I think
you're a
little over-
excited,
Marina.

Hey,
now...

Pick up my
clothes~!

Would you
be so kind
as to try it
and give me
your impres-
sions?

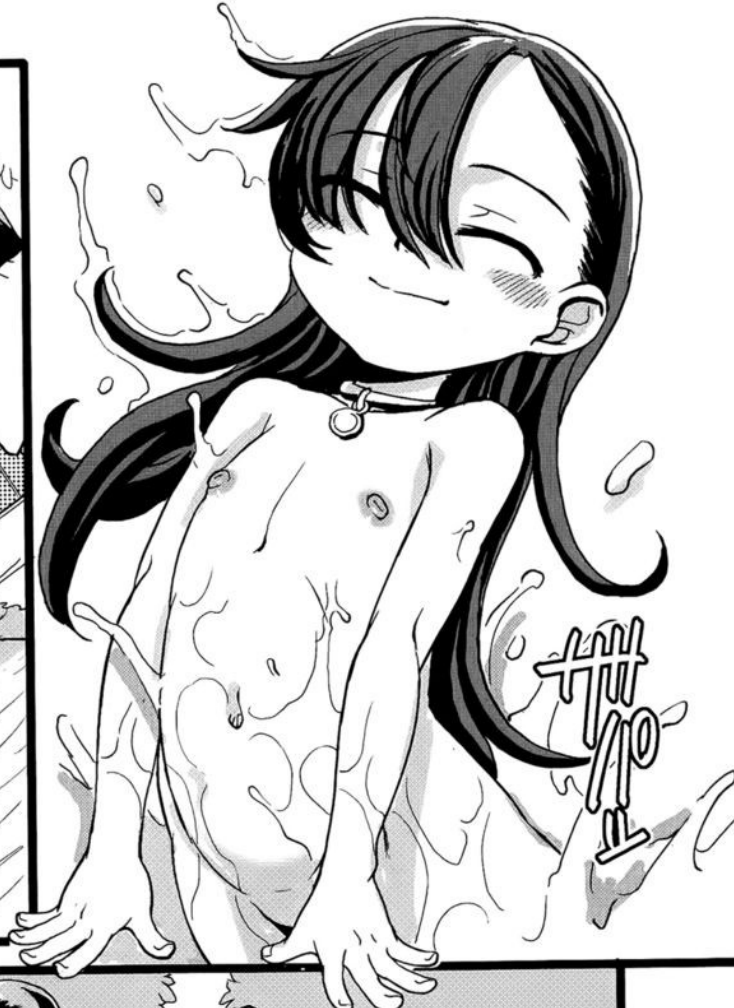

Oh!

