Nice to meet you I'm Maria

It's true. Just as the president says, Maria C is on fire and is rapidly rising in popularity as a Junior Idol.

She has a charm about her that draws the line between her and all the other idols out there and she's a hot topic with under-15 wota.

Best DVD of the year, right?

Did you see the stain on her panties in the second half?!

She's only in the fifth grade!

Was she actually horny?!

Hah! Hah!

Even though you can jack it just to her face, this thing is just so fucking flabbergastingly perfect!

Buy it before it sells out!

I came buckets

I fapped so hard to her pink nips lolol

Ho! Ho! Ho! Maria-kun, your last DVD was a tremendous hit!

I say, I have never witnessed a rookie with your talent in all my years in this business.

Did you make time in your busy schedule to come see me?

The stain in her panties that becomes more and more pronounced as the shooting goes on...

Those seductive eyes slowly rolling up to look at you as she diligently slides her tongue along the popsicle...

The way she intentionally flashes her naughty places, making you wholly convinced she's trying to lure you...

She's in the fifth grade and she's only eleven years old, but it's like she knows exactly how to play into a man's instincts...

Yes!

Let's keep this energy going and produce hit after hit, all right?

Her every motion is captivating...

And then there's that gap when she shows her innocent smile... It's no wonder her DVDs are flying off the shelves.

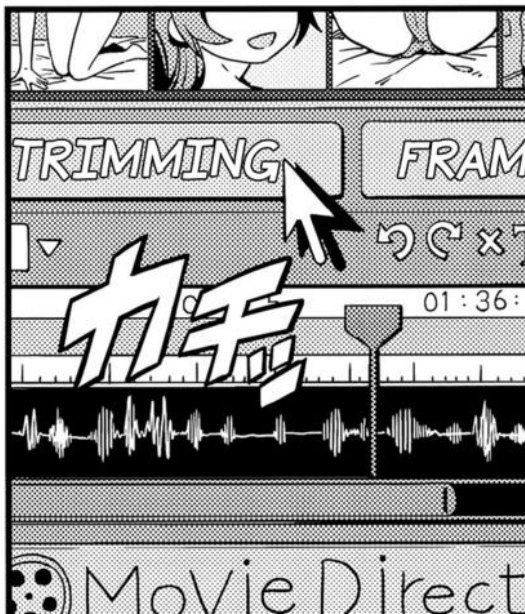

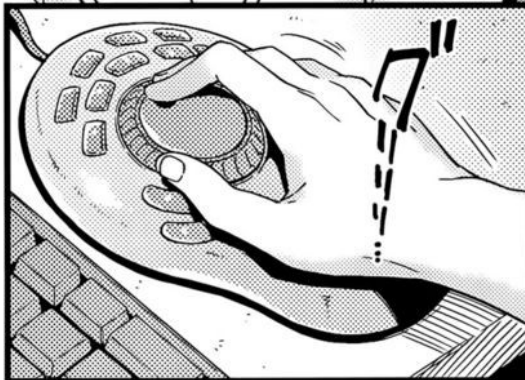

Needless to say, I'm a fan of hers as well.

Maria will do her best!

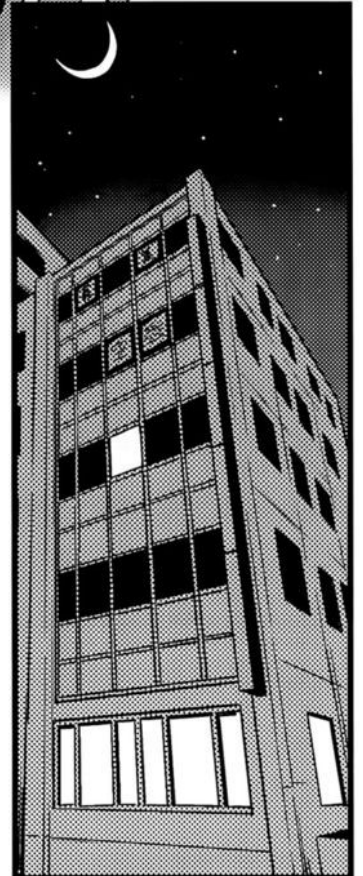

Phew~!

...I'm beat!

Oh, c'mon, everyone's already gone~?

Why do you think No Overtime Day exists, guys~?

M-
Maria C...?!
She hasn't
gone home
yet?

What
on earth
are they
doing alone
together...?

And the
one next
to her...
Is that the presi-
dent...?

...Huh...?
Is someone
still using
studio A?

