

GULLIVER.ZHOU

CHAPTER 2

VIVIAN

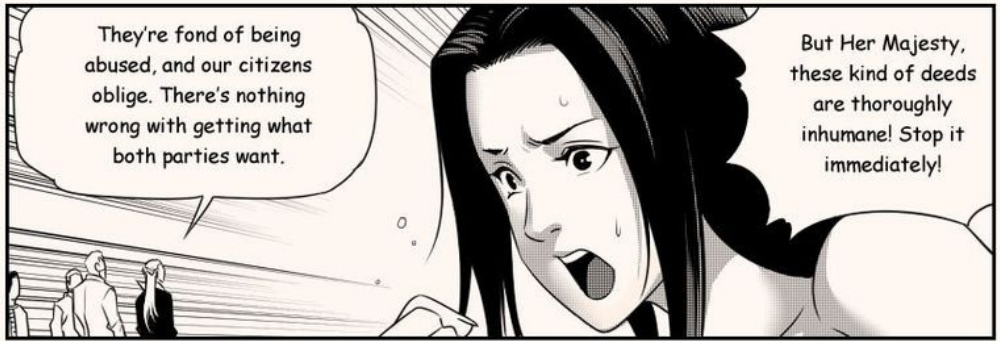

GULLIVER.ZHOU

CHAPTER 2

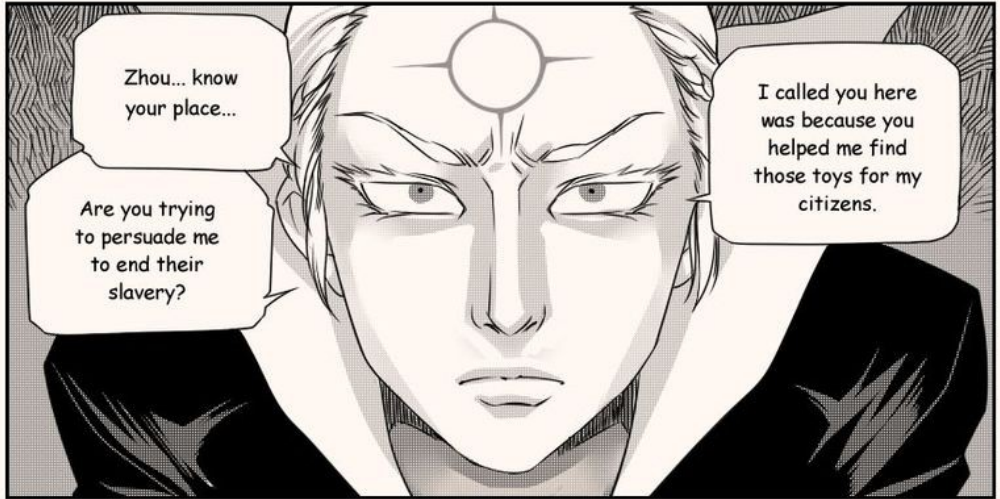

They're indeed inferior to livestock, which have mating seasons. However, look these mega creatures.

They're fond of being abused, and our citizens oblige. There's nothing wrong with getting what both parties want.

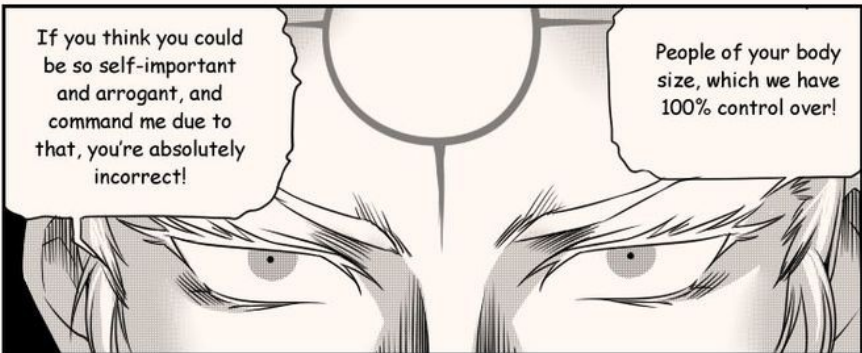

But Her Majesty, these kind of deeds are thoroughly inhumane! Stop it immediately!

Zhou... know your place...

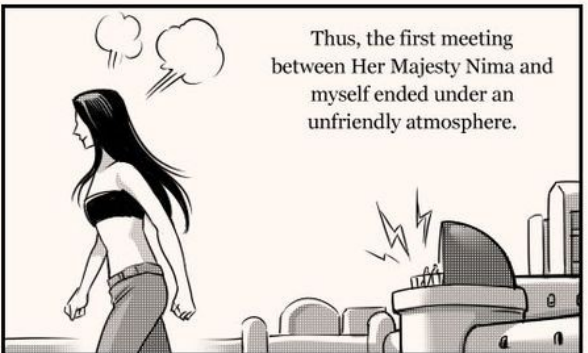

Are you trying to persuade me to end their slavery?

I called you here was because you helped me find those toys for my citizens.

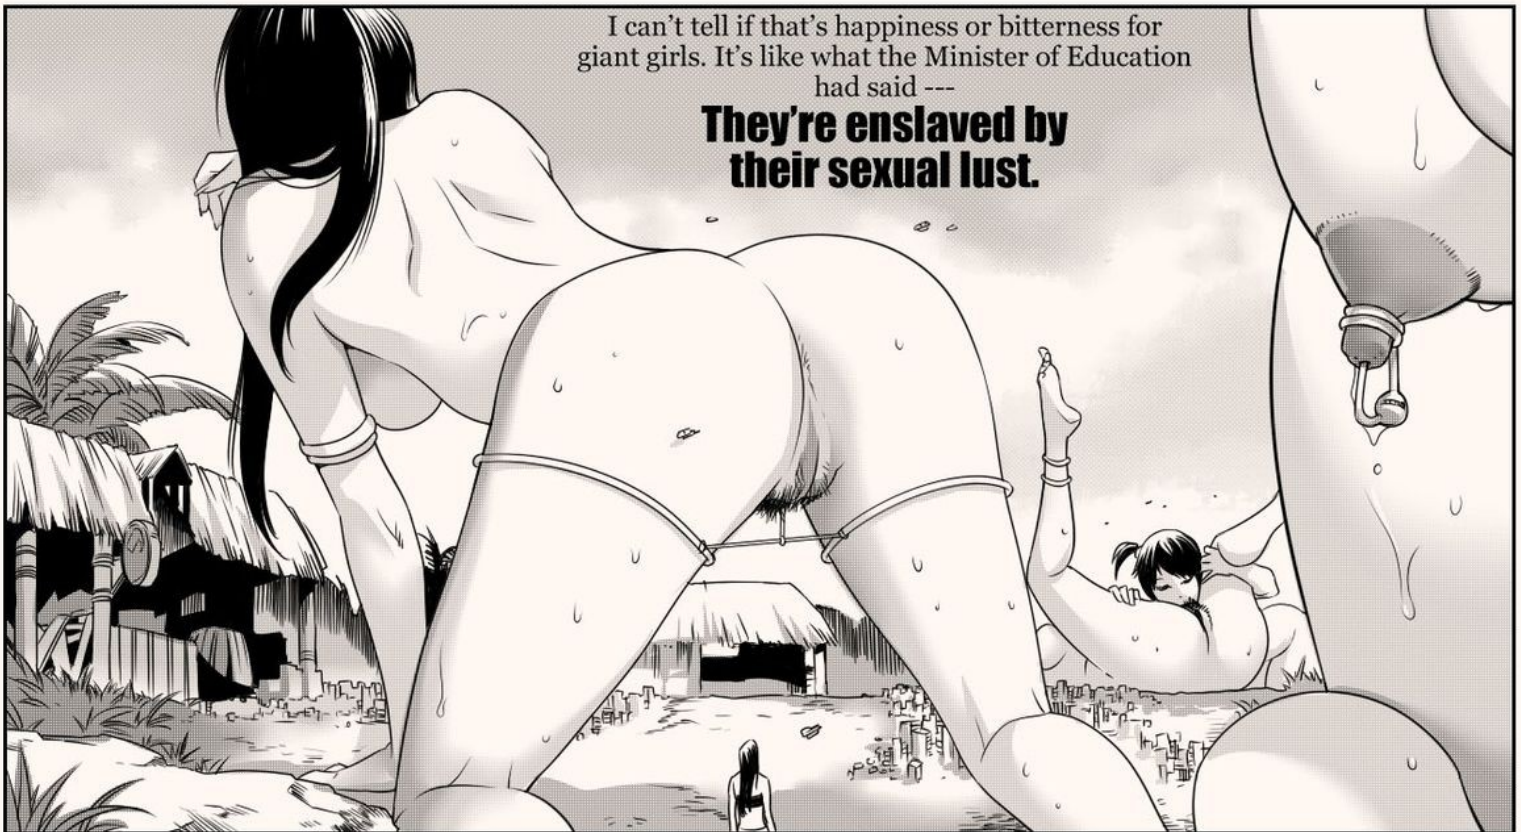

If you think you could be so self-important and arrogant, and command me due to that, you're absolutely incorrect!

