Don't you "ehehe" me.

I know you're a candidate for the prefectural team, but you won't get in like this.

Yokota, you're not giving it your all today. Wasn't breast-stroke supposed to be your specialty?

Yoshihito-senpai ♡

Hey.

Nothing at all! Special training, roger that!

Did you say something?

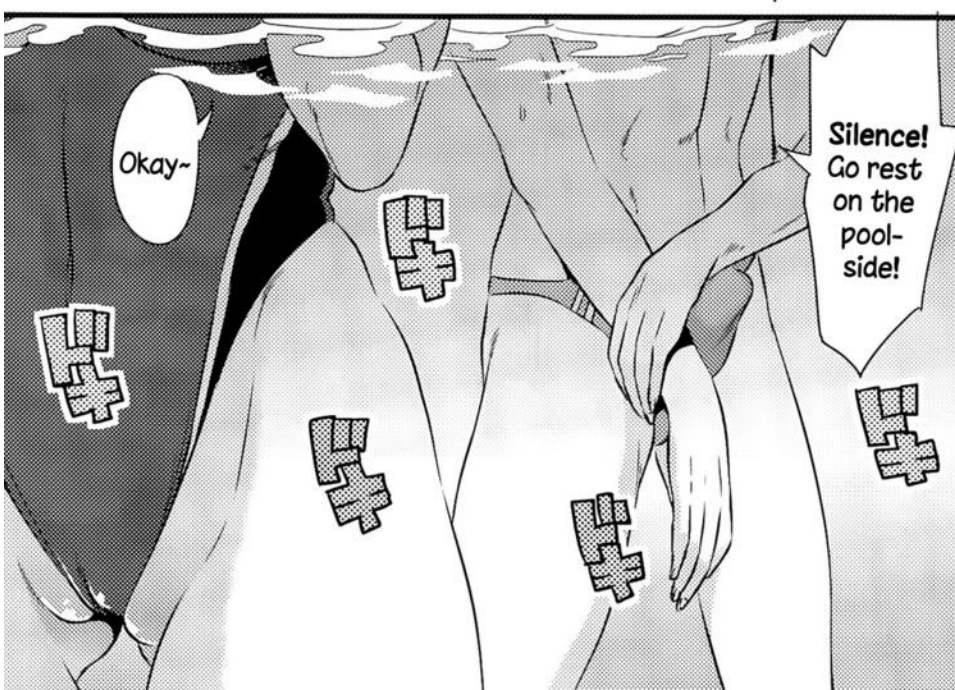

Aww yiss-!

You're staying behind today for some special training with me, got it?

Ehehe-

Hey, Senpai-

にまにまにま

Why are you staying there-?

Does it matter where I am?!

Did staring at me down here make it difficult to climb out of the pool-?

!?

