MOMOJIRI

That should do it!

I didn't think she'd enjoy herself this much.

Hehe...

I'm glad I decided to bring her here with me.

...Anyways...

The way her wet pareo is sticking to her skin... makes it look even sexier!

Her ass is so wonderful!

That ass is my...

You can rub it, you can smack it! The texture is great for everything!

Despite its size, it still has a wonderful shape!

Yoshi-kun. You were staring at my butt, weren't you?

Geez... I can clearly tell by your face when you're thinking about something lewd, you know...

YESH?!

Can you...

Rub it on my back?

Awright! Leave it to me!

The top's string is in the way, so I'll unfasten it, okay?

Okay.

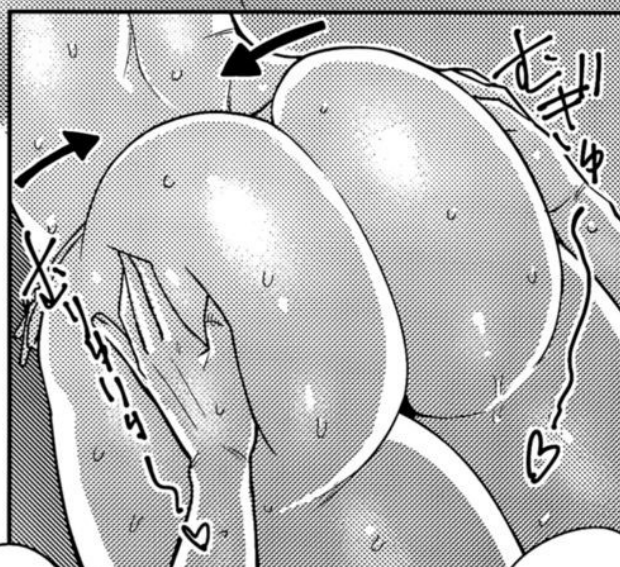

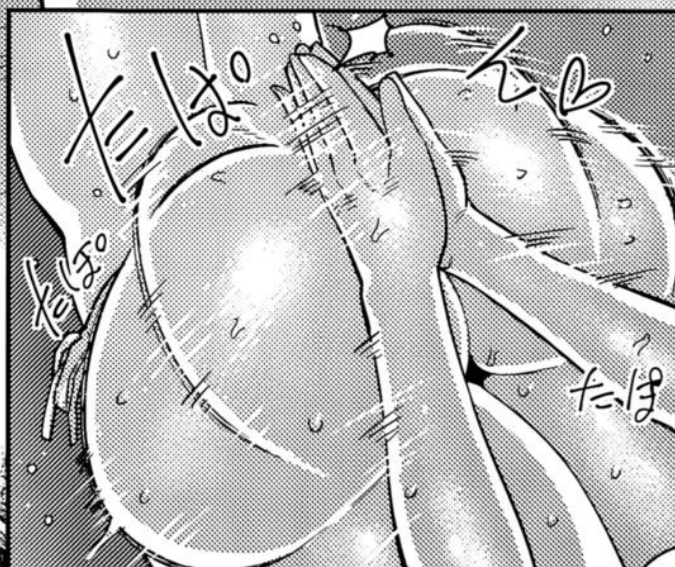

Geez...
You really
love my
butt...

Hehe~
That
I do!

Your butt
is so big
that it
needs time,
Momoka!

...And
don't you
think you've
rubbed it
long enough
already?

The way
you're
touching
it feels
kinda
lewd...

...You
idiot.

Ehh~?
You
think
so?

Stop-
it-!

Ceez~!
People
will see
us..!

Fueh?

a problem!

Yoshi-kun... You really rubbed that sunscreen on me, right..?

あゝく〜

Ceez!

H-Huh..? That's weird... Did it get scrubbed off when we were having sex..?

You have to take responsibility and care for me until the end!

Ceez... Here!