People of your body size, which we have 100% control over!

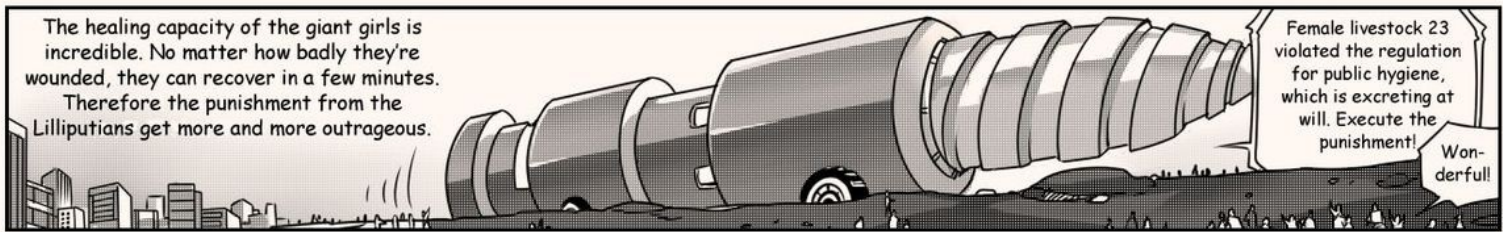

Thus, the first meeting between Her Majesty Nima and myself ended under an unfriendly atmosphere.

I can't tell if that's happiness or bitterness for giant girls. It's like what the Minister of Education had said ---

They're enslaved by their sexual lust.

The healing capacity of the giant girls is incredible. No matter how badly they're wounded, they can recover in a few minutes. Therefore the punishment from the Lilliputians get more and more outrageous.

Female livestock 23 violated the regulation for public hygiene, which is excreting at will. Execute the punishment!

Wonderful!

Coo...

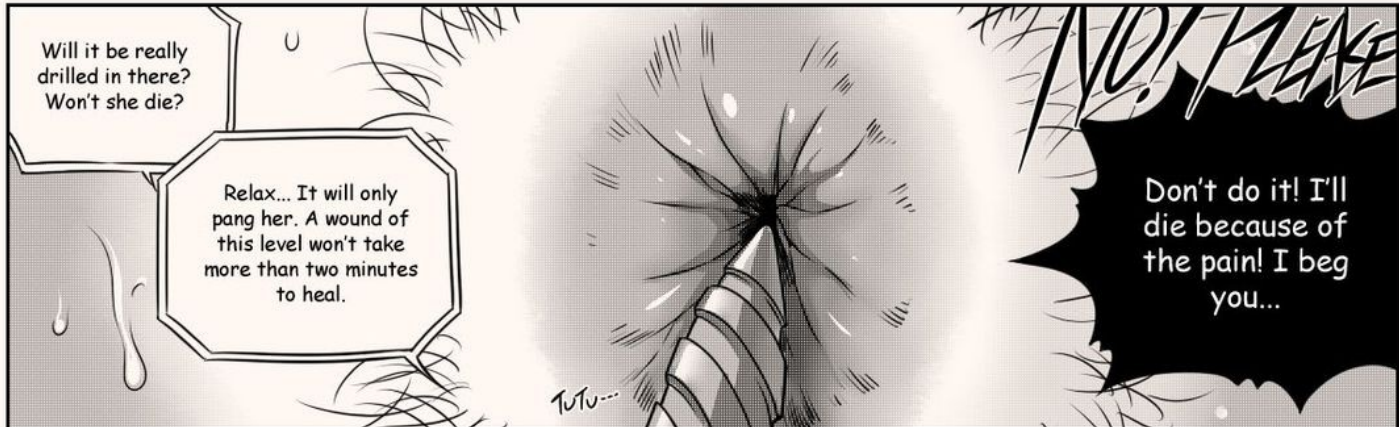

No...

Tutu...

Yet I can't help her. All I can do is watch.

Let me go! I won't do it again!

Will it be really drilled in there? Won't she die?

Relax... It will only pang her. A wound of this level won't take more than two minutes to heal.

NO! PLEASE

Don't do it! I'll die because of the pain! I beg you...

Drill it in!
Drill it in!
Drill it in!

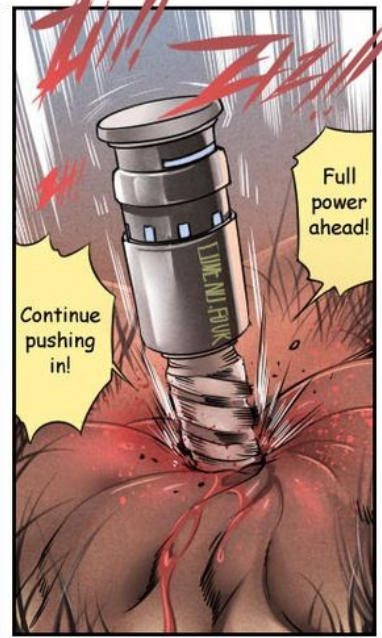

Wah
ah ah
ah ah...

Ouch!
Ouch! Stop
it right
now! Ah ah
ah ah...!

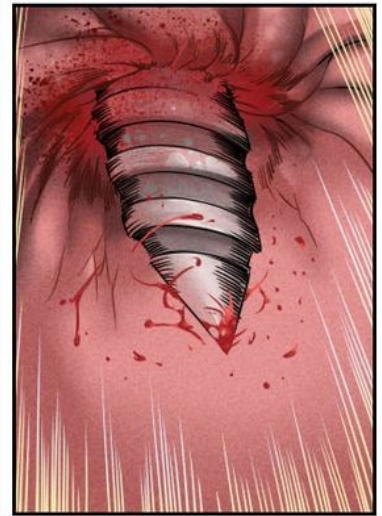

Cracked! It will crack... Ow ow ow ow...!

Full power ahead!

Continue pushing in!

Even if she dies from the pain, she won't resist the punishment. That's how strong her servility is!

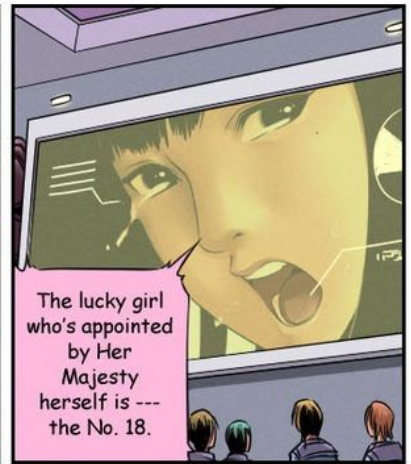

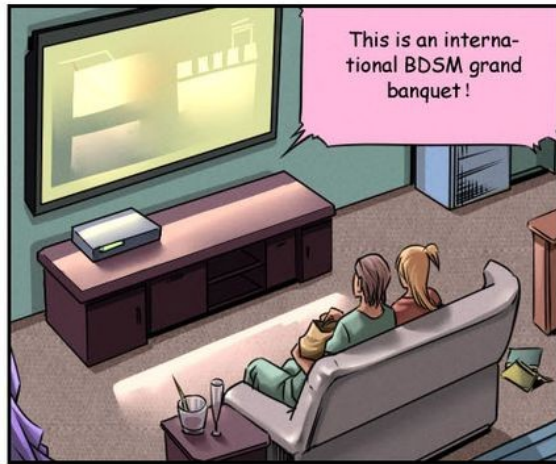

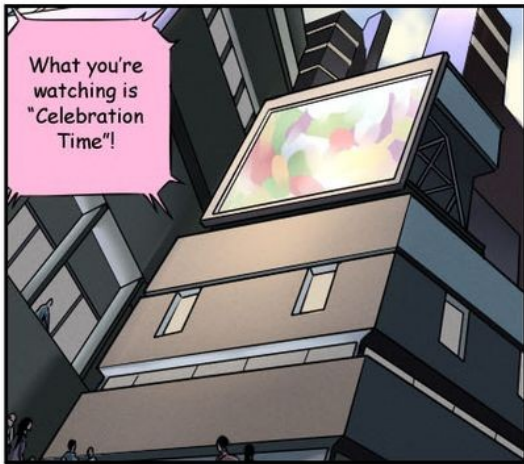

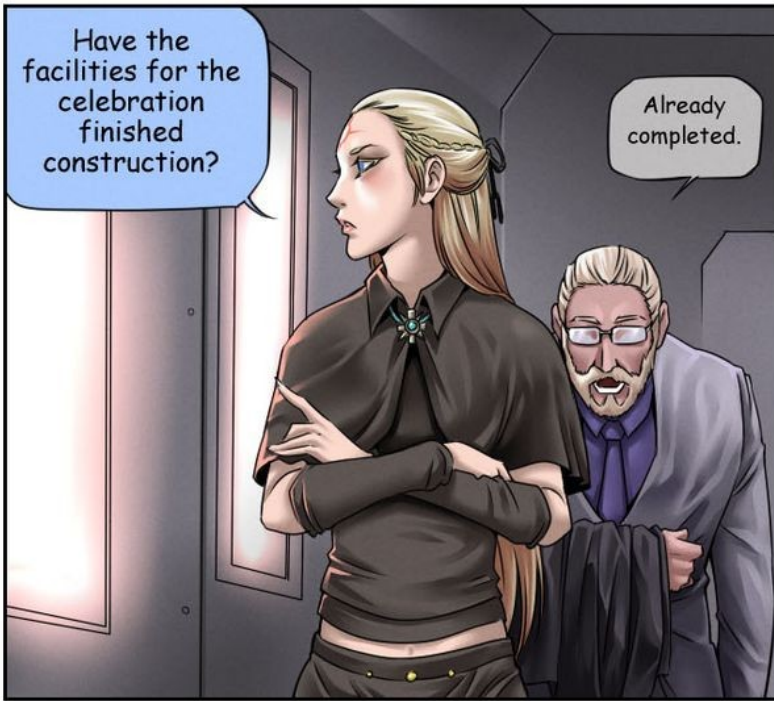

"Celebration Time" begins. Have the heads of the other 14 countries received our invitations?

