No wait let's calm down...

I have to think rationally.

Wait, where the hell am I!?

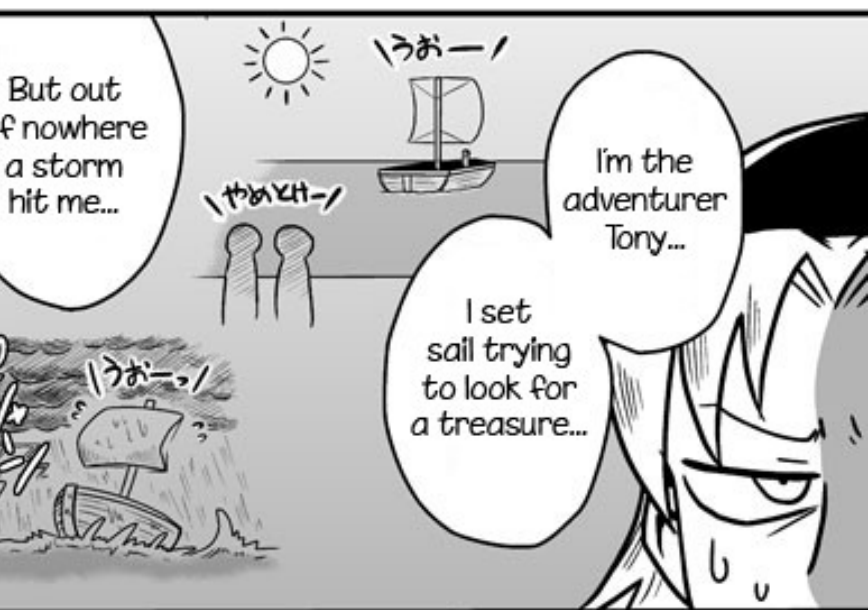

Is this a cave!?

And what are you!?

But out of nowhere a storm hit me...

I'm pretty sure I fell into the sea after that...

I'm the adventurer Tony...

I set sail trying to look for a treasure...

Wait, that's not important!

If you can speak then...

Kurara!

And now a squid is sitting on top of me...

Kura...? Is that your name?

It doesn't seem like she has any ill intent...

Rather, doesn't it seem like she was the one who saved me...?

That must definitely be it!!!

No, wait..!

What are you doing!?

If that's so then sorry for earlier and thank you for...

Hm?

Uwooh!

That's a man's most important...

Stop... You shouldn't mess with that...

