

SIGNS: SHIGURE CLINIC, RECEPTION

You could tell easily, Sae-chan.

Aha ...

Come in.

The only one who comes to visit is Yuki-chan

Yeah

right ?

SAE AND YUKI

Sae-chan ...

I don't want to see anyone from class.

I'm fine with that.

But

Isn't that right?

Yuki-chan is my one and only friend.

Sae-chan didn't have either of her arms.

Pull back my sheet.

Eh... Okay.

Yuki-chan

But everyone else is your friend too, right...?

Yeah ...

I have a rough idea.

What will it be like when I pull them back?

Well...
yeah.

by my
body,
huh?

You're
not sur-
prised

but I
was full
of ques-
tions.

I wasn't
sur-
prised,

It's all
smooth
...

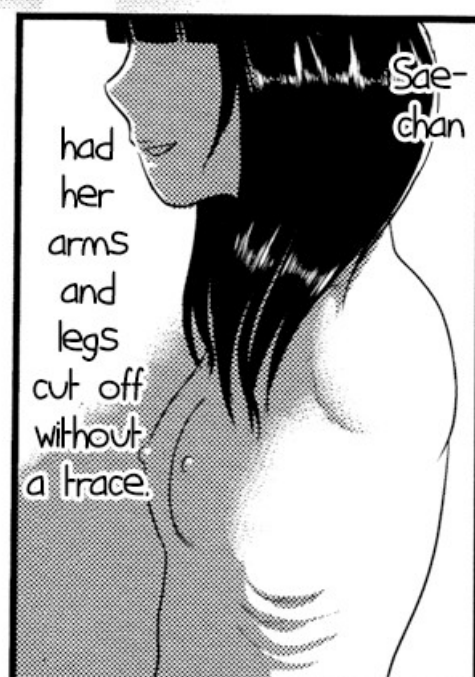

す、

す、

S...
Sure

Wanna
try
touch-
ing?

Sae-
chan

had
her
arms
and
legs
cut off
without
a trace.

さあ

Even though
you were
looking lower,
you weren't for
the shoulder.

Maybe
not even
tomorrow.

Not yesterday,
not today.

There was a
lot I wanted to
ask, but I didn't

How is it?
This time
there's
nothing
below my
stomach.

I go to visit
Sae-chan
every day.

Yuki-
chan

Look

What do
you think
I should
lose
next?

Did you do that

yourself?

Sae-chan...

A question just slipped out of my mouth.

Rather than being cut off

it looked like it had melted.

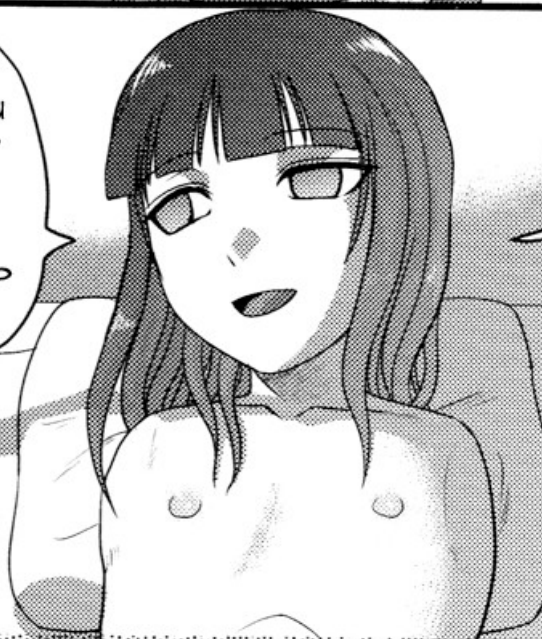

I just got rid of it on my own.

or anything.

Yep, without surgery

Do you understand what that means?

"Cast away to become complete."

Why...

would you do something like that?

I don't have any friends or hobbies. I don't even have anything in this room.

I don't have anything I'm good at to begin with.

they suffer.

Because humans covet things like money and whatnot

I have nothing to be dissatisfied with.

How?

Get rid of...

how happy could I become?
I decided to try that out.

So if I try getting rid of my body

I don't.

Do you really not need anything?

I just thought about it

Really anyone can do it, you know?

Then... I don't have to come anymore?

and just like that ...

But she
was
looking
at me
through
a gap.

Sae-chan
looked
like a
pill bug.

Sae-
chan,
Sae-
chan

I was
a bit
relieved
at that.

I'm
sorry,
let's
make
up.

I wanted
to see
you.

See?
I came
again
today.

I wasn't
serious
about
what I
said yes-
terday.

I'm
sorry.

It's the
truth,
Sae-chan.

Really?

I was
awful for
saying
that.