Yes, they all will come tomorrow.

Good. Our country's reputation will get a huge boost...

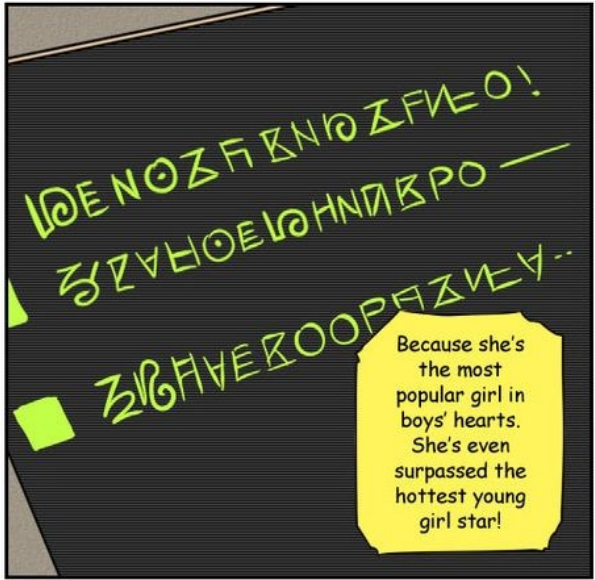

This even is hugely popular. Lots of net friends are participating in it.

A net friend asks: "Why is Deborah called 'the enemy of female students'?"

ΙΘΕΝ ΟΖΓΚΝΙΘ ΖΓΚΛΟ!
ΖΖΥΗΘΕΙΘΗΝΙΒΡΟ—
ΖΙΓΗΥΕΡΟΟΡΡΑΖΥ—

Because she's the most popular girl in boys' hearts. She's even surpassed the hottest young girl star!

But what a pity!

"Deborah Protection Prohibition" says citizens aren't allowed to go into Deborah, and to get close within 20 cm is already violating the law.

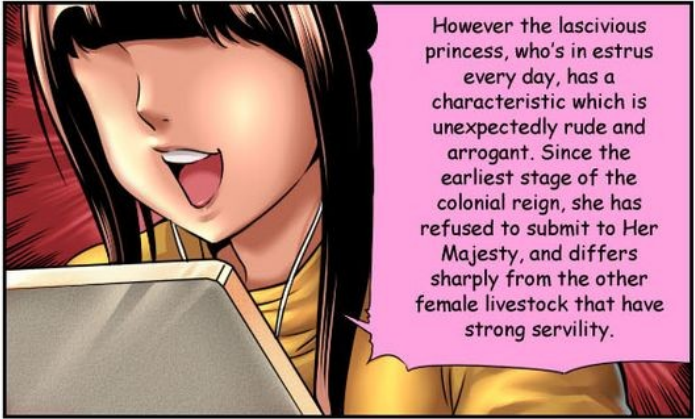

I have no idea... That's what Her Majesty commanded directly.

Deborah is the princess of this tribe. Her body size is bigger than the other girls, and her sexual lust is greater as well...

The groaning when she's reaching orgasm sounds super nasty...

However the lascivious princess, who's in estrus every day, has a characteristic which is unexpectedly rude and arrogant. Since the earliest stage of the colonial reign, she has refused to submit to Her Majesty, and differs sharply from the other female livestock that have strong servility.

The video could be played now.

Video playing count-down ready, 5, 4,...

Let's replay the behaviors of "the enemy of female students" Deborah in the early stage of colonial reign.

Dirty gal, submit to Her Majesty quickly! Or else there will be more bitterness for you to taste!

Get lost, you mother fucker!

You can't defeat them, it would be better to...

How dare those grain-of-sand-size beings command me to... If I didn't happen to the time that I'm in my estrus, I would trample you to be jam!

All the other girls have submitted, so I would give them the most enjoyable orgasms. To be a painful princess or a happy slave, which would you choose?

Tag her with the sign of female livestock!

Puzi...!

Uuch!

Princess of giantess tribe: Deborah --- 21-years-old, 124.2 meters tall, weighing 22338 tons, serial number of clitoris is 18. Marking complete.

AH AH AH AH!

Scientists will complete the lewdized remolding to your body. Just continue acting up your princess temper during this process!

Ow ow ow, What are you doing in my asshole?! Go away!

After a year's time, Deborah is still persisting a never-submit attitude.

But she seems more cooperative today...

She had her confinement sentenced by Her Majesty last night. She hasn't been able to masturbate continuously for 12 hours so far. She may have no will to resist...

Yah Ah Ah...
Will the iron
cock insert
in me?!

Really pretty...
Princess
Deborah...

Wow...
Her clit is
so big...

It will be bigger during
an erection, and it
should be as big as the
entire gym.

I can't bear
it... I want to
sit on it now!

Dear citizens!
"Celebration
Time" curtain-up
begins! Next...

12 o'clock?
Let's start.

Station
director,
it's the
high time.

Zhou, you can't
see clearly here,
can you? Climb
onto my hand.

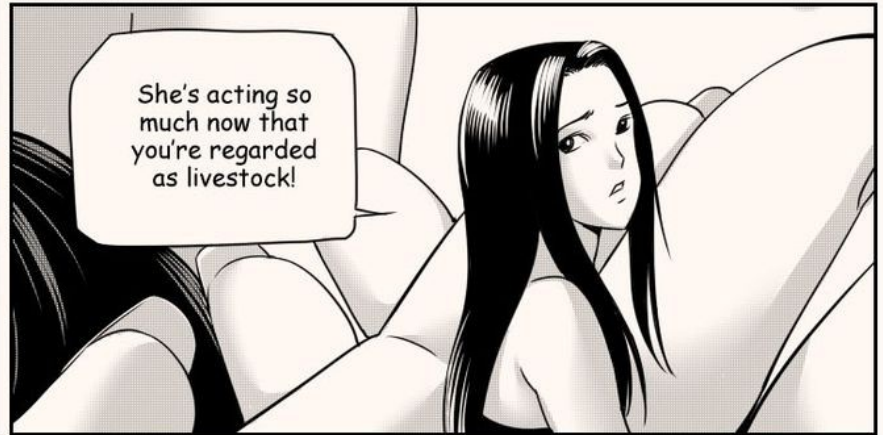

Is this position ok?

As you wish...

Darby, haven't you considered to rebel against the slavery on you imposed by Her Majesty?

Never...

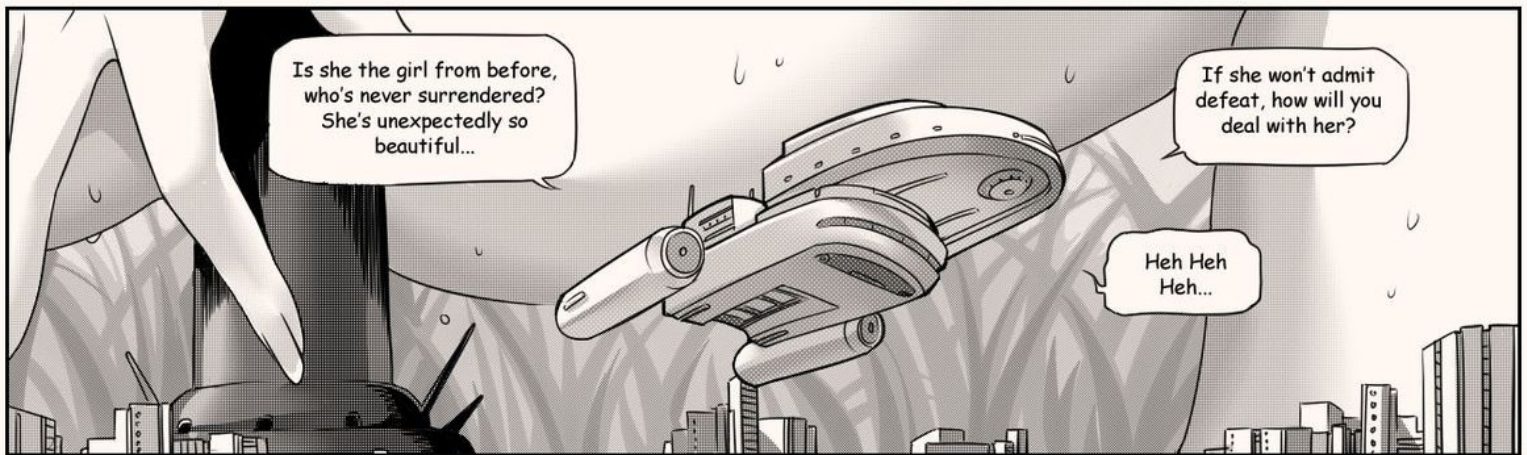

She's acting so much now that you're regarded as livestock!