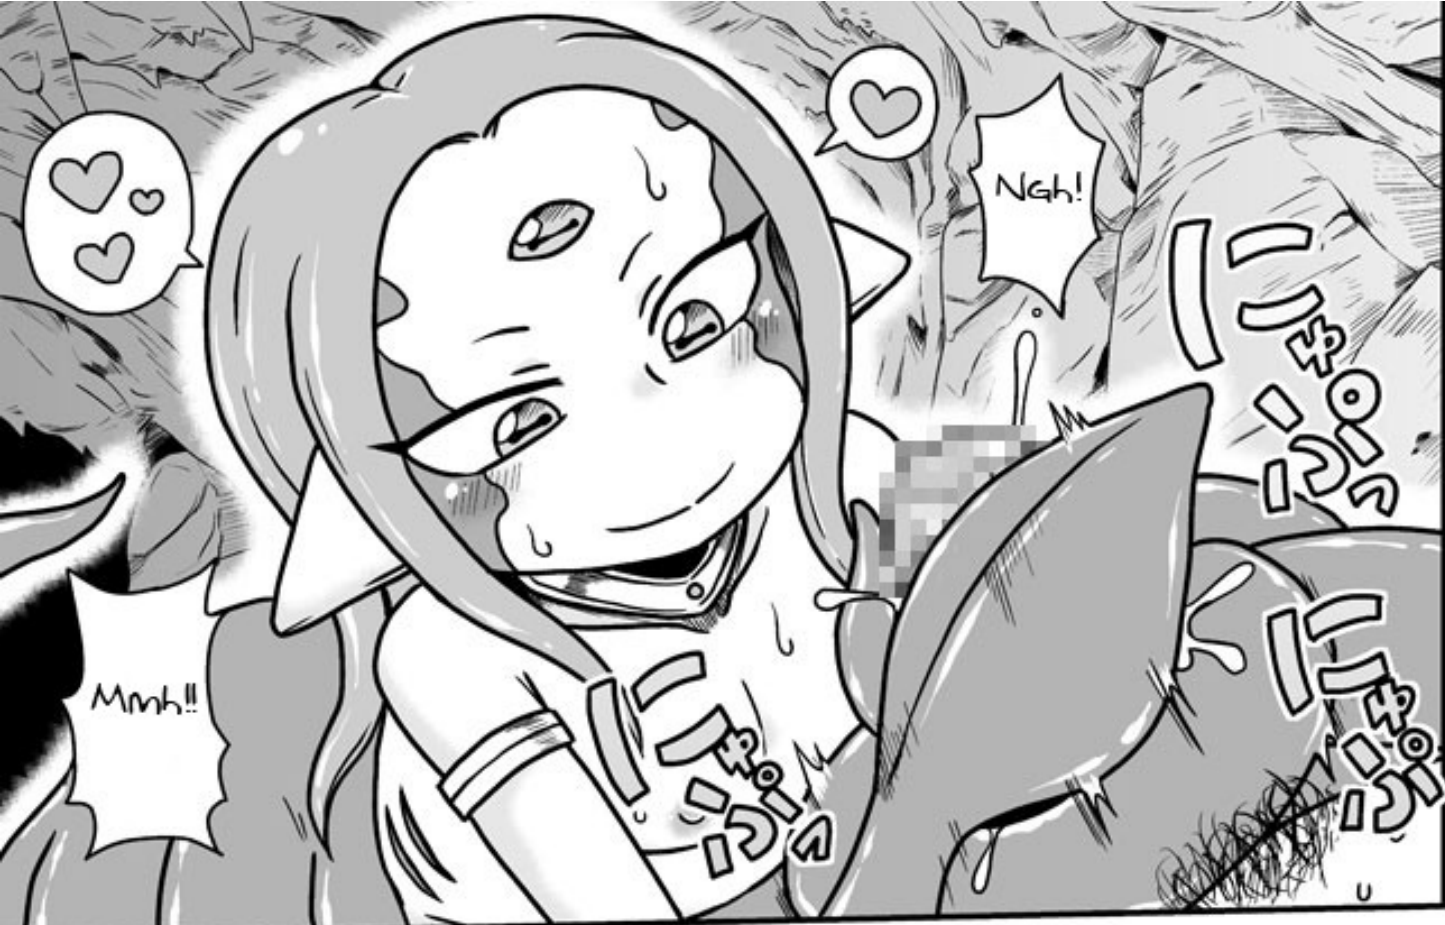

Mmh!!

