Gotten a crazy number of emails asking for quotes for works after we went public with commissions. Guess people are fine with the prices, as long as we provide the quality eh?

Apparently all it takes to turn a meek person into a pro dom is 10 minutes and a few lies. Well whatever, the art was great, the bondage was superb, the scenes were intense... It was pretty damn good.

Translator

There's always room for more vanilla... Especially when it involves such great artwork! Oh yeah, and a whole buch of awesome S&M and bondage. Enjoy!

Editor

Having sex gives your memory back, eh? Maybe I'll try doing this before my finals.