Her Majesty even prepared this celebration to make Deborah act like a fool...

Although Deborah shows that she's resisting orally, she would be obedient in actions when her sexual desire burns. Is sexual desire that important to you?

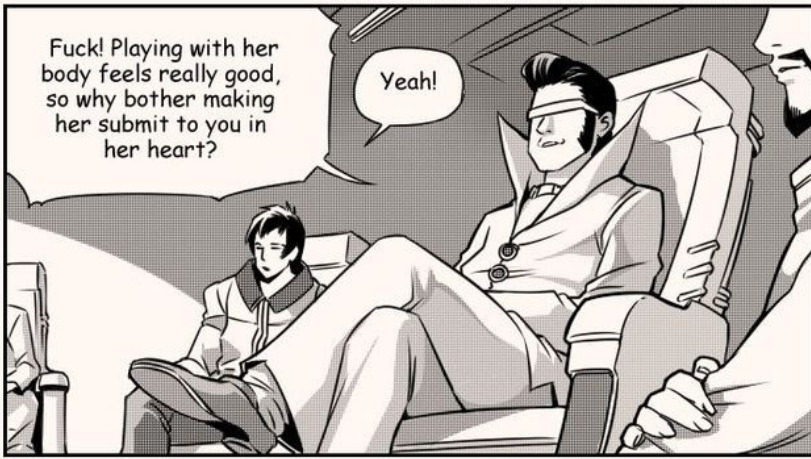

Is she the girl from before, who's never surrendered? She's unexpectedly so beautiful...

If she won't admit defeat, how will you deal with her?

Heh Heh Heh...

There're very few people who can conquer their own desires. She must submit to me one day.

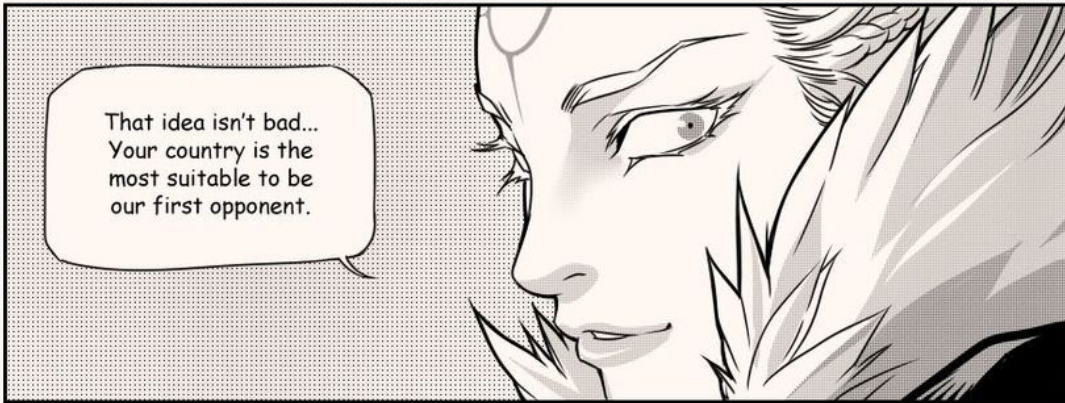

Fuck! Playing with her body feels really good, so why bother making her submit to you in her heart?

Yeah!

What's the benefit of her submitting to you thoroughly?

You aren't going to build an army with those giant girls, are you?

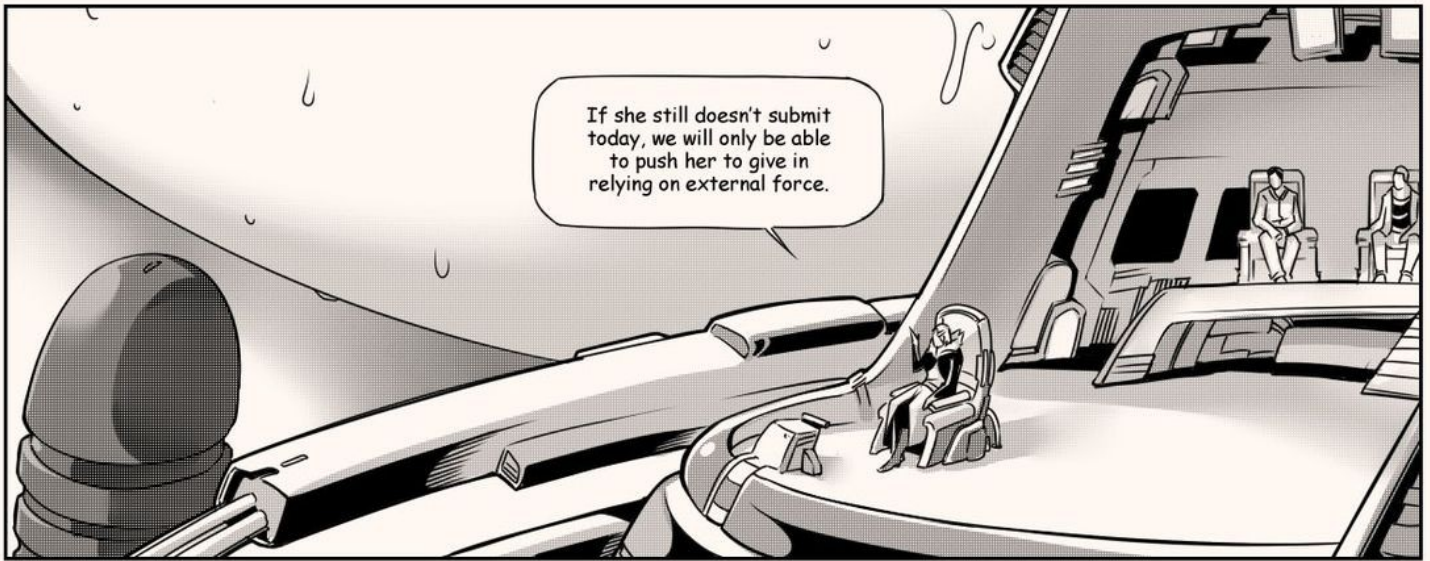

That idea isn't bad... Your country is the most suitable to be our first opponent.

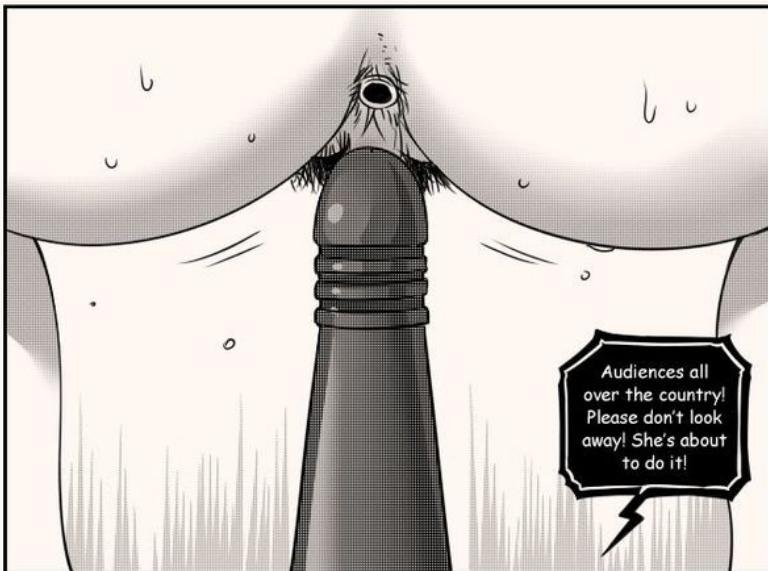

Oh, no! I was just kidding. Don't take it seriously!