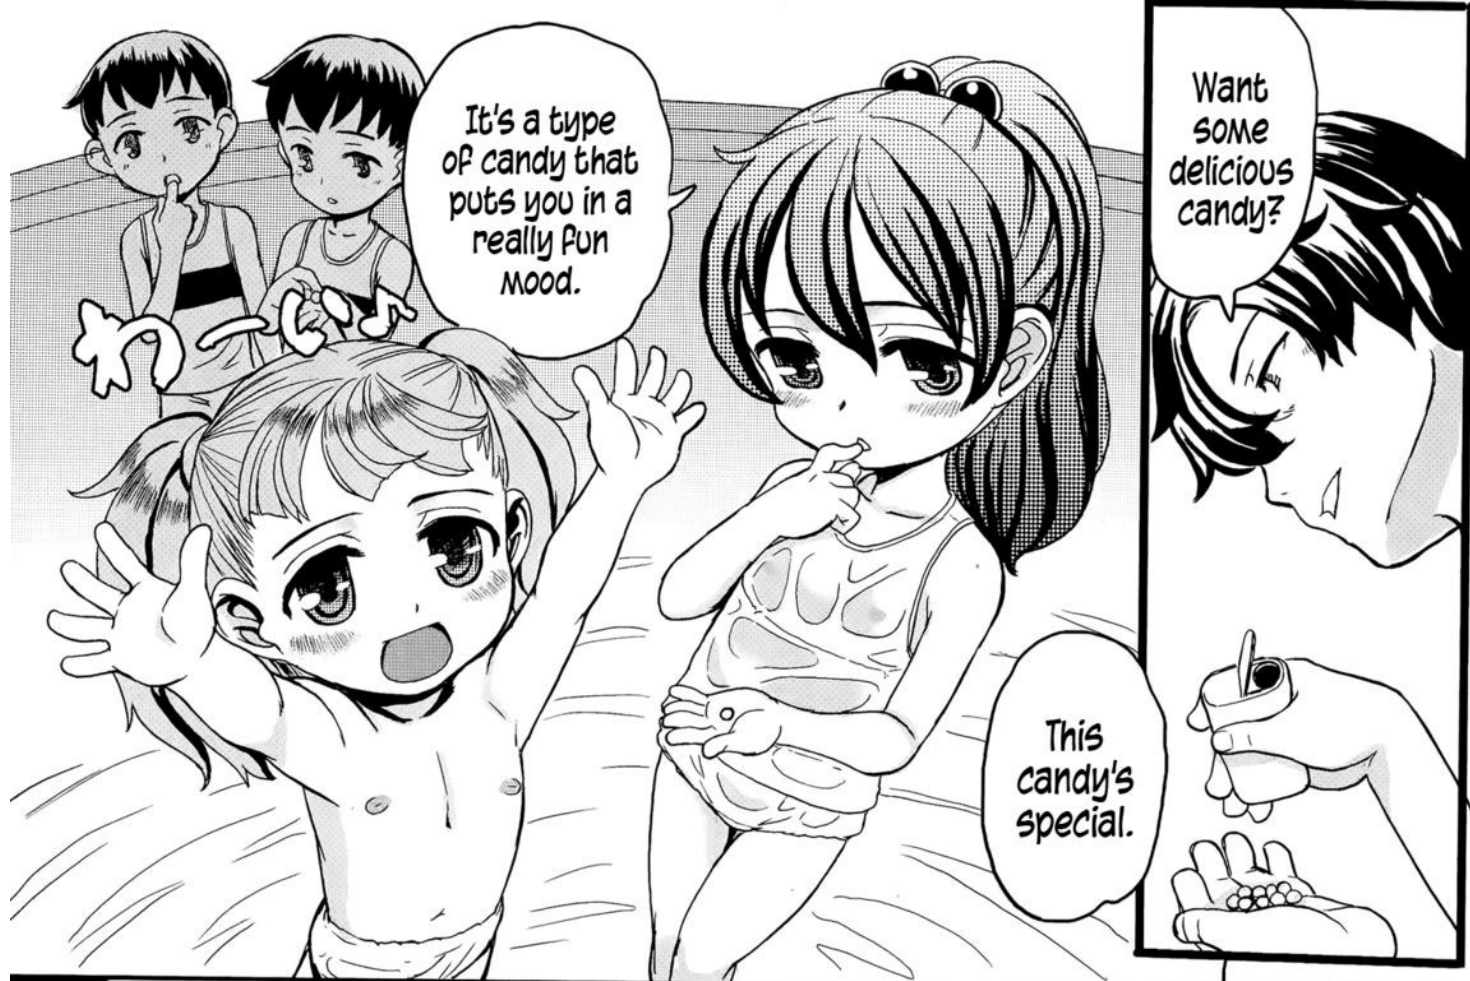

This is a
new energy
drink my
company's
created.