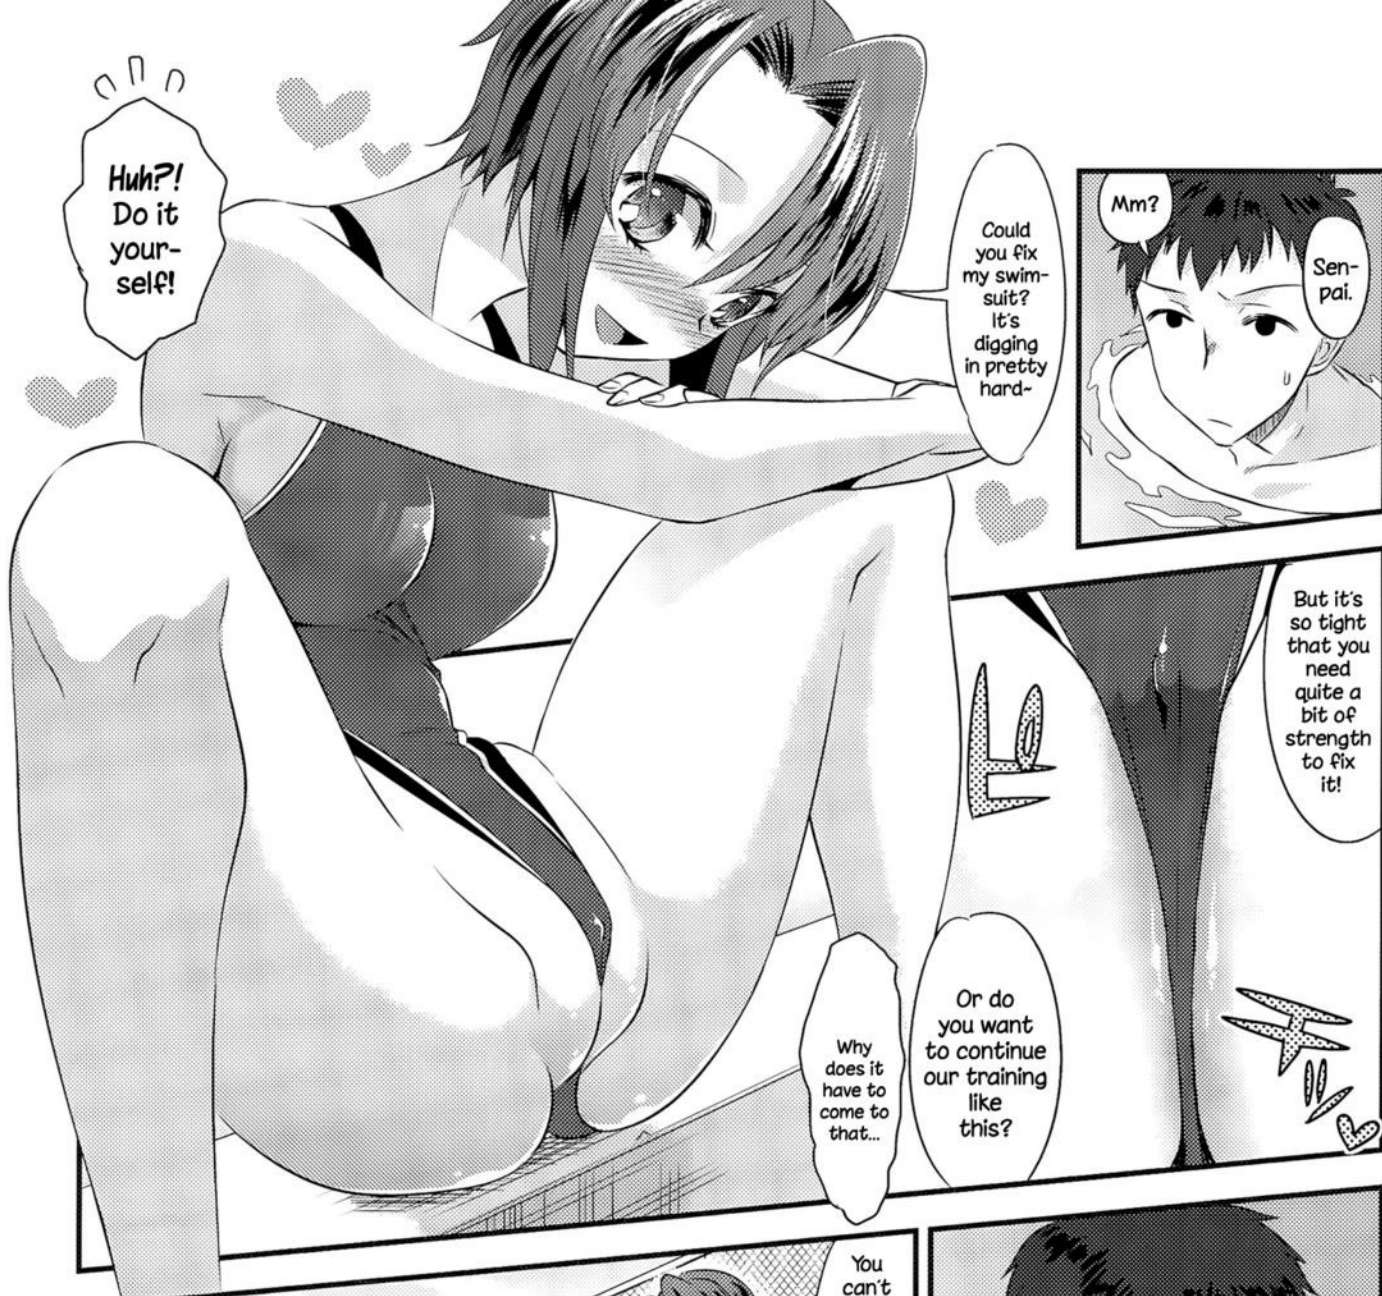

It was just an accident!

