huh?

Well,
that
was
fast...

Ah,
somehow
I'm
getting
really
sleepy...

Still, if I
have this
talent,
I have to
use it...

Return
these
in two
weeks
please

Wait, I'm
in the middle
of my shift!!

I gotta get
back to work!

End