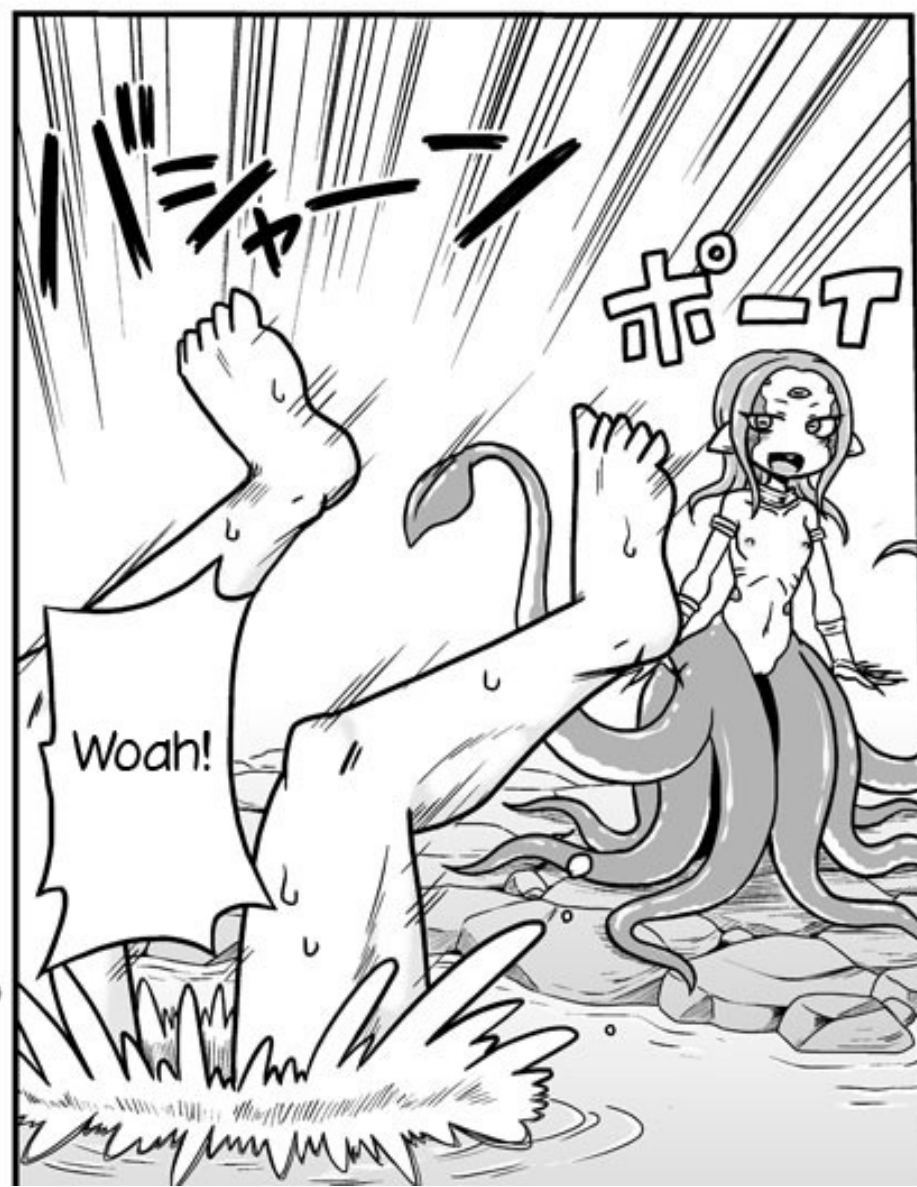

Enough already-

Mmm!

お手にとっていただきありがとうございます。
ちゃぺでいぞ2の有瀬祐志です。
今回はスキュラ系女子のクララちゃんのまんが
でした。触手系女子は定期的に描きたくになりますね。
喋らないので設定が曖昧ですが、どうやらこういう
習性の子みたいです。トニー君には頑張ってほしい
ですね。