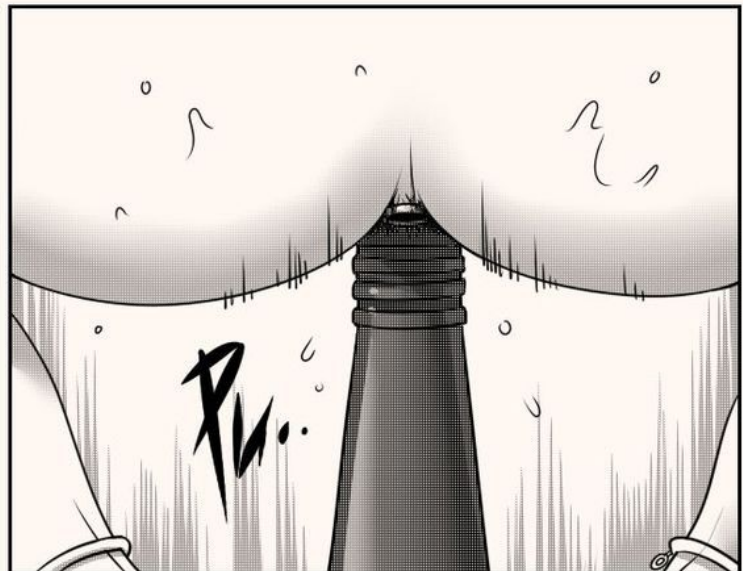

Haha...

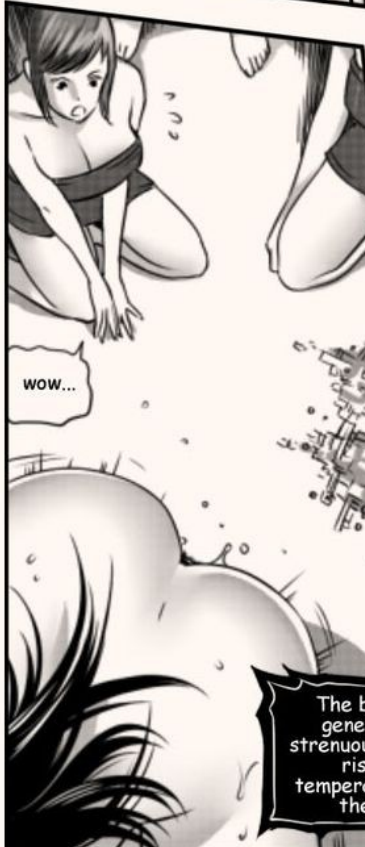

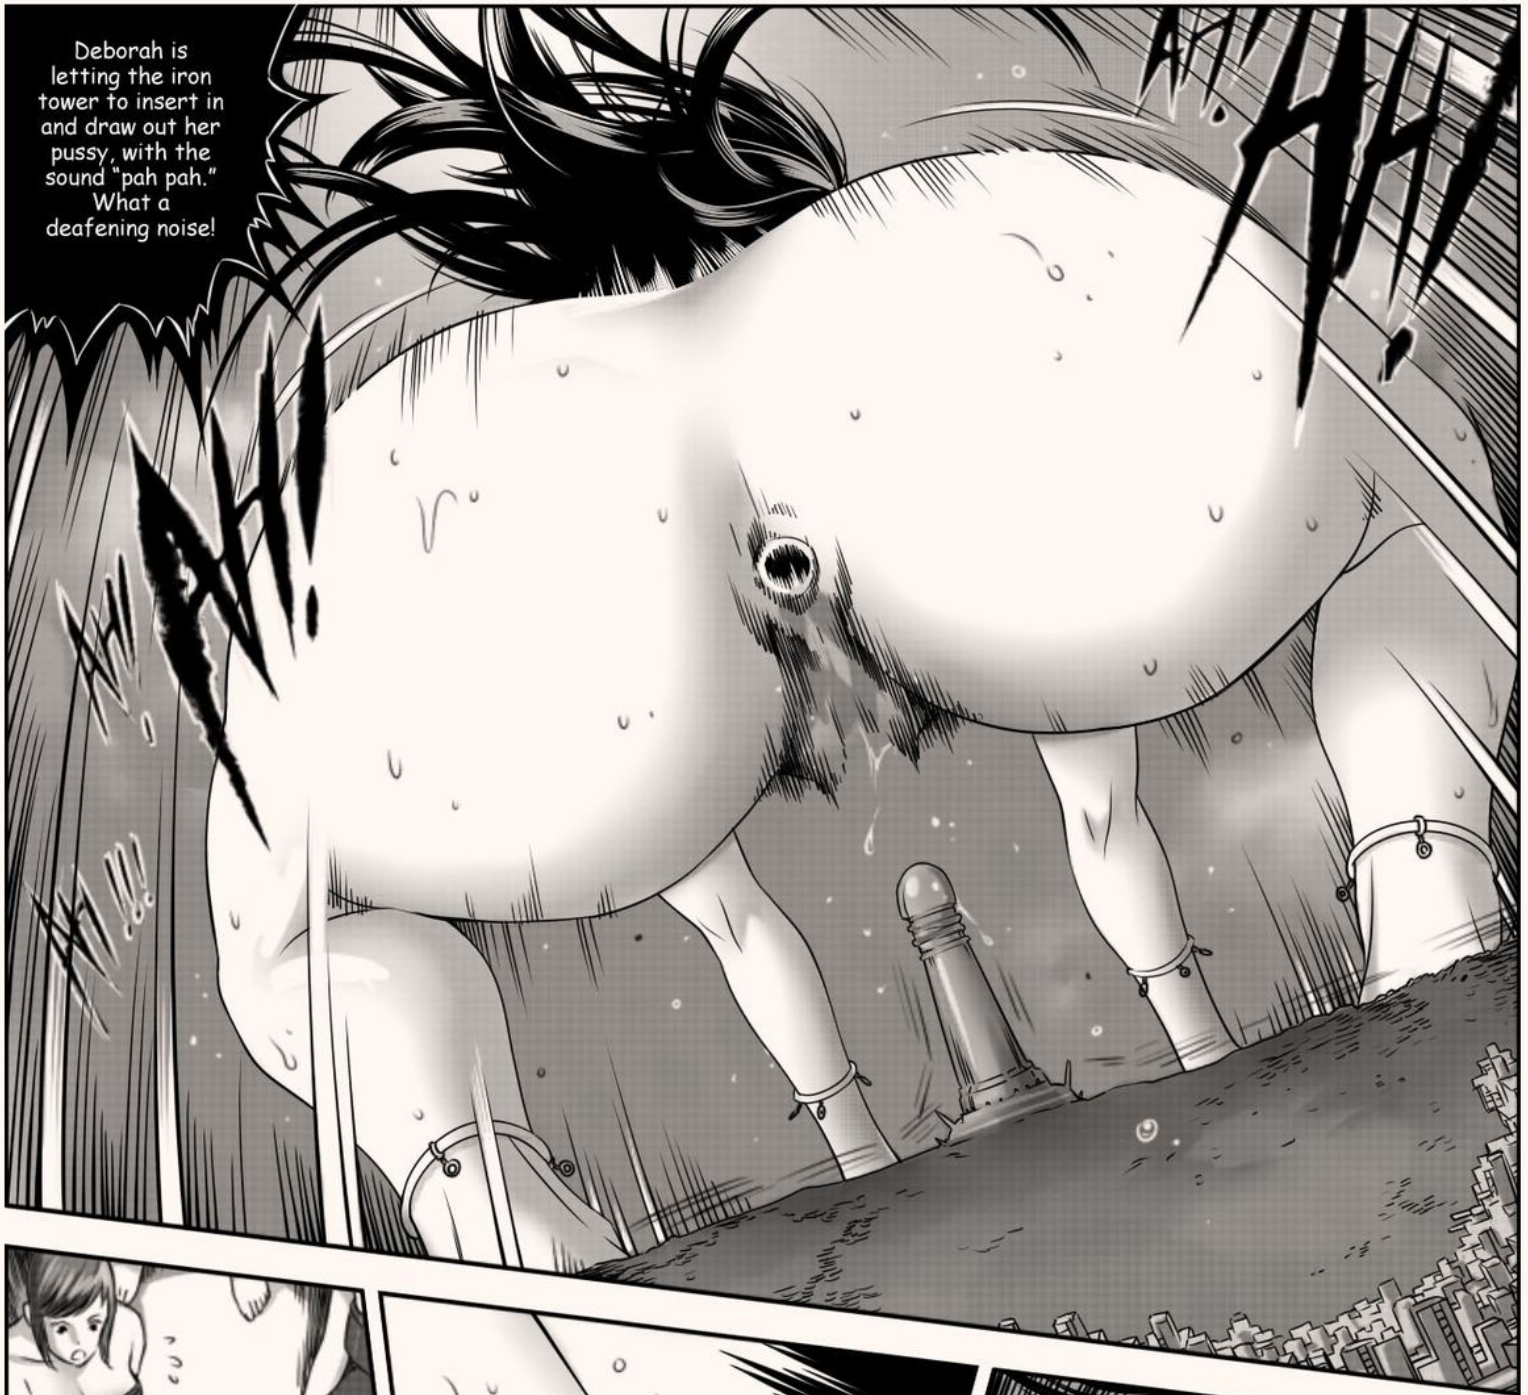

If she still doesn't submit today, we will only be able to push her to give in relying on external force.

Audiences all over the country! Please don't look away! She's about to do it!