Since
Yuki-
chan
was
here
for me

But I knew that
having nothing
wasn't happiness.

I said
cast
away to
become
complete.

Th...
Thank
you.

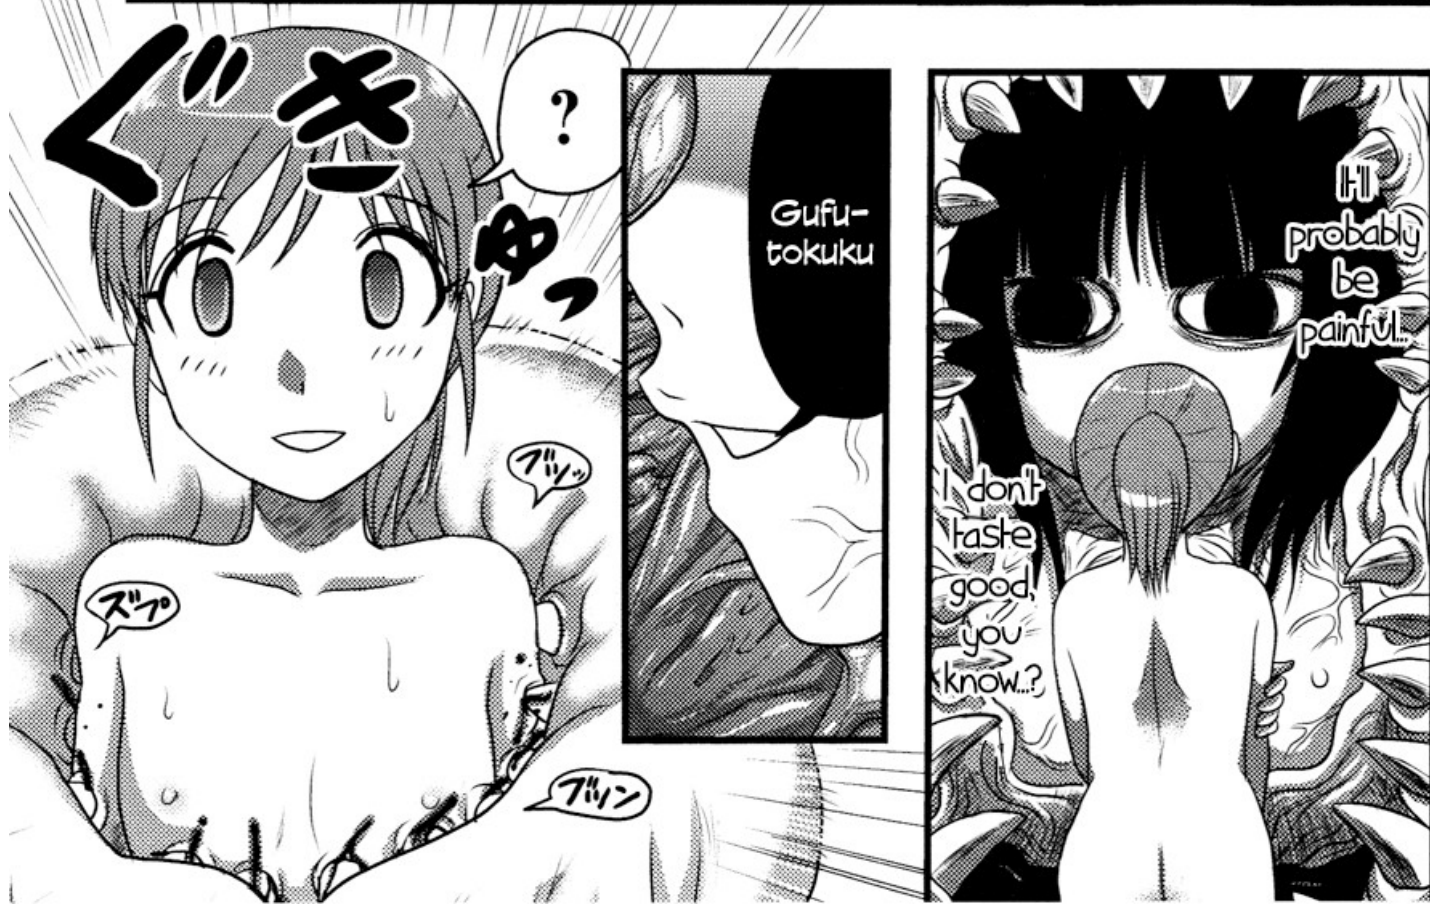

If Yuki-
chan is
here, I
don't
need
anything.

Rather
than
sur-
prise,
I felt
relief.

It's fine if you have
at least one thing
to cherish, right?