Screw it,
I'm out too.
Maybe I'll jerk it
to the treasure
trove of Maria C
shots I edited
when I get
home~

I don't
remember
anything in
the schedule
for this
time.

Ehehe!♡
It's only
because I'm
putting the
practice we
frequently do
to work!
♡

I say~!
Today's
shoot was
as splen-
did as
always!
I am
certain
the next
DVD will be
yet another
major hit!

...Fuck!
I can't hear
shit through
this bulky-
ass door...!

Ho! Ho! Ho!
So the fruits
of our labour
are paying
off!

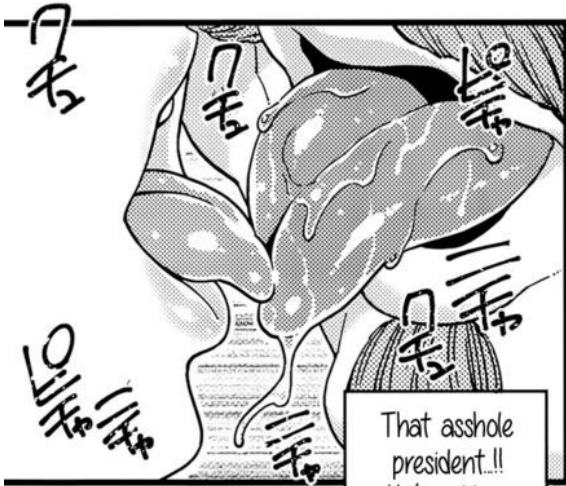

Our family...
can't survive
on just my
mama's salary,
so I have to
do the best
job I can...

Thank
you so
much!
♡

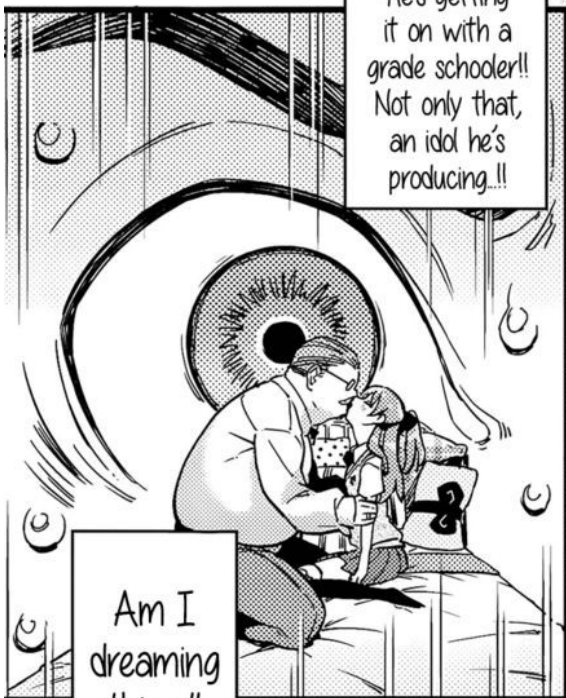

But of course!
The entire reason
we're training so
much is to produce
more content to
sell!

I'll try
even harder
next time, so
please keep
giving me
work~!
♡

That asshole
president!!
He's getting
it on with a
grade schooler!!
Not only that,
an idol he's
producing..!!

Am I
dreaming
this all
up?!

Nh...
♡

Ho! Ho! Ho!
Worry not!
Simply leave
everything
to me!

Wha...?!
You're
shitting
me?!

Ho!
Ho!
Ho!

Yesh...♡
I'll... gihe
ih my all
ah my
joob...
♡

This is an
important
part of your
job. Your
mother said
so as well,
right?

The people
who buy your
DVDs all want
to see these.

Have
you been
indulging
them?

I have!♡
Even in today's
shoot, I gave
them lots of
glimpsees!
♡

Aah!
This swim-
suit looks
perfect
on you.

And hidden
under it, are
your tiny,
pink bumps...

But...!♡
I can't help
but remember
the things we
do, Mr. presi-
dent!
♡

I see that
lately, you've
been getting
wet during
shoots!

Ooh?
Ho! Ho!
Ho!

Ho! Ho! Ho!
Seems your
swimsuit's
already has
a bit of a
stain!

Eep...
Please don't
mention it!
♡

Don't tell
me she's...
sleeping her
way to the
top!!

Maria C of
all people?!
With that fat
bastard of a
president...?!!

D-Don't
suck so
haard!
♡

God damn it...!
And all I ever
got to do was
jack it to her
Image Videos!!