As if anyone would wear that by accident...

Wha- You wore that on purpose..!

No I didn't-

WHAT'S WITH THAT...

Ah..!

REACTION, DAMN IT..!

KYA!

What the hell... You're all wet and sticky down here...

Geez~♡ I told you to fix it, but now I'm fully exposed-

I get like this around you, Senpai-

Seriously, stop making this worse...

In fact, I think I'm getting even more excited...

Of course~!

T-This is just so we can practice in peace, you hear..?

Senpai, please make a mess of me with your dick-

We won't be able to concentrate on our training like this, so...

BUT REALLY, WHY IS SHE DOING THIS WITH ME OF ALL PEOPLE..?

We're actually about to have sex in the pool, Senpai...

Uu... You're such a pervert...

We- Well then, here I go...

IT'S GOING IN-

AH!

HAH

Heey, Yokota!
Ah!

Y-You okay?

Yesh~
♡

Ahaha-! I can't see it from here, you know-?

Who-

Y-Yeah, I'm practicing my breast-stroke, like this...

Club activities should already be over, but you're still going at it... You're such a hard worker, Yokota-

Hoh...

Ah... Sorry for interrupting your practice, Senpai.

Ah, yeah...

Hana-oka- cchi..!

Huh-Conf-

We'd been talking about how I would confess to you today, Senpai-!

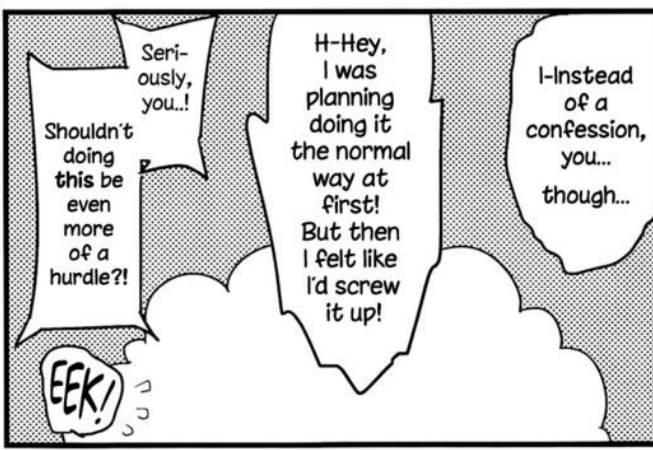

See ya tomorrow-!

I get it already, thanks..!

You did it, Yokota-! Practice well, now~

It's just the two of you... So it went well, right?!

Shouldn't doing this be even more of a hurdle?!

Seriously, you..!

H-Hey, I was planning doing it the normal way at first! But then I felt like I'd screw it up!

I-Instead of a confession, you... though...

EEK!

Uh... Yeah...

She's a buddy of mine, and...

Um... So...

That was close... ..So, what "went well"?

Bye bye~

Did you think I was the kind of girl who'd do this stuff with a guy she's not in love with..?

...But, Sen-pai...

おっ...

That's just unfair-!

Saying it this way..!

I'm a failure as a senior...

HAH

Can we hold hands on the way home today?

Mm?

...Hey, Senpai.

'Cause I was swimming slowly on purpose- ♡

Fufu- That's alright.

Sorry... In the end, we couldn't get any training done...

!?

Yokota Ai!

LET'S GO HOME TOGETHER!

YOSHI-HITO-ONII-CHAN!

...CHAN!

To the station...

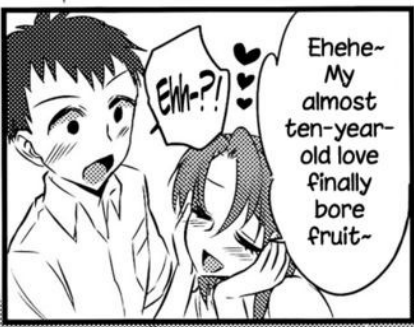

But we did it years ago when you walked me to the station from the swimming school-

D-Doing that in public will be pretty embarrassing...

Hn-

Eh-?! ♡

Eheh- My almost ten-year-old love finally bore fruit-

No, I- Eeh... Seriously..? ♡

You even showed no reaction when I entered the swimming club!

Geez- You forgot all about it, Senpai-

That I'd always wanted to do this- ♡

I told you, didn't I?