Deborah is letting the iron tower to insert in and draw out her pussy, with the sound "pah pah."
What a deafening noise!

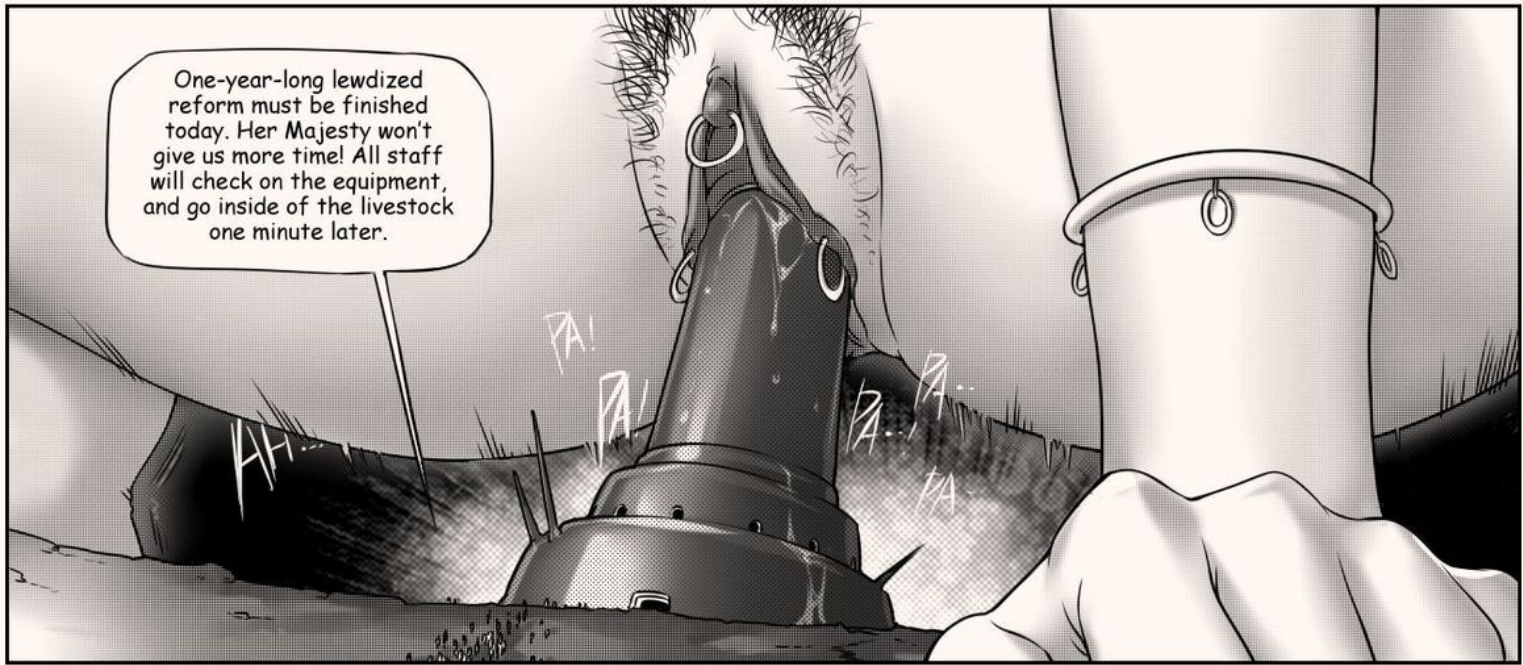

wow...

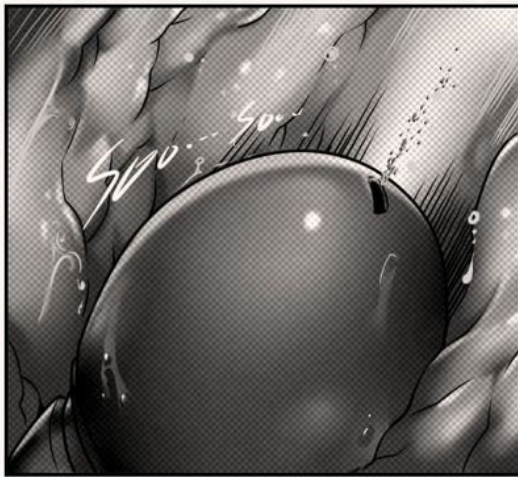

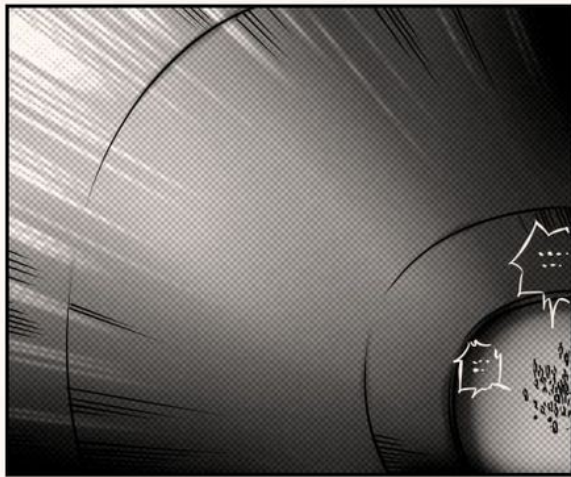

Huge sweat drops are spraying in the air!

The body heat generated by strenuous exercises rises the temperature round the city...

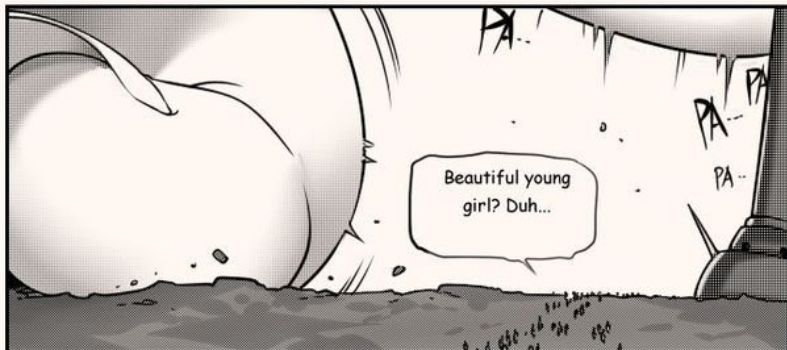

One-year-long lewdized reform must be finished today. Her Majesty won't give us more time! All staff will check on the equipment, and go inside of the livestock one minute later.

Group 1 of the project has been ejected in.

They just came in when I slipped... Forget it! You're just given preferential treatment for today, and allowed to visit the beautiful young girl's insides!

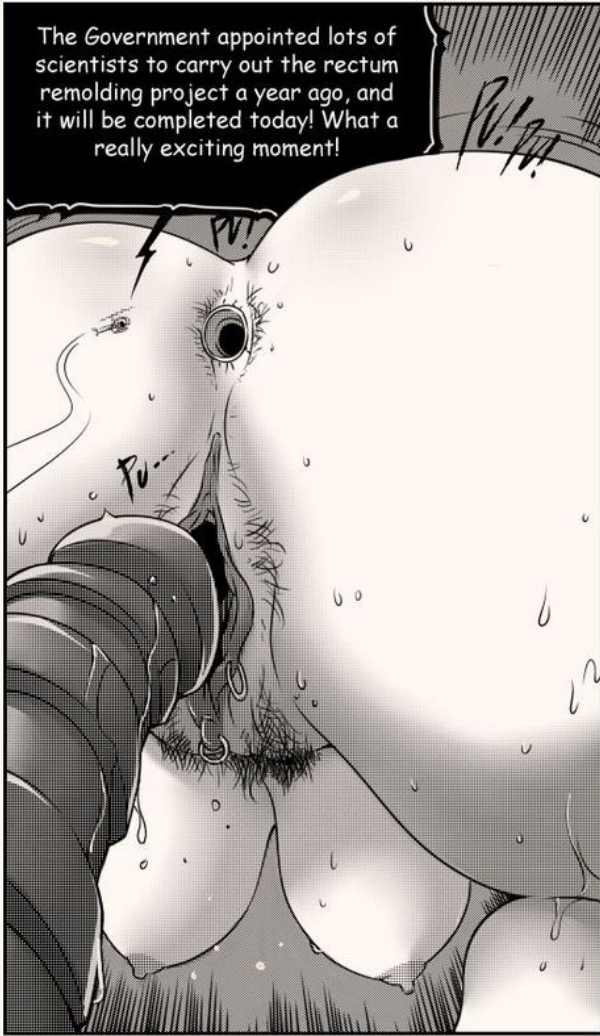

Beautiful young girl? Duh...