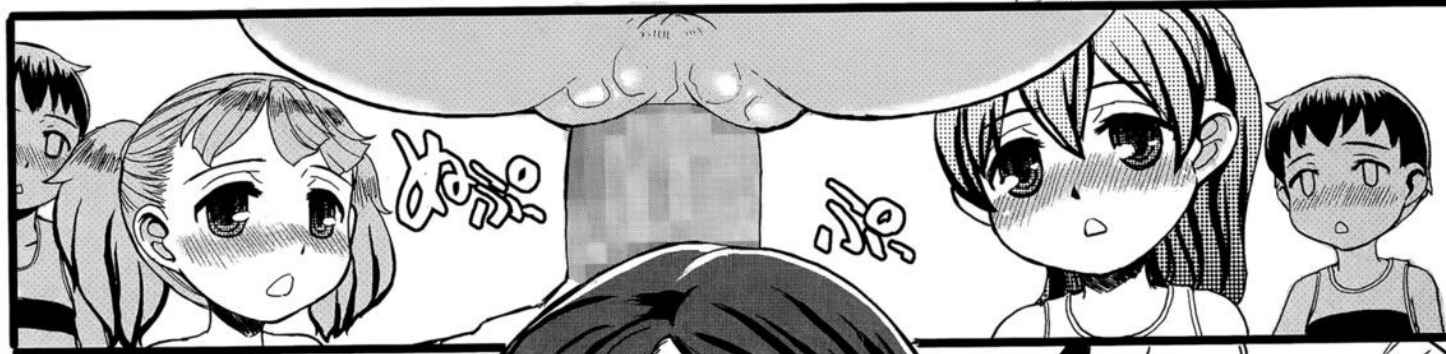

I'd say,
UFUFU.

You have
a very lively
daughter.

Haha,
thank
you.