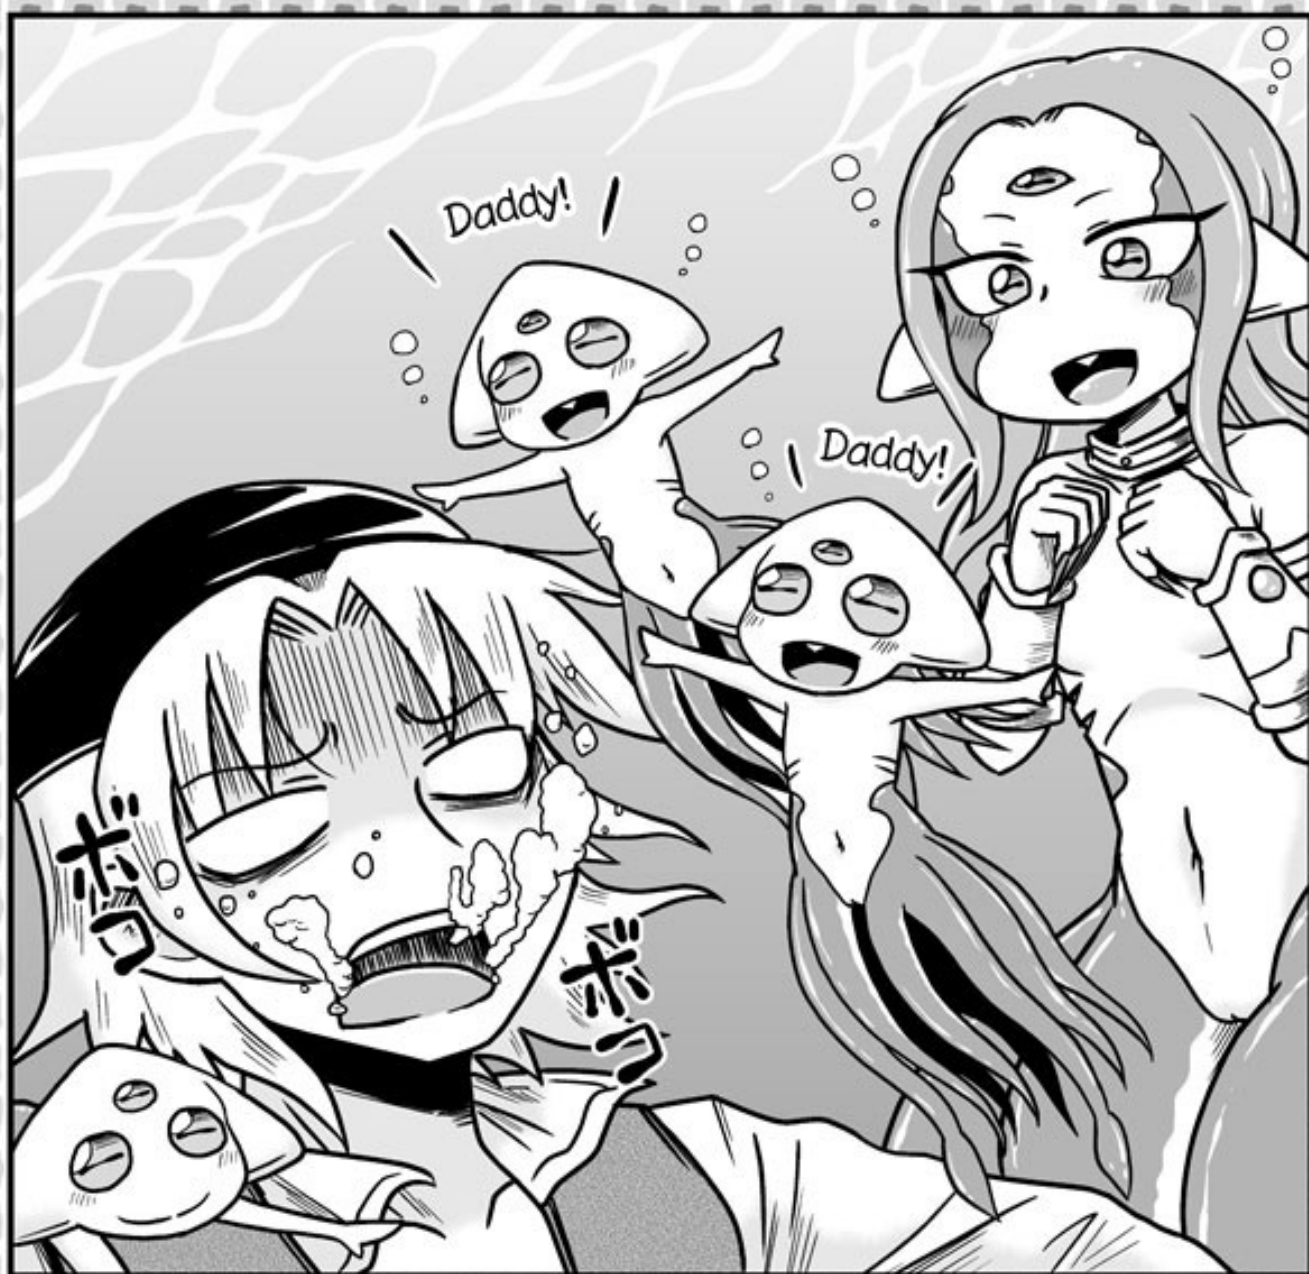

今後も色々人外娘を描いていけたらいいなと思い
ますのでどうぞよろしくお願いします。