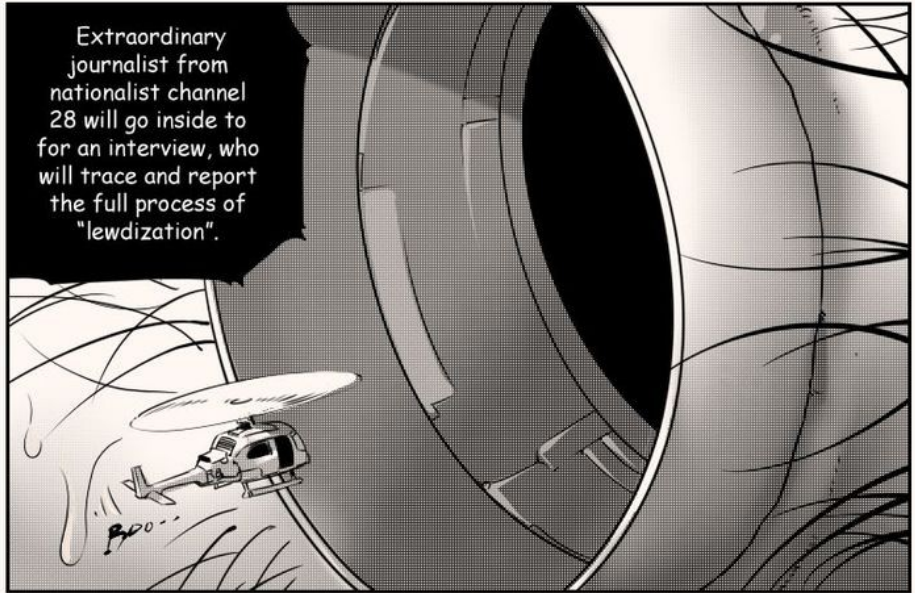

She thought we were the foolish lads who've been enchanted by her cheeks...
I watched her masterbate 6512 times, I've already been desensitized a long time.
Errr...
What narcissism! She's a silly gal!
You're still remembering it so clearly, ha ha!

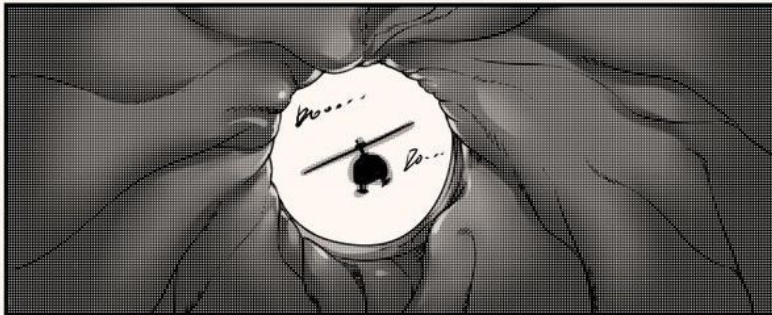

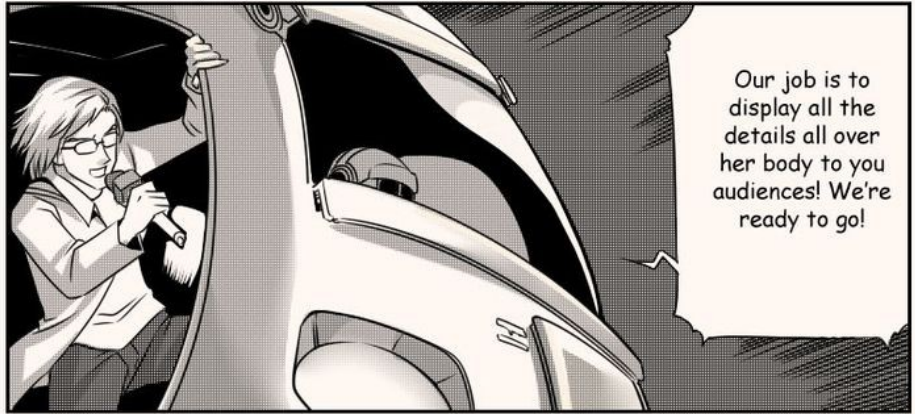

The Government appointed lots of scientists to carry out the rectum remolding project a year ago, and it will be completed today! What a really exciting moment!

Extraordinary journalist from nationalist channel 28 will go inside to for an interview, who will trace and report the full process of "lewdization".

Our job is to display all the details all over her body to you audiences! We're ready to go!

All you technicians have had a rough journey! I'm a journalist for the nationalist channel...

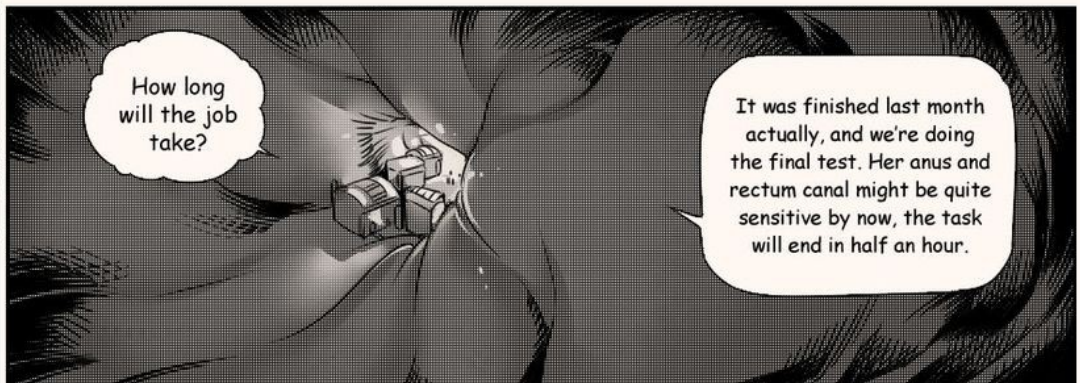

lease tell me what you're doing.

Detecting the environment of the intestinal tract, and lewdizing...

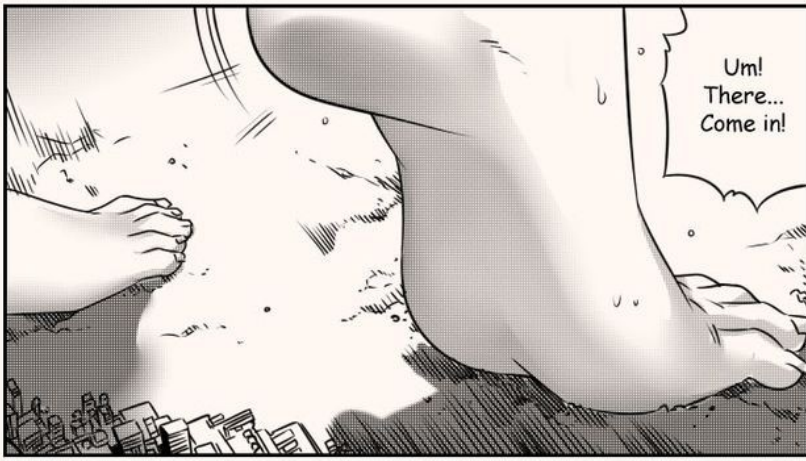

How long will the job take?

It was finished last month actually, and we're doing the final test. Her anus and rectum canal might be quite sensitive by now, the task will end in half an hour.

Nasty whore... You're that woman that's been seen entirely by the Lilliputians!

So excited! My lewd, nasty and big cunt is being stared by thousands of millions of tiny people!

It's said that this gal was more lascivious than the previous generation of princesses. I've really never seen such a rude and lewd girl...

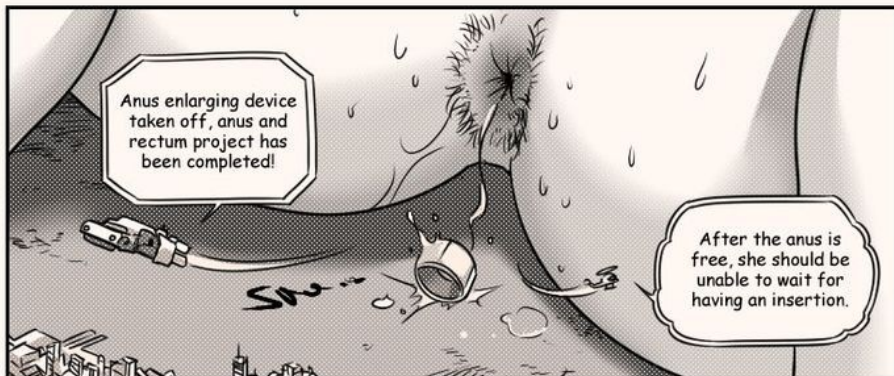

Are you seeing it clearly? Deborah's nasty cunt is being fucked brutally by the boys!

Don't stop it! Don't stop it! Lift me to the orgasm...

Technicians have already completed all the remoldings inside the rectum, and they're retreating...

We'll continue reporting in live outside Deborah's body afterwards!

Anus enlarging device taken off, anus and rectum project has been completed!