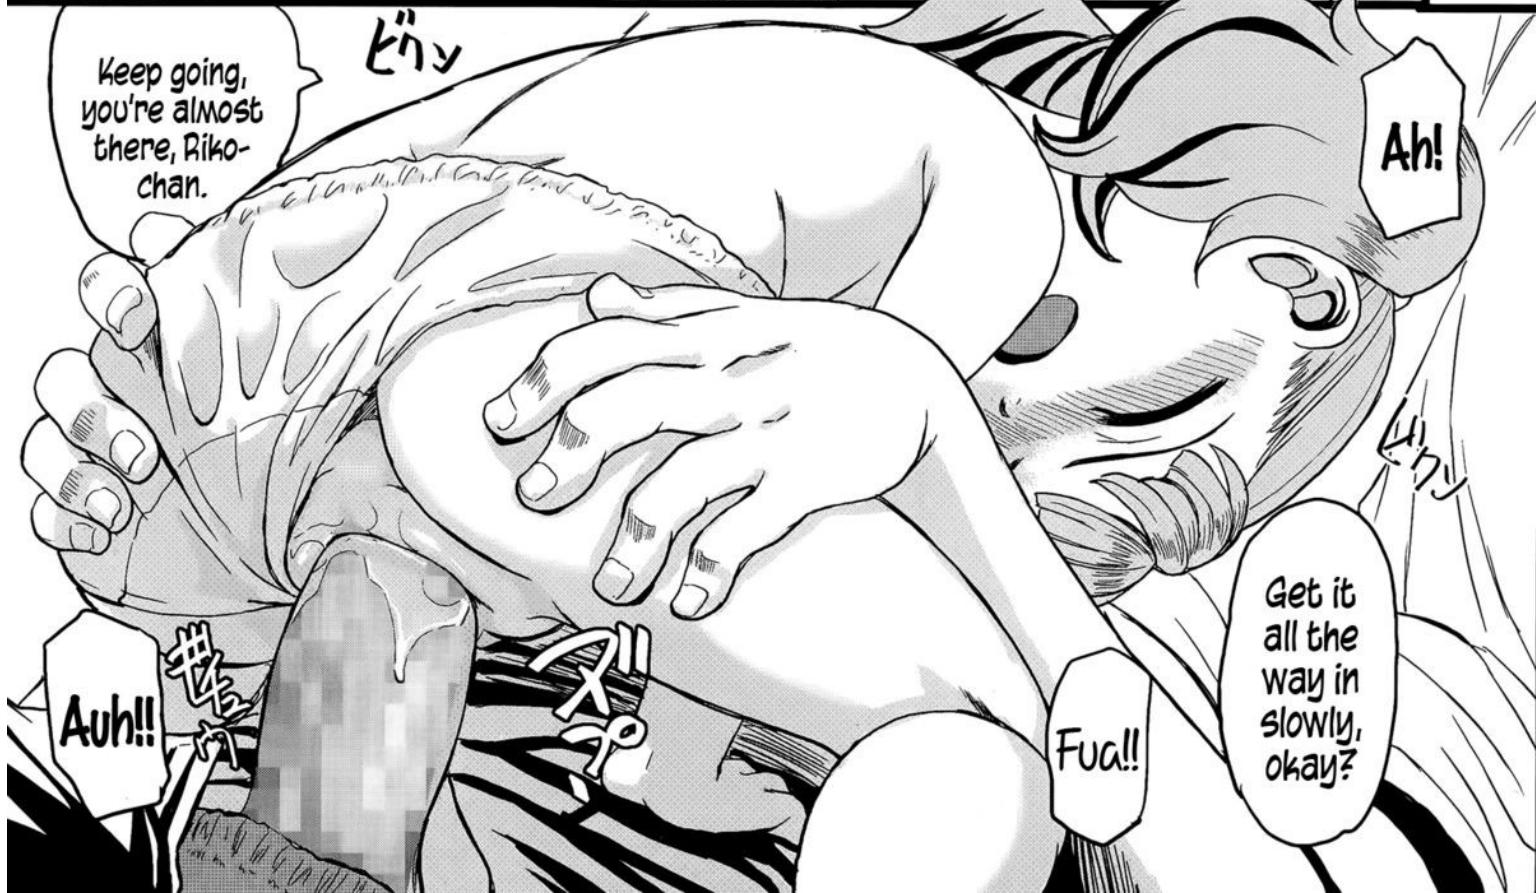

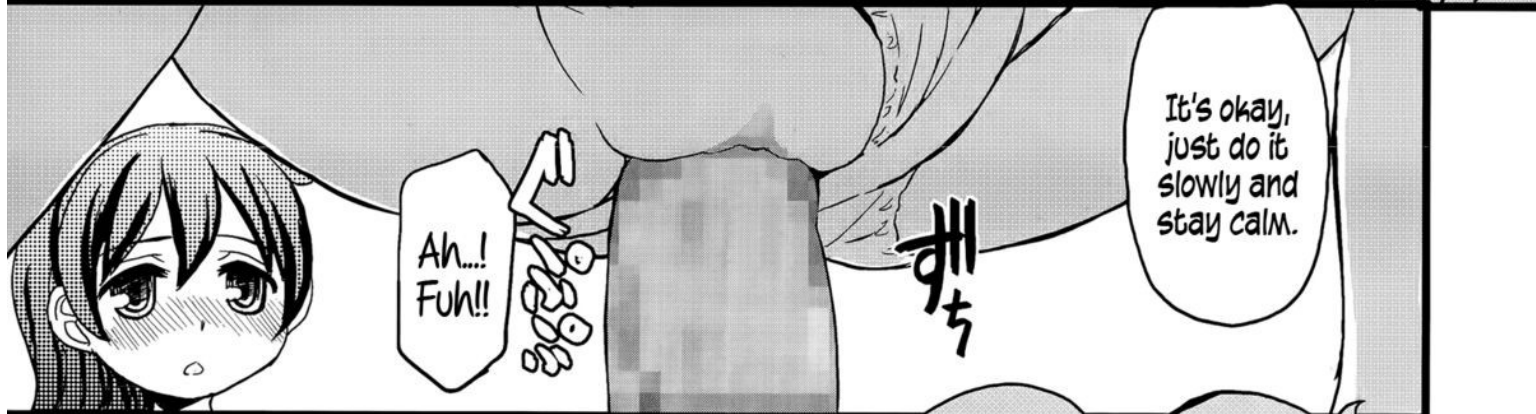

I'm going to start moving a little, can you take it?

Ah! Did I hurt you, Riko-chan?!

Is this your limit? You did very well.

The candy must be doing its job, then.

Then let's try moving slowly, okay?

...Yeah.

