

Don't be like that, just try it out, actually look like a girl for once.

After all, you are one, Nao.

I Tried Raping Nao-kun

You don't *actually* expect me to wear something that embarrassing, do you?!

でも本当はオトコなのよ!?  
カチンカチン!!

Sheesh!

Just let it go already, Hiroshi-nii!

Nao's my cousin, and she's always like this.

I like my clothes just fine, thank you!

Huh?!

Even put that on.

If so much as one person sees me as a girl today, then I'll do whatever you want me to.

Fine, if you want me to wear it that badly, then you have to beat me at a game.

Mmh...

Man, she'd look kinda cute in it...

But I know she can't stay like this forever, so...

as her cousin, I'm worried..

I saw you as a girl all along!

'Cause of me!