Ooh...!
This smooth
as silk mound,
without even
the slightest
hint of hair...!

It is truly
beautiful...!
Even the most
precious jewel
can't hope to
compare!

Nh...!
Nh...!

Gingerly,
like you
cherish it.

Now... Slowly,
starting from
the bottom
and all the way
to the top.

All right,
it's time to
practice
ice-cream
licking.

Oh, I love
practicing
that!
♡

Pay special
attention
to the
glans.

And let
your drool
freely
flow.

Here it is!
Maria-kun's
favourite
ice pop!

Yh...
Yesh...!
♡

Don't forget
to look up at
the camera.

Aah...!
That's my
Maria-
kun...!
I'm cum-
miiiiiiiiing!
Mariaa~!!

Now I get it.
The way she
used her tongue
during shooting...
Those upturned
eyes...

She
must've
learned it
all from
the presi-
dent...!
That pig
bastard's
the sleaz-
iest pile
of shit!

Mis...
Mr. president,
your milk...
tastes really
good...
♡

Ho!
Ho!
Ho!

Ha...!

Maria-kun,
will you be
so kind as to
make me feel
good today?

Now
come
here.

Damn iit...!
What the
hell... should
I do?!

Maria C had...
such a blank
expression...

Aah...!
♡

Come on!
One more
push!

Ooh!
My glans
slipped
inside!

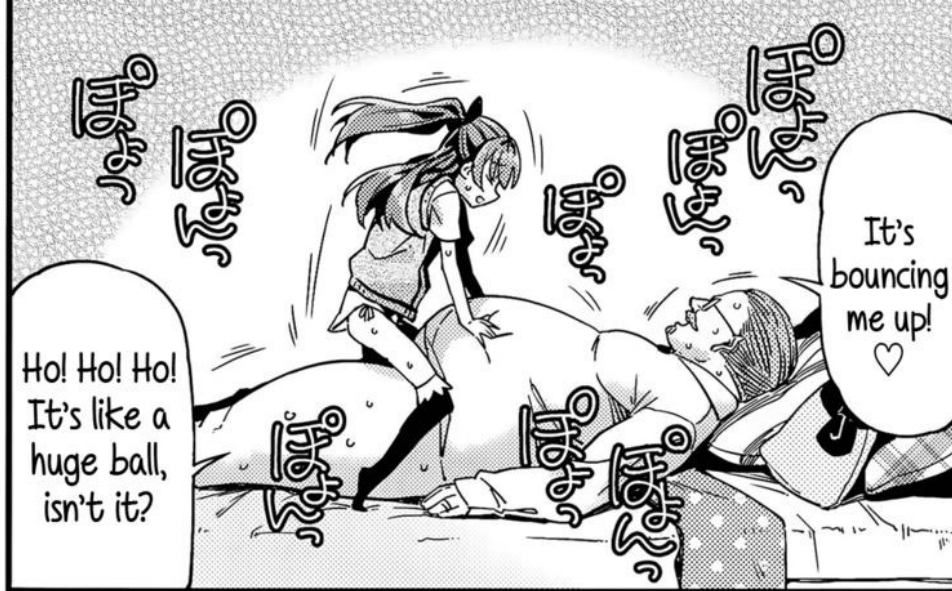

Yes.♡
Maria will
do her
best.
♡

Nh...
♡

D-Did
she not
notice
me...?

Good.
Mix our
love juices
together
well.

It's...
all the
way iin!
♡

Ho! Ho! Ho!
It's like a
huge ball,
isn't it?

It's
bouncing
me up! ♡

Aah...
Your belly's
so great, Mr.
president... ♡

Let's make
the next DVD a
"Balance Ball
Special"!

Eureka!

This
is kinda
fun!
♡

Ah!
Ahn!
♡

Practice
moving your hips
on my belly as
you would on a
balance ball!

Ho! Ho! Ho!
Oh no! The
ball's about to
escape from
under you~!

Dare I
say it, having
sex in a film
set is the
greatest!

Maria C...!
I'm sorry...!
I'm so sorry...!!

Little
do any of
your fans
know
that
you're being
rammed in
this very
studio!

I can't!
move any-
more...
♡

Mr. president!
Your dick!♡
feels too...
good...♡

This is
only practice
but your hips
are already
slacking!

What's
wrong?

is in dire
order!!

It seems
more!

I'm filming Maria C once more today.

With the memory of that scene still fresh in my mind.

We got some great film again this time!

Man, Maria C's such an impish grade schooler.