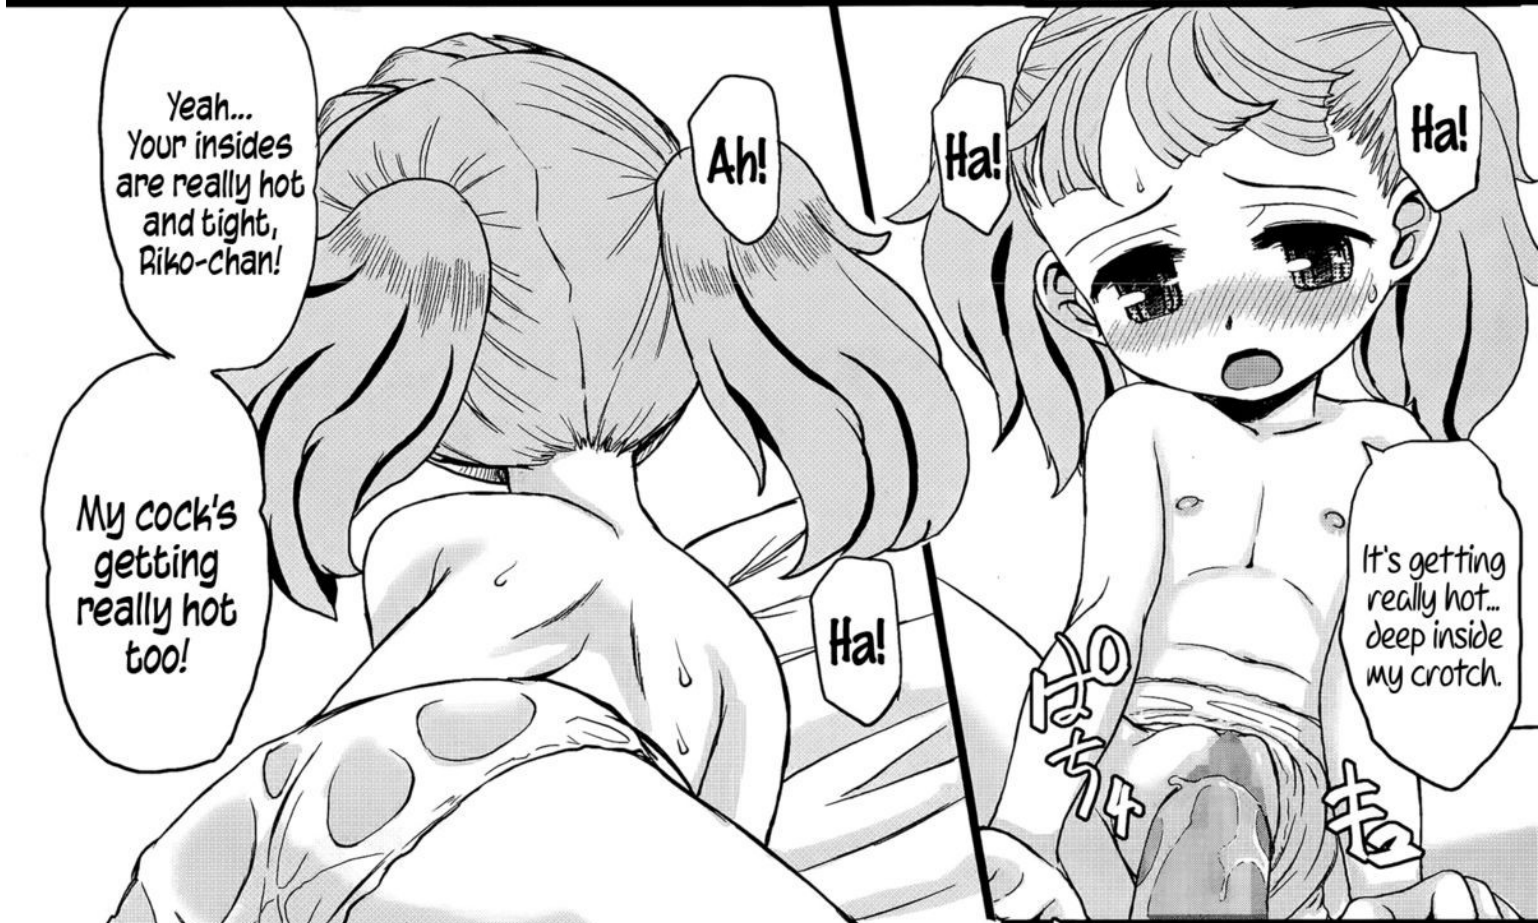

It's just... it feels really tingly above my crotch...

I'm being a

but you're

Maki-chan?

See?
It feels

C'mon, Maki-chan, suck up all the leftover semen.

Hm? I wonder.

Is that YUMMY?

Riko-chan, do you wanna try this huge candy too?

Yeah! I do!!

That's it, you're really good at this, Maki-chan.

Later! Byebye! I had lots of fun!

You're gonna have to play amongst yourselves now.

Goodbye, kids, we have to go now.