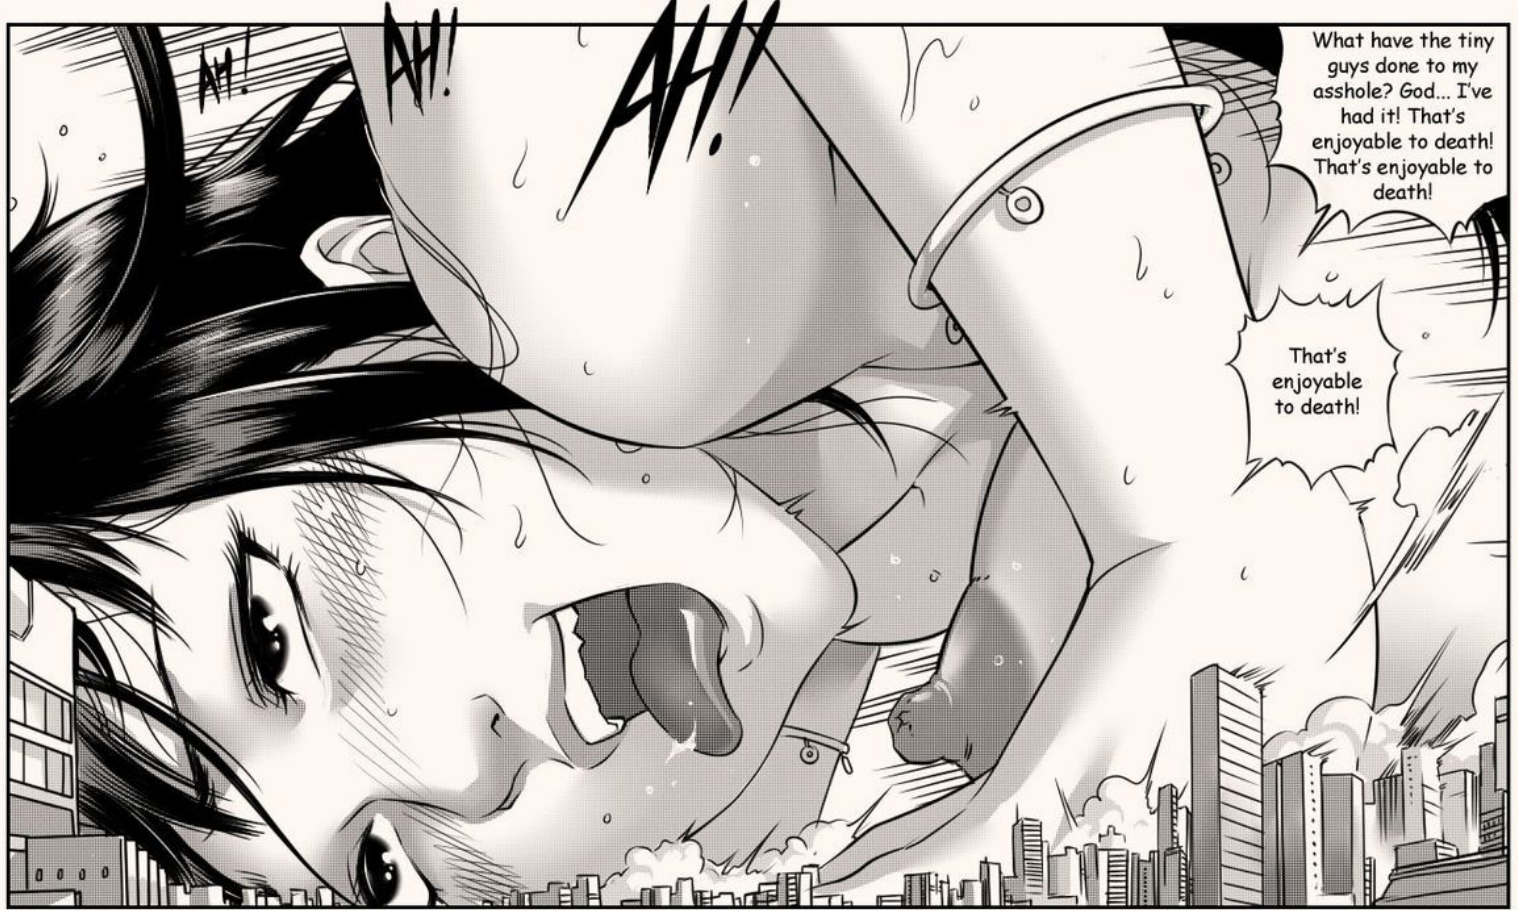

After the anus is free, she should be unable to wait for having an insertion.

Come insert to my asshole!

As expected...

What have the tiny guys done to my asshole? God... I've had it! That's enjoyable to death! That's enjoyable to death!

That's enjoyable to death!

Fuck her to death!

Fuck her to death!

F... Fuck her to death!

Fuck her to death!

Ha ah...

Four hours later...

This girl is so fucking powerful! Four wives of mine being added together can't match her lechery...

haha...

Get closer to her, I have questions to ask her.

Yes, sir!

Hey, you're fucked very well, aren't you?!

None of your business!

Won't you submit? If you will, I'll give you more boys...

Leave them for yourself, you old beast that no one loves!

Ha! The young gal is just acting like a big-mouth and talking nonsense. Your Majesty, don't be angry!

You're a belle who's indescribably beautiful and striking, exceedingly fascinating and charming and still keeping her charm... Ha ha...

Deborah, you'll be sorry for what you said today.

Your Majesty, the internal lewdizing is finished. Shall we carry out the last step or not? Please instruct me.

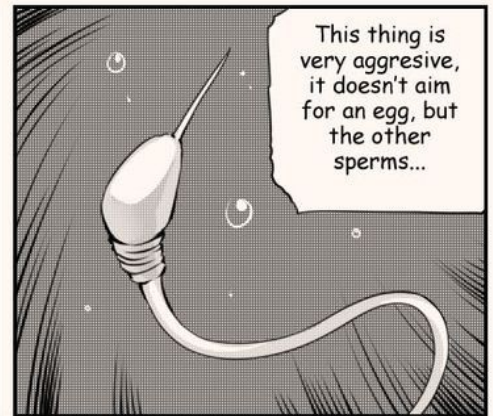

Do it immediately!

Roger!

Is this the ingredient for the last step?

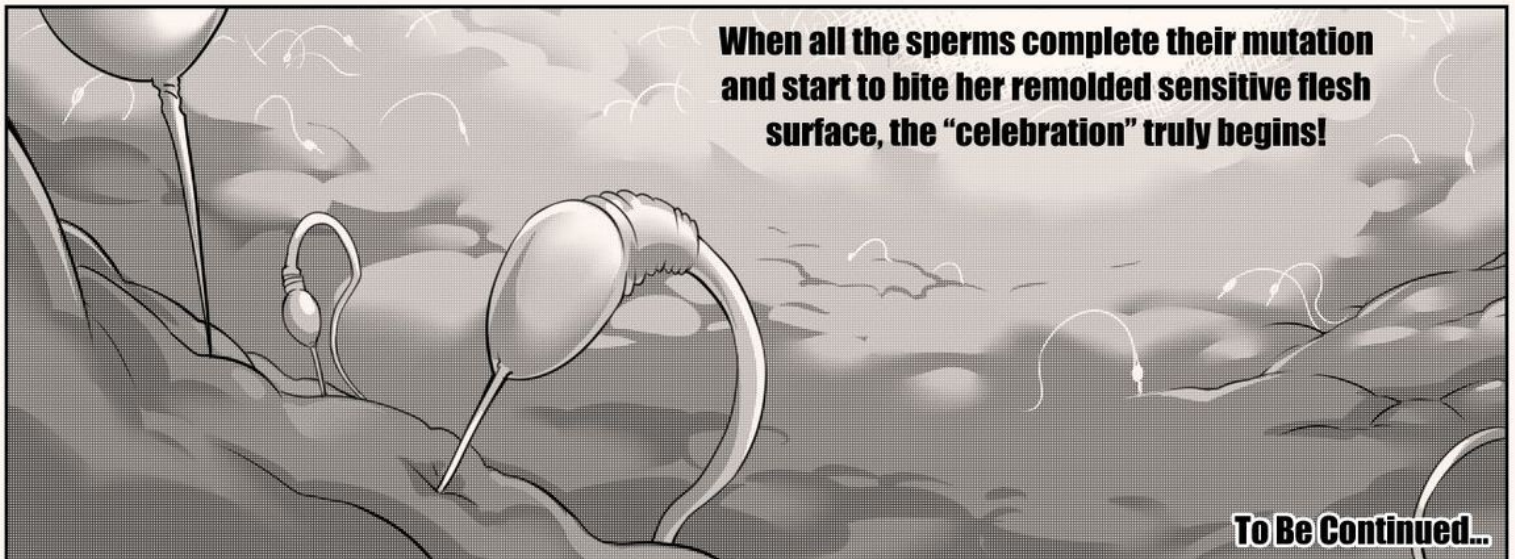

No doubt! This is just it--- mutant sperm!

This thing is very aggressive, it doesn't aim for an egg, but the other sperms...

After a normal sperm is attacked and mutated, it will assimilate its original species like how zombies do!

When all the sperms complete their mutation and start to bite her remolded sensitive flesh surface, the "celebration" truly begins!

To Be Continued...
